## TRANSCRIPT OF MESSAGE #584 - Part 1

# **MELCHIZEDEK - THE RIGHTEOUS WOMAN**

This message is a part of a series of messages, and it is following right after message # 583, which is called "The Secret of Sodom and Gomorrah". On part 5 of that message, we start talking about Melchezidek, and we dealt with some Scriptures in Genesis 14 concerning Melchezidek. This message # 584, Melchezidek The Righteous Woman, we will deal with all, Lord willing, we will deal with all of the New Testament Scriptures concerning Melchezidek. When we study Melchezidek in the Old Testament, we looked at, the Kabbalistic concept of Melchezidek, and we found out that the word "king" according to Kabbalah, is female, and the word "king" refers to the level or the grade of spiritual power that manifests in the earth of humanity. Again according to Kabbalah, the name of that grade is Malchut. Malchut is the lowest of the ten Sefirot and she is female. She is the vessel, all of mortal humanity is the vessel, we are all the vessels that are designed to contain the Spirit of God, and therefore we are Malchut.

The Scripture talks about the kings of the earth, okay, the mind or the man, you might say that rules through the personality whether that king be king Leviathan, or whether that king be king Christ, the spiritual man within the natural man that rules through the physical man, is the king of the physical man, the physical man is the earth, and the spiritual man that rules through him is the king of the earth, or the king of the earthen vessel. If Melchezidek is the king of righteousness and the king of Salem by virtue of the fact that she is a king, it makes her female. Now we humans, I know I have a problem with it, because the English language says that a king is male and that a queen is female, but I

have no explanation for you, well I do, the Lord just told me I do have an explanation, king is just a shortened term of kingdom.

Jesus said we shall inherit the kingdom, the kingdom is the earthen vessel, it is not just the earthen world out there, and I know the kingdom of God is peace and righteousness and joy in the Holy Ghost, but it takes place in the human vessel, okay, and I know that I did a translation on that King James translation which says, the kingdom of God is righteousness, peace, and joy in the Holy Ghost, but that is not the spiritual translation of the verse, I just do not remember what it is, I have not dealt with that in a long time, but the bottom line is this, the kingdom is female, wherever that kingdom is manifesting, whether it is manifesting as a nation, as a world, or as an individual person, kingdom is female because it is made of the earth, and the earth is designed to be a container for spiritual life.

This is something that we have got to deal with. In our English language, king is male, but from a spiritual point of view, king which is short for kingdom, okay, the kingdom is spiritual, but she is the spiritual female that dwells inside the earthen female. As I have been telling you for years, every physical male and every physical female, we are all spiritually female, human beings are spiritually female, and we are created to have a spiritual husband who will dwell inside of us permanently. The sexual act or the marital act of spiritual sexual intercourse is permanent. When we have a spiritual husband, he dwells in us permanently. Jesus said, I will never leave you and I will never forsake you, that is what he was talking about in His glorified state, He intends to marry us, what does marriage mean?

Brethren, you know the pronouncement of a service or the pronouncement of words over two people is not what makes you married, it is the consummation of the marriage that makes you married. If you have words spoken over you and papers signed, and you never physically consummate the marriage, you can get an annulment, because the marriage is the sexual act. Jesus has covenanted, He has contracted to marry us, but we are not married yet unless He is possessing us. He intends to fully possess us. We could not exist as an empty vessel, so if Jesus is not possessing us today, who is possessing us? Leviathan and Satan are possessing us. The female was stolen in the garden, when the Serpent seduced the woman the bride of the son of God was stolen, and Jesus is here to regain His bride, mortal humanity is His bride, and He wants to complete the sexual act with us, He wants to consummate the marriage with us, He is having a problem though, because we are already occupied.

Mortal humanity and the church are occupied by Leviathan which is the male sexual organ or the pseudo-male sexual organ of the Serpent. There is a war going on right now, the glorified Jesus Christ is at war and this warfare is demonstrated in the book of Revelation chapter 12, we see Michael fighting with his angels against the Dragon and his angels, they are fighting over us, they are fighting over who is going to possess mortal humanity.

The series of messages that have been coming forth which started with a "Wondrous Edifice", which is an account or an exhortation on the Kabbalistic point of view of creation, then we went into "The Secret of Sodom and Gomorrah", which revealed that Sodom and Gomorrah were not destroyed for homosexuality but they were destroyed for witchcraft, and the witchcraft in particular that they were destroyed for was the refusal to go on with God and receive the male seed, that is what was determined by the time we finished part 5 of "The Secret of Sodom and Gomorrah", the crime was the refusal to receive the male seed, the crime was the desire to possess the anointing of God, the water of God, the rain of God, the blessings of God, but still continue to abide in our carnal mind, because rebellion against God means that you have to be in your carnal mind, to refuse the male seed, you have to be in your carnal mind because Christ would never refuse the male seed.

We found out at the end of the last message that Melchezidek is the female anointing, Melchezidek is the Shekinah, okay, Melchezidek is the righteous woman. Each human being is Malchut, and we could be either righteous and serve God or we can join with Gevurah and be unrighteous. When the Holy Ghost overshadows us, and influences our life we become the righteous woman, but we still have a carnal mind because the husband of the woman is the mind, you see. Malchut is the personality, we become a righteous personality, but we are still ruled by that mind of Leviathan, that carnal mind, and therefore judgment must come forth to remove that usurper, that husband that has no right to be our husband. I hope that I, did I explain that? Okay.

Melchezidek is the female, Melchezidek is the righteous female. This is going to be shocking to the church, Melchezidek is the righteous female anointing, that must bow her knee to the righteous male anointing. When the man comes to the woman, or when the bride comes to the bridegroom, he comes with his word and he comes with wisdom, the problem in the church today is that the church thinks that it is male. I think that there is a little confusion there because I think the church will tell you, no we know we are the bride of Christ, and they are waiting for Jesus to come, but they have some fantasy as to how Jesus is going to come in the clouds and in the physical form of Jesus of Nazareth. They do not understand that the male, the bridegroom is coming in other human

beings who are possessed to a large enough degree by the glorified Jesus Christ to be called male, that they have the mind of Christ to a great enough degree to be called spiritual male, in relationship to the rest of the church. The church does not understand this, they are cleaving to the Holy Ghost anointing, which is Melchezidek. If you have the fruit of the spirit, you have Melchezidek in you, Melchezidek is not a physical man, Melchezidek is a spiritual woman, she is the righteous woman of Proverbs, she is the resurrected Shekinah. The church does not understand who the bridegroom is, and this is why the Scripture says that the bridegroom is coming unexpected, to watch for him always because you never know when he is coming, and that he is coming like a thief.

For years I wondered why the Lord would be coming like a thief, well now I understand, He is not sneaking up on us, but because our eyes are closed, we cannot see Him coming, He is not doing anything that is sneaking, but we or the church whose eyes are closed cannot see Him, so at the moment that they experience Him, He will have come like a thief, they will say, Where did you come from? I had no clue that you were coming, and of course it does not say that, it does not spell it out in the Scripture, but the church will recognize the bridegroom, most likely by his direction, by his judgment, He is coming with judgment because the church cannot see Him, or will not see Him, or will not believe the truth of the bridegroom company who are preaching His message, and what is His message? The message of the bridegroom is this, you physical human beings who are of the church of the living God, those of you who acknowledge Jesus Christ and claim that you love Him, you and the rest of humanity, you are possessed by a criminal mind, you are possessed by a criminal spirit who has fed you and is feeding you doctrine and understanding which is contrary to the truth of your true husband, therefore you must choose who you will believe, your true husband or your present husband who has stolen you.

You are the victim of a kidnaping, that is the truth. Everything that you believe Jesus said, you have to become like a little child. A large part, almost everything except for the gospel of the cross, that you believe, you are going to find out it is not true because you have been taught this by the Serpent who seduced Eve in the garden, that is the truth that the bridegroom is coming with. For everyone that cannot discern His Spirit and cannot believe His word, to those people He is coming with judgment because it is their only hope of consummating the marriage which will impart immortality to them. His judgment, the judgment of the man is the only hope of the woman consummating the spiritual marriage which will impart the true and permanent immortality to her, wherefore He is

coming with judgment to show us who we really are, He is coming to show us that we are the woman, if we have the fruit of the spirit, we are Melchezidek, which is female, and if we do not have that anointing to that degree, well we are still possessed by the Serpent's male organ, it is a pseudo-male organ that the Serpent has raised up, and the church as well as the rest of humanity are possessed, permanently possessed, that male organ dwells in us and abides in us.

If that male organ called Leviathan, were to be removed from us, we would die, for that reason, because we cannot exist by ourselves, we are just skins, wherefore the glorified Jesus Christ has devised a plan for us to be possessed by two men at the same time. We must be possessed by Christ Jesus as well as Leviathan, and then the two men fight it out, and one spiritual male organ must depart from us. Praise the Lord.

It is very interesting because the Lord interrupted our study in the Gate of Reincarnations to give us this present series of messages, and we had just gotten to the part or I was reading somewhere, maybe I read ahead, I do not know, where according to this doctrine which is brought forth by Isaac Luria, the first man that a woman has sex with which is supposed to be her husband, deposits a spirit inside of her, and that spirit never leaves, obviously the physical male organ of the husband leaves, but that spirit never leaves the woman, and if she should be widowed, if that man should die, and she should marry again, that spirit is still in the woman and will wage a warfare against the spirit of the new man and try to bring forth a divorce in that marriage. I just find that so interesting because that is really a type of what is going on spiritually. I do not know whether that is true or not, I have it before the Lord, but I see it happening spiritually, that the Serpent had spiritual sex with the woman before her true husband did, and that spirit is occupying the woman to this day because all of mortal humanity is the woman, and is waging a powerful warfare against the true husband who is coming to possess his wife who is the glorified Jesus Christ. Is that not interesting?

Our message for tonight is the first Scripture in the New Testament, well actually it is not, the first Scripture in the New Testament that talks about Melchezidek is I do not think it is a quote, it is a paraphrase of a verse in Psalms 110, which says, I have sworn and I shall not repent, you shall be a king forever after the order of Melchezidek. Hebrews 5:6, "And he saith in another place, You shall be a priest forever after the order of Melchezidek." That is the first New Testament Scripture that talks about Melchezidek but it refers us back to Psalms 110. Our message tonight is a translation of Psalms 110, which is very exciting to me and Psalms 110 is a message to God's people who are

manifesting the Melchizedek anointing, that is pretty much the Pentecostal church, and He is saying to them, You are not the man, you are the woman, you are the righteous woman of Proverbs, but you are not the man, you are not who you think you are.

Even though the church knows that they are the bride and they are waiting for Jesus, they act like they are the man to the rest of the world, because they authority, and as I said, when Jesus comes in other men, they will not yield to them, and the message is one of hope, it is a promise, Psalms 110 is a promise that in the day that Jehovah comes to consummate His marriage to the church, the church will be willing to accept Him.

If you ask any Christian now, they would say, Of course we are willing to accept Him now, but I am telling you again, this is the second time I am putting this on this message, they are willing to accept their concept of His coming, but the concept of the coming in the church is a lie, Christ is coming in His people, He is coming in a company of human beings that are just as mortal and just as human as the human beings that are manifesting the Shekinah or the Melchizedek anointing, and the members of the church that are manifesting that Melchizedek anointing, do not want to submit to the other mortal men that are manifesting the male anointing. We saw this expressed in part 5 of the previous message "The Secret of Sodom and Gomorrah", Lot refused to submit to Abraham, Abraham had the male anointing and Lot had the female anointing, the Melchizedek anointing, and Lot refused to submit to Abraham, Lot recognized the male anointing on him, he recognized the greatness of God on him, but would not submit to him, and that is the exact condition of the church today.

We see a great promise of the Lord in Psalms 110, that we will be able to submit to the Lord in the hour of the passion of the Lord. The word in the King James I believe is wrath. We talked about this when we translated the book of Revelation, the Hebrew word means "wrath", that is translated "wrath", also means "passion". The Lord has told me years ago, that the wrath of God is really the passion of God. The Lord is passionate as a man is passionate for his wife, he desires us as a man desires his wife, and he is fighting a suitor who has kidnaped his bride. The glorified Jesus Christ is wrathful against the Serpent who is manifesting as Satan and Leviathan to us, it is true He is wrathful against Satan and Leviathan, but He is passionate, filled with desire for us.

The problem is, the church is confused and cannot recognize her true husband. The church more often than not and the members thereof, believe that Leviathan is their husband, now you see, the same believer that can recognize

the voice of the Holy Spirit, cannot distinguish between the voice of the Serpent and Christ, and Christ Jesus that is coming from the male plane. Let me say this again, it is very important, if you can recognize the voice of the Holy Spirit, do not assume that because you can recognize the voice of the Holy Spirit, that you can recognize the voice of the male, the Holy Spirit is the female.

Many Christians who can recognize the voice of the Holy Spirit, cannot distinguish between the voice of Christ and the voice of Leviathan within them, to come to a place where you are challenged to discern between the voice of Christ and the voice of Leviathan is a deeper spiritual level. When you are on the level where you hear from the Holy Spirit, you are on a level where you cannot hear the vibrations of the voice of Christ and the voice of Leviathan, you cannot hear it, you are not deep enough into the spirit. As you develop the fruit of the spirit, and as you go deeper and deeper, you enter into the level of the grade of spirituality where you can hear the voice of the Serpent and of Christ, and that same believer who could not be fooled when it comes to the Holy Spirit, is immediately fooled when it comes to distinguishing Christ and Leviathan.

This message is not preached in the church, the people are totally unprepared, our job is to do the best we can to educate them, as the Scripture says, If they repent, and they submit to the Lord, praise the Lord, but if they do not, our hands are clean. If we do not teach, their blood would be on our hands. Praise the Lord.

I am going to start by reading you the amplified alternate translation of Psalms 110, and then we will do the work up. I have broken it down into three sections, that is Psalms 110 broken down into three sections, Jehovah's promise, Melchizedek is not the man, and the female will participate in the liberation of the first Adam. There is a great place of glory for the woman, but only when she is under the man. This is what Paul was talking about when he said, A woman should have her head covered at all times because of the angels, when you are spiritually female, you cannot distinguish between Christ and Leviathan's angels, you cannot do it when you are spiritually female.

Jehovah's promise, "Jehovah said to Adonay, marry my right hand and I will send forth the strong mind that comes from the high place of my Spirit, and by that mind I will force Leviathan your adversary as far down as necessary for the kings of the earth to stand guard over her, so that the kings of the earth can rule over the adversary in the midst of themselves. And in the day that the light rain of the Holy Spirit breaks forth from the spiritual womb of the kings of the earth, the people that belong to me shall submit to Michael, Michael's magnificent male strength." Michael, who we see in Revelation chapter 12, is the spiritual

man that was inside of Jesus. Praise the Lord. Melchezidek is not the man, Jehovah has completed Malchut and will not change His mind, Elohim joined to Malchut is Melchezidek, king of righteousness, a priest of Binah, the female eternal world from above.

New category, the female will participate in the liberation of the first Adam. "But in the day that Jehovah acts upon His passion for the first Adam, His wife", which we are, I think this is a mistake here, "Adonay" I have written in here Malchut joined to Elohim, but I think that is wrong. Adonay, that is the name of God associated with Malchut, "But in the day that Jehovah acts upon His passion for the first Adam, His wife, Adonay will join with Michael, the last Adam who is Jehovah's male right hand, to break Cain within the kings of the earth apart from Leviathan.

And Michael the last Adam, shall judge the kings of the earthen nation, he shall wound the heads of Leviathan and fill the dead bodies of the many members of mortal humanity with his glorious life. And the son of the last Adam", that is the Christ in us, shall drink the energy of God because of the righteous lifestyle of the last Adam, the head of the first Adam and the spirit of the last Adam." Let me read that again, "And the son of the last Adam shall drink the energy of God because of the righteous lifestyle of the last Adam, and the head of the first Adam and the spirit of the last Adam shall rise up within..." Verse 7, "And the son of the last Adam shall drink the energy of God because of the righteous lifestyle of the last Adam, the head of the first Adam, and the spirit of the last Adam shall rise up within the many members of mortal humanity, which is the first Adam, and set them upright from above."

That is the promise of God, and you hear this Satan and Leviathan, It has to happen, it has to come to pass, and it is going to happen in our generation. Glory to God, Hallelujah. Let us start our translation. Psalms 110:1, King James, A Psalm of David. "The Lord said unto my Lord, sit thou at my right hand until I make thine enemies thy footstool." I have heard this question in the church a lot, how could my Lord say to my Lord, but when you study Kabbalah the answer is very simple, when you look at the Hebrew, the first Lord is Jehovah and the second Lord is Adonay, and Adonay is the name of God associated with Malchut. Jehovah has a lower and a higher signification, the Jehovah which when you look at the Serpent is above, well I guess I have to do it on the board for you, let us do that.

Drawing #1, shows clearly that the name Jehovah which is the first word translated "Lord", is the name of God associated with the Serifah called Tefirot, and the name Adonay, that is the second Hebrew word translated "Lord", is the

name of God associated with Malchut, so you can clearly see from drawing #1, that Tefirot, the first Lord, is superior of a higher grade to the second word translated Lord, which is Malchut. Praise the Lord, okay, so Jehovah the Lord, said to Adonay, Lord, or the lesser Lord. The word "sit" can be translated "marry", that is a euphemism, we have been translating the word "sit" "marry" for a long time, it is a Hebraism, my right hand, now the right hand of God is really talking about the right column, I guess I should put that up there also. Before you take the picture, I will have to show the right column over there. The right column is the right hand of God. Actually the right hand of God probably one Sefirah on the right. I believe that Hod and Netzach are the thighs, so probably the right hand of God is Chesed, most likely I am not a hundred percent sure, but my guess is that it would be Chesed.

Jehovah is saying to Adonay, Tefirot is saying to Malchut, marry Chesed, marry kindness, "marry my right hand of power", and "as far as", is a translated of "until", "I stand guard over", that is a translation of "make", "Satan", okay now this is where I got Satan from, there is an untranslated word in this verse, Strong's #7272, which means pudenda, the female sex organ. Normally I would say that the female sex organ is Leviathan, but for some reason I changed it to Satan, the reason I changed it to Satan is that the rest of the verse goes, I will give you the power to stand guard over your enemy and to stamp upon him. The reason I changed Leviathan to Satan is that I have as a witness the Scripture that says, "And ye shall, that is Malachi 4:3, which is just below, "And ye shall tread down the wicked for they shall be ashes under the soles of your feet, in the day that I shall do this, saith the Lord of hosts." I changed, normally my choice, you see, we have a, well the word means the female sexual organ, normally I would have made that Leviathan but I see that it has to be Satan, and this is one of those situations where I am amplifying and that is what I chose, I chose Satan rather than Leviathan.

The alternate translation for verse 1 of Psalms 110, "Jehovah said to Adonay, marry my right hand, and I will force Satan your adversary as far down as necessary for you to stand guard over her. And Satan", I guess it really should be Satan, I do not know why I thought it would be Leviathan, it should be Satan all the way. Satan is the one that is going into tribulation, in the New Testament the Greek word "tribulation" means to drive down under. Satan is the one that is being driven down under the authority of Christ.

Verse 1 says, "Jehovah said to Adonay, marry my right hand or join with my right hand, or join with the right side of the grouping of the Sefirot, marry the right hand of my power so that you will have the strength through me to force Satan your adversary as far down as necessary for you to stand guard over

her." I have a New Testament witness to the fact that we have an adversary, I Peter 5:8 says, "Be sober, be vigilant because your adversary the devil as a roaring lion walketh about seeking whom he may devour." The church knows pretty much that Satan, well the devil is the personality is the in agreement with Satan and Leviathan. That is our old man, the devil is our old man.

We are going on with verse 2, the King James of verse 2 is, "The Lord shall send the rod of thy strength out of Zion, rule thou in the midst of thine enemies." The rod, the tongue is a rod, we can be chastened by the tongue, okay, the rod can be the tongue or the rod can be the mind which speaks through the tongue. "The Lord shall send the mind of His strength", that is the Christ mind, "out of the high place", and the high place is a translated of "Zion", which is a mountain in Jerusalem, rule thou in the midst of thine enemies. The message is that we are filled with enemies, our very person is filled with enemies, our mind is filled with enemy thoughts. Alternate translation verse 2, Jehovah will send forth the strong mind that comes from the high place of His Spirit, so that you can rule over the adversary in the midst of you."

That is your old man, that is Satan and Leviathan in the midst of your impulsive thoughts, wrong thoughts, sinful thoughts into your mind, into the unconscious part of your mind. She is inside of us, even though she is a female, she has a pseudo-male organ and she dwells permanently inside of us. The Lord will cut her away from us only after the Lord Jesus in the form of Christ His son, is fully entrenched in us, because if he cuts us away from her before that, we will die. Christ must be firmly entrenched in us to sustain our life when we are cut off from Leviathan.

Verse 3, King James, "Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning, thou hast the dew of thy youth." The word "power", can be translated "splendor", which is talking about the spirit, we will translate it "spirit", the Hebrew word translated "beauties" can be translated "magnificent", and the Hebrew word translated "morning" is translated as a noun but it really is a verb which means "to break forth", and the "dew" means "light rain", and the word "youth" talks about a "lad".

According to Kabbalah whenever the Scripture talks about a lad, it is talking about Metatron, which is really Michael. The Kabbalistic name is Metatron, it has been confirmed to me by a Rabbi that teaches Kabbalah that Metatron is Michael, and even if it was not confirmed to me by that Rabbi, I know that all of the, I had actually called a Rabbi up and said, You know, all of the characteristics of this Metatron, I have been imputing these characteristics to

Michael for years, and he confirmed to me that yes Metatron is Michael. Praise the Lord.

...some witnesses to the fact that Michael is the prince of Israel both natural and spiritual Israel. Daniel 12:1, "And at that time shall Michael stand up, the great prince which standeth for the children of thy people, and their shall be a time of trouble such as never was since there was a nation even to that same time. And at that time, thy people shall be delivered, everyone that shall be found written in the book." That is Old Testament, New Testament Jude 9, "Yet Michael, the archangel, when contending with the devil, he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee." And that is Michael, that is the Christ mind within Moses struggling, with Moses' old man over who would rule through Moses.

Revelation 12:7, "And there was war in heaven, Michael and his angels fought against the Dragon, and the Dragon fought against his angels." When I was a young student, I could not understand what Michael was doing in the New Testament in the book of Revelation, Michael is the name of, it is a mystery, it is the name of the Christ that was within the man Jesus, and also Michael is the name of the Christ which is in each and every one of us, his name is Michael, in the New Testament he is called Christ, but it is the same entity, the same entity in a different form. Praise the Lord.

Alternate translation verse 3, "The people that belong to me will submit to the magnificent male strength of Michael, the last Adam..." We know that Jesus is the last Adam, but we are going to be putting this in the Old Testament, and you cannot put Jesus in the Old Testament because Jesus was just born 2,000 years ago, it was the Christ within Him that made the mortal man Jesus great.

For our translation we are saying Michael, it was Michael in Jesus, but for our translation, we are going to say Michael. "The people that belong to me will submit to the magnificent male strength of Michael, the last Adam in the day that the light rain of the Holy Spirit breaks forth from their spiritual womb." This is talking about you and me, the Holy Spirit, when the Holy Spirit is seen in us, the Holy Spirit is breaking forth from the spiritual womb which we are, each one of, each human being is a spiritual womb, if the holy seed has been planted in you, there are two seeds, there is a female seed and a male seed, in the day that the female seed is planted in you, and breaks forth from you, okay, the people who belong to me will submit to the magnificent male strength of Michael."

That is interesting, the people who belong to me, that means the people that are not recognizing the male anointing do not belong to the Lord, that is a hard word! That is a very hard word, but what the Lord is saying is that, if you truly have my Spirit, you will recognize the male anointing. Then he says, "In the day that the light rain of the Holy Spirit breaks forth from your spiritual womb, you will, the people who truly belong to me, will submit to Michael, the male anointing." That does not necessarily mean that they are going to submit of their own free will, it means, it looks to me like the Lord is going to influence their will to submit, because we have a you know, there are people in the earth that believe this message, but we are a very relatively small group compared to the size of the church, out of all of the Jewish people, this message is for the Jewish people too, the Jewish people need to recognize Christ and the Christians need to recognize the male anointing. Praise the Lord.

Actually this is very encouraging, the Lord says, We will submit in that day that the Holy Spirit breaks forth from us. That means from the minute you get the Holy Spirit which is the female seed, the Lord is working in your life to bring you to submission to the male. Now it is not happening to everybody at this time, it is not happening, but that day is coming, he said, in that day, okay, in that spiritual day, and that spiritual day has just begun. Praise the Lord.

Eventually, everyone that has the female seed will submit to the male seed, that is what the Lord is saying, in that day. James 5:7, "Being patient therefore brethren unto the coming of the Lord, Behold the husbandmen waiteth for the precious fruit of the earth and hath long patience for it until he receives the early and the latter rain." We see that there are two grades of spiritual outpouring, called the early and the latter rain, the Holy Spirit is the early rain, it is the male anointing that is the latter rain, that is what we receive in these services, when the anointing is so heavy that we are all passing out from it, that is the latter rain, it is the rain of male. The rain of the female energizes and leads to singing and dancing.

The male anointing goes deep into your spirit and heals you in a much deeper way than the Holy Spirit can. The male is more powerful than the female. Verse 4, King James. "The Lord hath sworn and will not repent, thou art a priest forever after the order of Melchizedek. This is such an interesting verse, I always wondered about it, the Lord has sworn and will not repent that you are a priest after the order of Melchizedek." Why is the Lord talking about not repenting? I want to suggest to you brethren, that this verse is talking to the female church and he is saying, Look, this is the way it is, Look my beloved, this is the way it is, you are not a man, you are the female, and there is a place for you when you submit to the male, you will be a part of the warfare that liberates humanity

but you are not the man, I have completed you, the Hebrew word translated "sworn", means to complete, I have completed you, I have done all I am intending to do, you are female and I am not giving you the additional energy that would make you a male, I will not repent, I will not change my mind, this is the way it is, you must accept the fact that you are not the man, you are the woman. That is what that verse is saying. Praise the Lord.

Let us look at it a little more closely. The word "sworn" means "to complete", and it is talking about completely Malchut, the word "to repent" means the Lord, He will not change His mind, and I have a little interesting study here for you. If you read the Zohar, I printed it out for you, for those who have notes, but I am not going to read it onto the message, because the last time I tried to do this, I realized how complicated it was, and most people would not understand what I was talking about. I have reproduced that section of the Zohar for whoever wants to try to read it, but basically what it is saying, the word "thou", which means "you", that word "thou" really means the married Malchut, the Malchut that is joined to the one above her.

It is Malchut that is joined to the one above, now the one above according to this teaching is Elohim. Elohim represents the force which sustains all below, and we talked about this on other messages and we talked about in on part 5 of The Secret of Sodom and Gomorrah, that Melchezidek is the Sefirah Binah joined to the Sefirah Malchut, Melchezidek is Binah joined to Malchut, Binah is a female Sefirah, she is married to Chokhmah who is the male above her, but Binah comes down and joins to Malchut, Malchut is the king of righteousness and Binah is the king of Salem, the two of them together are called Elohim, or Melchezidek or the Melchezidek anointing. Our alternate translation for verse 4 is, Jehovah has completed Malchut and will not change His mind, He has gone as far as He is going to go with Malchut, He is not adding that penis on to her, she is female, and He is not giving her any more than she has in her own right. Jehovah will not change His mind. Elohim joined to Malchut is Melchezidek, king of righteousness, a priest of Binah the female eternal world from above, and Binah indeed is the world to come. Malchut is the land of the living which is joined to Binah, Binah is the world to come. Praise the Lord.

Verse 5, King James, "The Lord of thy right hand shall strike through kings in the day of His wrath." The Lord in this verse is Adonay, and the right hand we have already determined is the right hand of God, and the word "strike through", we are translating "break apart", and again here I told you about the passion of the Lord. The wrath of the Lord is indeed wrathful towards the Serpent and Satan and Leviathan, but towards us, the personality, His action signifies His passion, He is wrathful towards the person, the man, the spiritual being who is

possessing us as a man, but for us it has passion, His wrath is not directed towards us. The problem that we have, is that frequently we are in such agreement with our kidnaper, that the judgment that falls on the Serpent, Satan, and Leviathan who are possessing us, fall upon us also, because we cannot separate from them in our mind, so we literally become them, and therefore the judgment falls upon us also.

This is the whole principle behind the white throne judgment, when we recognize that we are not Satan and Leviathan, that we are not our carnal mind, and we cleave to the thoughts and the true teaching of the mind of Christ, we then come under His protection and we are no longer affected by the judgment that is coming against Satan and Leviathan within us, that is the whole principle of the white throne judgment, we must separate from the thoughts and the attitudes and the beliefs of our carnal mind or we will be present when the judgment falls on our carnal mind. Praise the Lord.

Alternate translation verse 5, "In the day that Jehovah acts upon His passion for the first Adam His wife, Adonay", and that is Malchut, no that is a mistake there, Malchut joined to Elohim, we took it out before, that should not be there, "In the day that Jehovah acts upon His passion for the first Adam His wife, Adonay will join with Jehovah's right hand to break Cain within the kings of the earth, apart from Leviathan." It is Cain within us, the mortal foundation within humanity is the Fiery Serpent which is really Cain and Abel, the Cain side of that entity, the Fiery Serpent which is our mortal foundation is joined in a spiritual sexual act to Leviathan and we have to be separated from Leviathan so that we can be joined to our true husband, Christ Jesus joins to Abel in us, but Cain killed Abel and Abel is under the ground, that is how Cain can be joined to Leviathan, so we see that Abel has to be resurrected, Cain has to be broken away from Leviathan, Abel has to be fully established in his relationship with Christ Jesus, and then the completion of our salvation, our complete salvation is to be completely cut off from Satan and Leviathan, and live only for the kingdom of God, that is our deliverance from hell and death. In the day that Jehovah acts upon His passion for the first Adam His wife, Adonay will join with Jehovah's right hand, to break Cain within the kings of the earth apart from Leviathan. Adonay will join with Jehovah's right hand. I guess we really, well if we are talking about Adonay, that is the name of God, and she really should not be, well I guess we just have not identified Jehovah's right hand, I did say it was Chesed, but Adonay would have to be joining with another name of God, and at the moment, I do not recall which name of God is associated with Chesed, I should really look that up, let me look that up.

I am not sure which Sefirah is God's right hand, if it is Chesed, the name of God associated with Chesed, El, but I have a feeling that, that is not it, that we are talking about the God of battle, Jehovah, the God of battle, is associated with Netzach, and Elohim the God of battle is associated with Hod. In the day that Jehovah acts upon His passion for the first Adam His wife, Adonay", and Adonay is Malchut, will join with, Jehovah's right hand, so that means she is either going to join with, she is going to join with one of the names of God above her, I just do not know which one it is, she will join with one of the names of God above her associated with a higher Sefirah, although we have already been told that she is going to be joining with Binah, so that would mean, the name of God associated with Binah is the higher Jehovah, there is a higher Jehovah and a lower Jehovah.

I guess the answer is Jehovah, "In the day that Jehovah acts upon His passion for the first Adam, His wife, Adonay will join with Jehovah's right hand to break Cain within the kings of the earth apart from Leviathan." That is interesting, okay verse 6, King James, "He shall judge among the heathen, he shall fill the places of with the dead bodies, he shall wound the heads over many countries." This is a very interesting verse because most people would be horrified by it and see it as pure destruction, but it is not. We are going to translate the word "heathen" "nations", and the word "places", is not found in the Hebrew, and I am going to suggest to you that He is going to fill the dead bodies with His life. He is going to kill Satan and Leviathan, He is going to destroy every remnant of that old man in us and fill us with His life, and in order to do that He has to wound Satan and Leviathan, or He has to wound Leviathan anyway, the heads over the earth of the many countries, the word countries, let me see.

The Hebrew word translated "countries" actually is the Hebrew word for "earth", so we are translating that word "countries" as "earth". Alternate translation verse 6, "And the last Adam the son of God, shall judge the spiritual earth of the nations, and He shall wound the heads of Leviathan and fill the dead bodies of the many members of mortal humanity with His glorious life." Hallelujah. "And the last Adam the son of God shall judge the spiritual earth of the nations and he shall wound the heads of Leviathan and fill the dead bodies of the many members of mortal humanity with his glorious life."

Verse 7, King James, "He shall drink of the brook in the way, therefore shall he lift up the head." "In the way" we are translating "lifestyle", and "streams" is talking about streams of energy, and the word "brook", you know for years I prayed about that word, until the Lord brought us to Kabbalah and I now know that, that word "brook" which really means underground cavern among other things, is talking about the Sefirah, the channels through which the energy of

God flows. And the word "therefore" is a translation, the word "therefore" means "from above", upright from above, that word "therefore" is a translation of two words, one word means "to set upright", and the other word means "from above".

Alternate translation verse 7, "And the son of the last Adam shall drink the energy of God, because of his lifestyle, and Michael the last Adam, the head of the first Adam, shall rise up within the many members of mortal humanity, which is the first Adam, and set them upright from above."

Human beings can be set upright from below, the Serpent or Satan can set a human being upright, what does that mean? The Serpent or Satan, her agent, can give spiritual strength back to a human being, when you become spiritually strong from Satan, you become a Rephaim, you become a big witch. We see that we will be set upright from above, from the Sefirot of God. I will read it again, "And the son of the last Adam shall drink the energy of God because of his lifestyle." I drink the energy of God every time I bring forth a translation like this, I am drinking in the energy of God, because of my lifestyle. "And Michael the last Adam, the head of the first Adam, shall rise up within the many members of mortal humanity, which is the first Adam, and set them upright from above."

I have two witnesses for you, Job 40:23, "Behold he drinketh up a river, and hasteth not, he trusteth that he can draw up Jordan in his mouth." That is talking about Leviathan, I wondered about that for years also. This is talking about Leviathan drinking up the energy of a human being, to the point that, that human being can die. We see that pride, pride to an extreme or pride to the point, pride can exist to the point where it can literally kill us, because pride takes our energy.

Then we have Colossians 2:10, which says, "And ye are complete in Him, which is the head of all principality and power." We are talking about the head, the last Adam is the head of the first Adam, the first Adam is female, and the last Adam is male. Colossians 2:10 is talking about Christ Jesus who completes us, we are female, He is male, and what makes us complete is that we are both male and female.

Alternate translation Psalms 110, "Jehovah said to Adonay, Marry my right hand and I will force Satan your adversary as far down as necessary for you to stand guard over her. Jehovah will send forth the strong mind that comes from the high place of His Spirit, so that you can rule over the adversary in the midst of you. The people that belong to me will submit to the magnificent male strength of Michael, the last Adam, in the day that the light rain of the Holy Spirit breaks

forth from their spiritual womb. Jehovah has completed Malchut and will not change His mind, Elohim joined to Malchut is Melchezidek, king of righteousness, a priest of Binah, the female eternal world from above. In the day that Jehovah acts upon His passion for the first Adam, His wife, Adonay will join with Jehovah's right hand to break Cain within the kings of the earth apart from Leviathan. And the last Adam the son of God shall judge the spiritual earth of the nations, and he shall wound the heads of Leviathan and fill the dead bodies of the many members of mortal humanity with his glorious life. And the son of the last Adam shall drink the energy of God because of his lifestyle, and Michael the last Adam, the head of the first Adam shall rise up within the many members of mortal humanity which are the first Adam, and set them upright."

Glory to God.

Amplified translation, Psalms 110, Jehovah's promise, "Jehovah said to Adonay, Marry my right hand and I will send forth the strong mind that comes from the high place of my Spirit, and by that mind, I will force Satan, your adversary as far down as necessary for the kings of the earth to stand guard over her so that the kings of the earth can rule over the adversary in the midst of themselves. And in the day that the light rain of the Holy Spirit breaks forth from the spiritual womb of the kings of the earth, the people that belong to me shall submit to Michael's magnificent male strength, Melchezidek is not the man. Jehovah has completed Malchut and will not change His mind, she is female and she will not be a male, Elohim joined to Malchut is Melchezidek, king of righteousness, a priest of Binah, the female eternal world from above. The female will participate in the liberation of the first Adam. But in the day that Jehovah acts upon His passion for the first Adam, His wife, Adonay will join with Michael the last Adam, who is Jehovah's male right hand, to break Cain within the kings of the earth apart from Leviathan, and Michael, the last Adam, shall judge the kings of the earthen nations, he shall wound the heads of Leviathan and fill the dead bodies of the many members of mortal humanity with His glorious life. And the son of the last Adam shall drink the energy of God because of the righteous lifestyle of the last Adam, the head of the first Adam, and the spirit of the last Adam shall rise up within the many members of mortal humanity which is the first Adam, and set them upright from above."

Glory to God, what a wonderful, wonderful promise. Are there any questions or comments on this message? God bless you all.
