TRANSCRIPT OF MESSAGE #581 - Part 2

THE SECRETS OF THE CARNAL MIND

This Message Has Been Transcribed and Edited For Clarity, Continuity Of Thought, And Punctuation By The CCK Transcribing and Editing Team.

Praise the Lord everybody, when I started to preach this message last Thursday night, I had a lead from the Lord, and I had some points that I had written and printed out for you all, but as it is not too unusual in this ministry, this message is growing and expanding into being something that I did not anticipate last Thursday, so we are going to start out with drawing #1 for this message, and after we deal with this, if there are no other drawings that come forth from the Spirit, we will go back to the notes that I gave you on Thursday night, and deal with that. What we have here on drawing #1 is really very exciting, it is a diagram of the carnal mind coming from a point of view or coming from a depth that I have never seen before, and I did not know before, also it has cleared up several issues, several questions that I have had about the diagrams of the carnal mind that the Lord has shown us previously. I am going to go over what is on the board with you and we will see if anything else comes forth from the Lord or if you have any questions and if not, we will just go forward with the message as I presented it to you Thursday night.

In addition, as I looked for some Scriptures to support the way the message was going, the Lord had me do an alternate translation on I Thessalonians I believe chapter 2, a couple of the verses concerning the man of sin, and I am very, very excited, you know that is such a mysterious passage, I have never met any preacher that could really explain who the one is that letteth or withholdeth or whatever, it has just been a very difficult passage, and as I have told you many, many times, when we run into a passage like that, that it is so difficult that it just does not seem to make any sense, there is always a spiritual factor, the reason the true meaning is clouded is because the translators did not have enough understanding of what Paul was trying to say to

bring forth the reality of it because Paul, not only Paul, but the whole Scripture, whoever is speaking, and whoever the speaker is, in the Scripture Jesus Himself or the prophets, the more hidden the message, the more abbreviated the words are.

In other words if you do not already have the revelation of what the preacher is talking about, there is no way you are going to understand it, and the Lord just does not spell out these things, they are hidden, it is called the concealed aspect of the word, it is the secret wisdom of God, you have to have the revelation in your heart and believe it before you see it in the Scripture, because if you do not have the revelation in your heart, and it is spelled out for you, your carnal mind will rise up and curse the word, that is at least part of the reason why it is hidden. In addition to that, it is just a holy word, it is a secret holy word, it is not supposed to be exposed to the blasphemy of the carnal mind.

The Lord asked me to do this, told me to do this or told me to do this translation while you were all sitting here waiting for me, and I resisted, to be honest with you, I did not ask initially if that was the Lord or the carnal mind, my automatic reaction was to resist because I had a room full of people in here waiting for me, but when I felt it was the Lord and I submitted and when I translated those two verses, I think I did verse 2,3,4,5, and I think I did 6 also, I found out that what that mysterious verse is saying, is that the man of sin is the first Adam. Now we all know that, that the carnal mind is the first Adam, but I never really quite, it just affected me to see it so bluntly actually in the New Testament if you want to take all of those words in that verse and translate them and arrange them properly, Paul was boldly saying, that the man of sin inside of you is the first Adam, and he is really talking about more than your carnal mind, he is talking about your old man, not just a mind, but the whole personality of the old man. The old man is the first Adam, and the new man is the second Adam, how much more Scriptural can you get than that?

There is a war going on in those of us who are mature enough to be faced with this warfare, there is a war going on, after whose children we are. Whose children are we? Are we the children of the first Adam who was ruined, or are we the children of the second or not the second but the last Adam, who is the king of kings and Lord of Lords, who are we? Until Christ overthrows our old man, we are the offspring of Adam who was ruined. This is so interesting because one of the words that I got from the translation of that verse, when I looked up the meanings of the words, when I looked up the meaning of the perdition, concerning son of perdition, I found out that it means, it could be translated ruined, and it just fitted in with the whole concept with what the Lord is bringing forth here, is that not the word that was used for centuries about an unmarried woman who became pregnant and had an illegitimate child, that she was ruined, it is not true today, but in the past no man would touch her, her life was ruined. That is the word that Paul used about the female aspect of Adam, who committed adultery, she was supposed to be a virgin, although we still say she committed adultery because she was promised to Adam, so it is still considered adultery, she had sex with the snake and she bore his child. I have been preaching this for years, that she had sex with the snake and she gave birth to his illegitimate child, that is

us, fallen, mortal, corrupt, humanity, that is why we have the problems that we have, our father is the Serpent, as Jesus so aptly told the Pharisees, your father the Devil, but nobody believes it you see, nobody really believes it, they think it is just a kind of name calling, or just some figurative way of expressing things. Our father is the Devil.

If you have Christ, if Christ is in you, you now have two fathers, because you are two people, but the person that you are is the man that lives through you, the man that thinks through you, or thinks for you is it the first Adam or is it the last Adam, and I want to tell you that it is a very rare Christian that Christ thinks through, the whole church is carnal, sold under sin, and I want to tell you that if you do not have a warfare every time you have to make a decision, it is the first Adam that is thinking through you, because everything that you do, you need to know that you have two fathers that are vying to manifest their will through you, everything you do.

If you do not have a conflict over everything that you do, you're sold under sin, and it is the first Adam living his life through you.

Okay, so let us take a look at this diagram here, it is very exciting for me, it is drawing #1 of part two, and I separated the left side of the board, or let me say this, on the right side of the board, I just set this up in circles so you can get a general idea, the reason I set it up in circles on the right here, well I will tell you that later, okay on the left side of the board, in black on the top we have the energy centers that are manifest, that is the energy centers of the carnal mind, and underneath the red line we have the sub-energy centers, that actually I have read about, I read about them years ago, I mentioned them on part one of the this message that I have heard about sub-energy centers years ago, but I did not know what they were.

The Lord has shown me today that the sub-energy centers, that means they are unmanifest, that means they are in the immortal realm of this timeline, they are not an active part of the carnal mind. The carnal mind of mortal man has emerged from these sub-energy centers, and they can be likened to the Keter, the Chokhmah, and Binah of the ten Sefirot. One of the questions that I have asked the Lord, was that I could not see where there were ten energy centers in fallen mankind, I could not see it, I could only see the seven energy centers of the carnal mind, and I did not know what to do to find energy centers comparable to the Keter, the Chokhmah, and the Binah, that is a question I asked quite a while ago, and here is the answer. The Keter, the Chokhmah, and the Binah of the man, the first Adam, the man that rules this world, okay, are actually the snake can be lined up with the Keter, Cain, the female aspect of the first Adam that fell and now is in two parts, Cain and Abel, this is the Cain and Abel that were in the garden, it was the female aspect of the Adam, of Adam, the garden was the ovary of Adam Kadmon if you remember, and the female aspect of Adam was in the garden because everything that is created is both male and female, so even the female aspect of Adam had a male and female part, and it was that female aspect of Adam that fell, and the male and female part which had been one broke apart and became divided because this is the divided age, so the female Adam became Cain and Abel, and Cain wanted to be, Cain was the firstborn and wanted to be the male, but Jehovah said, No, Abel the spiritual side of you will be the head, but the creation fell, Cain killed

Abel, and the reality of the sub-energy centers that rule this world, that continue to generate this world and rule this world are that Cain is in the male role as the father and Abel is in the female role as the mother, and Cain and Abel, the positions that they are in are analogous to the positions of Chokhmah and Binah, and the snake, the position that the snake is in, is analogous to the position of the Keter.

Now, in case you are wondering why I am calling the snake, the snake instead of the Serpent, the reason for that, is that the King James translation does not distinguish between the two Hebrew words, one of which is snake and the other of which is Serpent, they are two different words in Hebrew. The account of what happened in the garden, the account of the woman's seduction, should say, "snake", but it says Serpent, and I could give you that Strong's number in case anyone wants to check it out. Let us see, the Hebrew word translated "Serpent" in the account of the seduction which really should be translated "snake" is Strong's #5175.

The Hebrew word that means "Serpent" is #8577, sometimes it is translated Dragon, but it is talking about the, it is the same thing as the Serpent. There is a difference between the snake and the Serpent, I guess, I do not know how to tell you that the snake became the Satan that we read about in the book of Job, well I do know, I should not have said that. Okay, for some reason the King James translators just brought that confusion in, it was not until I started studying Kabbalah, and I saw that the teachers of Kabbalah referred to the animal in the garden as a snake, that I was curious about it, and I researched it and found out that, that is the correct translation "snake", and that Leviathan, Leviathan which came out of the "snake" is the Serpent, the Serpent came out of the snake, the serpent came out of the snake. Praise the Lord.

Okay, we see in the sub-energy centers which is the immortality of this age we have the snake in the head role and then we have the snake's wife, which is the fallen aspect of the female Adam who is appearing as Cain and Abel because Adam broke into two entities, let me tell you again, everything in the creation is male and female, so the female aspect of Adam was also male and female, but with the female predominant, the male aspect of Adam was both male and female with the male aspect predominant. The aspect of Adam in the garden, that was the female aspect because the female qualities were dominant over the male qualities in that aspect of Adam, and they were one entity called Adam when they were in agreement, but they fell out of Agreement, the male side of the female aspect of Adam did not agree with the sin, but the woman went ahead and did it, and the female aspects, oh boy this is getting confusing, listen, the female aspects of Adam, the female side of the female aspect of Adam that was in the garden was predominant over the male side because that was the female aspect of Adam. For years everybody in the church is trying to figure out what happened to the woman's husband that he did not stop her and what kind of a weak man was he that she fed him and he ate it too and he had nothing to say about it? This was the female aspect of Adam and the woman, the female side of the female aspect was predominant over the male side, that was what happened, and where was the male aspect of Adam? Why did he not come and save her? Because that is another whole story, because the union had not come yet, it was not the male aspect of Adam and the female

aspect of Adam that were dwelling happily in the garden, it was the male and female side of the female aspect of Adam, and I cannot go into it anymore than that, did I make it clear at all, are you following me at all? Okay.

Okay, so these are three sub-energy centers, it is the snake, and the male and female side of the female aspect of Adam that broke into two different entities Cain and Abel when the female side of the female aspect yielded to the snake.

These are the unmanifest sub-energy centers, this is the immortal aspect of this age down here below the red line and we are calling these three energy centers the illegally married couple, or I should say this whole drawing is the illegally married couple, and above the red line is their offspring. This is the world that this illegally married couple has brought into existence, and the mind that they gave birth to, the carnal mind has formed this whole world, and this whole world is an actuality a manifestation of the female aspect of Adam which was ruined when she had premarital sex and brought forth her lover's child, she was ruined, but her husband, the male aspect of Adam has come looking for her in the person of the Lord Jesus Christ, He has not abandoned her.

The problem for we humans is that we fell so far down that the amount, you see, the Lord Jesus is beyond time, all of these thousands, God only knows how many millions of years, I do not know, I do not know how long has gone by for us since mankind appeared on the earth, well certainly at least six thousand years, but I do not know what came before that, I do not know because one year to God is like a thousand years here.

It has taken this long because there is a reconciliation ratio between, because there is no time in the eternal realm, so God is moving to save us from the eternal realm, and however that works, they do not fully understand it, all of these thousands of years have gone past for we humans down here on the earth. As far as God is concerned, He is moving as rapidly as possible, and actually it is only a couple of days, but there is a reconciliation factor.

The way time is measured down here for people in our spiritual condition, as compared to the spiritual condition of the male aspect of Adam, okay, has resulted in thousands of years going by and people suffering all of this time, and in all of this time, what has happened to us, the wife of Adam, the wife of the male aspect of Adam Kadmon, what has happened to us is that we have become, we have fallen in love with the one who captured us, with the one who seduced us and impregnated us, and gave us his child.

We have fallen in love with him, and we have his mind, and we are very happy, very happy, the average person is very happy to abide in the Serpent's mind as long as their needs are met, they need food, clothing, they want money to buy things and go out and do things, they want affection in their life, people in their life, success in their career, and they are very happy to remain married to the snake, and that is the truth. Of course then again most people do not believe this message, that they are married to the snake, they have the Holy Spirit, some of us, and they think that they are in the kingdom, but they are not, they are not in the kingdom, they are still married to the

snake, but the Lord, the Holy Spirit is influencing them and blessing them in preparation to divorce them from their marriage to the snake and marry them to Christ Jesus, and that is when we get in to trouble.

When the process starts that separates us, when the process that separates us from our carnal mind begins, the most devout Christians are screaming and yelling and declaring this is not God, this could not possibly be God, okay. This unmanifest, these unmanifest energy centers below are the residue of the female aspect of fallen Adam's mind, the carnal mind, and that is what we see above the red line, is the offspring or the descendants of this mind which was ruined, ruined when the female Adam engaged in spiritual intercourse of the mind with the snake and bore his spiritual child, which is mortal humanity, and in Matthew 12:34, we see Jesus telling the Pharisees that they are vipers, he was not calling them names, he was telling them, you religious people, you are doing all of these works and you are still the offspring of the Serpent, your nature has not changed, and your father is not God, neither is Abraham your father, because if Abraham were your father, you would not do the things that you do, and they tried to kill Him.

This is the message, Jesus came and He said, I have much to tell you now, but you cannot bear it now. What is there about the message in the church today that is unbearable? Nothing, they are not hearing the truth. The snake is our father, and we are married to it. Even I, with all of this revelation that I am getting, I am still married to the snake, if I was completely divorced from the snake, I would not have the problems that I have in my life, I would never get upset, I would never get sick, and I would not be aging, and my family would be completely reconciled to God, and I would have everything that my heart desires, and I am not there yet.

The only one that I know that made it is Jesus. Above the red line, I am showing you the energy centers, the first energy center is Satan the unconscious part of the mind, the second energy center is Leviathan called the fugitive Serpent, and I took that from Isaiah 27:1, it talks about two different Leviathans, one is the crooked Serpent, and the other is the piercing Serpent, another translation of the Hebrew word translated "crooked" is fugitive, Leviathan is the Serpent that is running away from God. The female aspect of Adam is still running away from God. Do you know that the scientists tell us that our universe is running away, the whole universe, the whole universe is running away.

From the time of the big bang, it has been advancing outward, it is running away, that is Leviathan, running away, that is the snake, that is the woman who ran away from her husband, running away, and do we not all run away from problems, do we not all run away from the truth, we are all the fugitive Serpent, running away from God, we are running away from God, because when you run away from the truth, you run away from God, He is the truth. When you run away from the truth in the smallest little way, you are running away from God, and when you run away from the truth in a big way, you are really running away from God, but you are still running away from God.

The whole universe and all of humanity is running away from God, and Christ is in the earth

reconciling the world unto Himself, and coming looking for his wife who does not want Him, looking for His wife, His run away wife that does not want Him. Now she may think that she wants Him, and she certainly wants His gifts which are His Holy Spirit, but she does not want Him, and the test is when the Lord comes and say, Leave your present husband. She moans and groans and will not go, and the few that do go like me, moan and groan the whole way, it is hard. The third energy center, and this I have never done before, I have given Cain and Abel their own energy centers. I use to tell you that Cain and Abel were in the third energy center together, but I realize now as this expanded revelation comes along, that they are not in the same energy center together, and I see that there is a Scripture that I did not put down here, Abel is the false prophet, see, I will have to put that Scripture down for you, Abel is in the third energy center which is the, and Cain is in the fourth energy center.

That is interesting because Paul said, well Paul talks about the belly, he did not say which energy center it was, I am going to have to pray about this before we get to it, but I think that the lust of the flesh are Cain, so that would put Cain in the fourth energy center, Abel in the third, I do not see how, well Paul, Paul say that the belly is the lust of the flesh, and I have been preaching that the belly is the third energy center, so we have a change here, okay, the false prophet is in the third energy center, that is the one who lies to us, and Cain is in the fourth energy center, the lusts of the flesh from the fourth energy center, and we see in the fifth energy center, it looks like the fifth energy center, we are going to go out to dinner soon, and I am just going to have to work on this and see what is the heart center, and what is, well I know that Leviathan the piercing Serpent which I now assigned to the fifth energy center is in the heart center, okay.

It looks like, well let me just go through this, and like I said, I have to pray about this while you are out to dinner and see exactly now I am going to assign the names to the numbers.

Abel is the third, Cain is the fourth, Leviathan is the fifth center, Leviathan the piercing Serpent, and the reason Leviathan is called the piercing Serpent is that she is piercing Cain, this is the marriage, just like our personality is married, actually it is Abel in us that is married to Christ, Abel in is married to Christ, Cain in us is married to Leviathan.

That is why she is called the piercing Serpent, and in the sixth energy center is the snake which is the evil eye and you can read about the evil eye in Deuteronomy 28:54, and 56, and Proverbs 23:6. A person who manifests their consciousness out of the sixth energy center is moving in a pretty high level of witchcraft, and in the seventh energy center, which is the crown, which is the manifested crown energy center is, the Lord tells me, is the angel which is the daughter of blasphemy and that is the human being who is a full manifestation of Leviathan in full stature. I have this up here, the mortal man who is living out of his seventh energy center is an expression of Leviathan in full stature, the enemy of Christ in the third stage of fetal development, and he is an angel of blasphemy.

Brethren we are all angels of Christ, we have an angel, and when we do the work of Christ, we an angel of Christ. The mortal man that is manifesting this high level of Leviathan is an angel, but he

is not a holy angel, and he is the daughter of blasphemy, as you can read about in Mark 7:22, and Revelation 2:9. Now, one of the reasons I drew on the right side of the board, I drew this in circles, is to show you how the snake, the first energy center in the unmanifest realm connects to Leviathan who is piercing Cain, it is because everything bent around in circles, and you really cannot see it from the circles that I drew either, but that is how it is happening, everything is curved around, and that is how Leviathan is married to Cain, and we also see the way this is played out, that Leviathan is both underneath Cain and Abel, and over Cain and Abel. When we worked, when we did some work with the energy centers a couple of years ago, we said that the ox was in the third energy center being consumed by Leviathan, and I could not figure out who was the top row of teeth and who was the lower row of teeth, because we heard that Abel and Cain, the ox were in Leviathan's mouth, and remember I had a conflict as to who was the top row of teeth and who was the bottom row of teeth, and I think I was saying Satan was one and Leviathan was the other, but here we see that the ox which is Cain and Abel, the human aspect or the animal aspect of the creation, is in Leviathan's mouth, because Leviathan is underneath and Leviathan is above Cain and Abel.

I also show you here the three stages of fetal development of the fallen man, and the first stage is the energy centers one through four, and this is the average mortal man, the average mortal man is in stage one, and we only have the three energy centers, Satan, Leviathan, and Cain, and Cain and Abel the unconscious part of the mind, and the conscious part of our mind, the dual conscious part of our mind, good and evil, Cain and Abel. Some people that manifest some measure of witchcraft power, they live out of the fifth energy center which is Leviathan, the piercing Serpent, and Leviathan is married to Cain in these people, and these are the people who have a disease associated with pride called narcissism, I call it malignant pride, it is stage two.

See, everybody has pride in this fallen, there are many manifestations of pride, you have to have some healthy pride to live a healthy life, but when pride is manifested in your life to the point that it is doing you damage and not doing you good, you have a spiritual problem and you are most likely ascended into the fifth energy center and Leviathan is most likely married to your humanity, to the Cain side of your humanity, and now you are using pride to harm others and to harm yourself.

Then there are some people who are ascended into their sixth energy center which is the evil eye, and this is there are two stages of the third, well actually each of these stages has, I am not really sure, seven or ten stages within in, but we see the first stage of fetal development is the first four energy centers, and the third stage of fetal development of the fallen man has two energy centers, and if you are, depending on where you are, where your consciousness is in these energy centers, you are either just a high level witch, or you are an actual angel manifesting the life of Leviathan.

You know, I never thought on this level, I know that I think of men as manifesting Christ like Jesus did, but it never occurred to me to think of man manifesting the Devil, and who is the Devil? This is the Devil, okay, this is the Devil is a man who's mind is in full agreement with Leviathan, that is

who the Devil is. It never occurred to me to think of a human being as messenger of the Devil, or as a messenger of Leviathan in the same manner that we are messengers of Christ, the thought never occurred to me, and so I had a problem with one of Satan's spies, I do not believe to this day that the man was a Christian, who penetrated into the ministry and caused a lot of trouble here, and the Lord told me, the same way that you are manifestation of Christ, he is a manifestation of a high level of witchcraft. At the time the Lord said, I did not have this understanding at the time, I think the Lord said, he was Satan, or my understanding of what the Lord said was, but here I see that he was probably a manifestation of the snake, but of course words are not important, the man had witchcraft power. He came into the ministry and he worked witchcraft power right in the ministry.

He had a higher level of spiritual power than I did, our only hope was to get him out, which we did, we got him out, we got him out of the ministry and his own actions wound him up in jail eventually, we do not hear from him anymore. If you would just turn that off for a minute, and I want to see if I can hear from God about this belly, Cain, Abel thing, let me see. Okay, I got the answer from the Lord. The belly, it is, let me tell you this first, okay, the fourth energy center which I previously told you is the heart center, I previously told you with the heart center, and I really, when I would work drawings like this, diagrams up like this before I would see Leviathan, both in the fourth center and in the fifth center, and I really did not know what to make out of it, but now I understand that it is Cain in the heart center, but when Cain, that is just very interesting, I am just going to leave it with this for now, when Cain is married to Leviathan, Cain becomes a manifestation of Leviathan in the heart center, Leviathan junior, when Abel in us is married to Christ, then we have a manifestation of Christ in the heart center, and I when we were all into those heart centers, in those days, I told you at the time, that I had a revelation that there were two heart centers, although I thought it was the fourth center divided in half, remember I had that revelation that there were two heart centers? Okay, so now I see that the two heart centers are the third and the fourth center and Abel is in the third center and when Christ comes and marries Abel, we now have Christ in the third center, which is the, and I always told you this, I think when I taught that, I thought that Christ was the higher heart center, but the way it is working out now, is that Christ is in the lower heart, at least initially, He is in the lower heart center when he joins with Abel, becomes Christ and when Cain marries Leviathan, it becomes Leviathan in the upper heart center, and then Christ comes in and grafts Himself to Abel, and engages in a warfare with Satan and Leviathan below, and Cain and Leviathan above, Christ goes right into the middle of the warfare, did I make it clear? Do you need me to say it again? Okay.

It is initially Abel in the third center and Cain in the fourth center, and those are the two heart centers, and Abel is in the lower heart center because Abel is underneath Cain. When Christ comes in, Christ grafts to Abel in the third heart center, which I previously had told you was the belly, okay, and it looks like I was not correct about that, the Christ comes in and grafts to Abel in the lower heart center, and then it is no longer Abel in the lower heart center, but it is Christ, and Cain who is in the fourth or upper heart center, Cain is the belly, Cain is the lusts of the flesh and the appetites, Cain is ruling over Abel who is supposed to, is our potential for righteousness

in the flesh, Cain with the lusts of his flesh is completely ruling over Abel, okay, and then when Cain marries Leviathan, and the man ascends and Cain marries Leviathan, then Leviathan comes down and occupies, Leviathan comes down from the throat center and brings forth or births an aspect of himself in the fourth center, and in this case, the lusts of the flesh become very, very strong over Abel, and Abel cannot stand unless Christ comes in and fights for him. Did I make this clear? This is very exciting for me, this is a big change, but it really makes sense and it answers questions that I have had for a long time.

If you are overcome in any area, whether it is alcohol or drugs or any kind of addiction, and I tell you all the time, the most harmless form of addiction is food, if you cannot control yourself and you are overweight, it is still a compulsive disorder and an addiction, you need to confess that as sin, if you want to get help. What is happening to you is that Cain has linked up with Leviathan and is ruling over you and controlling any aspect, controlling the desire of yourself to do good, and Christ has to come in and join with Abel in that area and throw off the yoke of the oppressor and I do not know exactly what happens, maybe sometimes the Lord just breaks up that unholy marriage, so that it is just Cain in the fourth center, and not Leviathan junior. You know, one of the alternate translations that I had a long time ago came, you see, I do not know if you realize it or not, but a lot of the times when I was bringing forth those alternate translations, I saw translations arising that I really did not understand, and then I got the understanding as years went by, I got the understanding of it, but I knew the Lord told me that, that was the right translation.

Now one of these incidents is a translation where it says, "and Leviathan is already penetrating into the third or the way I had it then was the third energy center." I could not figure out really how Leviathan was getting down into the third energy center or what Leviathan was doing in the third energy center, I really did not have that understanding, but now I see that Leviathan is in the fifth energy center and I will have to go back and look at that Scripture, it could be true in either way, it could be that Leviathan is already penetrating into the fourth energy center, or it could mean that Leviathan is so completely manifested, so completely joined to Cain in the fourth energy center, that this Leviathan junior was already penetrating the third energy center and consuming Christ. You see I did not understand it, and consuming Christ, do you understand what I am saying? That is Leviathan's desires, to consume the Christ in us. The alternate translation says, Leviathan is already in the third energy center, and I did not know what it meant.

As far as I was concerned back then, it was the Fiery Serpent in the third energy center, it was Cain and Abel, so I was not quite sure what Leviathan was doing down there. This is very enlightening, very exciting to hear this, and it is a little different than the drawing that I gave you on part one. Also we see that, I will read the alternate translation of I Thessalonians 2, that I have so far, that a man who is ascended into the seventh energy center is that man of sin. When the Scripture promises that the man of sin is going to be revealed, this is what it is talking about, you know you could be ascended into the seventh energy center temporarily, you do not have to be permanently ascended into the seventh energy center, neither do you have to be, well let me say

it this way, the people, the church today that have the Holy Spirit only have a taste of the Holy Spirit, they do not have the full baptism with the Holy Spirit, but even Peter did not have the full baptism with the Holy Spirit all the time, the Holy Spirit is typified by water and it rises and falls, when the Lord wants to manifest His anointing through you, it can go all the way up to the seventh energy center which I have experienced, a couple of times, and it was always for a reason to heal somebody or something like that, and then it goes down again.

In the Scripture where Paul, I believe it was Paul that rose up to rebuke Simon the sorcerer, I may have the wrong one, either Peter or Paul, the Scripture, "And Peter, being filled with the Holy Ghost, you know, well what does that mean? If the Scripture had to say, Peter being filled with the Holy Ghost, that means that was not his natural state, but he is not filled with the Holy Ghost all the time. So the Holy Ghost rises and falls in you, and in the same manner, the anointing of Satan rises and falls in you, so someone that is having a full blown manifestation like we are experiencing in this ministry at this time, what has happened is that, this person has risen up into a full stature of Leviathan, hopefully it is not going to be permanent, but we know a preacher right now who had an encounter with this word, and rose up in to a full manifestation of Leviathan and has become an angel of blasphemy, and he is on tv cursing other ministries and the man is completely flipped out, and it has been for months already.

He has been like that for months already. We know two people within the last year that I am aware of that have risen up into the full stature of Leviathan, I was not really sure what had happened myself, and this is what happened to them.

Now hopefully it is going to temporary for both of them, at this moment, I have more hope for this preacher than I have had in a long time, and the reason I have hope is that the Scripture says that this happens, you know what the Scripture says? It says, Paul says to the Thessalonians, now that I told you about this, now that I have preached this doctrine of Christ to you, now the man of sin can be revealed for the purpose of destroying him with the brightness of Christ's coming. In order for that preacher to have had this experience, Christ must have grafted to him, and I do not know how long it is going to take, but I am going to believe, I am having hope as I preach here, that at some point, Christ in him is going to overthrow the man of sin that has stood up in him, because that is the Scripture, that you are told about these things, the man of sin stands up in you, and Christ has to destroy him because you have refused to believe the truth.

I am going to read the alternate translation that I have on that I Thessalonians 2, I have not finished it, but I have few verses here, and then we will break for dinner, and go back to the initial thrust of this message. Okay, I have verses 3 through 6 for you, "Do not let anyone", this is II Thessalonians 2:3-6, "Do not let anyone use any means to deceive you before this separation of Cain from Leviathan, if you look at the board before the separation of Cain from Leviathan, before the separation of your personality from the control of Leviathan.. I am going to start from the beginning. "Do not let anyone use any means to deceive you before the separation of Cain from Leviathan reveals the son of the first Adam within you who was ruined when he sinned. That first Adam within you has to be revealed to you, so do not let anyone deceive you before the

separation, do not be deceived before the separation. I am going to have to work on that translation, but basically what it is saying is, that before the separation of Leviathan from Cain, and the manifestation of the Christ mind, you are capable of being deceived, that is what it is saying, do not put yourself in a position of being deceived before the separation, do not be deceived, you should know that before you have this experience, you are vulnerable to deception. Do not let yourself be deceived before the son of the first Adam in you who was ruined when he sinned, the one who opposes Christ and exalts himself above everyone who is called by God, that means all the servants of God that are manifesting Christ, the one who opposes Christ and exalts himself above everyone who is called by God to show you your sins, rather than submit to the man of God, this is the man of sin who opposes Christ and exalts himself above all the men who are called by God to show you your sins, he will oppose you rather than submit to God, so that he, can marry Abel within you, or that he can marry Cain within you, I will have to work on that, or that he can marry, because the word sitteth can mean marry, so that he can marry Abel within you, the temple of the Spirit of God to prove that he is the god of that mortal man.

Do you not remember that I told you about these things the last time I was with you? Now that you know about the first Adam who is being restrained, he and his timeline can be revealed. Now that you know about the first Adam who has been restrained, because the Lord loves us and protects us, that man that old man and his whole timeline, that means the whole carnal mind can now be revealed.” Is that not exciting? I am just all excited about that. I am just all excited about that, and I pray for those two people right now that have experienced the first half of that series of Scriptures that the man of sin has been revealed in them, and both of them were instructed about the reality of that man of sin and then he was revealed in them, and I think I have the King James of what is going to happen to them. The King James says, that, that man of sin will be destroyed by the brightness of Christ’s coming.

Listen to this, let me give this to you again, listen, Paul said, I already told you about these things, that means you sat under the doctrine of Christ and had it preached to you, that means Christ is grafted to you, Christ is grafted to you, now that man of sin is going to stand up, see, it is okay for him to be revealed because Christ is already grafted to you, and now we just have to wait for that seed to come forth, that seed of Christ to come forth and destroy him.

Now if you work with the one who revealed it, it will happen faster, if you continue to yield to the one in you that is opposing the one that is trying to bring forth Christ in you, it will take longer, but that seed is grafted, the man of sin is revealed and the third part of this series of Scriptures must come to pass, Christ will rise in you and destroy that first Adam, amen, Hallelujah, for both of them, that is a prayer and a judgment for these two people, may it come to pass in their lives swiftly. Okay we are going to break for dinner.

COMMENT: You have mentioned in II Thessalonians 2:3, that the son of first Adam.

PASTOR VITALE: Yeah, as I told you, this translation is under construction, I am sure, there is not a doubt in my mind that if I look up that Greek word translated “son” it will be a word that means

offspring, and can be translated either son or daughter. Actually the first Adam only gave birth, this whole creation or this whole world is female, and so we will say the daughter of the first Adam and looking at the board again, the first Adam is existing today in the unmanifest sub-energy centers, as the snake who is married to Cain and Abel, who are the, Cain and Abel are the female aspect of Adam that broke down into two parts, and everything above the red line is the, not only the carnal mind but this whole creation, we are the offspring, actually we are the daughter of the female aspect of the first Adam, and the snake, that is what that is talking about.

What this is saying is not just, you see, it is not just our carnal mind that has to be overthrown, that is why it is impossible without Christ, how could we ever defeat this whole thing, including the unmanifested energy centers, how could what we are, the part of us, our potential for righteousness is Abel, the third energy center, and which is surrounded on both sides with sin, how could we stand a chance, we do not even stand a chance you see.

That is why it is impossible to be saved without Christ joining Himself to us and becoming so fully grown that He overthrows this whole man, you see, it is more than our carnal mind, it is the whole man, it is the first Adam, it is the whole man including the spiritual roots of the snake that is married to Cain and Abel. There is no way we could ever get out of here, we are trapped in hell forever, this is eternal torment, and it is more tormenting for some of us than others. Those people who lived in Iraq or before we liberated it, or who lived in other places where they were tortured in Russia or Hitler's Germany, or some of these regimes in Africa these days, where they are torturing the people and a lot of the regimes in South America torture their citizens, they are really in hell, we are all in hell, but there are different grades of hell, it the whole man, the man of sin, the whole man, the first Adam, this whole world is the first Adam, and Christ is penetrating into this world with the full intention of overthrowing the whole man.

Now brethren it has to happen, it is 2,000 years since he came with His Holy Spirit and it seems like it is taking forever, and it is taking so long that our weak carnal minds have not been able to cope with it so somebody devised this lie about salvation being fully completed after death, that is a lie, we are supposed to inherit the earth, the earth of our physical bodies and the visible world.

Again, it is that reconciliation ratio, Jesus is moving, He is moving at the speed of light, but in order for it to manifest itself in the visible world, it is taking this long, because we are so weak, we are the vessels that broke in the first place, if you want to go from a Kabbalistic point of view, we are the world of points that shattered in the first place, and now we are more vulnerable than ever, because we sinned, we are the product of sin. Sin is woven through our very being, we are even more breakable than we were when we first broke, so it is taking all of this time to manifest the Lord's salvation to us in this physical world without destroying us, that is how long it is taking, but a day has to come, I am convinced of it, a day has to come where there is going to be a quantum leap, it is going to be very similar to what happened with the Holy Spirit, it was just one here and one there, and the men were preaching the Holy Spirit in this recent age, not 2,000 years ago, what would happen 2,000 years ago was Satan and Leviathan rose up the threw the

whole world into the dark ages, but the Holy Spirit came, appeared again in this nation, I think it was in the last century, either it started in the late 1800s so I guess it was the early 1900s it started here on Azusa street, and it was just one or two people, the men who preached the Holy Spirit were severely insulted, people were throwing eggs and tomatoes at them, and at the same time people were flying in from all over the world to get the Holy Spirit. Now, messengers of God that the Holy Spirit lives in are all over the world in just about every nation of the world, so it is going to go in a similar way, people are throwing spiritual rotten eggs and tomatoes at me, you know, and the prophecy of this ministry is that people are going to come in from all over the world to get this message, well it is still contained in this small area, and we already have people coming in from Africa and England and other states of the union, they are going to be coming in from all over the world to get this message and they are going to be coming in from all over the world to have the man of sin forced to the surface in them, so that he could be overthrown, that is what was going on with Peter, and Ananias, all of the disciples were coming to Peter to have him in his apostolic strength expose the man of sin and overthrow him. It is going to happen here, it seems to be taking forever, the ministry is about 16 years old, but from God's timing, that is nothing, 16 years is nothing, and there is so much opposition coming out of this unmanifest energy centers, forget about the manifest energy centers, Satan is trying everything she could to shut us down, so it like a whole uphill move, but the day is going to come, and I really believe that what we are waiting for is for me and the people here to be strengthened to the point that we will not be destroyed when 600 carnal minds stand up at the same time and try to kill us.

I do not know about you, maybe you are ready but I am not ready, I know when somebody manifests like this, it still gives me a run for my money, so far I have not gotten sick this time, Satan tried, but I believe that I took the victory, so I am getting stronger, but this is just one person. You have to understand that when one person stands up in full stature of ungodliness like that, it is not just that one person, it is the whole collective body of Satan and Leviathan behind them trying to kill the Christ, why? Because we are revealing the sin that is going to expose the first Adam in the person will result in Christ rising up and killing him and then there will be another of son of God in power in the earth. I really think that what we are waiting for is a man that Christ is going to stand up in, in full stature who will not be hurt by this stuff, then he is going to go out and he is going to be, he is going to be forcing the manifestation of the man of sin in all of His faithful people so that Christ could rise up and kill him.

You cannot kill what you do not see, you cannot kill what you do not see! You cannot kill a little sin if you are not willing to see it operating in you and there is no way you can kill your whole man of sin if you are not willing to admit that he is there and to look at him, he must be destroyed, he absolutely must be destroyed. One more thing that I forgot to tell you, I put Satan in the first energy center and Leviathan in the second, and that is not completely accurate, that is the way it is supposed to be, and when we get to our notes, I will go back to identifying the energy centers with parts of the body. The reason I know that Satan has to be the first one is that Satan is associated with the anus, she is associated with the first energy center which is the anus, but the Satan the female rose up and overtook her own husband, and the reality of our existence is that

Satan manifests herself from the second energy center because she overtook her husband, just like Cain overtook Abel.

Cain should be in the third energy center and Abel should be in the fourth, but Cain killed Abel and put him under the ground. In the same manner, Satan did not kill Leviathan, but rose up and took his place, Satan is Jezebel. Do you understand what I just said? Okay. In this drawing, Satan is in the first energy center, and Leviathan is in the second, but the reality is, that Leviathan is in the first, and Satan is in the second, because Satan is in the balcony, she overtook her husband. Okay, everybody, okay we will pick this up after dinner.

Praise the Lord, we are back from dinner, and I went inside to get the Scripture for Abel, I wanted the Scripture that says, that talks about the second beast who is a false prophet, and it looks like the Lord is going to give us some revelation on chapter 13 of the book of Revelation. I am very excited to see what comes out of this, so let us start, well actually I should have my King James here to work from. Verse 1 of chapter 13 of the book of Revelation, King James translation, "And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns and upon his head the name of blasphemy." Okay, brethren, Satan, the symbol for Satan is the sea, "And I stood upon the sand of the sea..." The sand of the sea is the foundation of the sea, it is talking about the sea bed, okay, everybody alright? Well, I want to suggest to you, that looking back at drawing #1 again, of part two, that this unmanifest realm where the sub-energy centers are, that is the foundation for the beast, I want to suggest to you that everything above the red lines, the seven energy centers above the red line, is the beast, the natural man, the first Adam, Adam who fell became a beast, and the foundation of Adam, the first energy center is Satan, okay, so the whole blaspheming man arose out of Satan who is the sea and the sand of the sea, which is the ocean bed, the ocean bed is this unmanifest realm which is the snake and his wife, Cain and Abel, everybody okay? Okay, this is going to be exciting, I could tell already. "And I stood upon the sand of the sea..." What that means is John speaking that he was standing, he was standing in Christ, so now he could see his carnal mind and he stood upon his whole carnal mind, he stood upon his whole old man so that he was able to see the truth that is coming forth in this book. John stood upon his old man and he saw a beast rise up out of the sea.

He saw the reality of his condition, he saw the offspring of the first Adam, all the human beings on the face of the earth today, we are the offspring of the first Adam who was ruined, okay, so that is the beast, he saw how the son or the offspring or the daughter of the first Adam that was ruined, arose into the visible world, he is talking about the old man, the first Adam, okay. "...having seven heads and ten horns...", I asked the Lord about this so many years ago, brethren he has seven heads, the seven energy centers of the old man, and ten horns, okay, I could not find the other three Sefirot, here they are right down here, horns meaning powers, okay. He has seven heads, seven centers that are showing in the visible world, okay, and ten levels of power. If you start counting in the unmanifest realm, you have ten Sefirot, the snake, Cain, Abel, and then the seven that are above the ground.

“...and upon his horns, ten crowns.” Now brethren Kabbalah teaches that the Keter which is the crown and in this negative realm the snake is on the level of the Keter, according to Kabbalistic teaching, you will read, you will read, I am trying to repeat this for you, and they will talk about, and Chokmah came into existence and he crowned it. What that means is that the Keter combined himself with every other one of the Sefirot that came forth, He added himself to every other Sefirot, thus fortifying it and strengthening it. To say that there were ten horns and ten crowns on the horns, it means that every single one of these Sefirot or of these energy centers of the old fallen man, okay, was doubly fortified because the crown, the snake was joined to every one of them, he was fully manifest. John saw Leviathan in full stature, do you understand what I said about the crown? Do you understand what I said about the crown? John saw Leviathan in full stature. Hallelujah. “...and upon his head ten crowns, and upon his head the name of blasphemy.” “...and the highest head or upon all of the heads was the angel who was the daughter of blasphemy.” He saw Leviathan in full stature, Hallelujah. Glory to God.

Verse 2, chapter 13 of the book of Revelation, “And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion, and the dragon gave him power and his seat and great authority.” Now I am looking in the Interlinear Text, simultaneously, was looking at the King James, just in case there is a word left out or something that we have to know about.

Okay, verse 2, “And he beast which I saw was like unto a leopard...” Now brethren, this is so interesting, I looked up that Greek word “leopard”, and it means a female panther, and I remember several years ago, there was some kind of an attack on this ministry and I kept seeing his black panther in the spirit, do you remember me telling you that? Just staring at me, and then a couple of years after that, I heard a preacher who came from Israel, a preacher who has an interesting ministry, either he is German or Dutch, I am sorry to be so ignorant but he came from that part of the world, and the Lord relocated him in Israel, he has a ministry to the Jews in Israel, apparently they have a very intense ministry there because he told us when I heard him preach, about a particular incident where they really taking on the establishment and he said that a panther was seen in the spirit, so they have intercessors for that ministry, and they were seeing a panther in the spirit, and I said to the Lord, Who is the this panther?

You know what is this panther? Okay, so here we are about to get some clue, if not a full revelation of who this panther was. We are seeing this beast that came up out of the sea that had seven heads, he was like unto a female panther, and I guess that is the whole beast, he was like unto a female panther and his feet, it usually refers the carnal mind, or as the feet of a bear. Now I looked up this Greek word that is translated “bear”, and the definition that I got is a bear as obstructing by ferocity, and it comes from another Greek word Strong’s #714, which is a primary verb, this word “bear” is Strong’s #715, and it comes from #714, apparently a primary verb through the idea of raising up a barrier probably to ward off. Now does anybody remember from prior teaching who it is that wards off or raises up a barrier so that Christ cannot get to the person, who is the maidenhead, does anybody remember who the maidenhead is? Okay, it is

Cain, Cain layers over Abel like a maidenhead and raises up a barrier, because when Christ in someone like me or in a ministry like this, goes to strengthen Christ in another person, Cain stands right up and does not, and blocks the communication, so that Christ in the individual cannot be strengthened, because when Christ in the individual, I am sorry when Abel in the individual is strengthened, he is going to stand up and overthrow Cain.

Cain is the barrier, so we see that the bear is Cain. Now I want to remind you that Abel at this point in the average, in fallen man, and pretty much even in the church okay, unless Christ is grafted to you and you are fighting the battle against your carnal mind and your old man, then you are in the same condition as the world, except that you have the Holy Spirit added to you, and in every fallen man Abel is completely overtaken and in agreement with Cain, Leviathan, and Satan.

Remember the case of Patty Hearst, she was completely overtaken by her captors, Abel is completely overtaken by his captors, brethren humanity is a manifestation of Abel, the church is a manifestation of Abel. In our minds we are in full agreement with Cain who is in full agreement with Satan and Leviathan. Now, we are in full agreement with the good side of this world, now most of us are not murderers, and bank robbers, but in the hidden things, in the things that we do not understand and the way that we relate to people, we are in full agreement, let me say it this way, in every way that Christ disagrees with the thoughts of the carnal mind, we are in agreement with the carnal mind, largely, we are in agreement with the carnal mind.

Aside from obvious sins, such as fornication and adultery, although I am told that the church is rampant with fornication and adultery today, I am talking about the hidden sins of the heart, that you will never know you are sinning unless someone points it out to you, we are just like the world, and the proof that we are just like the world is that our lifestyle is just like the world, we are sick like the world, we die like the world, many people in the church are poor or are in poverty like the world, we have the same problems as the world. The divorce rate is the same as the world, that means the mind of the people in the church is like the world, it is just the truth, we are supposed to be ruling and reigning influencing the whole planet towards righteousness, and we are not, we are just like the world, and we are weak because of sin.

I am suggesting to you that I would know identify the bear as Cain because the bear is the one that stands up and opposes, so I am just going to suggest to you that is leopard, this female panther, this female cat, is Abel.

Now remember, that I refer we refer to Abel as a he, but the truth is that, well I have taught you here for years, that Adam died, and the two parts which are his remains, Cain and Abel, are female because they fell into mortality, but now we even have another reason to understand why Abel is female, because we now know that it is the female aspect of Adam that fell, so they are definitely both female, Cain and Abel are both female, but one has authority over the other and because of authority, you become male to the one underneath you. Abel, we call him male but he is really a female aspect of the creation. I want to suggest to you that Abel is the female

panther that is within this beast, the seven headed, the seven energy centers that arose up out of the invisible planes, and in the midst of that, we see that the two primary, that the primary characters there are Cain and Abel, because Leviathan and the snake and all that, they are nothing without Cain and Abel.

Cain and Abel are the essence or the substance of the creation. There would be no visible world, see if the snake and the angel of blasphemy and Leviathan and Satan existed but no Cain and Abel, there would be no visible creation. We can have a visible creation without the sixth and seventh energy centers, we can even have a visible creation without the fifth energy center, all we need is Satan, Leviathan, Abel, and Cain, but if you take Abel and Cain out of the picture, there is nothing, and that is why they are prominent.

In verse 2 of chapter 13, they are the leopard or the female panther and the bear, "...and his mouth as the mouth of a lion." He was like unto, "...and the beast which I saw was like unto the leopard and the mind of it was as the feet of a bear." The mind of it was a mind that opposes, that carnal mind opposes everything, depending on how severe your condition is. I know some people that oppose everything. To be honest with you, my father was like that, no matter what you said to him, his answer was no, before he ever even thought about it, his answer was no. Some people just will not go along with anything, they are just naturally opposite, that is Cain predominantly manifesting itself through you, if you are that kind of person, that you oppose every idea and every thought, that is Cain manifesting through you, and that is the feet of the bear. "...and the mouth was as the mouth of a lion." You see, this Scripture is dealing with them as one entity, okay they are saying there was a beast, and he looked like a female panther, and he was also like a bear, that is because there are two sides to the beast.

The Cain side of the beast was like a bear, an opposer, and the Abel side of the beast was like unto black, a female panther who spoke like a lion. Now who is the lion? Who is the lion in the Scripture? Who is the lion? Who?

COMMENT: Jesus.

PASTOR VITALE: Well, not quite, well Jesus is the lion of Judah, but there is a negative counterpart, who is the lion on the other side?

COMMENT: Satan is the lion.

PASTOR VITALE: Right, he is the one who comes after us like roaring lion, that is right. We see that the black, the female black panther and some day we will get an understanding of why the Scripture describes it, all the cats of lions and leopards and panthers, there has to be a reason why the Scripture calls Abel a black panther, and a panther is a black leopard, you know a leopard is gold colored with black spots, but whenever you get a leopard that is all black, then his name changes to a panther, okay, so there has to be a reason why Abel is a female panther, and I do not see the answer to that question in this study yet, but some day we will find out. Why will we find out? Because the Lord wants us to know everything, okay, but we have to dig it out, okay.

We see this beast rose up out of the sub-energy centers and the primary characters of Cain and Abel, and Abel is the one that has a mouth that is speaking Satan's words, this is the false prophet, that is the Scripture that I was looking for to put on the board, Abel completely overcome by Cain, Leviathan, and Satan is the false prophet, it is Abel in us that has the power to prophesy, that is the essence of God, that is the prophet in all of us, Abel is the prophet in all of us.

Either we are a false prophet or we are a true prophet or our prophetic abilities are dormant and we are not prophesying, but either Satan is joined to Abel and prophesying through him, or Christ is joined to Abel and prophesying through him. Abel is the prophet, either he is a true prophet or a false prophet, depending on who is shining through him. Let me see, he spoke with the mouth of a lion, and the dragon gave him his power, and who is the dragon? The dragon is Leviathan, so the power to prophesy is coming down here from Leviathan who is married to Cain, okay, who is hovering over who is dominating Abel, because Abel is very weak in the fallen man. Either Christ has to anoint him to prophesy or the spiritual power had to come from somewhere to prophesy.

We see that it is Leviathan, it is the pride of man that brings forth false prophecy, it is the pride of man that says, the Lord told me to do it, the Lord said that, and it is a lie that is coming from Leviathan, and it is being spoken through Abel within you who is being raped at that moment. Everybody following me? Okay. "... and the dragon gave him his power to preach or to prophesy, and also gave him his seat and his great authority." Okay, now this already is talking about the whole old man, okay, the dragon gave him his seat. The seat, that is the same word as throne, only it says seat because throne, the word throne is imputed to the Lord, so when we talk about the Serpent's side or the snake's side, we talk about the seat, but we are saying and the dragon gave him his seat, the power comes from the dragon to have a throne, in other words to be ruling over the this whole world.

He gave him his authority, his authority, and actually what I believe this is saying, the dragon gave him his power, actually I think at this point it is talking about Cain, Abel spoke with the mouth of a lion, he was the false prophet and the, you see, it is not clear, even in the Interlinear Text, but I am going to suggest to you that the dragon gave Cain, with Abel that was prophesying, but the dragon gave Cain his power and his seed, and who was Cain's seed? His seed is Abel, he is sitting on Abel, Cain is sitting on Abel, because the dragon gave Cain the power to overturn Abel. The dragon gave Cain the power to make Abel his seed, and he gave him the power and that gave him the authority, and then also gave him this great authority and the power to sit on Abel.

Verse 3, King James, "And I saw one of his heads as it were wounded to death and his deadly wound was healed and the all of the world wondered after the beast." I saw one of his heads which was wounded to death, which is the head that was wounded unto death? It was Abel, Abel was the head, because there were seven heads right? The manifested energy centers from one to seven, who was wounded unto death? Abel. I saw Abel wounded unto death, Cain killed him, you know, and his deadly wound was healed, well what happened? Abel was ruling over Cain because Abel was joined to Jehovah, Cain rose up and killed him, he died and then raised him from the dead in the image of Leviathan, or in the image of Satan, sometimes I am not sure which

one it is, that is how he died, and he rose from the dead on the other side, he was righteous, and he was righteous because he was joined to Jehovah, he died to his righteousness and he woke up a false prophet in the kingdom of Leviathan.

His deadly wound was healed, he was not dead anymore, although he is dead, he is spiritually dead, but the meaning here is that he now is functioning. "...and all the world wondered after the beast", they said, Oh what a wonderful thing, brethren the whole world wondered after the beast, they want the beast, they may not know that they want the beast, but they all want the benefits that this beast has to offer, they want the benefits of the fallen life, they want the experiences of the fallen life.

Verse 4, King James, "And they worshiped the dragon which gave power unto the beast, and they worshiped the beast saying, who is like unto the beast, who is able to make war with him?" They worshiped the dragon, who gave the power, who gave the spiritual blood, who gave existence and consciousness to the whole old man, gave power to the beast, gave existence to the beast, and they also worshiped the beast, the actual beast is Cain and Abel, that is the, well it is the whole beast, the beast has seven heads, but the focal point of the beast is Cain and Abel, as I told you before. They worshiped the dragon, which is a part of the beast and they also worshiped the beast, they worshiped Cain and Abel, as a part of the beast, saying, "Who is like unto the beast, who is able to make war with him?" I want to suggest to you that they are saying, Who is like this Cain that is fortified by Leviathan, Abel can never make war with him, there is no way that Abel in any man, no matter how good his intentions, has the power to rise up and throw off the yoke of Cain who was strengthened by Leviathan, that is what this is about. This is what the Kabbalists call the Sod of this Scripture.

See there is all different levels that you can understand the Scripture on, but this, this is the foundational message, at least of this age, it may be in another age there would be a different message, but this is what God is doing here, this is the foundational message, that man, we have to rise up, each individual one of us, has to have Christ grafted to us, and Christ has to rise up, we have to be convinced that we are the first Adam who died because, and who died in disgrace, because she was pregnant out of wedlock, and produced a perverted child which we are. And our only hope is to have our true husband impregnate us with the heir of promise, with the godly child which is Christ who will rise up and overthrow Cain who was strengthened by Leviathan and the whole, the power of the whole beast.

We have to be convinced of that truth about ourselves and then work with Christ to overthrow the shackles that we are in, that is what God is doing in this hour, it is still a new thing, it is just a very few people that He is working with, because this is a very hard thing, the whole church is married to Leviathan and loves it. Here is the foundational message, the Sod of chapter 13 of the book of Revelation, it is the message of the hour, brethren it is the spiritual Passover, the Lord is saying, Rise up and throw off the yoke of the oppressor, and nobody wants to come. You know that they did not want to follow Moses, you know that do you not? Do you know that, they did not want to follow Moses, did you know that? They did not want to leave Egypt, they were scared,

they did not want to go. Who is able to make war with this Cain, who is strengthened by Leviathan, how will Abel ever make war against him, it is impossible.

Verse 5, King James, "And there was given unto him a mouth speaking great things and blasphemies and power was given unto him to continue forty two months, and the beast was given a mouth speaking great things and blasphemies." Well he was speaking two things, he was speaking great things and he was speaking blasphemies, so we see that he was preaching from two different places, Leviathan is the one that speaks great things all lifted up in pride, making himself great and blasphemy comes from Leviathan ascended into the seventh energy center, that is when he is passing himself off as God.

It is one thing to be making yourself a great one when you are not, and it is a whole different ball game when you declare yourself to be speaking the word of God, and you are preaching the exact opposite of what the Lord preaches.

Again this is talking about the whole beast, now talking about Leviathan and the seventh energy center, and I am not really sure where the great things are coming from, maybe in the sixth energy center, maybe this verse is dealing with the third stage of fetal development, he speaks great things when he moves in witchcraft, and then when he gets even higher, he is actually blaspheming God.

Verse 6, "And he opened his mouth in blasphemy...", you know what I find so interesting, all of these references to blasphemy, and there we are right up there before I ever looked at these Scriptures, we have the seventh energy center called the angel of blasphemy, that is the name that the Lord gave me, the angel of blasphemy, this is the man right here in Revelation 13, this is the whole bestial man that is preaching against the word of God. "There was given unto him a mouth speaking great things and blasphemies, and was given unto him power to continue forty two months." The only thing I have to say about forty two months, and I really, this may not even be accurate, I do not know what to do with the word months, but I know that the Kabbalists, they pronounce the names of God and they acquire the power that they need to do whatever they are doing by pronouncing the names of God, and the forty two letter name is the second most powerful name of God, the seventy two name of God is the most powerful one. I suspect this has something to do with that, but I would say he continues for many months based on the power of the forty two letter name of the negative side. He endured because of witchcraft.

Verse 6, King James, and he opened his mouth in blasphemy against God to blaspheme the name of God, this is coming from the man that is in a full stature of Leviathan, I will start again, "And he opened his mouth and blasphemy against God to blaspheme his name or the name of God and his tabernacle, God's tabernacle, and them that dwell in heaven." Who is God's tabernacle? Our physical person is the temple of the Holy Spirit, the mind of Christ is the temple of the tabernacle of the Spirit of God. We see this man who is in a full stature of Leviathan, preaches blasphemy, preaches against God, and he blasphemes the name of God, and he also blasphemes the people who are manifesting the spirit and the nature of God and them that dwell in heaven.

Now heaven is Zeir Anpin, so those who are moving the realm of the son, Zeir Anpin is the son, those who dwell in sonship, those who are in relationship with the Father, so we see when a man is in full stature of Leviathan, he is completely opposing the word of God, the people of God, the name of God, and the very Son of God. Now we know from personal experience that the people who do this claim that they are God's servants, this is not talking about the ACLU out there that is trying to take the Ten Commandments out of public places, this is talking about Christians that say they are the one that is Christ, and they are blaspheming the people who truly serve God and God Himself. How do you blaspheme God? You blaspheme God by saying, God told me to do this, God told me to do this, that is how you blaspheme the name of God.

We should not curse, you know we should not use God's name as a curse word, but brethren that is not the true taking the name of the Lord thy God in vain, you take the name of the Lord your God in vain when you do things and you engage in behavior and you say, God told you to do it, and He never did or never would have told you to do such a thing, that is the true taking of the name of the Lord in vain, and it is blasphemy.

Okay, next verse, verse 7, "And it was given unto him to make war with the saints, and to overcome them, and power was given him over all kindreds and tongues and nations." Let me point out to you one more time that this is so common in the Scripture that the personal pronoun is there, so if you do not know any better, you think the Scripture is still talking about the beast, but it is not, who was it given to make war with the saints and to overcome them? "And power was given him over kindreds, tongues, and nations." Brethren, that is Christ. Because of this problem in the church, because of this problem in the world that Leviathan is running the show and mankind has become a beast, okay, God sent His son Jesus Christ, to make war against the saints, why? Because the saints of God are manifesting the beast. Those of us that are in the Christ company, we are literally at war with the church, we are at war with the saints, because everybody, unless they are fully educated in this message, will rise up and try to kill us when we try to tell them the truth. Why? Because they are fully owned by the beast, even though the Holy Spirit is in their life, they cannot deal with that contradiction, outside of the grace of God shining this truth in their life, they could never believe this.

The Father sent Christ, His son, to make war with the saints, and we find that in Daniel chapter 7, I preached that about Daniel chapter 7, and to overcome them. Brethren, we have to overcome the people that the Lord sends us to, and you cannot be doing this to every man on the street, it has to be someone that God is at war with, and then you become God's spokesperson, and God is at war with His own people, why? I told you earlier on this message, because the whole creation and the whole church is running away from God, the whole universe is running away from God. It says right here, that He is going to overcome them, why is He overcoming them? Because they are running away, they are running away and they will not obey Him, and they will not leave their common law husband.

The Lord is going to overcome us, He is going to make war against us, He is going to overcome us, and power will be given to Him, or was given to Him over all kindreds, tongues, and nations.

He is not just going to overcome His church, the Lord is going to apprehend the whole of mankind, which is His wife, we are His property, He has a right to apprehend us against His will because we belong to Him.

Verse 8, "And all that dwell upon the earth shall worship Him whose name are not written in the book of life of the lamb slain from the foundation of world." Let me see what that says here. Understand that these translations are all subjective, and they are translated as the translators understand it, "...and tongues, and nations, and shall worship all that dwell upon the earth whose not written names in the..." In verse 8, the Greek word that is translated "and", that word can easily be translated "because", so starting with verse 7, "And it was given unto him...", no, "And the Father gave Christ to him", to who? To Abel, And the Father gave Christ to Abel to make war with the saints and to overcome them and the power was given to Him over all the world to do this, not just the church. Verse 8, not "and" but "Because, all that dwell on the earth are worshiping the beast, everyone whose name is not written in the book of life of the lamb who was slain, so that the world could be founded.

See this present world came into existence only after Adam was slain, and that teaching that he was slain to be a sacrifice before sinned is just fantasy. Then we are told if any man can understand what I am talking about, let him understand. "He that leadeth into captivity, shall go into captivity." Who is the one that led us into captivity? Who led mankind into captivity? You want to try? Give that lady a microphone please.

COMMENT: Jehovah.

PASTOR VITALE: Jehovah led us into captivity? Well, I do not think, as a punishment if that is where you are coming from, but I do not think that is what this means here, Adam the first Adam is the one that led us into captivity. Adam led us into destruction, our ancestor, Adam led us into captivity. He that led all of humanity into captivity, he himself must now go into captivity, the last Adam is coming to bring the first Adam into captivity. "And he that killeth with the sword, must be killed."

Who is the one that killed? Cain is the one that killed Abel, and now Cain must be killed, and here is the patience and the faith of the saints, okay, that word "patience" means I have not looked it up in a while, it means endurance, and here is the endurance and the faith of the saints, what does that mean? While Cain the one who killed Abel is being killed, and while the last Adam is overthrowing the first Adam, we have to endure the discomfort and the kind of pain that I have been telling you off of the message that I am going through right now, because this is exactly what is happening here right now, and we are fighting for someone who is completely overtaken by their carnal mind right now, and I am feeling all of their pain, so we must endure, because that is the way that it is happening.

"So he that leadeth into captivity, shall go into captivity, he who kills with the sword, shall be killed, and here is the patience or the endurance, and here is the patience and the faith of the saints." I would say, "and here is how the saints will endure, by the faith of Christ." That is what

that is saying, and this is how it is going to be possible for the saints this, by the faith of Christ. Of course the word "Christ" is not there.

Here comes Abel, "And I beheld another beast coming up out of the earth..." Now who is under the earth? Who is coming up from under the earth? Abel is the one that is coming up from under the earth. I saw Abel coming up from under the earth. How is the only way that Abel could be coming up from under the earth, what has to be happening that he is coming up from under the earth where he was buried? What is happening, what is happening?

COMMENT: Cain is being covered over.

PASTOR VITALE: Well what you are saying is not wrong, but the way you expressed it is not really right, let her try it.

COMMENT: Abel is covering over Cain.

PASTOR VITALE: Right, but what you are both missing is that Christ has come and joined Himself to Abel and Abel's dead bones are rising from under the ground and they are shaken. Remember that account in the book of Ezekiel, and all those bones came together, and there was a big earthquake, and there was a big shaking? That is what is happening here, "And I beheld another beast, Abel coming up, being raised from the dead." That can only happen because Christ has been grafted to him. This beast that is coming up from out of the earth, Abel being raised from the dead, he had ten horns, I am sorry, let me get my place here, and he had two horns like a lamb, and he spake like a dragon. What does that mean? Oh, I am so excited, what does that mean? It means Abel is being raised from the dead, he had two horns like a lamb, he is looking like Christ, because Christ is grafted to him, but something is really wrong here because he is still talking like the dragon.

Christ is grafted to you, and you are still talking like the dragon, it is the saints of God, Christ is grafted to you, and when you open your mouth, you are still speak the dragons words. 12, "And he exercises all the power of the first beast before him, the first beast is Cain, and causes the earth and them which dwell in it to worship the first beast, whose deadly wound was healed." Hey Christ is grafted to you when open your mouth the dragon is still speaking through you, and because you are preaching words that are not true, you are causing the whole world, and the whole church to worship Leviathan instead of Christ because you cannot even tell the difference yourself. Jesus!

He has got Christ grafted to him and he is still exercising all the power of Cain who gets his power from Leviathan, and he causes the earth and them which dwell therein, all of the people that do not have Christ, that are carnal, you are deceiving all, you who have Christ grafted to you, you have a responsibility to tell the truth to the church and to the world, but you do not do it, the whole church out there, the whole church is white unto harvest, and they are all preaching Leviathan's message, and causing the world to worship the first beast which is Cain and Leviathan, or the first beast, Cain whose deadly wound was healed. Well I though it said it was

Abel who said the wound was healed, and he exercised all the power of the first beast before him, that is Cain, and causes the earth and all them which dwell therein to worship Cain or to worship the first Adam whose deadly wound was healed, I am not sure, I have to pray about that, exactly what it should be.

Verse 13, "And He doeth great wonders so that he maketh fire come down from heaven, on the earth in the sight of men." Let me take a look at that here in the Interlinear, "And he doeth wonders great so that fire, he maketh fire from heaven come down on the earth in the sight of men." Well, what that means brethren is that, he is doing okay, this is the reason why I wanted to go into the Interlinear Text, that word "men" is Strong's #444, which means man in full stature. Now let me see if we can figure out if the man in full stature is Christ, or the man in full stature in this verse is Leviathan. Let me take a look at this in the Interlinear again. "And he doeth wonders", this is Abel now, this is the resurrected Abel now, he has got the gifts of the spirit, and he is doing miracles, he even makes fire come down from heaven, maybe he is casting out demons, why would fire come down from heaven? He is casting out demons, and he doeth wonders, great so that fire he maketh come from heaven on the earth in the sight of the man in full stature.

I do not know what that means, in the sight of, well I do not know what that means, "and he maketh fire come down in the sight", at this moment I do not know whether that man in full stature is Leviathan, or Christ, my guess would be Leviathan, because there is no one in full stature in the earth today that I know of, so he is doing the gifts of the spirit, he is casting out demons, he is healing people, even though Leviathan who is in full stature is watching him, Leviathan sees this happening, he sees the people in the church, he sees Christ is grafted to them, and he sees them casting out demons, and healing and praising Jesus, and he is watching the fire come down, and Leviathan in full stature is watching this, why? Because they are in there together, Leviathan and the young Christ are in the people together, so Leviathan is watching this happening. Verse 14, "And deceiveth them that dwell on the earth", those are the people without Christ, "by means of those miracles which he had power to do in the sight of the beast, saying to them that dwell on the earth that they should make an image to the beast which has the wound by a sword and did live." "And deceiveth them that dwell in the earth", these are the carnal people, by the means of those miracles which he had power to do while Leviathan was watching saying to them that dwell on the earth they should make an image to the beast."

Well what this says to me is that it is talking about the people in the church brethren, that still have the nature of Leviathan, but have the Holy Spirit, they are doing miracles, they are casting out demons, they are doing healing, but by the message that they are preaching, they are causing the people to worship the beast, you have to understand when you preach about the rapture and encourage people to celebrate Christmas and Easter, you are worshiping the beast.

So right in the, they are doing, they are a double minded man, they are doing all of these miracles, but the message that they preach still in encouraging mankind to worship Leviathan. "...and that they should make an image to the beast which has wound by a sword and did live." The one that

was killed was Abel, and that they should make an image to the beast, and worship him. Abel is completely corrupt, even though Christ is grafted to him, he is still taking worship unto himself, that is talking about the natural man that has Abel within him, he is taking the glory for the miracles that are coming down, he is giving all of the glory to himself for the miracles, and he is the one that was wounded by the sword, he died to righteousness when Cain killed him and he rose from the dead in the image of Leviathan.

Verse 15, “And he had the power to give life unto the image of the beast that the image of the beast should both speak and cause that as many as would not worship the image of beast should be killed.” Let me take a look at my Interlinear Text here, I did not go much further than this, let me see, okay, “saying to them that dwell on the earth”, that is the carnal men, “that they should make an image to the beast”, that they should have the nature of Leviathan or that they should have, I am sorry, they should have the nature of the beast which had the deadly wound and lived, that they should have the nature of Abel who was killed and rose again in the image of Leviathan.

He is talking about the church that has Christ grafted to him, that is the two horns that makes them look like a lamb, okay, and who are the two horns? The Father and the Son, okay, they have the Father and the Son, they have Christ but they are still preaching the words of Leviathan in the sight of Leviathan, and they are causing all of the other people that come to hear them preach to be in the image of Abel, who died to righteousness and rose to the nature of Leviathan, so they have got all of the gifts, but they are reproducing the fallen nature. Praise the Lord.

Verse 15, “And he had power to give life unto the image of the beast, that the image of the beast should both speak and cause that as many as would not worship the image of the beast should be killed.” “And he had power to give life to the image of the beast”, let me see what word that life is here, “and he had power to give life, *neuma*, the Greek word *nuema*, that is the, the true life is *zoe*, so he had power to give breath to the image of the beast. He had power to give existence, Leviathan has the power to bring forth, to have women give birth to babies, he is bringing forth in the image of himself, and he had power to give breath to the image of the beast. What is that power that he had? To give breath to the image of the beast, the power that he had is the preaching to the people, he is giving, he has the power to give existence to the nature of Leviathan in the people.

Brethren, the one who preaches, you reproduce yourself when you preach, either you reproduce the nature of Leviathan or you reproduce the nature of Christ, so by the preaching of the church, they are giving breath, they are giving existence to Leviathan’s nature, and they have the power to do it, because they are using the power and authority of the ministry to do it, and they have power to give breath unto the image of the beast, that both should speak. Let me see, both should speak the image of the beast, and that both should speak, let me see this again, “And he had power to give life unto the image of the beast that the image of the beast should both speak, and cause that as many as would not worship the image should be killed, that both should speak the image of the beast, okay that is right, that the image of the beast, that the image of the beast in Abel now should both speak and also causes as many as would not worship the image of the

beast to be killed.” Who are those who will not worship the image of the beast? Who are those who are recognizing the Christians that are preaching Leviathan’s message and will not receive it and be engraved by that image? It is the people that Christ is manifesting through, the people in the church, the believers that Christ is living through, will not worship the image of the beast, they recognize what is happening and will not submit to it.

The preachers that are preaching by this Abel who was raised from the dead in the image of Leviathan, okay, that has power over people because preachers have power over people. He had the power to make the image speak, he had the power to preach by the image of Leviathan, and to cause all those who would not worship the beast, Christ in all of those who would not worship the beast to be killed. The fields are white to harvest and the preachers are killing Christ wherever they find Him.

That is the last of my Interlinear Text, let me see what else I have here, “and causeth all both small and great, rich and poor, free and bond, to receive a mark in their right hand or their forehead.” Brethren, this is talking about the fivefold ministry! This is the fivefold ministry! Abel the prophet of God, the priest of God preaching through the Christian fivefold ministry destroying and killing God’s people and giving them the mark of the beast. “And he causeth all both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their forehead.” That is in their behavior or in their minds, “...and that no man may buy or sell save he that has the mark or the name of the beast or the number of his name.” Buy or sell what? You cannot, I mean, well I am doing it, but it is only because of the grace of God that is with me, you cannot preach in this world, you cannot buy or sell, you cannot get any sanction from the church at all, you cannot anywhere with your ministry, if you are preaching the truth. Even the ministers that are preaching the truth on some level, do not want to hear this level of truth.

You cannot budge, you cannot do anything. Now of course there is always a remnant, everything that you read about in the Scripture that says you cannot do something, there is always a remnant. Leviathan is so powerful even in the church that you cannot do anything, Jesus said, “Come and buy gold of me.” This is talking about spiritual purchases, you cannot buy or sell, you cannot buy Christ and sell away Leviathan, you have no power to do it, and the reason the church has no power is because the fivefold ministry is preaching Leviathan’s message and killing Christ wherever He is appearing.

Verse 18, “Here is wisdom, let him that hath understanding, count the number of the beast, for it is the number of a man, and his number is six hundred, three score, and six.” The name of the man is Adam, the beast is Adam, fallen Adam is the beast, and his number is, I am not going to get into that numerology right now, but what it means is, that he stood up in full stature, 6, Zeir Anpin has 6 Sefirot, so this is the negative counterpart of Zeir Anpin, that is where the number 6 comes in, the first 6 Sefirot, and each level, in each level where he is 6, he is in full stature, and I cannot redo the whole teaching on Zeir Anpin and I believe he has 90 if I am not mistaken, well 90 is not a multiple of 6, but I know that Zeir Anpin has 6 Sefirot and that he has 6 subsefirot under each Sefirot, so that would come to 36. That is interesting. 42 is a multiple of 6. Well I do

not really know the answer to that right now, so I am just going to go past it.

Do you think that is the end of it, that was the end of it. The two beasts, brethren, it is the fivefold ministry, God's people are His enemies, the whole church is the enemy of God. Should that surprise us, was not the Jewish ministry against Jesus when He appeared? It is happening again. Praise the Lord, if the Jewish hierarchy was against Jesus, and He was crucified, but He rose from the dead, it is going to happen again, if it is happening again, that the establishment is against the truth, is against the true word, well whoever is preaching the true word, has to rise from the dead, has to be the same story, or a similar story, it has to be. We just have to hold on, and serve God as He helps us, and shows us to serve Him, and Christ is going to rise from the dead in a man again, it is going to happen again two thousand years later, and this time he is going to stay in the earth, Jesus went away, He said, I have to leave because it is expedient for you that I leave, Jesus ascended up to the level of Keter so that He could pour out of His spirit and impregnate all of humanity with His life, now there is no reason for the Christ who is going to stand up in full stature to leave, and He will just be the first of many in the flesh, that will overthrow his fallen soul. Praise the Lord, are there any questions or comments on this? Well I think that is all we are going to do tonight, so we will have a part three on this, where I will get back to the initial message here where we talked about how the soul of man is a black hole, and how all of this whole universe is a black hole, we will get to that at the next meeting, okay any questions or comments? Okay, praise the Lord.
