TRANSCRIPT OF MESSAGE #561 - Part 2

THE SECRET OF GOG & MAGOG

This Message Has Been Transcribed and Edited For Clarity, Continuity Of Thought, And Punctuation By
The CCK Transcribing and Editing Team.

Well praise the Lord this is part 2 of the Secret Of Gog & Magog, I've had a little problem deciding whether Meshech and Tubal are Satan and Leviathan or Leviathan and Cain, so this is not the first time this has happened, I'm going back and forth a little bit, and I have decided that they are Satan and Leviathan, what I was stumbling over was this question, I'll show it to you on the board, I have drawing number 1 on the board here, and I couldn't understand how Satan could be Gog up here, on the level of the Malkhut of the Serpent, and also be Satan down here, and of course the answer, I should have known the answer but I was blinded. Satan exists on every level, just as we have the ten sefirot, we have Keter, Chokhmah, Binah, each of those sefirot have another ten sefirot underneath them. Keter has within Keter, Keter Chokhmah, Binah, etc., etc. So here this is Satan is Gog, and I'm going to go over this more completely of the Serpent and then Satan is also down here on the level of Zeir Anpin, which is really Leviathan.

Okay so this is what we've got, we are drawing an analogy between what we learned in Kabbalah about how Tevunah of Binah brings forth the lower aspect, the lower worlds, let me say that. If you never learned that or if you're having trouble remembering that, try not to get too hung up on this, I'm just going to go over it briefly. Who are Gog and Magog? Gog is Satan, Satan on a very high level, remember I'm dealing with Kabbalah now with the holy side of Kabbalah because that's what we're familiar with, there are five worlds, Adam Kadmon, the world of emanation which is Atzilut, the world of creation, okay the world of formation, and the world of action, Asiyah, the world of action, Yetzirah the

world of formation, Beriah, the world of creation, and Atzilut, the world of emanation, and then Adam Kadmon.

And we have a parallel series of worlds on the other side on the negative side. So I don't believe there is any parallel for the world of Adam Kadmon, that's very high, so I'm saying that the Serpent is the parallel to the world of emanation on the negative side, the Serpent is very high, and under the Serpent we have the ten sefirot, Keter Chokhmah, Binah, Zeir Anpin and Malkhut of the other side. I thought you said ten Sheila there's just one two three four five, can anybody explain that? How I could say there are ten sefirot when there's only five written down here? Okay.

COMMENT: Zeir Anpin is six sefirot.

PASTOR VITALE: Yes, that's correct, Zeir Anpin takes up six sefirot so it's much, it takes up much less room to write it this way. Okay, so the Serpent who I'm suggesting is Magog the mystical name Magog is the Serpent on that very high realm. The Serpent who has stolen the substance of the creation, the substance of the creation belongs to God, what is in creation is the formation of the substance. If you want to think of the substance of the creation clay that may help you. The clay belongs to God, the clay is of the essence that comes from God. The issue is the formation of the clay. Adam forms the clay in the image of God, and in this dispensation Adam is appearing as Christ Jesus, but there was some intrigue in the garden, and the Serpent appeared and brought forth her image in the clay and the name of the Serpent's image in the clay is Leviathan, Leviathan. That's why the nature of every mortal man is pride, the foundational nature of every human being is pride, because we are in the image of the Serpent, the church world would disagree, but it is the truth nevertheless. We are in the likeness of God in that we're made out of his substance out of his essence, but that essence today is formed in the image of the Serpent and that image is called Leviathan.

Leviathan is depicted to us as a scaly crocodile, and every one of the scales on the back of Leviathan is a manifestation of Cain the conscious part of the fallen mind of mortal man. That means all of us human beings, we're all one scale on the back of the crocodile, what are you talking about Sheila? That's just another parallel way of talking about the body of Christ. All of the people that have Christ grafted to them on the plane of emanation in the world of emanation we are one body of one spiritual man Christ Jesus, and we're all individually human beings down here. And so it is with Leviathan down here in the world we're all individual human beings, but for everybody that has a mortal mind which is everybody in the world today, we are a scale of the crocodile that exists in the high spiritual

plane. You see as far as the body of Christ goes, we see the man Christ Jesus in the world of emanation, as far as the fallen, the body of the fallen mind goes, the fallen mind is not a man, the fallen mind is an animal, the fallen mind is a beast, the name of the beast or that which the beast is, is a crocodile, and that crocodile exists in the world of formation, the next world above this one.

So in the world of formation all of humanity together form the scales of this crocodile, but those of that have Christ Jesus grafted to us, we appear in the world of emanation two worlds above the world of formation, as the spiritual man, Christ Jesus who has authority to rule over all worlds, and therefore Christ Jesus has authority over the crocodile, even the chief prince who protects the crocodile, and the chief prince who is called Gog in the secret of Ezekiel's prophecy is Satan on a very high level, but Christ Jesus is higher than Satan, Christ Jesus is higher than Gog, and higher than Magog, and therefore what the world is waiting for is a company of men to ascend in their minds to a place that is above God and Magog, from which place they will reign in, the crocodile, and the one who rides on the crocodile, and the world will be rectified according to Kabbalah, that's the word they use, rectification, okay.

So let me just go through this. Gog is Satan the prince who is the primary sower of seed. Now this word Meshech, it means sower of seed, it can be translated sower of seed. So Satan on this very high level, and maybe there's another name for Satan on that high level but I don't know what it is. We talk about the Serpent and the Dragon and Leviathan, sometimes I don't get these names right, so you have to roll with me, but Satan on this very high level is the prince who is the primary sower of the seed, and Leviathan who is Tubal, there is no definition of Tubal in the Scripture, I researched through all of my usual methods of research, there's no Hebrew word that the word Tubal derives from and there's no clue in so far as the Lexicons are concerned as to who Tubal is. So I've drawn some inferences here, and I'm saying that Tubal is Leviathan, because wherever Satan is Leviathan is present. So Gog is Satan the prince who is the primary sower of seed, and Leviathan, Tubal is the secondary sower of seed, what does that mean? The seed is being filtered down from the highest realm of consciousness, just like the seed in a human woman, the seed departs from the ovary and travels down the fallopian tube, in the similar manner there is a spiritual seed that comes from a very high place on the left side or on the other side, and it initiates, it is initiated with Satan, and as it passes down to a lower level, Leviathan is formed and then Leviathan passes the seed on, that's what this means Gog is Satan the prince who is the primary sower of seed, the seed initiates with Gog, and Leviathan is the secondary sower of seed that

forms the carnal mind in the physical bodies, and that's what Magog is, Magog is the physical bodies, it's the land, Magog is the land of mortal humanity.

The seed is the dual entity and this we know from the doctrine of Christ called Cain and Abel, who are called collectively the Fiery Serpent when Abel is under Cain's ground, now that's all taught in our doctrine of Christ, from a Kabbalistic point of view how would I say this from a Kabbalistic point of view, the seed that forms the carnal mind is the physical bodies of mortal humanity, the seed is the, okay the seed Kabbalistically is the seeds that are found in Adam Kadmon's ovary, which is called the world of points, and those seeds in Adam Kadmon's ovary are both male and female.

You see in humanity, in a human woman, the seeds of the ovary are all female, if you don't know that, you know it now. All of the seeds of the female ovary are female, in order for a woman to produce a male child, she has to be fertilized, that one of those female seeds has to be fertilized by a sperm that carries the male gene, the sperms which are male are either male or female, so if you get a female sperm and it joins with a human woman's egg, a human egg, you get a female child, if you get a male sperm and it joins with a female egg you get a male child, but in Adam Kadmon's ovary all the seeds are both male and female, the whole issue is which will prevail, will the male prevail when the seed emerges into a whole being, will the male side prevail or will the female side prevail, see there's promise in the Scripture that says and all of your offspring shall be males, but as far as mortal humanity is concerned, that's an impossibility, it is impossible for mortal humanity to produce a spiritual male, because mortal humanity is the spiritual female, and we are all female.

That's why we're waiting for the man Christ Jesus to come and deliver his male seed to us, the seed of Christ and that seed of Christ has to graft to the Fiery Serpent our mortal foundation. But that was all review. Okay now for this message, because we're translating the end time prophecy of Ezekiel 38, I'm trying to show you who Gog and Magog are. So I have the Serpent up here, the Serpent is Magog, on the level of Binah, the world of emanation which is Atzilut, and under Magog we have Keter Chokhmah Binah Zeir Anpin and Malkhut. Now according to Kabbalah, this Malkhut that comes down from this high level has a special name called Tevunah and that Tevunah goes forth and creates the mind of God that exists on the lower planes of consciousness.

So we see here that we have Satan, this Malkhut, this Tevunah, the Malkhut of the Serpent is Satan, that's Gog, she's the one who forms the... Okay so Malkhut of the Serpent which is called Tevunah when we're dealing with the righteous constellation, this level of Malkhut, Malkhut is always the land,

Malkhut is the female of the sefirot, and wherever you hear Malkhut she's always the land. So we have Malkhut on multiplicity of levels. This physical world which is called the opaque world, this is the Malkhut of the Malkhut it's as thick and gross as you can get, but we have the land on every level of consciousness and as we ascend the land is rarer and rarer, which means it's not opaque it's translucent, it's more and more translucent. When we did some studies in theosophy, I think it's called the etheric body, we have an etheric body that's not opaque like this, that you could see through. So the land exists on a multiplicity of levels. And this land Satan, Gog the land of Magog, this is the place from which, this is the high place from which Satan brings forth on the lower planes of consciousness the physical bodies that are the home of the Serpent. And again this, we learned this in the doctrine of Christ but it was many years ago. What is the purpose of humanity, what is going on here, what is the purpose of humanity on the fallen side? The Serpent wants to live in us, this is the war, this is the end time war that is going on in the church today. There is a counterfeit Holy Spirit in the church today deceiving multitudes of Christians and not only multitudes of Christians but multitudes of pastors and Christians in positions of authority.

There is a false Holy Spirit in the church, and here the Lord is showing us where this false Holy Spirit is arising from. It is the Malkhut of the Serpent, and this false Holy Spirit is coming forth to do the same work that the Holy Spirit's doing, what is the work of the Holy Spirit? A lot of Christians that have never heard the doctrine of Christ will tell you the work of the Holy Spirit is to point you to Christ. See you're not supposed to stay forever with the Holy Spirit, the Holy Spirit is supposed to point you to Christ, that is a basic teaching of Pentecost, I think it should be a teaching in the Baptist church, that's it's basic, it's in the letter of the word, the King James translation, the Holy Spirit is supposed to point you to Christ, you are not supposed to stay with the Holy Spirit forever. And although this is not well known in the church the Holy Spirit is the female aspect of Jesus Christ, and that's no insult, he sent forth his wife to draw you unto himself. He's the man, Christ is the man, see, and Christ being a male in the image of God, is so radically different than our female mind down here in mortal humanity that mortal humanity is terrified when Christ Jesus tries to communicate with her, people are afraid of Christ.

So he sent forth his female aspect, he sent forth his wife, that's more like us, so that we could relate to her. So what does she do, what does the Holy Spirit do, makes us feel good, calms our emotions, prophesies nice things to us, everything's going to be okay, let's dance and sing, and here's your Bible, now I'm not knocking, that's good, but you're not supposed to stay there for the rest

of your life, you see. She's supposed to so fill you, the Holy Spirit is supposed to fill you with herself, which is an aspect of Jesus Christ, that you're supposed to be all filled up with what we call an imputed manifestation of Christ in you. You have the power of God, the branch of the tree. Hopefully you're reading the Bible, you have some knowledge in you, but a branch of the tree cannot survive without the root and the root is the man.

So you have all this power of God in the branch, you have the blessings, you have healing, you have deliverance, you have some basic knowledge of the Scripture and now you have to meet the man, and he wants to graft himself to you because if the seed of Christ is not grafted to you, the branch will die, and this is where the church is today, this message is not understood in the church.

The majority of the church thinks you get the Holy Spirit, you live for a season, you die and you go to heaven and you carry on from there. And the truth is you get the Holy Spirit you enjoy the Holy Spirit for a season, your carnal mind dies and you go to heaven who is Christ in you the hope of glory, and you go on from there in the flesh. See this message is not being preached, it's not known in the church, and this is how a false Holy Spirit has come into the church. You know a Christian might say to you, oh what's the purpose of a false holy spirit, you know it heals, it delivers, it makes me dance and sing, sets my feet a dancing, see. The Holy Spirit has this counterfeit Holy Spirit has the same assignment as the Holy Spirit of Jesus Christ. To leave you to the spiritual man, only this counterfeit Holy Spirit is married to the Serpent.

See Christ Jesus wants to marry you, he sent his Holy Spirit to draw you close enough to him so that he could put his hooks in you. Now a lot of people don't like the sound of what I just said, but it's the truth of the Scripture, why does Jesus have to put his hooks in you, because you'll never come if he doesn't hook you. The church will never come, and I found Scriptures when I looked up every word likening Christ Jesus drawing him closer to us, to a ship being near to a dock, and the hooks going out, the grappling hooks. I think well the ship hooks onto the dock and pulls it in, but in this case Jesus is throwing out the hook and drawing us near because no one, Jesus is so alien to everything that we know to be true, the people would just never come, they would flee from him in terror and disbelief.

So this counterfeit Holy Spirit is sent on behalf of her husband the Serpent who wants to marry the church, and the branch of the tree, the branch of the tree of life which is Christ Jesus looks to us like the branch of the tree, of knowledge of good and evil which is the Serpent. The gifts look very much the same, but once that root is grafted to you, then you'll find out who you really are, and we

are trying to stop that from happening by educating the people, that's what our job is on this level, all we could do is educate the people and it's the job of the people to go before the Lord and say could that possibly be true, which nobody does, everybody knows the answer, everybody that hears this message in the traditional church knows the answer, this is a cult and we don't know what we're talking about. Well if you hear this message, your job is to say Lord Jesus could this possibly be true and if it is you have got to help me believe it.

So there's a counterfeit Holy Spirit in the church and this is where she comes from, from a Kabbalistic point of view that's a very high place comparable to world of Atzilut or the world of emanation, and Satan is Gog and who forms the physical bodies that the Serpent Magog dwells in. She begins to form those physical bodies from this high place, because before our physical body comes into existence, a mind has to come into existence. So the first thing that's being formed is the mind, the physical body is just the cover that covers over the mind.

So this word land in the Scripture it really should be translated mind, but I've translated it physical bodies because I'm trying to help people understand, but the land exists on two levels, the mind is the spiritual land and our physical body is the physical land. So we see that Satan from this high place is bringing forth Leviathan. Now when we're dealing with the holy constellation Tevunah is bringing forth the mind of Christ, or Christ Jesus, or in Kabbalah it would be Adam, Tevunah is bringing forth Adam, but we see that Satan who is Gog, the land of Magog who is the Serpent is bringing forth Leviathan the mortal mind of fallen man, and Satan from this high level which is likened to Binah gives of her substance to this lower mind and becomes the brains from the Serpent's world above.

And then we see the formation of the unconscious part of the lower mind which is Meshech on a lower level. Keter Chokhmah Binah Zeir Anpin and Malkhut exist in every world. So although we've already told you that Meshech is the Serpent, we also see Meshech down here in the world of formation as Satan, the unconscious part of the mind of mortal man, and Leviathan who is Tubal, okay, who exists in all worlds, is coming forth as the subconscious part of the mind of mortal man, and then we see this mind appearing in the world of action, down here below the line, Cain the conscious part of the mortal mind was appearing in the world of action, and then we see the physical body which is the land or the home of Magog, the world of action. So this prophecy this incredible prophecy that was given to Ezekiel, this end time prophecy, in chapters 38 and 39 is warning the church or whoever can understand it, it's a deep secret, it comes forth in a very mysterious language, is warning the church that there is another mind in the world that the Serpent still exists and that our

mind is the garden. If you have Christ, you have in your mind the man which is Christ, you have the woman which is your mortal mind, or your personality and you have the Serpent which is the unconscious and subconscious part of your carnal mind. The whole garden scene is happening in your mind, and what you are and what happens to you in the physical world, how you appear how your body appears, how you think and how your life manifests in the physical world is a direct result of what's going on in the garden in your mind.

If you're married to Christ Jesus in your mind you're prospering in this world, if you're believing the Serpent's lies and when you believe the Serpent's lies that's a form of worship, and it's a form of marriage, then you're submitting to the Serpent, you're not prospering in this world. And I'm not looking at how much money you have. Everything plays out over a long period of time. See this is so confusing to some people to talk about the prosperity in this world, because on the one hand you could look at somebody who's still very ill and not doing well financially but listen to the words they say, look at their lifestyle, look at how devoted they are to Jesus Christ look at what their average activity is, you know, and you can make a judgment that they're sold out to Jesus Christ, but that devotion to Jesus Christ has not yet undone all of the curses that were on their life when they first came into a relationship with the Lord Jesus. Then you could take somebody who seems to have a wonderful life, they're intelligent, they have a good marriage, their children are healthy, they have a good job, they have money, and they're out there drinking and drugging, and in adultery. Well it may take a few generations, but their descendants will not prosper.

So this is a big mystery, we can't just look at somebody's appearance in this world and make a judgment as to who they are, you have to look at their heart, you have to look at their spirit, you have to look at their mind, you have to look in the spirit, you can't look in the flesh, and when you learn how to look in the spirit and to make a true judgment of who someone is in the spirit, then you can predict what their life will be in another twenty years, or in the next generation, or in generations down.

You see you're serving God with all your strength and your children aren't exactly where you'd like them to be, well God will help your children in this generation, they may still have some problems but you keep serving Jesus Christ and in the next generation of your grandchildren, and the generation after that, who you are will be revealed, you have to look at the third generation or fourth generation to either see the destruction or to see the blessings. Nothing is simple and nothing is black and white. Are there any questions about what I have taught you here, because it's three o'clock, and I may go a little longer but we usually stop at three o'clock.

So Gog is Satan on a very high level, Magog is the Serpent and Satan is the servant of the Serpent and the whole intention of the Serpent, Satan and Leviathan and Cain is to bring this creation into a collective expression of the Serpent. Well Sheila I thought we were already there. Well we are an expression of the Serpent but an immature expression of the Serpent. It says in one of the prophets, I think Ezekiel, that Israel arrived at the time for love. Brethren, humanity is a young maiden, humanity is not married, the married woman whether she's married to Christ Jesus or to the Serpent is a highly spiritual person who is very active in spiritual activities. If you're married to the Serpent you're a high level witch, if you're married to Christ Jesus, you're a high level son of God.

So humanity is not married, you see, we may dabble a little bit here or there, but I'm talking about high level leading to immortality. You see there is an immortality of this world. Satan can give you immortality, I know that there are lots of nations that dabble in witchcraft, but they still die you see. I'm talking about high level stuff where you stop dying. The reason you stop dying is because you are joined to or married to the one who doesn't die. And the one who will live as long as this age exists is the Serpent. So the immortality of this age comes through union with the Serpent. Now you may dabble in witchcraft, you may even have some power, but if you can't keep yourself alive, you're still a maiden, you're not married, or your marriage isn't completely consummated. So humanity is at the stage where it is ready to go forth into immortality, and the question is will we acquire the immortality of this age, or the immortality of the age that has no end, which is in Christ Jesus. Because when the age that has no end which is Christ Jesus appears, it will swallow up the immortality of this present age, will end in Christ Jesus just as the Babylonian empire ended when the Persian Empire swallowed it up.

But this is going to take I believe thousands of years, I would not want to be married to the Serpent for one day. The world is coming in to a very high spiritual place, and there are two resurrections, the resurrection of life, or the resurrection of damnation. We're going to see people walking around possessed by their spiritual husband, and you know that's not such a bad word because Christ Jesus wants to possess us, he wants to be living his life, expressing his life through us in our every thought word and deed, but when we're married to the Lord Jesus, we'll prosper from such a union, but when you're married to the Serpent, the Serpent will be expressing her very cruel and evil nature through you. I personally believe we're going to see manifestations of evil in the earth that really have not existed for a long time, for at least the two thousand years since Christ was born. See especially the people in the

west you know, European Christians and American Christians. We're very naive you see, I really believe that such a thing as a werewolf or a vampire exists, these things exist, people who have ascended to a high level of union with the Serpent and they enter into tormented lives.

All of this has largely dried up since the birth of Christ. The Christian world is very naive today, very naive as to where we came from, who we are, and what lies ahead of us. I believe that Christ will win the battle, that there's no question about it, but the Christian world, they're sliding backwards at this time, and thousands of Christians are being seduced into a union with a counterfeit Holy Spirit. Now when spiritual events happen, they're unleashed, just like when you throw a ball, that ball is not going to stop in midair and drop down, it's going to follow through on the path that you threw it on, until the energy that you put into that ball expends itself and then the ball will fall down. Something has been unleashed in the world today called the counterfeit Holy Spirit and it will follow itself through till the end until the energy is expired, and there will be people who will get hurt, and who are already being hurt. At the same time Christ Jesus is appearing, and the resurrection of Christ Jesus has been unleashed in this world.

I call this a time line, these two time lines will exist simultaneously in this world, and that which is happening because of the counterfeit Holy Spirit the fruit of that will get worse and worse and worse. At the time that those who are going forward in Christ Jesus will be coming more purified and more powerful in Christ Jesus. Both events, both time lines will exist. In addition to people who are not even developing spiritually, we're going to have all of these different time lines coexisting in the earth. And I want to tell you that people who cannot see what's happening with the development of the two spiritual communities in this world, you know, I think I said that the wrong way, the people that are not a part of these two time lines, these two channels in which some human beings have already begun to ascend, okay, these people are invisible to the people who are just leading an average life, they can't see you, they can't figure out who you are, and if you try to tell them, they don't know what you're talking about. You're only visible to each other, Paul clearly said, No one can understand that it's Christ in you, nobody can recognize Christ unless they have Christ in themselves. Sometimes people look at me and they see something different about me, but they can't figure it out. Even people in the occult, can't figure it out.

One man once thought I was Haitian voodoo high priestess. He saw the anointing on me, he never saw an anointing like that on a Christian before, he thought I was a voodoo high priestess. So spiritual people will see your

spirituality but until the knowledge of Christ is established in the world people are not going to understand who you are. And we will be able to recognize the people ascended in witchcraft, but the majority of people in this hour, this year, and I'm preaching this in the year 2002, the majority of the peoples of the world do not know what's going on, they will not recognize you and we, and the reality of who we are will be an enigma or simply invisible to the large majority of the peoples of the world. So the people that we're sent to help won't even know who we are, they won't know what we've done for them, there's no glory of men in this ministry.

Okay, our job is to preach the esoteric or the deep spiritual understanding of Ezekiel's prophecy, and we're going to start with chapter 38. Now I started to read my alternate translation of that at the end of part 1 of this message. Those of you who have been with me for a while, know that when I bring forth a translation, it evolves, it just takes hours and hours of my time, and as I look at it and read it over, the Lord shows me, I just go into a deeper and deeper spiritual plane, as I hear what the Lord wants me to bring out of this Hebrew, the Hebrew words that are present because I work with the Interlinear Text. So what I'm going to do, unless anybody has a question about what I preached so far, does anybody have any questions. Okay. I'm going to read the alternate translation which is changed somewhat from part one, and then we'll break for dinner. And hopefully after dinner we'll make some progress on explaining how I have brought forth these translations and also what the translation means, because as we bring forth the esoteric meaning of the prophecy, if you don't know the doctrine of Christ you still won't understand what the prophecy means. So I will be explaining the esoteric translation which needs to be expounded upon.

Alright if you would like to follow with me, before I start this let me tell you this, I've given you all a copy of a photograph of Leviathan and this is to back up what I said to you about each human being being a scale of the crocodile and the crocodile is Leviathan and as you could see on that drawing I showed Cain below the line. Satan and Leviathan and the brains from the Serpent exist on a higher spiritual plane, they're undivided, but as soon as we get down into the physical plane, the scales of Leviathan appear as individual human beings, and that I've been preaching for a long time, but I found this in a book, and I thought you'd like to see this picture, it says here, the Leviathan the pole Serpent and the Leviathan that coiled Serpent and this is Isa.27:1, God will visit and overcome the Leviathan the Pole Serpent and the Leviathan the coiled Serpent and he will kill the Dragon of the sea. So we see that the coiled Serpent and the Pole Serpent collectively are called the Dragon in the sea. Now the coiled

Serpent, does anyone know who the coiled Serpent would be. I hope you all now there's two Serpents. In the past we've preached it as the sea Serpent and the Serpent of the earth, who's the coiled Serpent, what aspect of the Serpent is coiled up, want to try?

COMMENT: the fire Serpent.

PASTOR VITALE: Yes, the Fiery Serpent is the coiled Serpent as I have on the board is the collective Cain and Abel, when Cain has buried under her ground, the symbiotic unit is called the Fiery Serpent, as soon as Christ grafts to Abel and gives Abel the power to overcome Cain, the symbiotic or the unit or the twins as they're sometimes called are no longer called the Fiery Serpent because even though Abel is still under the ground when Christ grafts, it's just a matter of time until Abel overturns Cain and from that point forward the symbiotic unit or the twins Cain and Abel, they're called Christ. When Christ grafts to Abel, now you've got three part seed there, right that's called Christ, and Cain is the earth, that's all she is the earth, and the war begins. So we also see that there's a Pole Serpent and that's talking about the Leviathan that exists in the subconscious plane, the collective Leviathan and also please note that the Pole Serpent is the symbol of the medical society in this nation, I don't know if that's the symbol of the medical society overseas or not, but the medical society and the healing that we have in this nation today is the healing of the Serpent it's the healing of this world, am I telling you not to partake of it? No I'm not telling you that, but Jesus said the truth will set you free. The healing of Jesus Christ does not invade your body, does not humiliate you, does not cut you up and chop you up, does not cause you pain and does not give you drugs, and I want to tell you if someone who was blessed to have available to me the supernatural healing of the Lord Jesus Christ for five years, in a ministry that I attended when you go from the healing of the Lord Jesus Christ to the healing of this world, you will have a revelation of how demonic this healing is. I'm not telling you not to partake of it, if that's all you've got, you use it.

God does work through it if there is no man available through which is God is ministering a high level supernatural healing at that time, the Lord will work through the doctors, through the medication, with all their side effects, and help you and heal you and save your life, but you need to know that that's not there is, you need to know that there's something higher and that there's something better. I saw a TV program once where they totally mocked the supernatural healing of the Lord Jesus Christ, it was a comedy program and one comedian laid hands on another one, and utterly mocked this healing. Do you know what, because their fallen mind could not comprehend that a servant of God could lay hands of a very sick person and that they would recover, with no pills and no

surgery, not cutting you open, not putting on rubber gloves and putting their hands in parts of your body that were not made to receive rubber gloved hands, without sticking needles in you and taking your blood out and examining your blood, examining your urine, examining your stool. Sticking tubes up you so that your urine goes into a container instead out of its normal exit channel. These people that did that comedy skit, they could not believe that all God has to do is have his servant lay hands on you, and sometimes you don't even need hands laid on you, and you're just healed. You see if you don't have anything better to believe what you have is great. Thank God for the healing we have but let me tell you this is not God's healing, and many people are not going to like to hear what I have to say, but I'm telling you, you compare the methods of the medical community to the reports about the medical experiments the aliens do on the people they kidnap and they're so close it's frightening, if you can hear what I'm saying, if you have ears to hear hear it, and if you don't hear it.

So what do I do Sheila, you just scared me. Pray that the Lord brings supernatural healing into your life, and into the life of the church, and all of the people that seek him. Pray, ask him. You have not because you ask not. The whole church is content with the healing of the Pole Serpent, are content with what you have? Well I would have died if I didn't have that operation, it's true, but God could have healed you without giving you the operation, if that supernatural apparatus was available to you at the time that you needed it. So pray that the Lord establish that supernatural apparatus, it's called raising your consciousness brethren.

Okay what I'm going to do here, oh let me finish what I was reading here, Leviathan the Pole Serpent and the Leviathan the coiled Serpent, the Fiery Serpent is in the individual, and the Pole Serpent is Leviathan on the collective subconscious level, and then we're told, this Pole Serpent which identified with Leviathan may then be seen as an imaginary creature from which the earth hangs. See this whole world system, this whole physical world system it's hanging from the Leviathan, I have it right on the board there, see. Let me show it to you. If I wanted to make this accurate, I could draw a Dragon right here where it says brains from the Serpent's world above, Satan, unconscious, Leviathan subconscious. I could draw a picture of Leviathan and it would fit right in there, and the whole visible world hangs from it, it comes down from the Leviathan. Praise the Lord, we're talking about a mind, and then the mind forms a shell for itself and enclothes itself in the shell of our physical bodies and also in the shell of this whole world. This whole universe is Malkhut. This whole universe as far out as you can go which is light years away, has an edge, it has a border, because this whole universe, even beyond the universe, all of outer

space is a sphere that exist within God, and we're all, each of us, are individual spheres that exist within this sphere. A sphere inside of a sphere inside of a sphere and we're all Malkhut, we're the outer most sheath of all the layers of all the worlds. Everything's inside of us.

Okay I'm just going to read the alternate translation. Now what you have on the first two pages are my work up notes, so I'm going to start reading on the third page, the pages are not numbered but it's the third page, you'll see a quarter of the way down you'll see Ezekiel 38. I took out all the extra little notes there, okay I'm starting with, everybody have it? Okay I'm starting with verse 2, "Son of Adam look at Satan...", oh I'm sorry I forgot to tell you that. Satan is the Serpent's male organ, okay and that we learned from Kabbalah that the daughter who was the Serpent who surrounded Adam Kadmon's ovary, and seduced the seeds of Adam Kadmon's garden, was the male organ of Zeir Anpin, and that Zeir Anpin exists of a male organ and a reproductive gland, the male is the reproductive gland and the female is the male organ. Okay two parts to the man, in Kabbalah the man is known by his male organ, that's what makes him a man. Both men and women have arms and legs and a head. So the first part of the man that comes forth is his spiritual genitalia, the male organ and the reproductive gland.

The male organ is in submission to the reproductive gland, the reproductive gland has authority, that's where the seed is in the reproductive gland, it's higher authority than the male organ. So the male organ is female in relationship to the reproductive gland. Of course this doesn't exist in humanity but we're talking about a high spiritual level. And when we study the world of points in Kabbalah, we found that the male organ went off and did something, followed after a thought that did not come forth from the reproductive gland, she had an independent thought, and she therefore fertilized the seeds of Adam Kadmon's ovary illegally and produced a deficient spiritually retarded mortal creation. And if you want to look at it from a different point of view, the Holy Spirit is sent to direct us to Christ the man, the Holy Spirit of Jesus Christ is the male organ,

she directs us to the reproductive gland which is the man, and they are supposed to join, when the Holy Spirit directs us to Christ, the Holy Spirit is swallowed up by the spirit of Christ and they become one spiritual genitalia capable of making union to a spiritual man, see. So on the other side Satan is the male organ of the Serpent doing the same exact thing that the Holy Spirit does. She's the male organ of the Serpent going forth to bring you to the reproductive seed of the Serpent so that all should become one and you should grow up in to a spiritual daughter of Babylon. Did anybody not understand that, do you need me to say it again? Are you okay with that? Okay.

"Son of man look at Satan, the Serpent's male organ, the chief spirit and higher mind of mortal man, who sows the seed of Leviathan the lower mind of mortal man into the physical bodies that are the dwelling place of the Serpent and prophesy against him, saying, Thus saith the Lord God, "Behold I am against you Satan, the chief spirit and higher mind who sows the seed of Cain, the lower mind of mortal man into my people Israel, I will make you turn back from possessing my people Israel, by putting circuits of my spiritual energy into the parts of my people Israel. And then they will pluck out the horses and horsemen clothed with the strength of your perfection, which horses and horsemen are the scaly hide of Leviathan, the spiritual crocodile that is the subconscious part of the lower mind of mortal man who appears in the world of action at Ethiopia and Libya, the helmet of spiritual Persia, even the whole company that you have assembled to pierce into the hearts of my people Israel, to birth Leviathan the scaly hide of the spiritual crocodile, who desires to capture and manipulate the spiritual sword that I have placed in Israel's mouth. And my people Israel will also pluck out the armies of Satan, the unconscious part of the Serpent's completed mind within the many physical tribes who are the armies of Cain, the conscious part of the carnal mind, which is the house of sorrow. And this is how I will cause my people Israel to stand upright, and to prepare all the members of their company to post a guard against Satan and Leviathan, their carnal mind, so that they too can stand upright. Because in the years that come after the many days that Satan and Leviathan will rule over Israel, I will reassemble Adam the righteous one, whose spiritual power dried up within the many tribes of Israel to fight against Leviathan who is possessing the heart center of my people Israel. And I shall rise up within the physical bodies of my people Israel with the strength of a storm cloud, and enter into the heart of my people Israel and fill them up with myself, and my people Israel who are Satan's armies shall become my armies, saith the Lord, and I shall care for you, and I shall turn back your physical bodies from the spiritual drought that has brought about by separation from God.

And I shall separate Israel from the nation, and you shall all marry Adam the savior who exists forever that I will birth in the midst of you. But after I do all this for you saith the Lord God, it shall come to pass that at the same time that my word enters into your mind and evil thoughts shall also enter in, and braid together with my thoughts saying, I will rise up into the idol people who have not locked the swinging gate by which sins enters into their mind or built Adam's walls of protection, but I'm nevertheless confident that they are safely married to me, and I will enter into their unprotected minds and steal the spiritual energy that I have given to the people of Israel and force them to turn back into Leviathan the subconscious part of the dried up carnal mind of the people who

I gathered out of the nations, acquired their souls", I'm sorry, let me do verse 12 again, "And steal the spiritual energy that I have given to the people of Israel and force them to turn back into Leviathan the subconscious part of the dried up carnal mind of the people who are gathered out of the nations acquired their souls, married their spirits and inhabited", I guess it should be "to acquire their souls, marry their spirit, and inhabit their physical bodies."

Okay after dinner Lord willing I will be preaching on this alternate translation and explaining it from the point of view of the doctrine of Christ or Kabbalah where it's appropriate, and please understand that as we preach this message, judgment is falling on the false Holy Spirit that is stealing God's people by planting the seed of the Serpent in God's people and impregnating God's people with the offspring of the Serpent. That's how God's people are being stolen, they are being taken as wives who are bearing the child of the Serpent instead of Christ, and that is what God is doing today, praise the Lord. Because I've been praying about that and I've known about it for a couple of years, and it's taken until today for the Lord to deal with it. Why do you think it's taking so long for the Lord to deal with it? Because he had to raise up whoever he's using to execute the judgment to a place of sufficient power to bring it down. That's what is happening, the Lord is bringing down, he's going to fully expose bring down and wipe this Holy Spirit from his church there's a great war raging. Hallelujah. God bless you.

Okay praise the Lord we're going to start to work on this translation, and in preparation for that I have some information for you as drawing #3, we are translating Ezekiel 38, on the level of mysteries, the Kabbalist would say we're translating on the level of Sod, these are the deep mysteries, this is the deep mysterious understanding of the Scripture on the highest spiritual level of mind. Now Gog and Magog are spiritual names or fantasy names, they don't refer to any being any member of humanity that we know of in the Scripture, so that's easy, but then we get names like Meshech, and Tubal, and Ethiopia and Lybia and Persia, Gomer Togarmah, Sheba, and Dedan, and Tarshish. All of these names represent people, represent men that have descendants that have existed and exist today in this world. So I want to make it clear to everybody that when we talk about the spiritual interpretation of the Scripture okay, we're talking about types. In other words, Japheth, one of Noah's sons, we said represents the Serpent. Now Japheth has physical descendants in the world today. I am not telling you that the physical descendants of Japheth are all the devil and they should be wiped out. Every human being alive today is both good and evil, and all of us have all of the elements of the garden in our mind, all of have the woman, I'm sorry we don't have all the elements everybody does not

have the man. You have to have Christ to have the man, that's in the garden. But every has the woman and the Serpent in their mind, and everything is a balance okay, how do I explain this, I think on part one of this message we clearly said that we talked about Shem being the descendants of Shem being the external bodies and Japheth the substance that was Japheth becoming the mortal mind of man.

That's the best way I can explain it right now. Please don't let your carnal mind get into any prejudice or persecution of any human beings that exist on the face of the earth at this time. In the same manner is Israel is the chosen nation of God, Israel was chosen, chosen to be the beginning of God's program to liberate the whole world. Every Jew is not serving God. There are some Jews who go to jail, there are Jews who are wicked, Meyer Lansky was a big well a mafioso because he wasn't Italian but he was a big criminal that was on the level of the Mafia, did anyone ever hear of Meyer Lansky, you probably didn't, Meyer Lansky was a Jewish gangster who operated out of Cuba and he did business with all of the Mafioso here in New York and in Las Vegas. He had people murdered, he did everything that the Mafia did, and he was such a wicked man, that he was born in this country, he was an American citizen. He was barred from this country. The United States wouldn't let him back in, in his old age, you know he was still engaged in criminal activities. He tried to settle in Israel after Castro came in.

When Castro came to power in Cuba, all the gangster activities, all of the gangsters running their gambling halls and all their other gangster activities were forced out of Cuba and Meyer Lansky was the big shot. That was all his territory. The United States wouldn't take him in, and Israel wouldn't take him in; he was a man without a country. I think he wound up in South America somewhere, okay. So you can't tell me that this man Meyer Lansky who is now dead, this notorious criminal is one of God's chosen people. So do you see my principle, Israel is God's chosen people chosen for what? The nation through which God began his plan of salvation for the world, but surely Meyer Lansky a Jew is not, was not a part of God's plan. Does anyone not know what I'm talking about? Do you know what I'm talking about?

So when I talk about Japheth representing the Serpent, you don't let this create a prejudice in your mind towards the natural descendants of Japheth. But there is on the other hand there is a reality of certain national groups, now I'm not being very politically correct right now, but certain ethnic groups tend as a whole, there's always exceptions to be more reasonable than other groups, certain ethnic groups tend to be more proud than other ethnic groups, ethnic groups have their qualities, they have their qualities, but within every group you

find good and you find bad. So I hope everybody understands what I just said. Okay we're talking about spiritual principles, and remember that Noah and his three sons were not human, they were not homosapiens, like we are, they were not in animal bodies, they were spiritual giants that contained the substance of the creation that eventually expanded into all of modern humanity. I don't know what they looked like. Now I just read a passage in the Zohar which I don't know whether to take literally or not. You know a lot of the Zohar is a parable, and it said that a bone of one of the beings that existed on the other side of the flood was found and one bone was three hundred feet. Now I don't know whether to take that literally or not, but we know that they were giants.

Okay now in the Zohar it says that they found a bone of a being, of a man from the other side of the flood, but I don't know of any scientific expedition that has found a human bone from the other side of the flood, they found dinosaurs, and they found other animals from the other side of the flood, but I haven't anything about human bones being found. And we discussed that at one point in this ministry, how come there were no human bones found, and we came to the conclusion that the beings on the other side of the flood didn't have animal bodies. So if there is any remains, if there are any remains at all of the bones or of the substance of the being that existed on the other side of the flood, anthropologists might not recognize it as a being that existed on the other side of the flood.

So here we read in the Zohar that these two Rabbis found a bone from a man that existed on the other side of the flood, I don't know what that means, maybe they found it in the spirit, maybe they found it in a spiritual plane, I don't know what it means, but the simple fact that the Zohar says that this one bone, and they don't say feet, this one bone was three hundred steps, so I guess we would say feet okay. At the very least we have to know that the message that's being given is that the beings on the other side of the flood were much larger than we are. We don't know what they looked like, we don't know that they had human bones or hard bones, but we know that they were much bigger than we were. They were giants, and that substance that came over Noah, a supernatural being, we don't know what he looked like, but he was the substance that was the tenth of the substance that was destroyed on the other side of the flood. Did anyone here ever bake with sourdough, do you know what baking with sourdough is, when you bake bread and there's two different ways to bake bread, you can add your leavening agent, the day that you mix your dough or sourdough means that you a fermented leavening agent, and you keep it, you can keep it from baking to baking, and it ferments and it gets richer and richer, and your bread gets richer because you're using this fermented starter that

produces a slightly sour taste to the bread, and that's why it's called sour dough bread, so when you use your sourdough starter, you don't use the last of your starter, you take a pinch of that starter and you leave it for the next baking. Are you following me, do you know what I'm talking about? Okay, so Noah, he was the pinch of starter, he was the tenth of all the substance that was destroyed on the other side of the flood. Noah represented the tenth of God's substance of the substance of the creation that would be used to produce the next loaf of bread which is humanity as we know it today. Although humanity as we know it today was God's intention, we fell.

So Noah was the whole substance from which all of modern day humanity came forth. Actually humanity and the animals in the whole world. And that substance that was Noah, broke down into three categories, and the Scripture which is a parable whatever degree this happened in the natural, I don't know, but I know that there are truths that are very that go very deep below the surface, the way the Scripture expresses, the substance that was Noah dividing into three different aspects, because it said and Noah had three sons, and Ham represented Adam, Adam who was strong who saw his father being seduced by the Serpent, and he cried out in righteousness, and Satan rose up in Noah and cursed his own son Ham. Ham was the man, Shem was the woman, Shem was seduced by the Serpent, and Japheth was attached to Shem at the neck.

Japheth represented the carnal mind. So we have in this world of action, Shem, Ham, and Japheth producing descendants that exist in this world of action, but we also see Shem, Ham, and Japheth as types of the spiritual substance that has developed since the time of the flood, and in this ministry, we deal with the Sod level which is the deep spiritual level. So we're saying that the descendants of Shem, which are the, I don't know all of the descendants off the top of my head, but the Caucasian the European races are descendants of Shem. We are that aspect of Noah which became the woman, we're female, spiritually female.

The spiritual substance of Japheth was formed into the carnal mind that dwells within Shem, yet there are also physical men who are descendants of Japheth. I can't explain it any better than that. And the descendants of Ham represent the man in the garden. Ham was the one that saw clearly the seduction and the fall of Noah, and Ham was punished severely for recognizing the truth, and speaking the truth and sounding the alarm.

Satan rose up in Noah and struck Ham down, and we're told in the book of Genesis that Ham, well according to the alternate translation, Ham shall be the servant of the carnal mind. In the descendants of Shem, okay which is a type

now, in the descendants of Shem, we find the man, the woman and the Serpent. Maybe I have to put this on the board for you. Okay this is what I'm talking about, our alternate translation of Gen. 9:25, this is Noah's curse upon Ham. "And Noah said to Ham, may Canaan be detested and the most reviled amongst men, and may he worship Satan the servant and not the son, okay. That means that the curse that's upon Canaan, and this is the generalization of the physical descendants of Canaan okay, is that I really don't want to be misunderstood here, this is a spiritual study, this is the curse okay, that the descendants of Canaan will yield to the carnal mind, will be friends with the carnal mind, and what we how we saw this manifests was the degree of witchcraft that came forth in Africa which are basically the offspring of Satan. The prophecy was about Shem, the prophecy about Shem was that And Shem shall become the mortal man who will dwell in vile shameful human bodies, without spiritual power.

Ham is the one that has the spiritual power, but he's getting it from Satan. Shem is dwelling in a vile body without spiritual power and Japheth shall join himself to and dwell in the tents of Shem. This is the spiritual type. We have Ham who is now cleaving to Satan, and this is manifested in the practice of witchcraft that went on for generations in Africa, we have and that's the man, that's what happened to the righteous man, Ham stood up to Noah and said, Noah, he has been seduced by the Serpent Satan has entered in, and Noah cursed Ham for telling the truth. Now if you have not yet experienced being cursed by somebody that you told the truth to, you have an experience coming in Christ. People who stand up in Christ and sound the alarm, and tell the truth are frequently cursed by the people who should be saying, thank you thank you thank you, that's what happened to Ham, and the curse Noah's curse came to pass and by in large the descendants of Canaan became physical men who did not resist Satan but worshiped Satan in the form of witchcraft. Do you understand what I'm saying?

Shem the prophecy came to pass too. We're the Caucasian race right now, we have little spiritual power, at least the way it exist right now. A lot of European people are spiritually very dull, is that not true, is that not the problem that we have here, okay. And the spiritual connotation of the Scriptures, and Japheth who represents the Serpent and the carnal mind will dwell in the tents of Shem. I was going to put it on the board for you. Okay this is the spiritual disposition, this is the disposition of the spiritual substance of the creation that came over from the other side of the flood in Noah. Canaan will be spiritual in Satan, this is what happened to the man, this is all, this is Noah's curse, this is the result of Noah's curse. Canaan will be spiritual in Satan, Shem will dwell in physical bodies without spiritual power. Japheth will be the carnal mind, that dwells within Shem's tents, that's the spiritual disposition, because we know that they

are natural descendants of Japheth okay, so what are you talking about Sheila? I'm talking about what happened to the spiritual substance on different planes of consciousness. In the physical plane of consciousness there are physical descendants of all three sons. In the realm of mind, in the realm of mind there is no descendant of Japheth other than that the substance of Japheth was formed into the carnal mind. There was no personalities formed out of the descendants of Japheth, he's the mind that dwells in the personalities and the bodies of Shem, with no spiritual power, okay.

This is how the spiritual substance of creation which escaped the flood was distributed on the spiritual planes.

There are also physical descendants of Noah, Shem, Ham, and Japheth, according to, this distribution of the creative substance, Jehovah chose Abraham, a descendant of Shem to begin his plan of salvation because Shem would give the least spiritual resistance to Jehovah's overshadowing of his carnal mind. Now I could just hear the Jewish people screaming and yelling but I have been asking the Lord for years, why did you start with Shem? I've been asking the Lord for years, if Ham was the brave one, if Ham was the Hero, and cast down in to the depths of witchcraft because of his righteousness, why didn't you restore him first? For years I'm asking this question, and the answer came out tonight. Now if a Kabbalist were here right now, he would be very offended at what I said, and this is what he would say to me. Abraham was a spiritual giant, Abraham was an astrologer, Abraham wrote the book, the first book that described how to arrive at spiritual power, how to ascend in spiritual power. What are you talking about Sheila?

What I'm talking about is, to whatever degree that is true that Abraham was a spiritual giant before his relationship with Jehovah and I don't have any information as to whether that was true or not, but even if it was true, if compared to the human race today, Abraham was a spiritual giant, Ham was ten times more spiritually power than Abraham. Does anybody not understand what I'm saying? And I brought this, I wanted to read you this one verse from our Alternate translation. I printed out the page and I don't see the book, I think it's in Zeph.3, and if I could just find it I will read it to you, here, verse 10, and Adam shall be born again, and we know that Adam is born again in Christ Jesus, and Adam shall be born again in their generation because Elijah's righteous spiritual power is stronger than the witchcraft that cast down Ham. You see, the whole world, all of humanity and in particular Africa which we understand is going back down, Africa was raised up to some degree when the Christian missionaries came, to the different countries of Africa, Africa is falling, the Holy Spirit didn't do it, right? Okay, this is all the curse that came down from Noah,

and all of humanity will continue to flounder until the spiritual power that is greater than the spiritual power that cast down Ham appears, because the spiritual power that was in Noah that cast down Ham went into Ham, went into Canaan, it's that same spiritual power that is in Canaan today, because the prophecy is Canaan will be spiritual in Satan. That same power that was in Noah was put in Canaan and cast Canaan down into the depths of witchcraft, and Africa will not come out of that, and the whole world will not rise up into the calling on our lives until men appear on the earth, manifesting a spiritual power greater than the power that cast down Ham, that cast down Ham, and cursed Canaan.

When I was in Africa, I was asked a question by your husband, he said is the curse broken? Were you there when he asked me that question? He wanted to know is the curse broken, why isn't Africa set free. We're all worshipping Jesus Christ honoring Jesus Christ, churches all over Nigeria, is the curse broken, and I had to tell him no, and that was like 8 or 9 years ago, and things are much worse in Africa, in Nigeria, all over Africa, things are very bad.

No the curse was not broken in the Holy Spirit, the curse on Africa and on all of humanity will be broken in the sons of God, who ascend in the spiritual power of Jesus Christ, that is we will ascend into the world of emanation, which is higher than the powers and principalities that rule this world. The Holy Spirit is not stronger than Satan and Leviathan, and if that offends you I'm sorry, you give me a better explanation as to what happened to Africa that was evangelized by the greatest evangelistic nation of the world before the United States, Great Britain, you tell me what happened, tell me what's happening in this country, tell me what's happening in Great Britain right now.

How could the Holy Spirit fail? The answer is simple if you know it. The Holy Spirit was not given to break the curse. Now I told you this this morning, what is the purpose of the Holy Spirit, who remembers? What is the purpose of the Holy Spirit?

COMMENT: to point us to Christ.

PASTOR VITALE: To point us to Christ. The curse is broken in Christ, and the Holy Spirit is not Christ, and you have a whole church out there that thinks the Holy Spirit is the end of the whole thing, the Holy Spirit is the beginning. Okay so I'm giving you this whole exhortation because I'm trying to avoid anyone hearing this message or reading this transcript and misunderstanding what I'm saying and going out and saying, "Sister Sheila says that all the physical descendants of Japheth are the devil" or some other stupid thing like that. This

spiritual substance manifested on four level of consciousness, and aside from everything that I just said, in Christ Jesus all men have the opportunity to be made spiritually equal. You need the seed of Christ grafted to you and if you pursue after Jesus Christ, that which, that heritage which you received from your natural parents is nullified. The sins of the fathers are nullified, and the curse of Noah is nullified. In Christ Jesus. You have to have the seed grafted to you and you have to pursue after the Lord Jesus with all of your strength, your mind, and your heart. And you leave behind you everything that you inherited from this fallen world and from your fallen heritage, and you acquire and develop in yourself everything that you have inherited in the man Christ Jesus. This is the plan.

So please don't anybody listen to my message and use my work and my preaching to go out and use it as a vehicle to hate anybody. Did I make this clear, does anybody not understand what I said, did I make that clear? Okay. So we're going to go back now to drawing #3, because I really didn't go over that, and I'm going to, and before I start to expound on the alternate translation, I just want to go over the some of the names and tell you what they mean, and whose son is who, so that you could be better prepared to follow me. Okay except I can't read it, do you have it written down somewhere on you notes, okay thank you.

Okay this is drawing #3, Gog is Satan on a high spiritual level. Remember every sefirot appears in every world and on a multiplicity of levels. Gog, Satan the higher mind which manifests the physical bodies that the Serpent dwells in, Magog is the Serpent, Gog, Satan on the level of Gog is the counterfeit Holy Spirit that goes forth as the male organ of the Serpent to impregnate God's people with the daughter of Babylon rather than the son of God. Very high spiritual level.

Magog is the Serpent, Meshech is Satan the unconscious part of the carnal mind, and in the spiritual realms of this world that would be the world of formation, Tubal is Leviathan the subconscious part of the carnal mind. Ethiopia is Cush, the son of Ham. Now that's very interesting because I have read that throughout the Old Testament through the prophets that Ethiopia will be saved, and I always had a problem understanding why just Ethiopia, what about the other nations in Africa, why just Ethiopia, and now I find out that Ethiopia, the Hebrew word translated Ethiopia is Cush. So we're talking about all the descendants of Cush, and I just want to read you the descendants of Cush, Seba, Havilah, Sabtah, Raamah, Sabtecha, and the sons of Raamah, Sheba and Dedan. And everyone that isn't named here will have the opportunity to be saved in Christ Jesus. Okay, let's just go on with this. Lybia is the son, is Put

the son of Ham, and I won't bother to read you the names of the sons of Put because these names don't mean anything to me, and they probably don't mean anything to you.

Lybia is Put the son of Ham, and all of Put's descendants, then we have the country or the nation of Persia, and I really had to pray about that, I couldn't find any genealogy of Persia. Persia has no genealogy that find that's listed in the Scripture, and after praying about it for a couple of days, I came to the conclusion that Persia the people who are Persians, that they came forth from the other side of the flood and they're not descendants of Noah. Okay. Now we've had some discussion about this recently, I'm severely lacking in information. You have to know how to read the Scripture, for example you could read in the Scripture, and this is a statute for you forever. Take the Passover for example, and this is a statute and a law for you forever, or the dietary laws, this is a statute and a law for you forever. The Hebrew word translated forever means until the end of the age, it doesn't mean eternity, it means until the end of the age. So when Christ Jesus comes to dwell in you, the age in which the law has power is coming to an end as Christ grows in you, the age of your carnality is coming to an end, and it's dying.

So the Scripture in the King James format definitely gives us to understand that Noah was the only survivor of the flood, but I've been hearing things just one or two things have been coming to my attention over this last couple of months, that there were other survivors, and I don't have any more information about it than that, other than to tell you this, that when we see a genealogy in the Scripture a man has five or six sons let's say, there's one son, one or two sons that go forward, in other words if a man has a son, A, B, C, D, and E, then the Scripture will say, and these are the sons of son A, and these are the sons of son D, but we don't see the sons of the other sons, are you following me? I'll have to put it on the board for you. Explain it this way, I'm in Genesis chapter 10:2, The sons of Japheth, Gomer and Magog and Madai and Javan and Tubal and Meshech and Tiras. These are the sons of Japheth okay. Then we get in verse 4 and these are the sons of Javan, Javan is one of the sons of Japheth. So we know who the sons of Javan are, Elishah, Tarshish, and Kittim, and Dodanim. But we don't see the sons of Tiras, Tiras is a son of Japheth and we don't see the sons of Tiras listed in the Scripture okay, so what does that mean, out of all of Japheth's sons, Gomer, Magog, Madai, Javan, Tubal, Meshech, and Tiras, Japheth has seven sons and we only read about Javan, Gomer and Javan, out of seven sons, we only read about their progeny. Do you understand what I'm saying, the Scripture doesn't talk about the other sons.

So the Lord takes one out of a family and the seed carries in that son, just like the seed was in Isaac, the seed was not in Ishmael, and the holy line went down through Isaac. Now the other people continued to exist but the Scripture is only talking about the people that have the seed. Are you following me? So it's very possible that there were other people that came over from the other side of the flood, but Noah was the one that carried the holy seed. So the Scripture only talks about Noah, Shem Ham, and Japheth. The Scripture doesn't talk about the other people that came over, because the other people that came over are not pertinent to the Lord's plan of salvation, is there anybody who is not following me? Okay.

Okay we're going to do this, I'm having some problems doing this, but we're going to get this thing out. Okay now xxxxx you said that you had a question, well I didn't finish going down the list, let me finish going down the list here. Okay I'm talking to you about Persia, and after praying about it for two three days, who is Persia, I couldn't find any genealogy for Persia, the thought that came to me is that Persia came from a line that came from the other side of the flood, that was not in Noah. Okay and I related that to the shattering of the vessels. The Kabbalistic doctrine of the shattering of the vessels, when the eight kings fell down into this world and they're called the Dukes of Edom, do you remember that? Seven of those dukes died, but the eighth duke didn't die, and according to Kabbalistic literature, that eighth duke that didn't die, he's the savior that's been in the earth ever since. And I see Persia in a national role of savior because Persia came in and swallowed up Babylon, Babylon punished Israel, when Israel fell into idolatry and sin, and then Persia came in with no genealogy and defeated Babylon and raised up three righteous kings, Siras, Darius and Artaxerxes, who all assisted Israel, in rebuilding the wall around Jerusalem and going home. And that's very interesting because today Persia is manifesting as Iran, and Iran is not a friend of Israel today, but spiritually speaking Iran is a friend of Israel, that means at some point, or the manifestation of Iran in the natural must match up with its spiritual purpose, and the spiritual purpose of Persia was to liberate the Jews. So at some point you watch current events, at some point Persia who is very much on the Arab side, is going to fight for Israel. Whether they're willing to do it, or not willing to do it, they will follow the course of action that will help Israel.

Now in case you don't know it, the inhabitants of Iran, are not Arabs, did anybody not know that, did you know that? I'm not sure what they call themselves, Iranians, does anyone know what they call themselves, they are not Arabs, they are of Indian descent, Asian India, the India that's fighting with Pakistan right now, they're not Arabs, and I had another question that I had

been asking the Lord for a long time answered today, and this was the question, at one point going back several years when the Lord said to me that the big spiritual conflict arising in the earth today was with Hinduism, I had some questions about that, the Lord told that when God raised up Moses defeated Egyptian mystery religion, and when Jesus came on the scene, Grecian mystery religion was defeated and that the great mystery religion that the present day sons of God would be defeating, is Hinduism and all of the children of Hinduism, which is Buddhism and humanism and theosophy, these are all derivatives of Hinduism. And I said Lord I cannot see that in the Scripture. Where is that in the Scripture? And the Lord showed me Iran, which is Persia, and then I found out that the people that the Persians originally came from India, they an Indo-Arian race whatever that means. And then when I found that out, I couldn't understand why the Lord was going to the Persians and not to the Hindus, but today I found out the answer to that, because the Persians are that of the Iranians are that element of Indian stock that have partially repented. They have at least repented of idolatry, and although they worship the wrong God, they have moved into monotheism, they now have rejected idolatry, and worship one God. And the Lord has made a judgment that the Persians are more likely, these Iranians are more likely to respond to a call to salvation than the Hindus are outright idolaters. Can you hear that?

Isn't that interesting? It's a remnant, the Iranians or the Persians they are the remnant of the Indians who have come out of idolatry. Isn't that interesting, I find things like that so interesting. Okay, so we do see Persia mentioned in chapter 38 of Ezekiel and we also find the name Tarshish who when I looked it up says that one of the alternate translations of Tarshish is Prince of Persia, isn't that interesting?

Now whenever you hear the word prince in the Scripture it's referring to a principality. If you hear the word king can be referring to a human king. David was a king that carried the anointing, but when you see the word prince in the Scripture, it's not referring to a human being with the anointing. It's referring to a high level principality, the higher mind. An angel, I don't know maybe an angel, as I tell you all the time, my doctrine on angels is very incomplete, I'm not satisfied with the knowledge that I have about angels.

Okay so then we have Gomer, who is the son of Japheth, and remember the prophecy to Japheth that the substance of Japheth is used to form the carnal mind. When we read about Gomer we're going to be thinking along those lines, that the role of Gomer in this prophecy is the carnal mind. And then we have Sheba and Dedan, and they are the sons of Cush, so when we translate the verse that talks about Sheba and Dedan, we're going to have that in mind, that

Cush is a son of Ham, and Tarshish can be translated the Prince of Persia. So it will be interesting to see how Tarshish works into the Scripture because is in the national role of savior. And there's one other thing I want to tell before we go on and then we have xxxxx question. I want to make a correction, I did say at the beginning of this message that Magog is a fantasy name, and I have to take that back, Magog is not a fantasy name, Gog is the fantasy name, I could not find Gog anywhere relating to a human being in the Scripture, but we do find Magog and Magog is a son of Japheth, and these are the sons of Japheth, Gomer, Magog, Madai Javan, and Tubal and Meshech, and Tiras. So why does the Lord take Magog as the Serpent as the highest office and not Gomer? The Lord always the second, he always prefers the second over the first, he can do anything that he wants to do.

I'm sure the Lord has a reason but it's beyond my ability to understand at this time. Okay so you had a question?

COMMENT: I had always thought and I don't whether we got it from the church world or what, that Noah was the beginning of all races, and I see here that Persia has no Genesis, so I mean you kind of explained it now, that was my question.

PASTOR VITALE: That's very interesting, and I read it an occult book Madaam Levatsky, who of course she's extremely anti-Christ, but seems to have an incredible amount of anthropological knowledge and anthropology is the study of the nations more or less, and she says that the Chinese came over from the other side of the flood. So I've never forgotten that, the Lord hasn't said to me yea or nay, He hasn't said yea, but he hasn't said nay, and I know that there's really something very special about the Chinese people, they're very smart, and they're very spiritual, and I see in many areas, there is a spirit of righteousness there. I find them to be a very interesting people, and of course they worship the Dragon, okay, they have their pagan religion, exalt the Dragon. So maybe she's right, you know maybe the Chinese came from the other side of the flood and maybe the Persians came from the other side of the flood, but we don't see the Chinese anywhere, at least I don't see the Chinese in the Scripture, but that is so interesting, you know Elijah, we can't find any genealogy on Elijah either you know, that's a sign if you can't find any genealogy that the person is a supernatural incarnated person. Now as far as Persia goes, they whoever, wherever Persia began, they had to manifest in the natural because there is a physical Persia, so they had to come from somewhere, very interesting huh? Okay if there are no other questions we're going to, you have a question okay.

COMMENT: I want to comment Tarshish was part of Jonah.

PASTOR VITALE: Yes, Jonah ran away to Tarshish, and I did notice that, that's very interesting because we're translating Tarshish, this translation, the Prince of Persia, so what would that mean, Jonah ran away to the Prince of Persia, what would that mean? Anybody? He didn't want to do what God wanted him to do, so he yielded, he became the Prince of Persia, he went to the other side, he went with his carnal mind, he yielded to the higher mind of the Serpent, you see.

Now if we're going, now I always thought that Jonah ran away to Tarshish because he was afraid or he just was reluctant, he didn't want the heathen to be saved, that's what we were taught to believe you know, but now if we find out that we can translate Tarshish the Prince of Persia, I have to ask myself why did Jonah really do that, maybe Jonah was a highly ascended spiritual man and the Prince of Persia entered into his mind and opposed Jonah's willingness to obey Jehovah. Maybe Jonah had a conflict, maybe his carnal mind was at war with his Christ mind and the Prince of Persia didn't want, did not want Ninevah to be saved. It's a whole new way of looking at things. Remember our alternate translation of Jonah, when Jonah finally did get to Ninevah, that was a city or I don't know whether it's called a city or I think it's called a city or a state, that's not important where very powerful spiritual angels roamed freely, do you remember that aspect of the translation? When Jonah went to Ninevah, he didn't go to some little town where they were whistling dixie and washing their clothes and whittling wood, Ninevah was a nation of highly ascended spiritual men that were practicing their spirituality. So the Prince of Persia didn't want Ninevah saved, didn't want Ninevah to repent and come to the Lord, why? Because they would give up their witchcraft. So the Prince of Persia came to Jonah and influenced him to disobey Jehovah.

I now see the whole account of Jonah in a new way. Poor Jonah was being torn and tossed from pillar to post, Jehovah said do this, and the Prince of Persia said do that, and Jehovah said do this, and the Prince of Persia said do that, and poor Jonah was the human vessel and the personality that was being whipped to and fro, and if you have not experienced being whipped to and fro yet, then you have that experience coming because as Christ grows in you, until you get the place where Christ Jesus is ascended enough to give you some stability you will experience being whipped to and fro, as both Christ Jesus and your carnal mind try to control you, that's what happened to Jonah, that's what happened to Jonah. Boy there's a lot of revelation coming forth tonight that's very interesting to know.

Okay anybody else with a question? If not we're going to start this alternate translation, well I try to finish the tape out. We'll see how it goes, if you can all

stay up with me. Okay we're starting with verse 2, I guess we should read it in the King James also, I guess we should do that. Ezekiel 38:1, "And the word of the Lord came unto me saying, Son of man...", that word man is Adam, son of Adam, "...set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him." Let me remind you that to be a man, Kabbalistically speaking and this is the spiritual reality, you must have the male and the female within you, okay we are, humanity is female, when the man Adam or Christ Jesus is added to us, the spiritual man comes into existence. So the only spiritual man is Adam, if you don't have both male and female in the midst of you you're not a spiritual man. In this dispensation we're calling the spiritual man Christ Jesus, you have to have the male, every human being is spiritually female, whether you're physically male or physically female, we're spiritually female, it's only when the man Christ Jesus is added to you and marries you, marries your femaleness that you become a spiritual man, and this is the rationality on the Scripture that says there is no male or female in Christ Jesus, and unfortunately many people in the church still base the authority to preach on one's physical body, see. Now there is a reality in this world that generally speaking men are supposed to be more mature than women, although this is no longer a reality in the western world. With so many woman educated and in the business world, there are many many very mature women and on the other hand a lot of men have become a lot weaker since women have become stronger.

So the bottom line is the mind and the spiritual person who you are, the mind that dwells in you and the spiritual person who you are, and if Christ Jesus is grafted to you and living his life through you, you are a spiritual man, and it doesn't matter what your body is, if the Lord calls you to preach, you preach and if the Lord gives you authority in Christ, you are called to exercise and expected to exercise that authority. So we see we're in the midst of an age of confusion, and in other words it's not so easy to recognize the spiritual man, you have to have spiritual eyes and spiritual understanding to recognize the spiritual men and the Scripture says my people are sick and dying because they cannot discern the body of Christ, they can't recognize the human being in which Christ dwells. They're going to the person for help, who wears the collar, who has the title, who has the big building, who has the big mouth, you're supposed to go where the anointing is, and very few people today in my experience can discern the anointing or if they can discern the anointing as soon as they don't like what you have to say they leave you. They don't like your doctrine, the anointing goes out the window. Okay let's take a look at this verse. "Son of man, son of Adam, set thy face against Gog the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him." So we're

translating Gog Satan, the Serpent's male organ and that was explained at the beginning of this message, and we're translating the English word prince as chief spirit because in the lexicon, the Hebrew word translated Prince can be translated rising mist, rising mist, and that's how I get the word chief spirit. The chief spirit and higher mind with mortal man.

Now let's talk about higher mind for a minute, a lot of spiritual philosophies talk about the higher mind, we have the lower mind, the carnal mind is the lower mind, okay, and this is something that we have to know, Christ Jesus comes and is our higher mind, the mind of Christ comes and rests upon or piggybacks upon our carnal mind, but there is also a higher mind that comes from the Serpent, and this is not well known. Let me tell you this, according to Kabbalah the name of the higher mind is Neshamah, the lower mind is Nefesh and Ruach, soul and spirit. And Jehovah breathed in to Adam and Adam became a living soul, a Neshamah Ruach. Every human being born of a woman has an animal nature, the life of the flesh is in the blood that soul that's in the blood that which gives us existence in this world, and a spirit which makes us a cut higher than the animals, everybody that's born has that possibly with the exception of someone who's autistic. And the Neshamah which is the high mind of God which we call the mind of Christ, that only comes down and rests with us as we pursue after Jesus Christ with all of our heart and soul. He comes and he dwells with us, and we know that there's an imputed mind of Christ and imparted mind of Christ, and we need the seed of Christ, we need the root of the tree to graft that Neshamah to us permanently. Another way to say it, is that Neshamah has to marry, that Neshamah that higher mind has to marry our lower mind, our carnal mind for us to enter into eternal life. Now what is not well known is that the Serpent also has a higher mind, and I don't really think I ever talked to you about that, so even for those of you who are familiar with the doctrine of Christ you may not be aware of this, the Serpent wants to impart her higher mind, just as I told you there is a resurrection of damnation, I told you earlier in this message the Serpent wants to marry us, wants to marry the church, wants to birth her daughter in us, just like the Lord wants to birth his son, Christ Jesus in us, the Serpent wants to birth the daughter of Babylon in us, and the Serpent has the higher mind. It is possible to become a genius in the Serpent.

You see when the mind of Christ is fully manifesting in us we will become geniuses, you become more intelligent from studying this course of study. If you submit to it, and you're willing to give up your carnal mind and let the mind of Christ cleave unto you, you will become more intelligent, and as we follow after God we become more and more intelligent. Several years ago, I told you about a man called Gobi Krishner, who had an ascension experience in the spirit, he

was an Indian laborer and he became an intellect, wrote several books. He became very brilliant, he received the higher mind of the Serpent. The higher mind sits piggyback on the carnal mind and rules over it, and the closer you get to the mind of Christ, the more that mind of Christ literally overshadows your carnal mind, and thoughts that are automatic for example, maybe my body gets thirsty, I'll just get up and get a glass of water, I don't have to sit here and think out well I really need a glass of water because I'm thirsty, eventually Christ Jesus becomes a knee jerk reaction. We'll do things without thinking, we'll do the righteous things, we'll do what Christ would do without any conflict, without the Prince of Persia conflict opposing us, we just do the right thing. That happens to me on occasion. It's very exciting to me to see myself automatically do what Christ would do. I realize it after it happened.

Okay so we're talking about a higher mind here. "Son of Adam, look at Satan, the Serpent's male organ, the chief spirit and higher mind of mortal man, who sows the Fiery Serpent which is Cain and Abel, the seed which generates Leviathan, the lower mind of mortal man into the physical bodies that are the dwelling place of the Serpent and prophesy against them." Now these principals we have already covered earlier on this message, we went over how Cain and Abel are the seed, okay, we went over how Satan on the level of Malkhut Tevunah is the counterfeit Holy Spirit, which is the male organ of the Serpent, we went over all of that, so I'll just go ahead and tell you this, that already told that we're translating prince chief spirit, translating prince spirit because a translation of the Hebrew word translated prince is rising mist, we're translating Meshech the seed, okay, when I looked up the meaning of Meshech, it had to do with the sowing of seed, and that's where I got that from, and we're translating Tubal, Leviathan, because as I worked out the diagram, where we saw, where we aligned this mind of the Serpent with the Sefirot as we understood it, we found out that Tubal is Leviathan. And both Meshech and Tubal for your information are the sons of Japheth, okay. And the land we're translating, well here in verse 2 I have the dwelling place, but the land, I'm really being torn as to whether to translate it mind or body. See actually the land that the spiritual man dwells in, I'm thinking that it's really the brain, you know the mind, the brain and the, you see it's the whole physical body because the mind does not dwell just in the brain, does everybody know this. The mind flows through your whole body. Mind is not a solid organ like the brain, mind is spiritual, mind exists in every cell of your body, and even scientists and psychologists have come to this conclusion right now.

So the mind really does dwell in the physical body, and the land that this Scripture talks about is the physical body, this is the place where spirits dwell,

and we've had to face some hard words recently and actually over the years, there are all kinds of entities that dwell in our physical body, all kinds, just like when you go outside and turn over the earth, there's all kinds of insects, all kinds of entities dwelling in our fallen flesh, and they make us sick and they drain our energy, and that's the truth our spiritual captivity. So I'll read the alternate translation of the verse again without any of the explanations. "Son of Adam look at Satan the Serpent's male organ the chief spirit and higher of mortal man who sows the Fiery Serpent which is the seed which generates Leviathan the lower mind of mortal man, in to the physical bodies which are the dwelling place of the Serpent and prophesy against him." This is a prophecy against the counterfeit Holy Spirit in the church. Now in your notes following verse 2, I have some notes here, about how I explained all of this to you already at the beginning of the message.

We're going right down to verse 3, the King James says, "And say, thus saith the Lord God, behold I am against thee oh Gog the chief prince of Meshech and Tubal. Alternate translation, "Saying thus saith the Lord God, behold I am against you Satan, the chief spirit and higher mind who sows the seed of Leviathan the lower mind of mortal man, into my people Israel. Now you may remember earlier this morning before we went out to dinner, I gave you an example about how the carnal mind the collective carnal mind of the world is just moving forward, and when we have a meeting like this and we starting speaking and thinking and agreeing with the deep understanding of the Scripture it literally tugs on humanity as a whole, who is marching forward just obeying Satan's mind, Satan and Leviathan's mind. Do you remember when I showed you that this morning, how when we get together and think differently, it holds back the forward progress of the carnal mind of mortal man, okay, that's what we're talking about here, saying thus saith the Lord God, behold I am against you Satan, the chief spirit and higher mind who sows the seed of Leviathan, the lower mind of mortal man into my people Israel. Brethren this is going on today in the church, Satan on the parallel level of Tevunah the male organ of the Serpent is sowing the Serpent's seed into God's people to the people who are deceived, who don't recognize this as the counterfeit Holy Spirit and the full intention and full purpose of this activity is to turn the mind of Christ back into Leviathan.

See we only have one mind, and that mind is either formed into Leviathan, or formed into the mind of Christ. If you want to think of it as a lump of clay, it's either formed in one direction or formed in the other direction, this is the battle of the ages because the mind that dwells in the human being is what that human being is, if the mind that dwells in you is Christ Jesus you are a son of God, if

the mind that dwells in you and fully expresses itself through you is the carnal mind, you are a daughter of Babylon. Now you might say, I'm carnal but I'm not a daughter of Babylon, that's because you're not married yet. You're spiritually asexual, you're just an average human being, but as I told you earlier on this message, humanity is at the age of marriage, and eventually every human being on the face of the earth will either marry Christ Jesus or will marry the Serpent. We have come of age, humanity is coming of age.

So this is what's going on in the church. I'm going to repeat myself a lot because I'm not sure that you're getting this, listen this prophecy of Ezekiel 38 is against the counterfeit Holy Spirit in the church which is engaged right now and has been engaged already for years, of stealing the mind of Christ and the true Holy Spirit from God's people, and those who have already had the mind of Christ formed in them, this counterfeit Holy Spirit is turning that mind back down into Leviathan. What we're preaching here today is very exciting, we've been aware in this ministry for a long time of a counterfeit Holy Spirit, I don't know about you but I've sat here and I've agonized, and I've said, Lord I can't get upset there's nothing I could do about it, you'll move when you're going to move. For years we've been watching it and preaching about it, and no one's been hearing us. Well today the judgment is coming down, how all this judgment manifests in the natural, I'm not sure, we'll find out, let's execute the judgment. Let's go on, verse 4 in the King James. And I will turn thee back, and put hooks in to thy Jaws and I will bring thee forth and all thy army, horses and horsemen, all of them clothed with all sorts of armor, even a great company with bucklers and shields, all of them handling swords. Alternate translation verse 4, the word hook the Hebrew translated "hook" can mean ring and on part 1 of this message the Lord revealed to us the spiritual meaning of ring, it's talking about a circuit of energy, it's talking about an electric circuit that is established when Christ Jesus in the individual marries the Lord Jesus Christ in the high spiritual planes, an unending circuit of spiritual energy starts flowing between that individual and the eternal realms, and the Serpent also has a ring or a circuit that she can place in you and this is the full stature of damnation. When the Serpent comes to dwell in you and marries the daughter of Babylon that she's raised up in you, okay, that circuit of spiritual energy, will start flowing through you, you will receive the immortality of this world, and you will be a slave to the Serpent's evil mind. So in verse 4 however, we see Jehovah saying to Satan, the counterfeit Holy Spirit, the way I'm going to defend my people against you is that I'm going to put a hook, I'm going to put a ring of my energy through them and they're going to throw you off. The Hebrew word translated "jaws" means soft part and we're translating that "hearts" of the people of Israel, the word "army" we're translating "strength". The English all sorts of or the Hebrew word translated "all sorts of"

can be translated "perfection", the word armour is not in the Hebrew, the word "great" the Hebrew word translated "great" can be translated "assembled", the Hebrew word translated "bucklers" can be translated "pierce", and the Hebrew word translated "shield" can easily be translated "the scaly hide of the crocodile", that's talking about Leviathan, that's the spiritual crocodile, the defender of everyone who follows after the ways of the carnal mind, and that is self-preservation and self-defense, and every one that prefers the lie to the truth.

Okay let's see the alternate translation here, "I will make you turn back", this is talking to Satan, the counterfeit Holy Spirit, "I will make you turn back from possessing Israel", now this is for Israel and this is for spiritual Israel which is the church, "I will make you turn back from possessing Israel by putting circuits of my spiritual energy into the hearts of my people Israel, and they will pluck out the horses and horsemen clothed with the strength of your perfection, that's the strength of Satan's perfection, that's the full stature of Satan, even the whole company that you Satan have assembled, to pierce into the hearts of my people Israel, to birth Leviathan the scaly hide of the spiritual crocodile who captured and now manipulates the spiritual sword that I have placed in Israel's mouth." Do you hear this?

This is why Satan is doing this on behalf of the Serpent, he wants to possess and manipulate and wield the spiritual sword of the mouth of the believers. The Serpent wants the spiritual power that has been given to Israel by Jehovah. We've talked a lot about this in the doctrine of Christ, this creation is cut off from the higher spiritual realms whereby spiritual food freely flows into these worlds, this free flow of spiritual food has been cut off from this world of darkness, and all of the entities that dwell in this world that has been cut off, all of us that dwell in Malkhut, we're all starving to death spiritually starving to death. It's like you see in the physical world, everybody is concerned about getting their food, everybody in this ministry is blessed, we can afford to go out and buy the food that's abundant in this country, there are hungry people in this country, there are starving people in other parts of the world. Food is a major issue of human survival, and this issue exists on multiple planes of consciousness. There are spiritual entities that are scrounging for food just like we are in this world. They need the food and they're looking for it, and they're willing to do anything they have to to get it. We're working on verse 4.

Well let me finish my point here, my point was, so the Serpent wants to wield the spiritual energy that has been given to us by Christ Jesus, those of us who have the Holy Spirit and especially if you have Christ, we have additional energy, we have more energy than the people who are just average people,

that's why we're targeted. Satan and Leviathan want this additional energy, they're starving.

They feed off of our energy, just like the insects of this world bite and take little bits of our blood, they can't hurt us, but there are spiritual insects that feed off of our energy and that's why we get sick and die. Scientists for generations have been puzzled at why human beings get sick and die. They tell you the body is made to continue on, the body is made to heal itself. Why do people get sick and die? Because there are entities on other planes of consciousness feeding off of the energy that was given to us when we came into this world, and Satan wants that power and that power is wielded through the spoken word. Let's go on. Okay, I'm going to read verse 4 again. This is the Lord speaking to Satan the counterfeit Holy Spirit who's coming to impregnate the church with the Serpent's offspring. "I will make you turn back from possessing Israel by putting circuits of my spiritual energy into the hearts of my people Israel and they will pluck out the horses and horsemen clothed with the strength", and that's talking about the demons now and the spirits that are cast out, "and they will pluck out the horses and horsemen clothed with the strength of your perfection, even the whole company that you Satan have assembled to pierce into the hearts of my people for the purpose of birthing Leviathan, the scaly hide of the spiritual crocodile who captured and now manipulates the spiritual sword that I have placed in Israel's mouth." The Serpent has stolen the authority of large numbers of people in the church. What are you talking about Sheila? Well when someone that has the spiritual authority of Jesus Christ is preaching a false message, Satan has stolen the sword of that person's mouth.

Verse 5, King James, "Persia, Ethiopia, and Libya with them, all of them with shield and helmet." Ethiopia is Cush, I talked to you about that, Libya is Put, the son, and both Cush and Put are the sons of Ham, and I've talked to you about that, I've talked to you about Persia, and the word "shield", the Hebrew word translated "shield" once again is Leviathan the spiritual crocodile. And what we see that's very interesting in verse 5 is the alternate translation comes up calling Ethiopia and Lybia the helmet of Persia, the helmet of Persia, let me read that to you. Now this is talking about all of the spiritual warriors, the spiritual horsemen, talking about this entities on this other planes of consciousness that are attacking God's people on a regular basis, we can't see them brethren, they're not even all demons, they're entities that live on other planes of consciousness, that attack our mind continuously, that try to turn us away from the Lord, and keep us in sin, because when we sin, they have legal ground to drain our energy. This is a reality, although we can't see it. So all of these horses and horsemen and entities, who appear in the visible world as Ethiopia, and

that's talking about all the descendants of Cush, and Lybia that's talking about all the descendants of Ham. Who are the helmet of Persia, the scaly hide of Leviathan, the spiritual crocodile who is the subconscious part of the lower mind of man.

Well Sheila I thought you said that Persia was good and that Persia was a national type of the Messiah, because Persia swallowed up Babylon? Well we see that Persia is both good and evil, but Persia is typified a supernatural source, there's no Genesis, no genealogy of Persia, and it would not be the first time that the Lord raised up a savior out of a nation that was a criminal nation. I don't know about you, but I know that I'm in training to be a son of God, and I was pretty wicked when I was out there in the world, and the Lord's bringing forth the son of God in me. So the same thing that's happening in me can happen in a nation. Those who appear in the visible world, as Ethiopia and Lybia, the sons Ham, who are the helmet of Persia, well I have a note on that a little further down, compare the helmet of the scaly hide of Leviathan the spiritual crocodile to Christ the helmet of salvation and that is first Thessalonians 5:8. "But let us who are of the day be sober putting on the breastplate of faith and love, and for a helmet the hope of salvation."

So we see Christ Jesus as the hope of salvation and there is also a helmet on the other side, which dashes the hope of salvation and that is Leviathan who is a sure death. All of those who war against us continuously, the spiritual sons of Ham, who are the physical or the outward appearance of Persia the scaly hide of Leviathan, the spiritual crocodile who is the subconscious part of the lower mind of mortal man. So we see here that Persia is Leviathan and yet Leviathan has produced three great kings, Cyrus, Darius, and Artaxerxes, that helped the Jews. So we have good and evil through all of humanity. Okay, going on with verse 6, "Gomer and all his bands, the house of Togarmah of the north quarters and all his bands, and many people with thee." we're still being instructed on all of these spiritual beings that are dead bent on turning everyone that's following Christ or following the Holy Spirit away from the Lord. And the words "bands" we're translating "armies", the word Gomer, Gomer is the son of Japheth, and the word Gomer means completed. So we're going to translate that word Gomer as "completed mind". And the word "north" we know always represents the Serpent. What else do we have here, and the word Togarmah which is one of Gomer's sons, means the house of sorrow. Can anybody place that? Who's the house, what name, I don't really believe it was a physical person, although it may have been, what name of the studies that we have studied signify the house of sorrow, who's always depressed and bitter and negative, what woman in the Scripture fulfills that? What female in the Scripture is always depressed

and miserable and unhappy, and discontent and complaining, who? Anybody remember.

COMMENT: Delilah?

PASTOR VITALE: Yes, Delilah is the one that's always miserable, nothing makes her happy, she's never satisfied, she's our carnal mind, she's never satisfied. You give her everything she wants and she wants more, it's Delilah, it's the carnal mind of mortal man, the female aspect, that conscious part of the carnal mind that just moans and groans and complains and as soon as you give her what she wants, she doesn't like it anymore and she wants something else. She's empty and she will never be happy until she's filled up with Christ. So we're going to be translating this word Togarmah, which is one of Gomer's sons, as the conscious part of the carnal mind, Cain, Delilah is Cain. Alternate translation, verse 6, "And the armies of Satan the unconscious part of the Serpent's completed mind within the many physical tribes that form the armies of Cain, the conscious part of the carnal mind who are the house of sorrow." So you see that this continuous attack upon the mind of God's people, it comes both from the spiritual planes within our self, and it also comes from the physical tribes, it comes from other people who are manifesting the carnal mind. Satan's armies come through the words that your best friends and your relatives and your loved ones speak to. Satan attacks you through your most trusted associates, and we are challenged to not be influenced by them, to recognize that as much as we love them, at this particular moment it's Satan speaking through them, and just in case you're not confused we'll confuse you some more, this one person one day can be manifesting Christ and the next day can be manifesting Satan to you.

This is some challenge who could possibly do this? In Christ all things are possible, and if you're not doing it yet, then the Lord's put you under a teacher, who has the ability to distinguish between good and evil, someone who has the ability to distinguish between the Christ mind and the carnal mind in every day conversation. If you can't do it yet, your protection is submission to the authority that the Lord's placed you under. So we're seeing a whole big run down, of all that Satan has raised up to destroy this poor little wounded person, that's just trying to go on in Christ, that's trying to follow Jesus and look at what's coming against them.

All of these entities are coming against them, horses and horsemen, the whole company that's assembled to pierce into the hearts of God's people to birth Leviathan there, and now we have the armies of Satan the unconscious part of the carnal mind and Satan in your best friend, Satan in your lover, Satan in your

wife, Satan in your kids, Satan in your parent, Satan in your pastor. Praise the Lord, you don't trust anybody because of the office that they're in, you have to have some level of trust, but you have to use your brains. I saw a tv program just the other day, a seventeen year old girl, there was a cop, a police officer that was always around the high school, and one night she was driving along in her car, he pulled her over, he said he wanted to show her something at the station house, she went to the station house, it was all closed down, she should have never gone in with him, but he was a cop, so he took her in there and he raped her.

You have to use your brains. If your pastor tells you to kill yourself, you don't do it, you're not supposed to be an automaton, the pastor is here to guide you, you're supposed to think for yourself and every day you're supposed to be learning more and more how to think for yourself and how to seek God for the answers to all your problems. You have a teacher and a pastor to help you along the way, but you're never supposed to be completely dependent on anybody except Jesus.

Verse 7, Be thou prepared and prepare for they self, thou and all they company that are assembled unto thee, and be thou a guard unto them. Well here we Jehovah explaining how he's already told Satan that he's going to stop her from doing all this evil to his people and now he's telling Satan why, saying, I'm going to stop you, I'm going to do all of these things, I'm going to put these rings in my people, I'm going to set up the energy that comes from an eternal relationship arising out of the union of Christ Jesus in the individual, and the glorified Jesus Christ, I'm going to energize my people, I'm going to stand them up in spiritual power and I'm going to set them against you, and this is the reason why, that my people Israel can stand upright. I'm going to give them spiritual power that's going to stop all your attacks, or that will have the potential to stop all of your attacks because I want them to stand upright. And after they stand upright, I want them to prepare all the members of the company to post a guard against Satan and Leviathan their carnal mind so that they too can stand upright.

So we see that the salvation of the church is coming in two general stages, the priest is standing up first, the ones that are stronger, the ones that Jesus has called because he knows they can do it, not because you're pretty, not because you're rich, not because your green, not for any reason other than the Lord Jesus looks upon you and has made a judgment that he's going to invest his training in you because you have the potential to overcome, that's the first group that's going through. And when we stand up we have to train the others to post a guard. What does that mean? It's everything I've been teaching you here. You

have got to turn inward, you have got to become spiritual, you have got to develop a relationship with the unconscious and subconscious parts of your mind. You've got to tear down that veil that keeps you dwelling only in this physical plane. You have to post a guard against the operations of Satan and Leviathan in your own mind and then in the mind of others, so that you can deal with these entities and these thoughts in righteousness in Christ Jesus. So that my people Israel can stand upright and prepare all the members of their company, to post a guard against Satan and Leviathan their carnal mind so that they too can stand upright.

Verses 8 & 9 interspersed, I'll read you 8 & 9 together in the King James, and isn't this interesting? Jehovah is instructing, he's telling Satan why he's going to do this.

Why do you think Jehovah is instructing Satan, because Satan is the unconscious part of the carnal mind that is about to be converted into Christ Jesus. This is no different than me saying, the Lord Jesus is training up Cain as well as Abel, the carnal mind is being instructed. The carnal mind, Satan, and Leviathan are being forced down underneath Christ Jesus, they're not being obliterated, the lake of fire is not destroying them, it's purifying them, they're not being wiped out completely, the carnal mind is being educated as to how to submit to its master, Christ Jesus. We have to teach our own carnal mind and the carnal mind of others. It's not just Christ in us being trained up. The old man is being trained up and the new man is being trained up. The new man is being trained up as to how to be Christ Jesus and the old man is being trained up as to how to be a submissive wife. So Jehovah is instructing Satan. I'm going to do all these things, I'm going to equip my people to overcome everything you're throwing at them, because it's my will that my people should stand up. And the reason they're going to stand up is this, "after many days you shall be visited, Satan, in the latter years you shall come into the land that is brought back from the sword, that's Israel, and is gathered out of many people against the mountains of Israel, which have been always waste, but it is brought forth out of the nations and they shall dwell safely, all of them. Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou and all thy bands and many people with thee.

Jehovah is telling Satan that his people Israel are going to gather out of all the nations, he's going to bless them, he's going to be in the midst of them, and after all of that, that Jehovah does for them, Satan is going to arise and he's going to overcome Israel, and that is already happened see. And it happened over and over again in the individual. Jesus sets us up, teaches us, helps us, and we flip and we flop and we slip and we slide, some of us more than others.

So what is Jehovah saying here, he's saying look I've done all this for my people, I've gathered them out of the nations, I've set them up I've helped them, I've loved them, I fed them, and they keep flipping and flopping and slipping and sliding, this is the same thing as Jehovah saying to Adam after Adam is falling asleep, I will find a help that is meet for you, so that you don't flip and flop and slip and slide anymore.

And the Adam that is meet for Adam, and we are all Adam when Christ is in us, we become Adam the man, the help that we're given is Christ Jesus. Christ Jesus, that aspect of our spiritual being which is capable of marrying the glorified Jesus Christ who is anchored in heaven. We won't be flipping and flopping and slipping and sliding anymore after that circuit, that ring is brought forth in us, after Christ Jesus is grafted to us and married to the Lord Jesus Christ in heaven, and that circuit of spiritual energy is set in play, Satan and all her hordes will not be able to bring down God's people anymore.

So let's look at the alternate translation verse 8 & 9, which are interspersed. The Hebrew word translated "mountains" we're translating "righteous one", because mountains suggest righteousness in the Scripture, the Hebrew word translated "waste" we're translating "to dry up", and going down to verse 9, the Hebrew word translated "come" we're translating "to enter into", the Hebrew word translated "cover" we're translating to fill up, and in 8b the Hebrew word translated "visited" we can translate "to care for". The Hebrew word translated "land" we're translating "physical bodies" and the Hebrew word translated "dwell" we're translating "to marry". So let's see what we've got here.

I'll start with verse 7, "I'm doing all of this says Jehovah so that my people Israel can stand upright, I'm giving them Jesus Christ, I'm setting up circuits of spiritual energy that connects them to the eternal realm, so that my people can stand upright, and prepare all the members of their company to post a guard against Satan and Leviathan their carnal mind so that they too can stand upright, because in the years that come after the many days that Satan and Leviathan rule over Israel, I will reassemble Adam the righteous one, whose spiritual power dried up within the many tribes of Israel, and the reason I'm reassembling Adam is to fight against Leviathan who is possessing the heart center of my people, and I shall rise up within the physical bodies of my people, that's Jehovah speaking, my people Israel with the strength of a storm cloud and I will enter in to the heart of my people Israel, and fill them up with myself, and my people Israel who were Satan's armies shall be my armies saith the Lord. Do you hear this? When Leviathan is filling your heart center you are a member of Satan's army. Though your sins be as red as scarlet, they shall be as white as snow.

We are Malkhut, humanity is Malkhut, we are the chameleon, we manifest whatever fills us up. If we are filled up with Satan and Leviathan, we are good and evil, and not representatives of God, but when the Lord Jesus Christ comes in and fills us up and turns us from Leviathan into Christ Jesus we will be the righteousness of God. We who were the armies of Satan, do you hear this, brethren that carnal mind that's Satan, I mean we have done so much work here revealing how not meaning to harm anyone at all, being convinced in our carnal mind that we're doing a good thing, we have caused people to stumble, we have given them advice that is not the right advice, we've caused them, we've influenced them to do the wrong thing, we've done all this, we that is Satan in your mind, causing your brother to stumble and lying to you at the same time telling you that you have good intentions towards them.

If you are not policing the unconscious part of your mind, you are a member of Satan's army, I'm not saying you're hurting somebody every day of the week, but somewhere along the line, if Christ in you does not have the spotlight on Satan and Leviathan, if Christ in you has not posted a guard inside of your own mind, to identify and stop Satan and Leviathan, somewhere along the line you are giving advice to somebody that does not come from the Lord which advice will ultimately hurt them. And the person you're most likely giving advice to that you will hurt is the person who is walking after Christ, and you are telling them that they're crazy, that they shouldn't believe that, that they shouldn't do that, that the Lord couldn't have told them that, and turning them away from the Lord, whether you know that you're doing that or not. But you who have been Satan's armies, you shall be the armies of the Lord. So don't go into any condemnation, just keep asking the Lord to help you to post that guard so that you can police the unconscious and subconscious parts of your carnal mind.

Okay I didn't finish reading all of that, where did I stop, I'll start with 8a again. Okay that was the end of verse 9, so we're reading 8b now, and now here's the promise of Jehovah to his people after he makes that conversion, after you my people Israel who are Satan's armies, have become my armies, I shall take care of you, I shall turn back your physical bodies from the spiritual drought that has brought about by separation from God and I shall separate Israel from the nations and you shall all marry Adam the savior that I will birth in the midst of you, so that you can exist forever because he's the one that exists forever. Now I'd like to comment on this spiritual drought of your physical bodies.

Brethren, the reason our bodies get old and get wrinkled, is because our energy is being syphoned off, you see the person whose not schooled in spiritual ideas would probably think well, we come into this world with a measure of energy, and we use up our energy, and our body gets dried up and we pass out of the

world. No that's not true, we don't use up our energy, the Fiery Serpent who is the spiritual parasite that dwells in the midst of us is drinking up our energy that's the truth. We're born with a spiritual parasite, there's a being, an entity that is inside of every human being, it's there, just because you don't believe it doesn't mean it's not there, it's still there, it's there, and there are lots of people, not necessarily Christians who know that it's there, people of other spiritual philosophies, they know that it's there. There's a spiritual parasite that you carry with you, and this spiritual parasite is a contradiction, because you would have no existence without this spiritual parasite, and yet this spiritual parasite feeds off of you, you see. You are incarnated by Dumah, the Kabbalistic angel called Dumah that is in charge of reincarnation, she incarnates you so that the Fiery Serpent in the midst of you can have a house to live in with a food supply, that's truth. Jesus said, I have much to tell you but you can't bear it now, see.

And when Christ Jesus comes to live in you, and especially when he hooks up to the Lord Jesus Christ, he's not draining your energy you see, that's why you get healthier, that's why a lot of people start to look younger, as Christ Jesus actually manifests through them, because Christ is not taking your energy, Christ is giving you energy, you see. And Christ is giving energy to the Fiery Serpent, giving energy to the Fiery Serpent but also disciplining the Fiery Serpent, Christ is grafted to Abel so that Abel will stand up and start putting the Cain side of the Fiery Serpent under his authority, and then you stop dying and you start living, and that spiritual parasite inside of you starts to be converted from a caterpillar to a butterfly, it starts to be converted from a parasite to a son of God. Your carnal mind is converted in to the Christ mind. You who were the armies of Satan become the armies of God, because you see there's only one spiritual substance, as either formed in the Serpent's image or it's formed in the image of Christ Jesus. So that Fiery Serpent when you were born is formed in the Serpent's image, but when Christ grafts to it, he starts to reform your whole nature, that Fiery Serpent into the image of Christ and the whole process of death begins to slow and it ultimately reversed. Well it hasn't happened yet Sheila. It hasn't happened yet, but we're right at the door, we're right at the door, 2,000 years since Jesus rose from the dead and it's taken this long to bring us to the point where it's about to start happening, we're right at the door, praise the Lord.

I have a Scripture witnessing to this. "And I shall care for you and shall turn your physical bodies from the spiritual drought that has brought about by separation from God", so our physical body is experiencing drought, that's why we shrivel up as we get older, the Fiery Serpent is drinking all our energy and we're experiencing drought, and shall separate Israel from the nations, I guess I have

this in the wrong place. John 21:18, I put this in in response to the phrase that says, "and I shall care for you, John 21:18, verily verily I say unto you, when you young you girded yourself and walked wherever you wanted to go, but when you shall be old, you shall stretch forth your hand and another shall dress you and carry you where you would prefer to not go, and that's what that means. In order for Jehovah or our dispensation for the Lord Jesus to take care of us, you have to stop doing your own thing, if you want Jesus to take care of you you have to stop doing your own thing because he's not going to fight for you, and it's not that easy to stop doing your own thing. You have to be trained to stop doing your own thing and Christ in you has to train Cain in you to stop doing her own thing. You have to become a divided city.

If there is no warfare going on in your mind if you're not fighting with Satan and Leviathan, you're all on Satan and Leviathan's side. You have to become a divided city, and what's popping in my mind right now is that is what happened to Persia, the Persian Empire became the Pemediapersia Empire. And I know I didn't research it for this message but I know there was division in Persia, so I guess here's the answer, Persia divided into a righteous aspect that served God, and the evil aspects, the prince of Persia that opposes the mind of God in God's people. There has to be a division in the midst of you. You have to turn against yourself because you're two people, you see. So can't love your old man too much. Remember Revelation chapter 17 or 18, and they saw the ship burning and they saw the city burning they cried and they wailed and they said oh that wonderful city Babylon. Don't cry over your old man, because if you're crying over your old man, you're new man is not going to be formed. Let him go, let him go. The Lord will take care of you, you have to stop taking care of yourself. Now don't go doing something stupid, and taking me literally that you stop bathing or you stop eating or you stop doing things like that. What this means is, you have to offer every decision that has to be made up to the Lord. Don't carry that burden, how am I going to do this, how am I going to pay that bill, how am I gonna raise that kid, how am I going survive with this infirmity. Give your problem to God and ask for his solution and let him do it.

Some people ask for his solution and then go and do their own thing. All things are possible in Christ, if your problems can be solved in the natural the Lord will find a way, if there is no natural solution, he will give you a supernatural solution, and I love the story of the woman with 8 children that went blind, and she was sitting there with her children, crying out to God, not knowing how they were going to survive, she couldn't work, and she heard footsteps and Jesus appeared and laid hands on her eyes and she received her physical sight back so that she could go to work. The Lord meets your needs through natural means

when they're available. When they're not available he goes beyond the veil. We are limited to the natural means of solving our problems and lots of times we don't even have the wisdom of how to solve our problems with the natural means, we don't even know what natural means are available to us, to give the problem to the Lord and let him solve it, give it up, give it up, give it up. Give up doing it yourself.

Okay going on with verse 10, King James, "Thus saith the Lord God, it shall also come to pass that at the same time shall things come into my mind and thou shalt think an evil thought, now Jehovah is speaking to Satan again and in our alternate translation, the Hebrew word translated "things", I didn't write down exactly what it means but I'm translating it word as a capital letter there is in the word of God, and the Hebrew translated "think" means "to braid together with". So our alternate translation of verse 10 is, "But after I do all this for you, saith the Lord", Jehovah is talking to Israel now, "But after I do all this for you saith the Lord God it shall come to pass that at the same time that my word enters into your mind, an evil thought shall also enter in and braid together with my thoughts."

And is that not what we're going through here now. Can you really distinguish between the word of Christ and the word of Satan in your mind? Most of you can't. You have to be instructed how to do it, you can't tell by the sound of the voice, it's a whole program of instruction over a period of years on how to try that spirit and how to recognize the voice of the Lord. If you think that you could do it, you probably can't, and you're all lifted up in pride and in great danger, praise the Lord.

Verse 11, King James, "And thou shalt say I will go up to the land of unwalled villages, I will go to them that are at rest, and dwell safely, all of them dwelling without walls and having neither bars nor gates." Now Jehovah speaking about Satan again, okay, in verse 10, well in verse 8 & 9, he's telling Israel how he's going to take care of them, in verse 10 he's saying after I fully establish you, and you're living out of my mind and everything's wonderful, Satan's going to get in to your mind, and going to braid together with my thoughts and you're not going to be able to tell the difference, and at this point, Satan will say, I will rise up into the idol people who have not locked the swinging gate by which sin enters into the mind, neither have they built Adam's walls of protection, but are nevertheless confident that they are safely married, and I will enter into their unprotected minds, that's Satan saying that. After Jesus completely establishes and makes you safe, but you see you're safe with an imputed safety, you never learned how to do it yourself. Jesus set you up, set you up straight, but you never started to look into your mind, you never locked the swinging gate which

is Cain, the Cain Abel swinging gate, you never secured Abel in his position on top, and you never built Adam or Christ Jesus' walls of protection. You figured because you were prospering, and you have the Holy Spirit and you were healed and things are good in your life that you never had to go any further. This is to the church world now, you didn't believe that you had to do what we're doing in this ministry. You didn't believe you had to develop a relationship with Satan and Leviathan in your own mind, you didn't believe it so you had to look inward, that you had to see the sins within yourself. You thought all you had to do is give our tracks and go to heaven, and get raptured.

You didn't build Christ in you through the confession of sins and repentance, and you didn't lock the door on sin by looking inward, and Satan saw it. Satan saw God's people living and prospering in unwalled villages, and Satan said, I will rise up into the idol people, idol people, idol people, talking about your minds, idol minds, you have to keep your mind busy, you have to be in the Scripture, you have to be talking to God, an idol mind is dangerous, and they're teaching right in the churches empty out your mind, meditate by emptying out your mind, and Satan says, I will rise up into the idol minds of the people who have not locked the swinging gate, and I'm going to do this and when I do this, I'm going to steal the spiritual energy, that's verse 12, I'm going to rise up into their mind, well I guess I'll just start with 11, "saying I will rise up into the idol people or into the minds of the idol people who have not locked the swinging gate by which sin enters into the mind, neither have they built Adam's walls of protection, but are nevertheless confident that they are safely married to Jesus. Satan speaking, and I will enter into their unprotected minds, the Holy Spirit cannot protect your mind, you have to have Christ. And I didn't tell you that the Hebrew word translated at rest, we're translating idol, and the Hebrew translated "bars" we're translating "locked", and what else do we have here, and the Hebrew word translated unwalled villages we're translating unprotected minds, and this is what Satan's going to do, he's going to enter into the idol unprotected minds for the purpose of verse 12, stealing the spiritual energy of the people of Israel, and forcing them to turn back into Leviathan, the subconscious part of the dried up carnal mind of the people who Jehovah gathered out of the nation to marry their spirit and to acquire their souls, and inhabit their physical bodies. Let's break that down a little.

Okay in verse 11, did that already, verse 12, the Hebrew word translated "spoil" we're translating "to steal", the Hebrew word translated "pray" we're translating "force". The Hebrew word translated "hand" we're translating the subconscious part of the mind, that's, we've been doing that for years.

The Hebrew word translated "dwell" we're translating "to marry", the Hebrew word translated "in the midst of," that Hebrew word means high place, and we're translating that "spirit". The Hebrew word translated "cattle", cattle means animal nature, so we're translating that soul or nefesh, and the word "land" we're translating the physical bodies. And I didn't, let me read you the King James in verse 12, to take a spoil and to take a prey, to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations which have gotten cattle and goods, and that dwell.
