TRANSCRIPT OF MESSAGE #604 - Part 2

GIANTS, NOAH AND THE FLOOD

This Message Has Been Transcribed and Edited For Clarity, Continuity Of Thought, And Punctuation By The CCK Transcribing and Editing Team.

Praise the Lord everybody. This is a very interesting message. Somebody did say to me however, concerning part 1, that they did not see how it was about Noah. My answer to them was that, I always take the message that I am preaching in the context of the surrounding verses. Part 1, and actually part 2 is leading up to the appearance of Noah in the Scripture. Noah appears I believe in verse 8, and today Lord willing if we get that far, we will be translating verses 6, 7, and 8.

We are going to do a brief review of verses 1-5, and I felt that I did not have time to comment to the extent that I had hoped to on verses 4 and 5, so we are going to spend a little time on that. In any event, the name of the message is **Giants, Noah, and the Flood**. In case I did not make it clear on part 1, the giants are, Adam the fallen Adam at the time that he appears in the physical world was a giant, it is a principle of the science of physics, that the more energy a being has, the more massive or the more physically large he is. Adam initially after the fall was still a very powerful spiritual being, he still had all of the energy that he had from his relationship with Jehovah.

This is a principle that I have preached on for quite a while, when we have somebody in Christ who is spiritually developed, spiritually powerful, let us say a preacher for example, who is spiritually powerful and they turn away from the Lord, that power that they have acquired through serving the Lord Jesus Christ is transferred into Satan's kingdom, and they become a powerful witch.

Based on that principle we see that Adam, the immortal Adam, the son of God, when he turned away from Jehovah and turned towards the Serpent, he was just as powerful, he

did not lose any of his power, he died to his immortality, and what was Adam's immortality? His immortality was the person of Jehovah. Adam's relationship with Jehovah resulted in Adam's condition or state of being as immortal, because Jehovah is immortal. In the time period, in the day we say, it is just an expression, that Adam turned away from his relationship with Jehovah and turned towards the Serpent in his mind. Adam turned from Jehovah's thoughts, and Jehovah's commandment, to the thoughts of the Serpent, and came into agreement with the Serpent. In that mental act, Adam died to his immortality, he died to his relationship with the immortal one and formed a relationship with the Serpent, who is immortal only in this age, in this present age.

Jehovah is immortal through all ages. We say that Adam died to his immortality, he died to his relationship with Jehovah, the immortal one, but he was just as powerful, initially just as powerful, and the principle is this, because Adam was cut off from immortality okay, he started to lose his energy, but it could take thousands or millions or billions from what we have been learning lately, billions of years to lose his energy.

We had a message here recently, actually I think it was part 1 of this message, where it was billions of years that defined the first time period after Adam came into existence. I did want to clarify that point to you, and you will see, those of you that are new to the way I teach, you will find that when we do a series, everything, no matter how prepared I am when I come to preach, the Lord always and frequently expounds and expands everything that I have had in my heart to share with you, so frequently when we come back to part 2 and part 3 and part 4, I will refer back to something that I said in the previous part and expound on it more expansively. I did mention in one of the alternate translations, it talks about the date that Adam came into existence. The Hebrew word translated existence, or even this English word **existence** means **corporeal existence, that you have a visible form**. Adam existed before he had a visible form. Adam's visible form came into being, it is the same verb, came into being, came into existence, only after he departed from the immortal one. I am going to put that on the board.

We are looking at drawing #1, I am showing you the five worlds. I have just drawn it this way because it is easier for me and easier for you to understand, but these worlds are each one inside of the other, if you can think of these five worlds as five layers of skin, or five layers of skin or five layers of our humanity outside. I am a single person, but inside I have many different systems, I have different organs, I have blood, I have blood vessels with blood flowing inside of the blood vessels. Each of these worlds is an aspect of a giant of a man. After the fall, Adam was a giant, before the fall, he spanned all worlds, he was extremely powerful, and the physical science of physics tells us, if you are extremely powerful is in direct proportion to how powerful you are, that is how physically large you will be. Adam was a giant, and he had all of these aspects to himself.

Fallen man is like an empty shell, we are the last world, the world of action, all of us who are descendants of Adam, and I am not talking about those of us who are having Christ formed in us, I am talking about the average man, we are empty inside. We are missing, well we have a soul, but every man has a human spirit which is really a part of the soul, but we do not have the Spirit of the savior, and we do not have the upper layers within ourselves, the other attributes that Adam had because of his union with Jehovah.

Adam, when he finally came into existence, when he began to appear, he was a giant, and his offspring were giants, and we do not know what they looked, I do not believe that they were, that mankind were in a homo sapien type body until after, until five generations from Shem, Ham, and Japeth, which is after the flood. We do not know what they looked like, but the Scripture says there were giants in the earth in those days, and I am suggesting to you that the giants were Adam and his offspring, Cain, and Abel, and the offspring that they produced, they were giants, they were mental giants, they were spiritual giants, and they were physical giants.

In the book of Genesis, we see in the time of David, there were still giants in the earth, the Bible talks about the giant named Og, there were giants in the earth, the last of the giants, what happened to the giants? As mankind, or since mankind was separated from Jehovah, the eternal source of energy, with each generation, the offspring, had less and less energy, and became smaller, and smaller, and smaller. The giants eventually disappeared from the face of the earth. Why was David an average human and Goliath a giant? Because Goliath was a descendant of Ham, and Ham was very spiritually powerful. Ham's energy, and of course that just does not mean all of the descendants of Ham, but from what I understand the giants that were in the earth in the days of David, were Philistines, they were basically Philistines, spiritually very powerful beings on the ungodly side.

This is something that especially westerners have a lot of trouble understanding, when Jehovah would tell Israel to go in and wage a warfare and wipe out a people, wipe out the men and the children, and the animals. Why would Jehovah tell, in Saul's case, wipe out the animals too? Because the whole country, the whole population, the animals, were just utterly immersed in witchcraft, and Israel, whether it be the physical Israel or the spiritual Israel of God, which is coming into existence now, we are the armies of Jehovah.

Do you not believe in the Lord Jesus , Sheila? Yes, I do, but Jehovah is the warrior, Jesus is the peaceful side of God. Although today Jesus is glorified and he encompasses both, but the Jesus that most people think of, or the Jesus that came with amnesty, the Jesus came with forgiveness of sin. That does not mean that there is not still a side of God that is a warrior. Jehovah will rid this world of witchcraft because it is the witchcraft that produces death, and this world, and the creation is intended to be an immortal creation in the image of Jehovah.

I hope this gives you some kind of general idea of how Adam was formed. Just like a human fetus begins with one or two cells in a human woman, and the two cells join, and then cell division ensues and then I believe, someone told me that the heart is the first organ that comes into existence, just as a human fetus is built in a woman's body, Adam was being built. This is hard for our finite mind to understand, but I want to suggest to you that it was millions of years between the different aspects of Adam coming into existence. As I was preparing the message for today, I found out, or it came to me and I now believe it that the Scripture is Genesis that says Jehovah formed the man out of the dust of the ground and breathed the breath of life into him, that there were many millions of years between those two events, and that should not come as a surprise to any student of the Bible.

Those of us who have been studying the Bible for a while know, that the two comings of Messiah, the prophecy of the two comings of Messiah, in the book of Isaiah, are one verse apart. Actually I think they both come in the same verse. The two events are so far, two thousand years apart, so that is a Scriptural principle. The written word is an abbreviation, the word of God is infinite, it is impossible to capture it all and put it in a book. Time means nothing to the infinite word of God. It is not unusual that two events that are separated by thousands or millions of years appear in one verse together.

This is just a brief review so that I can have your attention, those of you that are still with us, everybody gets slain in the spirit in these meetings, but it is really fun when I get slain in the spirit, that has not happened to me in a long time. Are there any questions? Adam was a giant.

I think I mentioned on part 1 of this message, I wish I had written the name of the book, but years ago, someone who studied with us from another state had told me about this book that she read where there was physical evidence that giants had inhabited the earth, I think in Egypt. Men were very big because they were very spiritually powerful. Either men were powerful enough to build the pyramids with their minds, or they were so big, that the pyramid was just like a toy castle, that a kid would make on the beach, a sand castle, we do not know which it was, but men were very big because they were very spiritually powerful, and they started to lose their energy because they were cut off from the source of energy.

One of the things that the Lord Jesus Christ is doing is restoring us to an eternal source of energy. We have a lot of people in this world looking for the fountain of youth, and immortality, and the Holy Grail, and all of these quests for immortality, and eternal youth. These things are available in Christ Jesus, they are real, but they are spiritual, there is not a physical cup, the Holy Grail is supposed to be the cup that Jesus drank out of at the last supper. There is no physical object that is going to impart immortality to anyone, but the spiritual life, the resurrected spiritual life of the Lord Jesus Christ is our potential for immortality without pain and suffering, immortality with the joy of gladness. That is what we are promised.

Adam was a giant and his initial offspring after his fall, were giants, and their offspring were giants. There are the giants and this is where they came from. As Adam fell, he and his descendants fell into the visible physical world, and they were cut off from their source of energy, and with each generation, they had less and less energy, so they became physically smaller and smaller. It is in the world of action, Paul talks about us being a gazing stock. What that means is that this world is the stage, Paul says we are on a stage, and this world is the stage upon which spiritual life acts out its thoughts. Spiritual life is all mental, it is mind, it is thought. Spiritual life acts out its desires, its lusts, its passions in the physical world. What does that mean? It means spiritual life whether the spiritual life of God, or the spiritual life of ungodly entities seek and have a desire to act out their emotions, their passions, their lusts, or in the case of the Lord, His will for humanity through human beings.

Apparently we are very valuable, I do not really understand it completely myself, but I do believe that all of the entities on the astral plane are desiring to incarnate, that is why we have cases of possession, sometimes we have cases of more than one soul in a human being, all kinds of spiritual conditions which indicate that the disembodied spirits seek to incarnate in human beings, they seek to enter into human beings. Apparently this is, to be in a body in this world is preferable than being disembodied in the astral plane. That is what it looks like, I know less, there is more that I do not know than I do know, so that is the extent of what I am going to say on that in this message.

Adam started out as an imagination, he was an imagination of God. Why do we say imagination instead of thought? Because thought implies mind, and God almighty, He is beyond mind, we do not even know how to describe it, so the word that the Scripture uses is an imagination, it is something that forms as a result of the will of God, and it came out of a place that is higher than mind, we call that place the will of God, we also call that place the first cause.

Then as Adam continued in his development, he became unformed substance, that is in the world of emanation, and in the world of creation, he became formed with a body of light, that is the holy substance, became formed with a body of light, and the world of the astral plane, the Hebrew word is Yetzirah, which is the world right next to this world, Adam was formed with a visible body, which is a soul, the soul looks just like the physical body except that it is not solid. Then Adam crossed the threshold, he descended into this visible physical world where he became solid, and where time began.

When we read the Scripture, and we read about Adam, we really have to read the whole context, the Scripture surrounding it, and try to make a determination as to which Adam the Scripture is talking about. Before the Lord introduced me to Kabbalah, I had a revelation that Adam existed on many different levels, and I struggled as to how to differentiate between these different levels when I was writing up my alternate translation, so when I was preaching, and I had a lot of trouble doing it, it was not until the Lord introduced me to Kabbalah, that I see that the Kabbalists have really simplified it, they just say Adam in the world of emanation, Adam in the world of creation, Adam in the world of action, it is Adam in all of these different places, a different aspect of the developed Adam.

It would be as if to say, it were possible for a fetus to exist at three months old, and a fetus to exist at five months old, and a fetus to exist at six months old, how would you, if a fetus has a name, and the fetus' name is John, how do you distinguish between the fetus in all of these stages? You say, **Well, the fetus name John at three months old, and the fetus name John at six months old.** That is how the Kabbalists do it, and I was set free from this revelation of understanding that Adam existed and in the people who are being restored in Christ Jesus, exists today on all of these different levels.

Those of us who have Christ grafted to us, or desire to have Christ grafted to us, these worlds are being built in us, we are down here in the world of action, and all of these other worlds are being built inside of us, and the end of our development is that we will span all worlds. What does that mean? Our consciousness will be active, open, our spiritual sight

and understanding will be activated on all of these different levels of consciousness. I believe this is the only visible world.

What is this talking about expanded consciousness? Sometimes I hear people's thoughts, sometimes I know what people's motives are. That is a level of expanded consciousness, exactly what world that it is associated with, I am not sure, but I am told that when your consciousness ascends high enough, that you can see through walls, and around corners.

I did experience that twice, but when I experienced it, it was not an experience that arose out of my spiritual state of being, it was an experience that the Lord Jesus let me have to show that what I was reading about was real, but I have to mature into the place where this is my continuous condition. I looked right through that door as if I had x-ray vision, I saw what was on the other side of the door.

Another time I saw what was going on behind me, I saw it in a spiritual vision in my mind's eye. Another time I experienced telescopic vision, coming from, right from my natural eyes. All of these things were experiences that the Lord let me have so that I should know that what I was reading about was real, but that I have to mature into it, I have to mature to the place where my consciousness is so ascended that this is my state of being, it is not my state of being. Are there any questions on this board? If not I want to review the world of points and then we will go on with today's message.

Drawing #2, we have spent months, maybe years studying Adam Kadmon, which is the primordial Adam, and we have all kinds of illustrations and messages on it, this is just a review for this message because we have some new people in the class that have not studying all of these messages with us, I am giving you two drawings of previous messages. The writings, the comments on these drawings really do not apply to this message, and I do not know whether you can understand them or not, it is just that I am a terrible artist, so I have given you these two drawings which have been done by the ministry artist, xxx, so that you could get a better idea of what I am trying to draw up there.

The primordial Adam, he was not in a humanoid form, but with the Lord's help we have a chance to understand some of these very high spiritual things that occurred at the time of the creation.

Because our mind is like a mind of an ant compared to the mind of Adam Kadmon at the time of his creation, the Lord has allowed us to draw him in a humanoid form because our mind cannot comprehend him any other way, but the primordial Adam, the Adam that came forth from the world of emanation, he did not have any human form. The esoteric teaching, the teaching of the mysteries is, when the Scripture says, **And Jehovah breathed the breath of life into the man**, that, that breath came in the form of light because God is light, and there is a whole study that we spent years on, as to, and there is a whole Kabbalistic study on how that light, how it entered into Adam at the beginning, and how it passed through his whole state of being, ultimately forming the aspects of the primordial Adam and formed aspects of him that prepared him to reproduce in accordance with Jehovah's commandment. That light can be likened to the fetal blood, or the blood

coming from the mother flowing into the fetus, and flowing through the fetus and forming it.

This is a very, it is called an esoteric study and we are told that we can understand it if God helps us. If you are not understanding it, ask the Lord to help you. Spiritual beings especially when it comes to reproduction, can look to the plant life as their examples, spiritual reproduction is not based upon or related to animal reproduction. The animal reproduction of this world is a type of the earthen aspect of the primordial Adam. Remember, the primordial Adam was formed from the dust, he was an earthen creature, and Jehovah breathed the breath of life into him, and he became a living soul. The earthen part of Adam is the soulish part, our soul is earth, spiritual earth, and the breath of Jehovah makes us higher than the animals, it is Jehovah's breath that makes us a living soul, a soul with the life of God.

What we are looking at here is a caricature of the primordial Adam, and we are being shown how he reproduced in a manner similar to the way plants reproduce in that he had both female and male organs. Again, because our mind is not capable of understanding what happened at that point, the Lord is letting us understand it this way. There was an aspect of Adam that was formed we are told around his belly, or around his navel, it is called the world of points, and it was, it is Adam's female reproductive organ. I call it his ovary, and actually today, each human being is a spiritual egg, each human being today is capable of being fertilized by the male sperma, the male seed of the Lord Jesus Christ, and producing His child.

Paul tells us that we are saved in childbearing. That means we are not saved because we answered an altar call, and we are not saved because we call on the name of the Lord Jesus Christ, we are saved when His son is conceived in us, and matures to the point that he can sustain our life functions and then we stop dying. In the Living Epistles meetings, we are having a whole series of messages on anti-Christ being a man and how the overriding or one of the primary aspects of anti-Christ is that he names the name of the Lord Jesus Christ, he says, Jesus is Lord, but he denies that Christ Jesus or that Christ can be formed in the flesh of a man, and it is the Christ in you which your hope of glorification, Christ in you personally is your hope of salvation. The people who believe in the Lord Jesus Christ out there somewhere, they may reap what they sow, their faith in the Lord Jesus Christ may bring blessings into their lives but in so far as overcoming the death of this body, our only hope of it is to have Christ formed in us.

What we see here, that happened in primordial Adam, this is happening in us today, human beings, we are the spiritual egg. This is a great mystery, I did not make that point clear before, but when I showed you all of the different worlds, creation is taking place in each of these worlds simultaneously, if you can hear what I am saying. Creation is taking place in each of the worlds that I showed you simultaneously.

In a very high world, we see the primordial Adam, a spiritual being, we do not know what he looked like, he probably did not even have any form yet, I do not know, but he had male and female organs, and the female organs are called, the world of points, okay, and the male organ is the world of points exists in Adam's belly around his navel, and it is the

female aspect, and the female aspect of Adam Kadmon is the vulnerable. Vulnerable to who? Vulnerable to the consciousness in the earth, and part of the creation which is the exact opposite of the righteousness of Jehovah.

The personal name of the consciousness of the earth, that is the exact opposite of the righteousness of Jehovah, is the Serpent. The Serpent is present, because Adam is formed from the earth and the breath of life, and when the breath of life mixed with the earth, the earth became conscious, it is a negative consciousness, a consciousness that is the exact opposite of the righteousness of God, and it is an evil consciousness. The Serpent was there from the very beginning, and the Serpent wants to be the male aspect, and wants to fertilize Adam Kadmon's female part and bring forth a creation, and in fact that is what she did. We are the offspring of the Serpent and the ovary is above Adam Kadmon, the creation of God. We are a corrupt creation.

Our father is the Serpent. That is why we need to be adopted. There has to be a reason why the Scripture says we are being adopted. If we are in the image of God today, we would not need to be adopted. When God adopts us, we do not, like in this world if you are adopted, you still have your biological parents, you know, but when God adopts you, He gives you all of His genes, all of His chromosomes, all of His nature, He adopts from your innermost point to your outermost point, it is a complete adoption, a complete conversion, as if you were actually born of the Father. We are being restored, our righteous, the righteous Adam is being regenerated in us. The point that I am trying to make if you can hear this, is that this is what happened before time began, the same thing is happening today in us, each and every one of us is one of the eggs of Adam Kadmon's body.

We are told in the book of Acts, ***In Him, we live and move and have our being.*** We are part of some great being, we are the conscious cells of His body.

It is called the body of Christ. Paul talks about the body of Christ, and we are one of these eggs, and when the Lord Jesus, when the sperma of the Lord Jesus Christ, and that is a legitimate Greek word, the sperma, the male seed of the Lord Jesus Christ, penetrates us, we are being impregnated with his sons, the sons, the male offspring that we read about in Revelation 12, and the child that will save us in childbearing. Creation is still going on, it is going on here in us. On the right side of the board, again this is all we have gone into this in a lot of detail, so this is just a brief review, but we see again Adam's ovary, the primordial Adam's female reproductive organ, and we see that it is penetrated and overlaid by something called the world of bound lights, which are the lights that come out of Adam Kadmon's mouth, once again, we have had many studies about the lights that come out of his eyes, his ears, his nose, his mouth, it is just a very extensive Kabbalistic study, but just briefly, there is something called the world of bound lights, which is male to the world of points, and these lights are designed to overshadow the world of points.

How is this happening today in our world today? We human beings, especially the members of the body of Christ, we are the eggs of the ovary of the Lord Jesus Christ, and His sperma is likened to the world of bound lights that has entering into us and

overshadowing all of our vulnerability. What is our vulnerability? It is our carnal mind. The Spirit of Christ is entering into us and overshadowing our carnal mind and bringing forth the mind of Christ in us, and drawing us, our whole nature, our whole personality into His kingdom, if you have the mind of Christ and the carnal mind, you have two kingdoms within you, and those kingdoms are warring with each other.

I gave you the Scripture, Galatians 2:20, this is what Paul was talking about when he said that he was crucified with Christ, he meant that the very life of the glorified Jesus Christ had entered into his spiritual being and was overshadowing and actually penetrating his spiritual being, because all human beings male and female, physical males and physical females are spiritual females, and that is what Paul meant when he said, **Crucified with Christ**, he as a human spiritual female was completely penetrated by and overshadowed by and interwoven together with the Spirit of Christ, so that his carnal mind became a prisoner.

This is our hope that our carnal mind will become a prisoner, that it will become so bound up that eventually we will become incapable of sin, that is our hope. We see that what is happening to us today is happening beyond time. This was the very beginning, everything, the same thing is happening on each level of consciousness, and creation is still in process. We are the creation. Jesus after He was resurrected said, I am the beginning of the creation of God. That means all human beings are going to follow after our example, but we are called to have an experience like Jesus had, the call to overcome our carnal mind, because we are told in the book of Romans, that Jesus brought His soul into submission with the Spirit of holiness within Him, and His carnal mind was completely interpenetrated and bound up to the point that it could not sin, and then he was delivered from His physical body and He became a garment for Jehovah, the personality or the soul of the Lord Jesus Christ is a garment that Jehovah is wearing. That garment make it easier for us poor humans, us ignorant humans, to relate to God, because we now have a mediator.

This issue comes up in the alternate translation that we are doing of Genesis 6, and that is why we are reviewing this. Are there any questions or comments, does anybody not understand what I said? I made it as simple as I could. We will take a picture and then we will start reviewing the alternate translations from last week, and hopefully we will get a couple of more verses in today. Drawing #3, I have shown you the two worlds, only two of the worlds, the highest and the lowest, trying to demonstrate to you what I told you verbally that creation is taking place in all of the worlds simultaneously, and creation is taking place on all levels of consciousness, what does that mean? What is creation? Creation is the bringing of the creature in to the image of Jehovah. That is what creation is.

Someone who has no relationship with the Lord Jesus, is the unformed clay. You may say, **What are you talking about Sheila, the unformed clay, I have a head and two arms and two legs**. These bodies are merely sepulchers, they are jail houses, they are graves. When the Lord talks about creation, He is talking about the spiritual creation which we are, He is talking about the spiritual man that lives inside of us, and the holy substance can be unformed in a physically formed human being.

If we have no relationship with the Lord Jesus then you can be going to church your whole life and not have a relationship with the Lord Jesus. We are a lump of clay that has not yet begun to be formed in the image of the Father. That is how the Lord sees us, that is how He sees us. I have just drawn two of the worlds on the board, the highest world, the world of emanation, where the lights are emanating out of the upper orifices of Adam Kadmon, we do not know if he had any lower orifices, and I understand that it is an issue of great debate in Kabbalistic circles as to whether or not Adam Kadmon had a navel. I wish that I could find some of that literature, but of course I am limited only to the literature that has been translated, unless the Lord speaks to me by revelation.

I heard that, that is a big issue that Kabbalists discuss, and I would love to hear them, you know, if I could, if the Lord would make a way. The only thing that we know about Adam Kadmon, or that I know about him is that he has the male, and a female organ called the world of points, and he has male lights, called the world of bound lights, and we know that he has feet.

I do not know about anything beyond that, of course he has eyes, ears, a nose and mouth, and the light of God, in Hebrew called the Eyn Sof, the unknown God, God almighty, we do not know who or what He is, He is so high, but His light entered into Adam Kadmon, from the top of his head and is emanating out of his ears, eyes, nose, and mouth, and flowing downward, to form the worlds below. Underneath we have the world of action, the lowest world, the world where we are now, and we see the same process of creation is taking place in the world of action in a different form.

In the world of action we see two human beings as we know human beings, one is preaching, and that preacher has the Spirit of Christ in him, so that Spirit of Christ is the sperma of the Lord Jesus, and that preacher is disseminating the sperma of the Lord Jesus, and it is falling on the heart of someone who is listening to him. The Scriptures that I have given you, are that mortal man shall be saved when she bears the Christ child, that is **1 Timothy 2:15, We shall be saved in childbearing**, we must get pregnant or we will not be saved, we can be reconciled to the Lord Jesus Christ, we can speak in tongues, we can pray for people, cast out demons, be used of God to heal the sick, and not be saved. You, if you fit into that category that you have done all of these things, but you have no oil, and oil signifies Christ Jesus, if Christ Jesus is not resident in you and grafted to you, you are one of the five virgins that had no oil, and you will not ascend, the door will be closed and you will be locked on the outside.

Is that a punishment? No. Is that a threat? No. It is the truth. Get oil. ***What do you mean get oil Sheila?*** I will repeat it, it is what I just said to you. Knowing the Lord Jesus Christ, verbally declaring that Jesus Christ is Lord will not save you. I can just hear all of the Pharisees screaming at me, I am telling you the truth. Casting out demons will not save you, laying hands on the sick and seeing them healed, will not save you, being able to quote the whole Scripture from memory, will not save you. The only thing that will save you will be, you will be saved if Christ Jesus, the Christ child, the offspring of the glorified Jesus Christ is growing in you like a tree rooted and grounded in your spiritual being, working to support your life functions, you will be saved. That is the truth, I am telling you the truth, it is not a threat, I am telling you the truth.

There are many who say Jesus is Lord, and they will go the way of all flesh, whatever happens to other men, are they going to burn in hell forever? No. Are they going to partake of the glory that is rapidly beginning to appear very close to appearing in the earth? No. Only the people who have Christ Jesus internalized, will partake of the appearing of Christ Jesus, because if He is not in you, He cannot appear in you. There is a Scripture that says, **And when He appears, we shall appear with Him.** If He is not in you, you cannot appear with Him. What does it mean you will appear with Him? It means His nature will appear in you, and you will be a part, a partaker of His glory. What glory? He is going to break the bondage, He is going to break the curses on the creation. The whole world is going to be saved, He is the savior. He has to get inside of you.

Drawing #3, in this world, this is how creation is taking place, the sperma of the Lord Jesus Christ is being preached by a spiritual man, it could be a physical woman, or a physical man, by a spiritual man, that has Christ Jesus rooted and grounded in him, growing in him like a tree, that preacher that preaches out of Christ Jesus has the virile seed of the Lord Jesus Christ.

Paul tells us that we are saved by the foolishness of preaching, I am sorry I did not look up that Scripture reference for you, but that is what Paul says, I believe it is in the book of Romans, and how shall they be saved? They cannot be saved unless God sends a preacher, because we saved by the foolishness of preaching. The intellect of man says, Is that not ridiculous, you are saved because someone preaches to you? Yes! Yes, but if the person who preaches to you has a manifestation of Christ Jesus, they have the virile seed, they impart it to you, you are impregnated with the Christ child, and hopefully you shall be saved when that Christ child comes to term.

Paul says, we are saved by the foolishness of preaching because the wise of this world say that is ridiculous that you are saved by the foolishness of preaching, surely you must need a lot of money to be saved, surely you must need to be very smart to be saved, surely you must need to be very strong to be saved. No, all that you need is to believe, you need to become like a little child and believe, and listen to the preaching from someone who has the virile seed.

If you believe the Lord will lead you to someone, to a preacher that has the virile seed, so only believe, Jesus said, **Only believe.** You have to become like a little child in that you need to be willing to be taught things that you might not have believed or things you have never heard of before, **only believe**, that is what Jesus said, **only believe. All things are possible,** He said, **only believe.** If you do not believe it, it will never happen, if you hope for it, you stand a really good chance that it is going to happen.

I have the Scripture here **...crucified with Christ.** Paul said, **I am crucified with Christ.** What does that mean? Some people might think that it means spiritually Paul was hanging on the cross with Jesus. No, I do not believe so, and the Lord told me otherwise. Paul was crucified with Christ, meaning that the life of Christ was penetrating not only his heart, but his whole interpenetrating, interweaving with his whole spiritual being, just like I say up above, that the world of bound lights is overshadowing and interpenetrating the world of points. That is Jehovah's provision for restraining and dealing with our carnal mind.

The carnal mind will be dissolved, but the Serpent will always be there, I do not know what name or manifestation will be in the end times, but the Serpent has to be there, because the Serpent is the personal name of the conscious spiritual earth. The spiritual earth is the negative, the dark part of the negative that makes us visible.

The Serpent has to be there, but she is going to be like an ox. An ox is a castrated bull, the Serpent will be castrated, she is being castrated by the Lord Jesus Christ in each and every one of us, she is losing her power to impregnate us with her offspring, and the castration of a bull tames that bull and makes them, brings them into a condition where they serve mankind usually by pulling a plow in the field. Our negative side, our carnal mind is going to be castrated and she is going to serve like she was intended to serve. The way this is being done is that Christ Jesus is weaving Himself in and out of her.

You may recall other teachings where I have told you that good and evil is not good enough, because we could be good, good, good, good, good, and we are always in danger of evil rising up and turning the tables. You could be good your whole life and in your last years something could happen, you could snap and you could become evil because wherever good is, evil is, they are inseparable. We need something higher than good and evil, we need righteousness to assure us that we will never fall again. What the Lord is doing for us is righteousness, the righteousness of Christ Jesus is not just overshadowing our carnal mind, but interweaving, interpenetrating Himself, weaving Himself through it, so that it can never rise up and overthrow our righteousness. Righteousness can never be overthrown, even the aspect of good can never be overthrown because righteousness is being woven through both good and evil. When righteousness is woven through good, it strengthens the good and weakens the evil. That is what is happening to us, no more overshadowing, no more covering, you have to be woven together with righteousness, and then we will be permanently righteous, enter into immortality with Christ Jesus, live forever with joy and peace, and happiness, no more sorrow, no more tears. What will we do with our existence? I do not know. Paul said, ***We do not know what we are going to be but we see Jesus.***

When we are ready, it is not that God does not want to tell us, we are probably not capable of understanding it at this time, because we are so young and ignorant and our brain is so small, that makes us feel good does it not? (Chuckle).

I want to go on. You will find that I am, we are always very long winded here because there is just so much to say. I am going to read the alternate translation of Genesis 6:1-3, I do not intend to spend much time on that because we went over that on part 1, but verses 4 and 5 which we did touch on, on part 1, I do not feel that I dealt with them adequately, so I have a little more to say about that.

Genesis 6:1 And it came to pass that Adam broke his covenant with Jehovah when he gathered together with the Serpent, the personality of the earth that belonged to him, and this is how Cain and Abel's spiritually female offspring were born to Adam. AT

We see that the female Adam fertilized himself. Do you see on the board the world of bound lights is impregnating the world of points? Before that happened, the world of points impregnated itself, because the Serpent was present, the Serpent was present from the beginning. As far as the Lord is concerned the Serpent is nothing, so the world of points more or less impregnated itself. There was no male seed, so the Lord, that is what the Scripture says, it impregnated itself. That is what this means when it says that Adam gathered together with the Serpent, he agreed in thought with the Serpent, the personality of the earth that belonged to him, so this is interesting, Adam the spiritual man, owned whatever form of body he had. In our present condition, in many instances our body owns us, our body drives us, our body determines what we do with our life. We spend our whole life taking care of this body. We need a house to live in, we need clothes to wear, we need facilities to clean it, we need to feed it, we spend our whole life taking care of this body. The truth of the matter is, the spiritual truth is that the spiritual man within us, has become enslaved to the animal aspect of the creation. When the Lord says that the spiritual aspect belongs to the spiritual man who was to be king over the whole creation. Each of us is a unique aspect of creation, each of us is a world, an entity in and of itself. The relationship between the spirit and the earth that Jehovah established has been reversed, and the spiritual man is buried under the earth, we are Abel buried under the earth, our true spiritual being in Abel buried under the earth of this personality, the earth of this body, the earth of this whole world.

Genesis 6:2 And Adam the son of Elohim, saw Cain and Abel, his female offspring, and tried to enfold only Abel, the good side of the whole woman who belonged to him. AT

We see that Adam impregnated himself, he brought forth female offspring. When Jehovah impregnates us, all of our offspring are spiritually male. We see that Adam impregnated himself, that is just another way of saying the Serpent impregnated Adam because the Serpent is Adam's other self. If you can hear that, the Serpent is Adam's other self, Adam was supposed to be impregnated by Jehovah, God, but another aspect of the creation impregnated the creation. We see that Adam impregnated himself and he brought forth female, spiritually female offspring. All spiritually female offspring are mortal.

Genesis 6:3 And Jehovah said, My Spirit shall not judge Adam in the eternal world, or the world beyond time, because Adam apologized after he sinned, but Adam this male spiritual sexual organ of mine, will exist for 48,830,000 years in the first time period after Adam came into existence. AT

We got that number based on the teaching of another message called ***The Age Of The Universe***. This is speaking about the first time period since Adam appeared in the world of action, we are not talking about how old the universe is, but the first time period which began when Adam appeared in a visible form. Again, to come into existence means to appear. We can be consciously aware before we come into existence. To come into existence means to appear, to be seen.

Verse 4, I struggled with verse 4, I left all of these crossed out notes in there because I wanted you to be able to see if you were interested in going over it, how I struggled with this translation, and I prayed, this is how I bring forth a translation, I pray about it, I apply the principles that the Lord has already taught me, and I asked the Lord how He wants me to translate a particular verse. I went back and forth a little bit, but this is the translation that I now believe the Lord is giving us.

Genesis 6:4 And Adam the sons of Elohim, was still standing up in spiritual power during the first time period after he came into existence, but the unconscious part of his mind was gathered together with his earthen side, so he was a spiritually male fallen being. And fallen Adam went into Cain and Abel, his own female offspring, and they bear powerful spiritually male immortal warriors who had the character and spiritual authority of the mortal Cain and Abel. AT

Let us take that a little at a time. **And Adam the son of Elohim was still standing up in spiritual power during the first time period after he came into existence...** I talked about this when the message first started. When Adam turned towards and agreed with the thoughts of the Serpent, and therefore pulled away from his relationship with Jehovah, that is what we call the fall. When Adam withdrew his allegiance to Jehovah, and joined with the thoughts of the Serpent, but Adam was still a spiritually powerful being. At that point, he began to lose his energy because there was no more energy being imparted to him from Jehovah, but it was a very slow process, it has taken millions or billions of years, I do not know, for us to get as weak as we are today where a little bug can bite us and we can die, or we can eat a piece of spinach that has a microbe on it, and we can die, we are in a very, very sad condition. If you think about who we are supposed to be, if you want to think about the imagination that God imagined, as to what we would be, it is a disgrace on the one hand, our condition is a disgrace, we are spiritually naked, and on the other hand, it is a tragedy, a complete tragedy that nature or the animal aspect of the creation is ruling over the spiritual man who we are. We are buried under the earth, and we are being ruled over and tortured and tormented by nature, or by the earthen aspect is nature.

Adam was still very spiritually powerful, the word standing implies spiritual power, when we are lying down, we are lying down and all of the bugs can crawl over us, so we are

very vulnerable, but Adam was still very powerful after he fell, but he was powerful, but the unconscious part of his mind, was gathered together with his earthen side.

What does that mean? Our unconscious, we are not supposed to be gathered together with our earthen side. What do we call our earthen side today in our world, in our society, what part of us is our earthen side, does anybody know?

COMMENT: Our soul.

PASTOR VITALE: Yes, our soul is part of our earthen side, our earthen side, I am sorry it has several parts, our earthen side is our soul, it is our physical body, but for all practical purposes it is our carnal mind. Our carnal mind is our old man, our earthen side. We are not supposed to be gathered together with our carnal mind, we are supposed to be separated from our carnal mind. That is the whole principle of sanctification. It is talking about the separation of the Christ mind from the carnal mind, so you cannot be sanctified before the Christ mind is formed in you. The Scripture says, ***Come out from her my people, and be ye holy, and I will receive you.*** Come out from the carnal mind, come out from the thoughts of the carnal mind, come out from the reasoning of the carnal mind in order to obey that commandment, you have to have something to come out to. We have to have the mind of Christ imparted to us first, and then the Lord says, ***Leave off that kind of thinking, leave off that kind of reasoning, and come and think with the Christ mind which will result in deliverance and ultimately eternal life.***

Adam was gathered together with his earthen side, that is very dangerous, and this is what happened to Abel. When Cain killed Abel, and Abel was buried under the ground, Abel was not killed like a human being is killed today, he did not cease to exist, he died to the office that Jehovah had given him. Both Cain and Abel were spiritually female, but Jehovah said, ***Abel, you are in charge, you have authority over Cain, and that means you are spiritually male and Cain is spiritually female to you. As long as you keep Cain under you Abel, I will cover you, I will cover you, and I will meet your every need, and I will help you to rule.*** We are told that Cain killed Abel, so that means the whole creation was once again cut off from the nurturing and nourishment and power and energy of Jehovah. Abel has not ceased to exist, he is living in the underworld, Abel is now living in the underworld, and to have his needs met, he is dependent upon the earthen side of the creation. Brethren is that not true. The earth gives us food, and we grow vegetables and food from the earth. You say, ***Well Sheila, we eat meat.*** If the animals do not have corn to eat or whatever it is that they eat, grass to eat, we would not have animals to slaughter.

Human beings are dependent upon the earth for our existence. Abel became subject to Cain, Abel became a slave, and typified by Samson. Abel, our spiritual side is gathered together with our earth, and when the Lord Jesus first comes to us with the word of God, we start hearing things that, well maybe we are doing something and it is wrong, but we never thought that was wrong. We have to really ask the Lord to help us to understand, because we have to agree in mind with the Lord Jesus Christ, to escape from the dominion of the consciousness of the earth which is killing us.

Adam was gathered together in the, and especially in the unconscious part of his mind, that is really dangerous to be gathered together in the unconscious part of your mind with your earthen consciousness, because we are responsible for everything that comes out of the unconscious part of our mind, we are responsible for it, and Satan is in the unconscious part of our mind. Again, the Lord has really been hitting this home lately, one of the greatest privileges that we have in Christ Jesus is the privilege of fight into the unconscious part of our mind, so that we can see Satan's devices. Paul says, **We are not ignorant of Satan's devices**. We can see what she is doing, how she is generating evil thoughts, she is generating thoughts that if we agree with them, will be sin. This is what Satan does, she gives us the evil thought, when we agree with it, she reports us to the Father, and accuses us, and then she punishes us. That is what she does.

When I first realized that, I said, **Look, that is crazy, what is that all about?** Today I understand that Satan feeds off of our energy, and if she can get us to sin, and have the Father agree with her that we sinned, she then has the right to punish us, and in our pain, we release energy, and she takes our energy. That is what it is all about, we are enslaved, and Jesus has come to set us free. How come nobody wants to follow Him, and very few when they hear the real message, very, very few, why? Because we are gathered together in the unconscious part of our mind with the earth, and we believe the earth story, we identify with the earth, we become the earthen creature. Jesus is saying, **I want you back, you have the wrong identity**. I do not know what is going on today, I really have not been out in other fellowships very much lately, but there were quite a few preachers preaching this wrong identity teaching, and the correct, we have the wrong identity, we are not thinking with the mind of Christ, we do not even know who we are, but this false preaching said all you have to do is consciously and intellectually say, **Well, I am Christ**, and you will be okay. It does not work like that, we have to have our identity changed, it has to become an emotional, intellectual and a conscious, and experience of consciousness that can only happen through the ministry of the Lord Jesus Christ. You cannot stand in your carnal mind and say, **Well I am not the earth, I am Christ**, you can only stand in Christ say, **I reject my earthen nature, I am Christ**. You have to have Christ added to you.

The whole of humanity except the few of us that are being regenerated have a wrong self-image, even the church does not know who they are. Jesus rebuked his own disciples saying, **You know not what spirit you are of**. His disciples said, **Why do you not call down fire and kill those people that insulted you?** Jesus said, **You do not know what spirit you are of**. You are actually studying with the master and you are still talking out of your carnal mind.

Adam was gathered together with his earthen side. He was a spiritually male, he was spiritually male because he was standing and he was powerful, and spiritually male and standing signifies having dominion over nature. That means no bug could bite him, he could not get sick, although I think there were no bugs in those days, just to make a point, could not get sick, could not get wounded, did not need a hospital, did not need food, he was self-contained, he was self-contained.

When Adam was first formed he was self-contained. What are you talking about Sheila? Jehovah put him in the garden and said, ***You can eat of every tree but do not eat of this tree.*** Where was the garden? It was inside of Adam, it was inside of him, it was a spiritual eating. The tree of the knowledge of good and evil did not produce an apple that Adam ate, it produced knowledge. The woman looked at the tree and she saw that it was good, it was good, you know, I am sorry I am not remembering the Scripture at the moment, I will find it in my Bible. This is Genesis 3:6;

Genesis 3:6 And the woman saw that the tree was good for food... (that does not necessarily mean physical food, we have to feed our mind also), ...and that it was pleasant to the eyes, and that it was a tree to be desired to make one wise. KJV

She wanted the wisdom, she wanted the spiritual food, that is what she wanted, spiritual food. We see that Adam immediately after the fall, he was gathered together with his earthen side, but he was still spiritually male because he had dominion over nature, but he was fallen, and at the end of this verse, we found out that what determined that he was fallen was that, well I am not going to say that now, but he was a fallen being, and fallen Adam went into Cain and Abel, his own female offspring. How many times have people come to us and says, ***Where did all of the people in the earth come from?*** Adam was a spiritual being and he had both male and female organs and he produced offspring, and he produced mortal offspring because he fertilized himself rather than, because his female parts fertilized himself rather than the light of God that was present in Adam to fertilize them. We are told here that he was fallen and he went into Cain and Abel, so what kind of offspring did he bring forth? He was not humanoid, we do not know what form he was in. How did he reproduce? I did a whole teaching on this many years ago, and the only form of reproduction that sticks in my mind is sweat born, well I know that there was cell division like amoebas divide in two, I do not know, maybe Adam divided in two, we know that he divided in two when Jehovah took his side, and made a woman thereof out that two sides, he had a female side and a male side, and Jehovah separated those two sides, and made him a man and a woman, whatever they looked like at that time. As far as Cain and Abel were concerned, I do not know, maybe they came from cell division, maybe he sweated them out, maybe I do not know, but there are all kinds of reproduction other than mammalian reproduction. Maybe they came from eggs, I do not think so, but anything is possible.

He went into Cain and Abel, his own female offspring, and they bear powerful spiritually male immortal warriors who had the character and spiritual authority of the mortal Cain and Abel. AT

We see that these are the giants, immortal powerful warriors came into existence, but they had the spiritual authority of the fallen mind, they were still spiritually strong, they were immortal, well I will explain that in another minute, they were spiritually strong, they were standing above the powers of nature, but they had the character and the spiritual authority of a mortal being, and the character and spiritual authority of a mortal being is the character and spiritual authority of the Serpent.

You may say to me, ***How could they be immortal? Even Adam was not immortal anymore.*** Brethren, there is an immortality of this age, the Serpent does offer those who worship her immortality, but it is an imperfect immortality, and it will exist only as long as this age exists, and is the immortality of this age, or the immortality of the Serpent's age. The Scripture clearly tells us that the Lord Jesus Christ is rolling up this age, rolling it up like a scroll, it is going to be destroyed, it is going to cease to exist, it will exist no more. A lot of people have this problem with the laws of the Old Testament, the Old Testament says in many places, ***And you shall do this forever***, meaning you will do this until the end of the age. A lot of Christians do not understand that, you will do this until the end of the age. Years ago I bought a lifetime membership in the Jack LaLanne membership gym, for the rest of my life I was to have free use of that gym, but guess what, the gym closed down and there is no Jack LaLanne gym. I had a lifetime membership. The laws of the Old Testament, a lot of them, are forever, it says forever, but it is till the end of the age. When Jesus Christ came, a new age began, those laws do not apply anymore, unless you are still living in that age. There are people existing on the earth today that live in a different age, and they follow the laws of the Old Testament, they are living in the past age.

The Serpent offers immortality, the immortality that will last as long as the Serpent's dominion last, but we know that the Serpent's dominion will not last, that he is going to come under the authority of the Lord Jesus Christ, and be diminished. The only true immortality is the immortality that we receive from the Lord Jesus Christ, and we are told that clearly that He offers us the only true immortality, the Lord Jesus, the potentate, the only king, the only true king that has the power to offer the true immortality and righteousness without pain or sorrow, but with joy and gladness.

I will just read the alternate translation. Genesis 6:4;

Genesis 6:4 And Adam the son of Elohim, was still standing up in spiritual power during that first time period after he came into existence, but the unconscious part of his mind was gathered together with his earthen side, so he was a spiritual male fallen being, and fallen Adam went into Cain and Abel, his own female offspring, and they bear power spiritually male immortal warriors who had the character and spiritual authority of the mortal Cain and Abel.

As I read this, it came to me, there is nothing new under the sun, this was happening in a high spiritual plane, but I have read about something that sounds just like that in Genesis 19:29, I am going to read you the King James Version of this same event, this same event happening in our world.

Genesis 19:29 And it came to pass when God destroyed the cities of the plain...(This is about Lot, we are talking about Lot and his daughters, because those of us are Bible students might know that Lot committed incest with his two daughters, and that they brought forth two nations, the Moabites and the Ammonites, read about in the King James)...**that God remembered Abraham, and sent Lot out of the midst of the overthrow when he overthrew the cities in which Lot dwelt.**

30 And Lot went up out of Zoar and dwelt in the mountains and his two daughters with him for he feared to dwell in Zoar, and he dwelt in a cave, he and his two daughters.

31 And the firstborn said unto the younger, *Our father is old and there is not a man in the earth to come in unto us as after the manner of all of the earth.*

32 *Come, let us make our father drink wine and we will lie with him that we may preserve seed of our father.*

33 And they made their father drink wine that night and the firstborn went in and lay with her father and he perceived not when she lay down, nor when she arose.

34 And it came to pass on the morrow, that the firstborn said unto the younger, *Behold, I lay last night with my father, let us make him drink wine this night also, and you go in and lie with him that we may preserve seed of our father.*

35 And they made their father drink wine that night also, and the younger arose and lay with him, and he perceived not when she lay down, nor when she arose.

36 Thus were both the daughters of Lot with child by their father.

37 And the firstborn bear a son and called his name Moab, and the same is the father of the Moabites unto this day.

38 And the younger, she also bear a son, and called his name Ben-ammi, the same is the father of the children of Ammon unto this day.

I prayed about these passages for years, and one of the rules that the Lord taught me early on is that there are no personal names, the entity spoken about is spiritual, if the Scripture talks about a man's wife but the wife has no personal name, the wife is inside of him. These two daughters have no personal name, and I am prayed about this for years and I was amazed what the Lord taught me a couple of years ago, that this was a spiritual event, that this was talking about, although I believe Lot was a physical human being like us, something happened in his mind, the parts of his mind, the Christ mind that was formed in him engaged in some homosexual spiritual sexual intercourse with his carnal mind. When I heard that from the Lord, I said, **Wow, Lord, then how did the Moabites and Ammonites come into existence?** It was beyond my ability to comprehend I was reading or what I was hearing Him says to me, but I encourage you all in situations like that, to humble yourself and just ask the Lord to help you to understand. When I first started to study Kabbalah, through all of the Kabbalistic literature, we read over and over again, and this we will understand if the Lord help us, and we will understand if the Lord help us. Brethren there is no way to understand these high spiritual principles unless the Lord helps us. The things of the spirit are alien to the carnal mind, only the Christ mind can understand them, probably the carnal mind can understand them and get it backwards.

Only if the Lord helps us, it is just not possible. This is what the Lord said to me, He said, **Sheila, this was something spiritual that happened in a high spiritual plane, the spiritual aspect of Lot's mind,** and how did the Ammonites and the Moabites get born?

The Lord said to me, **Well, this spiritual adultery that took place in Lot's mind, was a certain kind of behavior from him,** and he apparently went out from Zoar and met one woman or two different women, maybe they were harlots, maybe they were prostitutes, I do not know, maybe he got married, I do not know, but somehow there was physical offspring that came forth from Lot after he experienced this spiritual fornication of mind. What was the spiritual fornication of mind? It was a rationalization and a justification to not go on with God.

You may remember that Lot was told to go up higher, but he was afraid, so he only went as far as Zoar, he did not go as far with his spiritual growth as the Lord calls him to go. He stopped at Zoar because he was afraid. He yielded to that fear, he fornicated with his carnal mind, and then went out from Zoar and met one or two different women, I do not know, and produced two criminal races. Do you hear what I am saying? In our natural walk with the Lord, we are called to go as far as the Lord calls us to go. Jesus said, **If you turn back, I will have no part of you.** That does not mean that there is not room for repentance, He is talking about someone that turns back and walks away from Him, no repentance whatsoever. If you do not go on with Jesus, you are going to go backwards, and you are going to produce something ungodly. That is the message here.

I have reproduced in your notes, the ultimate translation of these verses, which are very interesting, this is what happened on the high spiritual plane. Genesis 19:29;

Genesis 19:29 And it came to pass that when Elohim was spoiling the spiritual cities of the circular underworld, that Elohim remembered Abraham, and sent word that Lot should be severed from the spiritual cities that he had married, (these are people that he was ministering to, he was a preacher), and that Lot should be returned to Abraham. But Leviathan, (that is the pride of man) overshadowed Lot and led Lot away from Abraham, the one who Jehovah sent to humble him. And Leviathan the other side of the mountain within Lot, (the other side of the mind of the mountain is Christ within Lot) the other side married Lot, (he married his carnal mind, why? Because Lot was afraid to marry Abraham, or to marry Christ within Abraham), the one who Jehovah has sent to humble him.

Brethren, that plays out in the natural all of the time, people are sent to this ministry, and they run from me, in the past people have run from me because they were afraid of me and they run right into the arms of the enemy, it has happened to unfortunately several people here. We see that Lot was afraid of the man that was manifesting Christ, the one who Jehovah sent to humble him. Why was he afraid? Because maybe Abraham was showing him his sins and he did not want to hear it.

And this is how Lot and Cain and Abel, Lot's two spiritual daughters were with him, descended into the spiritual cave of Satan's energy center and began to dwell there. And then Cain the firstborn said to Abel, who she despised, *Our father, the Serpent is a mature male who can bring forth a manchild that will follow the lifestyle of the earth. AT*

Remember that the word is bringing forth a manchild, the Lord Jesus is bringing forth a manchild, Jehovah is bringing forth a manchild, so we see that Lot's inner spiritual parts, Cain the evil one was saying, ***The Serpent can do it too, the Serpent can bring forth a mature male.*** Jesus the Christ is the mature male that was brought forth in the earth and those of us that are carrying his son, when that some comes to term, we will be mature spiritual males in the earth who have dominion over the earth. This is a major issue of humanity, because all of humanity is spiritually female, we are waiting for a spiritual male to be born who will take dominion over the earth, cut off hunger, cut off famine, cut off sickness, cut off death, we are waiting for the spiritual male. Here we see Lot's carnal mind, or an aspect of his carnal mind telling him, ***I do not have to have Christ born in me, my human nature can bring forth this spiritual man also.***

We have all kinds of teachings in the church today and in the world today saying that we are Christ, that we are born Christ, that we have the Christ consciousness, and we have the power to stand up in spiritual manhood, we do not need Christ. That teaching is in the earth today, there is nothing new under the sun. This is the teaching of Cain, she is saying

the Serpent is a mature male who can bring forth a manchild that will follow the lifestyle of the earth. When Christ brings forth the manchild, he brings forth the lifestyle of the spirit.

So come let us bring down Satan, the wine of the Serpent, our father's spirit, and have spiritual sexual intercourse with Lot, so that the seed of the Serpent, our father, our spiritual father, will revive. And then Cain was baptized into Satan...(that means Satan filled up in him)...the Serpent's twisted spirit, and the Serpent, the father of Cain, fell upon Cain, the firstborn, and the Serpent, the father of Cain connected with Cain sexually. AT

We see this is a spiritual sexual intercourse of mind, it is a spiritual sexual union of the parts of Lot's mind. How am I going to say that, I did not say that right. Just like the Lord Jesus Christ who is beyond us, is coming to us to form a union with Christ in us, to form Christ Jesus, the same manner the Serpent who beyond us, wants to come to Cain in us, because Cain is the conscious part of our carnal mind. The Serpent is looking to communicate with Cain in us to produce the unholy child that will not save us in childbearing, but that will bring us into hell when the child is born in us. That is what this means, **...And then Cain was baptized into Satan...** Satan flooded into that aspect of consciousness, **...and the Serpent, the father of Cain fell upon the Cain the firstborn...** this was spiritual incest in Lot's mind. **And the Serpent, the father of Cain, connected with Cain sexually...**, and Satan proceeds and a spiritual sexual connection was taking place which would preserve the Serpent's seed. I do not think I explained that properly, when the Lord Jesus Christ joins with Christ in us, we are rejoined to the immortal world from which we will be fed continuously, it is enough energy to preserve our life. The Serpent also has a comparable situation where the Serpent is looking to join with the negative parts of us to connect with her world permanently. That is what happened here, all of this spiritual adultery took place in Lot's mind, and he justified not going forward with God, not doing what the Lord had told him to do.

When the Lord sends us to somebody and tells us to submit to that person to be trained or taught and we choose to go the other way, we are choosing to join ourselves at least in that instance to the mentality of the Serpent. I am not trying to scare anybody, there is always the opportunity to repent, and there is always deliverance when we find out that we made a mistake, but that is the reality. If the Lord tells us to do something, and we cannot believe that it is Him, or we believe it is Him and we still do not want to do it, we need to understand that when we disobey God, we join ourselves to the forces of darkness in our own mind and in the world. There is only one or the other, there is no mutual ground. Either you join with the Lord Jesus or you join with the forces of darkness. Lot did not want to submit or humble himself before Abraham.

He did not do what he was told, and in his mind, the spiritual adultery and the spiritual incest took place, and he became joined to the powers of darkness.

The next day it came to pass that Cain, the Serpent's eldest daughter said to Abel, who she despised, *Look, I lay with the Serpent, my father*, (see, she did not say our father, so that means that Abel within Lot is still joined to Jehovah)...Cain said, *Look, I lay with my father*** (that means Abel within Lot's mind was still joined to Jehovah)...**Then Cain went on saying to Abel, *Now you go in and lie with the Serpent also, because when both of us drink down Satan, the wine of the Serpent's spirit, Leviathan the fruit of the Serpent, our father, will live again. AT*****

What is the fruit of the Serpent? The carnal mind. We see that Lot, and we know this based on other studies that we have done, Lot had Christ formed in him, and Abraham was sent as a teacher to raise up Lot higher, and Lot would not submit to the teacher that the Lord sent, so he fell prey to this spiritual adultery and incest, which caused Christ in him to die and the carnal mind to be reborn in him.

35 And so Abel drank of Satan, the wine of the Serpent, their father's twisted spirit also, and Abel who Cain despised, lay with the Serpent, and Satan proceeds and a spiritual sexual connection was taking place which would preserve the Serpent's seed. AT

We see that we have the sperma of the Lord Jesus... (End of Message 1)

Message 2

We see that we have the sperma of the Lord Jesus, but we also have the Serpent's seed. There is two of everything, every principle in the Bible, there is that which belongs to the Lord Jesus and that which belongs to the other side.

36 And this is how Lot's two spiritual daughters were impregnated by the Serpent, their father. AT

Brethren, if we can be seeded with the sperm of the Lord Jesus through the foolishness of preaching, we can also receive the seeds of the Serpent from preaching, from things that people tell us, from listening to the wrong program on television, from reading books that carry the Serpent's seed, our mind is a garden, our mind is a garden, and it receives all kinds of seeds. It does not discriminate. We see that Lot fornicated in his mind, he turned against the Lord because he would not submit to Abraham, and he was afraid, and his two spiritual daughters, Cain and Abel became impregnated by the Serpent, and the carnal mind was reborn in Lot.

37 And Cain, the Serpent's firstborn bear the principality who founded the nation which revealed the nature of Moab, and that same principality is the spiritual father of the Moabites to this day.

What does that mean? It means that, that nation of people called Moabites are born with this spiritual, with the spirit in them that is some aspect of the Serpent, it is a spirit of incest. We do not know who the Moabites are today; however, that nation was completely overtaken by Sennacherib, I believe all of the who was a great Assyrian, a powerful Assyrian general, and his day he conquered all of the surrounding nations except Judah, and they all intermarried, so we do not know who the Moabites are today.

38 And Abel who came despised also bear a principality and Abel founded a nation which revealed the nature of the son of Abel's people Ben-ammi, and that same principality is the spiritual father of the Ammonites to this day.

That means whoever is an Ammonite has the characteristics of that spirit. We had a little side study here because I could not read this.

Genesis 6:5 And Jehovah saw that the earthen Adam was very evil, and that the male anointing of the whole spiritual creation was not woven together with the earthen Adam's spiritual center, and that Adam's whole first time period after he came into existence was evil. AT

We have already pretty much dealt with this, with all of the drawings that we had on the board. **And Jehovah saw that the earthen Adam was very evil**, Adam that was joined together in his mind with his earthen nature, **And that the male anointing**, the anointing of the world of bound lights, of the whole spiritual creation, was not woven together with

the earthen Adam's spiritual center. We see that on drawing #3 that the world of bound lights was not woven together with the world of points in the case of fallen Adam, and in the case of mortal man, even the people in the church today, until Christ Jesus is formed in us and completely woven together with our carnal mind, we are in a vulnerable position and we have a tendency towards evil. Everybody in the earth today is good and evil. Even those of us that do good works and try to be good, evil exists in the unconscious part of our mind. The only hope of us not doing evil from the unconscious part of our mind, is to have our whole consciousness woven together with the glorified Spirit of the Lord Jesus Christ, which is in Christ Jesus.

Most of us cannot even see into the unconscious part of our mind, and if we did see into the unconscious part of our mind, most of us are not strong enough or smart enough to deal with the principalities that exists in the back of our mind. That is why we need a savior, that is why we need a savior. We today, except for those of us who are going on, the average person, lives in the outer world, and Jesus calls this world outer darkness. We do not live in the spiritual world. Do you know I read an article once, I believe it was talking about people in Haiti, the average person is so spiritual in Haiti that they, the way they express it is that they are in heaven and earth at the same time, that they are in the dream world and this world at the same time, and many of them are more conscious, more time being conscious in the dream world then they are in this world, dream world, spiritual world.

I am conscious in the spiritual world the whole time that I am awake, but I do not know or cannot compare myself to these other people because I do not have anything to compare myself to, but I am pretty spiritual. What does that mean? I can be doing any carnal activity and the Lord can drop a revelation on me, I have an open channel, there is an open channel between the Lord and myself.

Most people if they want to hear from the Lord, they have to do something to get spiritual, but He just breaks forth on me whenever He wants to. Thank God, I thank God for that relationship. That is what we are talking about here. In order for that to happen in my case, Christ Jesus must be woven together with my carnal mind at least to some degree, I know it is not a done deal, because I mess up too much for it to be a done deal, aside from the fact that I still have a tendency to get sick and need all kinds of vitamins and things like that. Apparently though, Christ Jesus is woven together with my carnal mind enough so that there is an open channel of communication, and that gives me the opportunity to police my unconscious mind. I frequently see very ugly thoughts in my own unconscious mind, and I have to destroy them, I war against them, I beat them up and I burn them at the stake and I do whatever I have to do, because if I do not do that, I am responsible for whatever activities and unhappiness or evil they bring to pass.

One more time Genesis 6:5 alternate translation;

Genesis 6:5 And Jehovah saw that the earthen Adam was very evil, and that the male anointing of the whole spiritual creation, (that is the world of bound

lights) ...was not woven together with the earthen Adam's spiritual center, and that Adam's whole first time period after he came into existence was evil. AT

This is on the other side of the flood, and of course these Scriptures are building up to Jehovah's decision to bring a flood, and what that flood was is another story. I am going to read the alternate translation of Genesis 6:1-5;

Genesis 6:1-5 And it came to pass that Adam broke his covenant with Jehovah when he gathered together with the Serpent, the personality of the earth that belonged to him. And this is how Cain and Abel, spiritually female offspring, were born to Adam. And Adam the son of Elohim saw Cain and Abel his offspring and tried to enfold only Abel, the good side of the whole woman who belonged to him. (Obviously he failed though because Jehovah said in verse 3) **My Spirit shall not judge Adam in the eternal world beyond time because he apologized after he sinned, but Adam, this male spiritual sexual organ of mine will exist for 43,830,000 years in the first time period after Adam came into existence. And Adam, the son of Elohim, was still standing up in spiritual power during that first time period after he came into existence, but the unconscious part of his mind was gathered together with his earthen side, so Adam was a spiritually male fallen being. And fallen Adam went into Cain and Abel, his own female offspring and they bear powerful spiritually male immortal warriors who had the character and spiritual authority of the mortal Cain and Abel. And Jehovah saw that the earthen Adam was very evil, and that the male anointing of the whole spiritual creation was not woven together with the earthen Adam's spiritual center, and that Adam's whole first time period after he came into existence was evil.**

I think the Lord just wants me to say something again about the account of Lot and his two daughters, my whole point with that is that there is nothing new under the sun, and that the same thing is happening on multiple planes of consciousness simultaneously. What we are reading about in Genesis 6:1-5 happened, the same thing happened in this world, in the time period that Lot existed. It is the same event happening on two different planes of consciousness. Is everybody okay with that? Let us do a little bit more. Continuing with Genesis 6:6-8, King James Version;

Genesis 6:6 And it repented the Lord that He had made man on the earth, and it grieved Him at His heart. KJV

Once again we see the King James translation unfortunately making it sound, making Jehovah sound like a vengeful God, who would just wipe out His creation because they were not doing what He wanted them to do, but when I looked up the meanings of the words, I found out that the Hebrew word translated **repented** could also mean **to breath strongly**. I remind you that Jehovah breathed the breath of life into Adam. I am always saying to the Lord, I am always asking Him, I am asking people, **Why would God destroy when He has the power to regenerate, when He has the power to renew? God is the builder of life, He is not the destroyer of life. We see here that Jehovah breathed strongly, Jehovah the one, and besides I find it to say that, Jehovah was sorry that He made man, that would make God capable of error, and God is perfect, how could He be capable of error? He is not capable of error, and He is capable of making everything as He would have it to be. This creation is still being fashioned and it will come into line with the will of God that imagined us, we are going to be as He wanted us to be or how we appeared in His imagination of us, is going to happen.**

The problem is our minds are so finite and we do not remember anything from incarnation to incarnation, so we tend to judge cosmic and spiritual events by our own time sequences which men do not live much more than a hundred years, 90 or 100 years today, but God is eternal, and His plan transcends the incarnations of this age. This creation will come into the image of Jehovah, without a question of a doubt.

*We see here, we are translating **strongly, repenting** we are translating **strongly**. **And it repented the Lord** (that is Jehovah) **that He made man on the earth and it grieved Him at His heart.** I did not indicate here that the Hebrew word translated **grieved** can also be translated **carved**. This translation is coming forth from the carnal minds of the King James translators who by the way, the King James translators were under the influence of the Catholic church, and the condemnation of the Catholic church, so they were seeing Jehovah as a punishing God, and they chose to translate the Hebrew word in this verse as **grieved**, but I have a different mind, and I choose to translate the Hebrew word appearing here as **carved**, and the general principle of the word carved, what it signifies in the Scripture usually is to carve or to engrave, it is talking about the impartation of nature. Nature is engraved upon us, that is why some of us who are going on with Christ have some painful experiences because having the nature of the Lord Jesus Christ engraved upon us is painful.*

You try engraving something on your hand, it is painful. The significance of it is, is that the nature is being permanently marked on us, it is not just lying on surface that it could be washed away, because we are born with the Serpent's nature, so it is painful being told that something that you thought or something that you believed or something that you felt or an attitude that you manifested, is the nature of the Serpent, and that Christ would have done it another way, it hurts. That is the carving of the life of God into your life, that is the engraving of the nature of the Lord Jesus on your heart, the exposure of the attitudes and the rational of the carnal mind, and then being told how Christ would handle it, that is the engraving of the nature of the Lord Jesus Christ, who is Jehovah

covered in the personality of the Lord Jesus, that is the engraving of His nature on your heart, and it hurts. It just plain hurts.

This is the alternate translation that the Lord showed me, Genesis 6:6 alternate translation;

So Jehovah breathed strongly into the earthen Adam whom He had made, and Jehovah's breath carved Jehovah's nature in Adam's heart center. AT

I love doing these alternate translations, I learn so much from them, when I look at this translation, what it says to me is that, Adam for the first time period of his existence which was several million years old, several millions of years long, it was before Jehovah had breathed the breath of life into him. I mentioned this at the beginning of the message. Jehovah formed, it was actually Elohim formed Adam from the earth of the ground, and he lived for millions of years before the breath of life was imparted to him. Initially that sounds very strange, but if you stop to think about it, that man has been in existence for about six thousand years, and the Lord Jesus is just now in the process of breathing His breath of life into us, it does not sound so crazy. We existed for thousands of years without the breath of Jehovah in us, we have the nature of the Serpent, the spirit of the Serpent.

I have a witness for you, John 20:20-23, speaking about Jesus now;

John 20:20-23: 20 And when He had so said, He showed unto them His hands and His side..., (this was after Jesus was resurrected, after the crucifixion), ...then were the disciples glad when they saw the Lord.

The disciples believed it was Jesus when they saw the holes in His hands, in other words they had no spiritual understanding of who He was except that He was crucified, and there are a lot of people like that today brethren that are Christians, they are immature Christians, the only knowledge that they have of the Lord is that they know that He was crucified, they do not know Him any more closely or intimately than that.

21 Then said Jesus to them again, *Peace be unto you, as my Father has sent me, even so send I you.*

I have reproduced the definition of the Hebrew word translated **peace** here, we are told as a primary word it means by implication **prosperity, quietness, rest, set at one again**, those of us that have been studying here for a while know that those are all definitions of

what? Anybody? Salvation, those are definitions of the Hebrew word translated **salvation**. That is what salvation means, peace with God, quietness, rest from war, prosperity, spiritual, emotional, physical, intellectual, prosperity, set at one again with God, the doing away with the enmity in our flesh. The enmity that we have with God is in our flesh Paul said. Jesus said to the disciples, **Peace be unto you**, and you receive salvation, **as my Father has sent me, even so send I you**.

22 And when He had said this, He breathed on them...

Genesis 6:6 says, Jehovah breathed strongly into the earthen Adam... AT

Genesis 6:5 says, And Jehovah saw that the earthen Adam was very evil... AT

What did Jehovah do? Verse 6, He breathed strongly in to the earthen Adam. He saw Adam was evil so He breathed His life into him. We see that Adam had a conscious existence before the breath of life was breathed into him, and we see that the disciples of the resurrected Jesus had an aspect of life before he breathed his glorified life into them. **And after Jesus breathed His glorified life into His disciples, He said to them, Receive ye the Holy Ghost.** What does it mean that you receive the Holy Ghost? Who is the Holy Ghost? It is the breath or the life of Jehovah coming through the resurrected Jesus Christ. We see the same thing happening on two planes of consciousness. What happened to Adam in Genesis 6:6 is happening to the disciples of Jesus in John 20:22, and it is happening to people today, it has been happening to people ever since for two thousand years. Jesus said, **As my Father sent me, even so send I you**. The disciples of the Lord Jesus have been breathing on other human beings for two thousand years now, imparting the life of the Lord Jesus. And Jesus said, **When I breath on you, you are going to receive the Holy Ghost.**

23 (and what is more) Whosoever's sins you remit, whosoever you forgive, they are forgiven, and whosoever's sins you retain, they are still going to be subject to punishment. KJV (amplified)

We see that we can intervene with the manifestation or the enforcement of the sowing and reaping judgment by forgiving someone's sins against us. That does not mean that they get away with it, that means that they learn from it and grow and go on, because if

we forgive somebody, we turn them over to the Lord, and He will deal with them in a manner that will teach them and help them to grow from the experience. There still will be a consequence for what they did, there has to be a consequence, every cause has a reaction, and every sin will have a just recompense, but that recompense can either be destruction or we can grow from it, that is the difference.

When we forgive the person, they grow from their sin against us rather than be destroyed, and that is the power that we have. When I first, just to read this, I thought, **Well, I could just go around saying to everybody, I forgive you, of course you are forgiven.** No, no, it only counts when the person sins against you. You can only forgive the sins of somebody that has sinned against you. When you become a spokesperson for Christ Jesus, which I am a lot of the time, sometimes I pray for people, lots of times I pray for people and I say, I forgive your sins, I am speaking for Christ. I am an ambassador for Christ, I have Christ Jesus resident in me and that makes me an ambassador for Christ. When I say, **I forgive your sins**, if you have not harmed me, I am speaking for Christ, because everybody has sins against Christ. We are told in the Scripture, God was in Christ reconciling the world unto Himself. He wants us back, we are dirty, we are filthy, we are ugly, we have done really bad things in compared to the righteousness of God, but He wants us back, and it taking us back, but we cannot stay the way we are, we have to get cleaned up to stay with Him.

We have the power to forgive people and to see them learn and grow rather than be destroyed because we want vengeance against them. I have a comment on that. Please note that verse 6, I already told you this, suggest that Adam did not have Jehovah's nature carved in his heart during the first time period of Adam's existence in the visible world. That means that there was a whole age or time period between Jehovah forming Adam from the dust of the ground and Jehovah breathing the breath of life into him. That of course is on a higher plane of consciousness, we see the same thing taking place in our world, it is two thousand years, you know since Jesus breathed on His disciples, and it was however many thousands of years it was at the time, the 6,000th year, it was 4,000 years of humanity's existence. From the time that, it was 4,000 years from the time that Adam appeared in the visible world and that Messiah appeared to breathe the breath of life on him, 4,000 years in this world, in this level of consciousness, millions of years on the other levels of consciousness, interesting yes? I gave you a few witnesses to this comment here.

Genesis 2:7 And the Lord God formed man of the dust of the ground, (that is the first time period of Adam's existence) ...and breathed into his nostrils the breath of life, (that is the second time period of Adam's existence, we are taught this, and the third part of the verse is) ...and man became a living soul. KJV

Most human beings today are not a living soul, they are souls, but they are not alive, they are dead souls. I am suggesting to you that there is a third time period of Adam's

existence in which human beings on this level of consciousness will become living souls, rather than dead souls. All of these three time periods appeared in one verse, Genesis 2:7, and they are separated by, these three events are separated by thousands of years.

Genesis 1:12-13 And the earth brought forth grass and herb yielding seed after its kind, and the tree yielding fruit whose seed was in itself. (See, Adam's seed was in himself) ...and after its kind. And God saw that it was good and the evening and the morning was the third day.

We see that the third day of creation has to do with the bringing forth of grass which signifies the young Adam, who had seeds in himself. We now have two witnesses that the living soul came into existence on the third day, that human life with the breath of God came into existence on the third day. Going forward to the New Testament, we read in

I Corinthians 15:4;

I Corinthians 15:4 (talking about Christ now) And that He was buried and rose again the third day according to the Scriptures.

Most people believe this is talking about the man Jesus of Nazareth but I teach otherwise, I teach that this is talking about the Adam, the Christ, the son of God, He was the Christ and He died, and He was buried under the earthen aspect of the creation, but He rose again on the third spiritual day, and Christ rose from the dead in the personality of Jesus of Nazareth, and that way Jesus became the last Adam. Jesus said, ***I am the first Adam and the last Adam.*** The dead Adam rose in Him, that means Jesus of Nazareth experienced, He had a spiritual experience called the third day. All of the human beings, all of our fellow human beings out there who have had no experience with Jesus Christ, they are experiencing the first spiritual day. Those of us who have Adam, the beginnings of Adam being regenerated in us, Christ in us, we are experiencing the second spiritual day. In the day that Christ Jesus stand up in us in full stature which we are all hoping is going to happen in our lifetime, we will be experiencing the third spiritual day.

Luke 13:32 And Jesus said unto them, *Go ye and tell that fox,* (He is talking about Herod) *...Behold, I cast out devils and I do cures today and tomorrow, and on the third day, I shall be perfected.*****

The message here brethren, if you can hear this, is that every human being, the person sitting next to you, your husband, your wife, your relatives, we are not all in the same spiritual place, we are not all at the same spiritual time. You cannot tell by looking at people, you can only tell by talking to them, what spiritual day that person is in, and what they are experiencing spiritually. Everybody here today I trust is in the second spiritual day hoping to enter into the third spiritual day in our lifetime. Any questions or comment before I go on? I am going to try and finish this, we will see.

Genesis 6:7 And the Lord said, *I will destroy man whom I have created from the face of the earth, both man and beast and the creeping thing, and the fowls of the air, for it repenteth me that I have made them.*

That does not sound like my God to me, He does not repent that He made somebody, He just fixes us, if there is a problem, He just fixes us. I looked up the meaning of the Hebrew word, and I found out amazingly that the Hebrew word translated **destroy**, let me just review for you, the words that I have in parentheses, are the words that appear in the King James, and the words that I have in the square brackets are words that I have added there called amplifications, I have added them to help bring forth the meaning of the Scripture as the Lord showed it to me. Much to my amazement the Hebrew word translated **destroy**, can also mean **oil**, and oil is a type of the anointing. The King James translators chose a word that means, an English word that means destroyed, and they could have chosen a word that meant the anointing, but they did not understand, they did not have a revelation of God's mind.

The word **created** can be translated **engraved**, and the word **from** we are translating **above**, the Hebrew word translated **face**, we have been translating that **personality** for a long time now. The Hebrew word **Adam** had a prefix before it, the Hebrew letter **mem** which means **soul**, so we are going to include that in our translation. Let me see what else we have here, the **reptile**, I believe the **reptile** in human beings is called the **Fiery Serpent**, which is a collective name for the fallen Cain and Abel, they are the immortal foundation of all human beings, they are connected to the Serpent's world, which sustains us, and that is a translation of **creeping thing**. It means **reptilian** and my amplification is that it means the **Fiery Serpent**, our immortal foundation. The Hebrew word translated **fowls**, it means that, **fowls**, but spiritually speaking fowls are birds that fly in the air, it is talking about **our spiritual aspect**. Again, the Hebrew word translated **repent** is we are translating **breathed**. Alternate translation Genesis 6:7;

Genesis 6:7 And Jehovah said, *I have engraved Adam with my nature, which is far above the personality of the earth.* (So Adam's soul is far above the bestial nature of the earth, and far above the reptilian nature of the Fiery Serpent) **...Adam is a spiritual being who flies in the heavenlies because I Jehovah made him,**

and breathed the breath of life into him, and eventually I will anoint Adam with the oil of My Spirit. AT

We see the three days over there, if you can hear it, I am going to read the last sentence again. ***Adam is a spiritual being who flies in the heavenlies because I Jehovah made him and breathed the breath of my life into him, and eventually I will anoint Adam with the oil of My Spirit. AT***

First day, I made him, second day, I breathed the breath of My life into him, third day, we know he becomes a living soul on the third day, so the day we receive the oil, Christ's oil typifies Christ Jesus, the day that Christ Jesus appears in us, we have the oil of God and we are in the third spiritual day. At the beginning of the third spiritual day, we have the oil, but at the end of the third spiritual day, we are fully resurrected and standing in spiritual power.

Let me read you the first part again, ***Jehovah said, I engraved Adam with My nature, and My nature is much higher than the earthen nature of the carnal mind, so because Adam has My nature, his soul is far above the bestial nature of the earth, the nature of the earth is that of the beast, and Adam's soul is also far above the reptilian nature of the Fiery Serpent.*** Remember, fallen Adam, we are the offspring of the Serpent, we still have Jehovah's breath in us, but the Serpent fathered us, so Jehovah is saying, ***Adam's soul is higher than the nature of the earth which is a beast, and is higher than the nature of the reptile, the Serpent, who impregnated the spiritual woman. Adam is a spiritual being who flies in the heaven, because I Jehovah made him and breathed the breath of life into him, first and second season, and eventually I will anoint Adam with the oil of My Spirit, that is complete dominion over the carnal mind. AT***

Genesis 2:7 And the Lord God formed man of the dust of the ground and breathed into his nostrils the breath of life and man became a living soul.

Psalm 45:7 Thou lovest righteousness and hatest wickedness, therefore, God, thy God, hath anointed thee with the oil of gladness above his fellows.

Gladness comes in Christ Jesus. We are told that Jesus was anointed with the Holy Ghost, the disciples were baptized with the Holy Ghost which signifies water, but Jesus was anointed with the Holy Ghost, Jesus had the oil, He had the oil of gladness.

Isaiah 61:3-4 To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for their mourning, or in place of their mourning, the garment of praise for the spirit of heaviness, that they might be called trees of righteousness, the planting of the Lord, that He should be glorified in us.

Those of us who are mourning today, but we are in the Lord, we are in Zion, His promise is to give us beauty for ashes, and that word *beauty* signifies **Christ Jesus**. Beauty is Christ Jesus, maybe next week I will go into that in more detail. I think you are all becoming saturated, so I would just like to finish this up and we can go over the last parts of it next week.

Isaiah 61:4 And they shall build the old waste, they shall raise up the former desolations and they shall repair the waste cities, the desolations of many generations.

Genesis 6:8 But Noah found grace in the eyes of the Lord.

Names are very important, whenever we come across a name in the Scripture, I am always looking to see what that name means, so I printed out some of those meanings for you. I looked up the word **Noah**, and we see that Noah is Strong's #5118, and it means **quiet**, it is from a series of other Strong's words which means **quiet, to rest, to settle down, to withdraw, to give comfort, to be let alone, to be considerate, to lay down, to remain quiet**.

All of these words suggest that Noah had an intimate spiritual relationship with Jehovah. Brethren the only ark that is going to save you, the only ark that is going to do you any good, is the ark of Christ Jesus. We have to have an intimate relationship with Jehovah through the Lord Jesus Christ, that is the only thing that is going to save us. We have to be considerate with the Lord. Jehovah and Noah were in a covenant relationship, and therefore Noah was at peace, and he had no fear, settle down, which is one of the definitions there, it means to have no fear. The closer we get to Jehovah, the less fear we have.

The Hebrew word translated **grace**, I translated that word twice, it is allowed, it is called amplification, one meaning of the Hebrew word **grace** is **humble**, and the other meaning that we are taking is **beauty**. The meaning of the Hebrew word translated **grace** is **beauty**, which means, beauty is another name for **Jehovah**. It means that Jehovah was with him. The Hebrew word translated **found** we are translating **attained**. The Hebrew word translated **eyes**, I have been telling you this for years, it does not mean physical

eyes in our head, it is a very spiritual word, that signifies the whole world that the eyes see. You have heard the saying, *beauty is in the eyes of the beholder*, this is the whole world that the eyes see, and right now it is talking about Jehovah's eyes, so the world that Jehovah sees is the kingdom of God.

Genesis 6:8 But Noah was humble before the Lord, and had attained to the spiritual world of Jehovah, which is called beauty. AT

Genesis 6:6-8 So Jehovah breathed strongly into the earthen Adam whom He had made and Jehovah's breath carved Jehovah's nature in Adam's heart center, and Jehovah said, *I have engraved Adam with My nature, which is far above the personality of the earth, so Adam's soul is far above the bestial nature of the earth, and far above the reptilian nature of the Fiery Serpent. Adam is a spiritual being who flies in the heavens, because I Jehovah made him and breathed the breath of My life into him, and eventually I will anoint Adam with the oil of My Spirit.* But Noah was humble before the Lord and had attained to the spiritual world of Jehovah which is called beauty. AT

Genesis 6:1-8 And it came to pass that Adam broke his covenant with Jehovah when he gathered together with the Serpent, the personality of the earth that belonged to him. And this is how Cain and Abel, spiritually female offspring, were born to Adam. And Adam the son of Elohim saw Cain and Abel, his female offspring, and tried to enfold only Abel, the good side of the whole woman who belonged to him. (But obviously he failed, because Jehovah said) And Jehovah said, *My Spirit shall not judge Adam in the eternal world beyond time, because he apologized after he sinned, but Adam, this male spiritual sexual organ of mine, will exist for 43,830,000 years in the first time period after Adam came into existence.* And Adam the son of Elohim was still standing up in spiritual power during that first time period after he came into existence, but the unconscious part of his mind was gathered together with his earthen side, so he was a spiritually male fallen being. And fallen Adam went into Cain and Abel, his own female offspring, and they bear powerful spiritually male immortal warriors who had the character and spiritual authority of the mortal Cain and Abel. And Jehovah saw that the earthen Adam was very evil, and that the male anointing of the whole spiritual creation was not woven together with the earthen Adam's spiritual center, and that Adam's whole first time period after he came into existence was evil. So Jehovah breathed strongly into the earthen Adam, whom He had made, and Jehovah's breath carved Jehovah's nature in Adam's heart center. And then Jehovah said, *I have engraved Adam with My nature which is far above the personality of the earth. So Adam's soul is far above the bestial nature of the earth, and far above the reptilian nature of the Fiery Serpent. Adam is a spiritual being who flies in the heavens because I*

Jehovah made him and breathed the breath of My life into him, and eventually I will anoint Adam with the oil of My Spirit. But Noah was humble before the Lord, and had attained to the spiritual world of Jehovah which is called beauty. AT

I just want to keep you for a few more minutes, I have one more comment here. We see that in his first time period, Adam was evil and Jehovah's solution to his problem was to give out of His Spirit. To all of those evil people out there in the world, Jehovah's solution, the solution of the Lord Jesus Christ is to give them adventure. When the day comes that this becomes a reality in our world, we are going to empty out the jails and the mental institutions. Right now we have to lock these people up because they are criminals, but if we had the power to impart the righteous nature of the Lord Jesus Christ to them, why would we want to jail people.

We see what Jehovah's solution is to the problems of the world. Why is this not happening? Because Jehovah's representatives, His ambassadors, the people that He entrusts with His power to do this great work of imparting righteousness to the evil, are not yet prepared. As much as this may sound bizarre to you or way out, or impossible, we are it! We are it! The Scripture says He will take and use the weak things of the earth because the strong of the earth are too proud to submit to almighty God. He also says that in our weakness when He comes into us, we become stronger than the strongest of the earth. Those of us who are pressing forward to follow the Lord, we are in a program that is designed to bring forth the righteousness of Christ Jesus in us who is instructed by His Father to interpenetrate and weave together with our carnal mind so that our carnal mind is completely nullified. When our sin nature is under control, we will receive supernatural power to impart righteousness to the most evil of the earth, that is the Lord's intentions for His people.

Creation is still going on, and the Lord is doing His work through human beings, Jesus of Nazareth is our example. The plan of Jehovah, the fullness of creation is first now coming to our world. The first day of Adam's creation is here. The majority of human beings are in the first day. They are just evil, even if that evil is just that they were stealing a dime from somebody that they owe the dime to. They do not have to be serial killers to be evil.

Those of us who are seeking to follow the Lord Jesus, some of us are in the second day of creation, and some of us are in the very beginnings of the third day of creation. A day of creation could be thousands of years, we are just in the beginning of the third day, the day of our perfection, and when we are ready, we will be sent back to the rest of humanity, to do the will of the Father, not to destroy, but to save the very evil by imparting righteousness to them.

That is what we are called to brethren, that is a glorious calling. Right now the message that is in the church is the message of the Serpent, I am very sorry but it is the message of the Serpent, and it is coming out of the mouth of some very well meaning preachers. The big confusion is that the Holy Spirit is present with the false doctrine, why would that

be? Because that is the best humanity can do at this time. The Lord has to work with who He has to work with, and the fivefold ministry that is in the church today is really just the John the Baptist company, they are the forerunners, they are not the genuine article, they are out there doing the best that they can, the Lord is doing the best He can with them.

The secret weapon of the Lord Jesus Christ, the secret weapon is a company of people that are in endued with the nature of Christ Jesus, and the supernatural power that comes or arises out of righteousness. Jesus Christ, the Lord Jesus Christ is the savior of the world, and the world will be saved despite the fact that human beings with our puny minds cannot understand how it could be two thousand years since He was resurrected and the world is still a mess. It is going to happen anyway in His time, and hopefully we are going to be a part of it, very exciting, any questions or comments before we close for tonight?

COMMENT: I think I have two, one is that we always say, *beauty for ashes*, well it is so beautiful, I never heard Jehovah for ashes.

PASTOR VITALE: Okay, we can go into that next week, but beauty is one of the names that is attributed to the Sefirot called Tiferet, and Tiferet is associated with Jehovah, and that is a whole teaching so I cannot go into that now, because you will all pass out on me completely.

COMMENT: The other thing is, I always wondered in the Scripture when it talked about the two daughters going into Lot, and to me it seems so impossible that the man did not even know that he was having relations with his daughter, and I use to say that to the Lord, *Lord, I cannot see how it could be*. Then I said, *Well, then how did the Ammonites and the Moabites...*, because in the Scripture it says later that the Moabites would not even be allowed in the church, but by the grace of God, Ruth married a Moabite, and Jesus is the outcome of that whole relationship. You explained today that it was spiritual adultery, so now I see.

PASTOR VITALE: Oh, I am very glad to hear that, thank you. Anybody else? God bless you all.
