TRANSCRIPT OF MESSAGE #631 - Part 1

THE LAST NOAH

This Message Has Been Transcribed and Edited For Clarity, Continuity Of Thought,
And Punctuation By The CCK Transcribing and Editing Team.

Praise the Lord everybody, the Lord has given me a spontaneous message, the last minute, I did not even have time to write up notes that I would have liked to have written up. It appears that there is no time left, there are now several messages that I started, you all know me, I like to go into all kinds of detail and explain it in detail, but apparently He is not letting me do that.

My guess is that He has an agenda and that the Lord really has a time table and getting the revelation out to the people who will be ascending seems to be essential. I started to preach to you not too long ago that we are climbing Jacob's ladder into the higher energy centers because that is where our protection is. When judgment falls our protection is not to run physically because there will be no place to run. The only place to run for safety will be into the higher energy centers and that is why Jesus tells that in that day we should flee to the mountains. He does not mean Adirondacks, He means the higher energy centers, and we can only get into the higher energy centers of God if we are permitted in.

The way we get in is by walking up the rungs of Jacob's ladder, and the way we ascend to a higher rung on Jacob's ladder is by receiving and believing and truly digesting the revelation that is associated with that rung, that is how we ascend. Each rung has a specific spiritual truth associated with it, and it is not enough that we hear the truth preached, and it is not enough that it tickles our ears, we have to by the grace of God you know, we have to ask the Lord to help

us if we are struggling to actually believe it and our mind has to digest it, because as our mind digests it, the flesh of the son of man is built into us, just as when we eat animal flesh, we eat a steak or chicken or fish, it puts flesh on this physical body, when we eat the word of God, it builds, when we eat it the true word of God, coming forth under the anointing, it builds the flesh of the son of man within us, and our safety is within us because the son of man within us is our passport into the higher energy centers with God.

This is the degree of my understanding, I would expect revelation to come out as I preach it, and I hope I can do the whole thing today. I told the Lord I will just do the best I can, that is all I can do. It seems that there is a rapture; but it is a spiritual rapture and it is not for the whole church. This is my understanding it is not for the whole church. There really is an elect.

I know when I first started preaching I was offended at the thought of there being an elect, but that was my carnal mind, there is an elect; there is a group of people in whom the son of man will appear. It is not that we are special because of anything that we did or because of who gave birth to us or what race we are, but it has to do with who we are an incarnation of. All of the political correct world that we live in today is just going to have to buckle down and accept this truth because it is the truth of God, and I do not like it myself and so it is just hurting my own carnality I guess, but brethren this is the revelation of the truth concerning humanity; there are both annual and perennial plants. I hope everybody here knows that the Lord considers humanity a planting.

The life of God planted in the earth; that is who we are, that is who humanity is. We know that grass is coming up on the face of the earth and herbs and for the purpose of the point that I am trying to make to you right now; this was a specific word from the Lord to me last week, there are annuals and there a perennial plants. There are people who exist on the earth today who just exist for one lifetime. They have come up, they are born on the face of the earth, this was the first message I ever preached, it was one of the first messages that I ever preached, that some people are born because of the will of man, some people are born because two people want to have a baby, some people are born because two people have sex and do not want to have a baby and have the baby anyway, and one out of four categories of the reason for birth is that there are people who are the incarnation of Israel.

Israel is a spiritual being, he is a spiritual being and he incarnates in multiple garments, human beings are garments. The people who are an incarnation of a spark of the Adam who died; I guess that is who Israel is. I am not going to say that for sure right now because I do not know, and I am just doing the best

I can to preach what the Lord wants me to tell you, believe me I do not have all of the answers, I do not have most of the answers but I seem to have more answers than what is being preached in the church today.

We all know that Adam died; Adam of the age of innocence died after he was seduced by the serpent, and his body broke into a multitude of pieces, and even those pieces have now divided into sparks, each piece is a soul and each soul has divided into sparks meaning that humanity is in such a fallen condition at this time that we are so, you know, our condition, this physical body, I am talking about the physical body, it is so inferior that it cannot even contain a whole soul. Each of us is a spark of a soul. There are people, human beings on the face of the earth who are annual plants, annual spiritual plants, and they will live out their lifetime and they will not, the only residue of them will be if they leave offspring in the earth, that soul travels along the earth. That is the only residue of them. That particular person, that spark, whatever it is that gave them animation will not be seen again.

There are perennial plants in the earth, and everyone who is a perennial, everyone who is an incarnation, who is the product of reincarnation, is a spark of the Adam who is the original creation of God who were seduced and died. Of course there is nothing to be proud about if you find out that you have reason to believe that you are a perennial, there is nothing to be proud about, and if you find out that you are an annual, or that someone that you know is an annual, the Scripture talks about the strangers in the land. Jehovah speaks continually about the strangers in the land. That means people who are not incarnations of Israel. We are to be kind to them and have great mercy on them and if anyone who is an annual for some reason gets a vision of what God is doing and wants to join us, if it is sincere, they should be welcomed into our ranks. That is the teaching of the Scripture.

It just is, okay, nobody is special, and nobody is non-special as far as we humans go. Israel is special because that is God's creation, but it just is. This is just the way it is. A second point that I would like to present to you that the Lord told me and He is not letting me take the time to present the Scriptures to you, but He drew the distinction for me between the son of God and the son of man. Those of us that read the Bible know that Jesus clearly said I am the son of God and I am the son of man. I must admit that I always thought the son of man was inferior to the son of God, but the Lord tells me not so. It is so obvious that sometimes things are so obvious that I am amazed that I do not see it, but brethren we are all waiting for the manchild to be born, we are not waiting for the godchild to be born, we are waiting for the manchild to be born and Jesus said I am the manchild, but He did not say manchild, He said, I am the son of

man. The son of God is Christ, Christ in you the hope of glory, Christ the anointed one, the son of God, and it is Christ who is marrying the glorified Jesus Christ, Christ who is a part of your being.

We did a message on the lamb last week and we found out that the lamb is the symbiotic twins, Cain and Abel with Abel prevailing, that is who Christ is, Christ is the son of God and He is a part of your humanity. The son of God within you Christ is to be wedded, He is the bride of the glorified Jesus Christ and when that marriage takes place there will be an offspring Christ Jesus. I have been teaching this for a while. Christ Jesus is the manchild, He is the manchild. If any of you desire to do your own studies, just do a search in your Bible program or however you search and you will see that all of the warfare, the warrior and the warfare fought is by the son of man, it is not by the son of God, it is the son of man who is the warrior.

The son of man is the manchild that is being born again in us, or is being born in us, and He is Christ Jesus. The lamb is our immortal foundation, Abel and Cain with Abel on top joined to the household of God, that is who the Lamb of God is. The manchild is the offspring of Christ and the glorified Jesus Christ and He is the warrior, He is the one that is defeating the powers and principalities that have been ruling over and controlling mankind for centuries now and He is the one that is taking the kingdom back for His Father. That is another definition I wanted to give to you.

As I woke up this morning, actually for the last few, I do not know; who knows for how long, days, weeks, I do not know, the thought of Enoch has been in my mind and I realize that I really do not know all that much about Enoch. I do know that the sages, the Jewish sages teach that Enoch is one of the foundational principles. Like I will say to for example, what we are, humanity is or the God part of humanity is an incarnation of Michael. If you follow my teachings all of the way back, you know that I say that Michael is the seed in Jehovah's semen, that Michael is the one who is the foundation of the creature that Jehovah is creating, and the creature that Jehovah is creating is a house for God to live in, that is what we are, we are a house for God to live in.

God is so great that this house is conscious and we are it, human beings are it. I have been preaching for a long time that Michael incarnated and then Elijah, that he incarnated as Elijah, and then he incarnated as, however the chain is, I am not, my mind is not in that place this morning, so I am going to skip over it.

The Jewish sages say that Enoch came before Michael; at least that is my understanding. I never, as I have told you, I have a great respect for the Jewish

sages, and aside from the fact that they cannot see Jesus is Messiah, and this is my understanding, they reject the concept of a new man, they think that who they are as they exist are going to be converted into the righteousness of God.

Aside from that, just about every revelation that I have ever seen in their literature the Lord has witnessed to me, either has witnessed to me that it is true or has not interfered with my believing it. I have great respect for their teaching. That was one of the issues that I had put on the shelf Enoch, and did not even really bother checking him out for whatever, and probably the reason we can only learn so much at a time. I do follow the Lord's leading and I was just never led to Enoch before. Enoch has been floating around in the spirit, and of course I have had a lot of questions for the Lord recently. We all know what is happening politically and all of these prophecies about the world coming to an end in 2011 or 2012, with all of this something is happening.

Aside from that we are waiting, well actually we are waiting for more than, the jargon in the churches that we are waiting for the manifestation of the sons of God, but brethren the sons of God have manifested. I am a son of God, if Christ is awakened in you, you are a son of God, we have manifested, what we are waiting for is the birth of the manchild.

If you are praying for the manifestation of the sons of God, you are praying for the wrong thing. What we prayed for is really important. I remember years ago when I was a disciple in Gospel Revivals, I was praying for the Lord to be glorified and the Lord clearly spoke to me by personal word, He said, No, pray that the Lord should be magnified. When I looked up the two words, I found out that to be magnified means to be increased; the Lord wants to increase in the earth. The Lord Jesus Christ is Adam right? Right. What was Jehovah's command to Adam? It was to multiply in the earth, so that is what He wants to do. I was personally corrected by word of knowledge to not pray that the Lord be glorified or I guess you can do that if you want to, the point that He was making to me was we should be that He be magnified.

The sons of God are manifested, we are it. We are waiting for the manchild to be born, and that manchild is going to be born in us and we have to, and this is, brethren put your carnal mind away because you are going to have trouble following me in your carnal mind. Somehow and I do not understand that mechanics of it, we will be invited, those of us who are sons of God, those of us who are truly connected to the Lord will be invited to enter into the son of man within us when the judgment falls upon the earth. Brethren I do not know what form this judgment is going to take, I just know that the earth is not going to be destroyed. The earth is not going to be destroyed, there is a transition coming,

and there is a polar reversal, the north and south poles are going to reverse, the powers that are in control now are going down under the authority of the powers that are underneath, and the powers that are underneath which is Christ and Christ Jesus and the son of man and the son of God and they are all coming to the surface of the earth.

Brethren, the ruling powers of humanity are under the earth. You cannot see them. What we see with these physical eyes, this is called the surface of the earth or the personality of the earth, but that is not what it is all about. That which is on the surface or the face of the earth, the King James way of expressing it or the face of the earth; it is talking about this world that we see. What happened at the time of the flood was that Jehovah wiped out just about everything that was on the face of the earth but the inner man was not destroyed. The formation, the external formation of the inner man was destroyed because it was malformed, and Lord willing we are going to get into that later. This is my point, this is the face of the earth but the controlling factors of the universe are internal. What you see that is external is temporal, changeable, impermanent and does not control; what you see with your physical eyes does not control. That is why people get sick, two people can have the same disease with the same progress, two people can be exactly in the same place with a disease, one person lives and one person dies. The same doctor operates on them; the same doctor treats them, the same medication, the same surgical staff, the same hospital, one lives and one dies. Brethren, what you see with these eyes are not the controlling factors; it is the unseen elements that are the controlling factors.

Something is coming upon the earth, I do not, I would not even try to tell you what form it is going to take unless the Lord tells me, and I do not know. I believe, I do not even have a belief; what the outplaying of it will be, I believe that the foundation of the change that is coming, I just told you is this polar shift. There are people who believe there is going to be a physical polar shift which will cause flooding, I do not know maybe there will, but as far as I am concerned brethren and I encourage you to be concerned; it is the inner principles that control.

If it turns out, and I do not particularly believe this is going to happen, that the whole world is going to be flooded and destruction will be everywhere, people whose inner universe has been turned upside down so that the manchild is ruling over your universe because each one of us can be considered a world or a universe unto yourselves. If the manchild has been born in you, if the whole earth flooded somehow we would survive, I cannot explain it to you, I do not

understand how that would happen, but I believe it with all of my heart, that our internal principles prevail and control.

This polar shift is coming, this spiritual polar shift. Whether or not it is going to be reflected as a geophysical polar shift; for years I have been asking the Lord questions about this world and He has never answered me, He has never answered me. I am bringing forth this message for 30 years, the ministry is 20 years old but He started giving me the message before the ministry came into existence. His answer has always been the same to me, you are on the inside, you put all of your energy and strength into understanding and learning about the inner principles, what happens out there is pertinent to you.

For years I did not even know whether or not all of these preachers that are preaching whatever they are preaching is going to happen in this world, I did not even know if it was really going to come to pass because the Lord would not discuss it with me. Now I see that it is coming to pass and I have seen now for several years that it is coming to pass but I did not really understand to the degree that I understand now until this very morning, until what I just said to you and until I scanned through the Interlinear Text of all of the Scriptures that I hope to share with you today that when the pole shift when the spiritual pole shift takes place within us, it really does not matter what happens out there. It will not affect us.

I do not understand that completely but I completely believe it. I woke up this morning and all of sudden Enoch was very real to me again although he had been floating around in my mind for a while now. I looked up the Scriptures on Enoch, and this is what the Lord told me, these were personal, the first two sentences on your notes were personal instruction to me from the Lord, this is how it started, and let me just tell you this before we start reading that, I did ask the Lord when all of this was going to happen, is it going to happen in 2011, it is going to happen in 2012, is it going to happen tomorrow, because you know it is so hard hearing from the Lord as to when things are going to happen.

He did not answer me brethren, but there definitely is an urgency in the spirit and I cannot help wondering if it is not going to happen before the election. I am wondering that, the Lord has not given me a time, just that there is urgency. This is what He told me, Cain slew Abel but the two are symbiotic twins. I have been preaching that for a long time, I hope you all know what that means; it means that they are inseparable. Cain is as one who is walking around with his dead twin inside of him. Cain possesses the seed which is Abel even though he is dead, which is the potential resurrection of the creation of God. Humanity

as we see it now is Cain. This is mortal fallen Adam which is Cain. Adam in his fallen state is Cain.

Even though you cannot see it when you look out upon the world, brethren the world is very evil and the evil is getting more evil. The seed of the resurrection of the righteousness of God is here in the midst of the evil, you cannot see it, you cannot see it, he is sleeping in most people and then the people where he is awakened, you still cannot see it frequently because Cain is so powerful. You cannot see it but it is there. The whole evil consciousness which now possesses the holy substance and just to remind you the holy substance is what was stolen out of which was formed a creation in the image of an animal which is the whole creation. Brethren, the people that lived on the other side of the flood which includes Enoch, they lived almost for a 1,000 years. Brethren these bodies could not survive for a thousand years.

Just look at somebody that is 70, 80, 90 years old, they are all wrinkled and weak and these bodies are not made to last for even 200 years or a 150 or even 100 years actually, so they had to have a different kind of body, they had to be, the spiritual man had to be in a different kind of garment than this body is, it just has to be. What that looked like there is no point, well this is not the time for it anyway.

The whole evil consciousness which now possesses the holy substance, the serpent stole the holy substance, the spiritual clay out of which the creation is formed, the serpent has been forming it and Jehovah has been taking it back, Jehovah reforms it, and then there is a failure on the part of mankind and the serpent reforms us back into her image again. This is what has been going on, but brethren this is the last age, this is the end, we are entering into the age of ages. The serpent has reformed us into her image for the last time.

We are about to be reformed back into the image of God and after that we will never be reformed into the serpent's image again. For those of you that have wondered why the Lord has allowed humanity to suffer for all of these thousands of years under the domination of the evil inclination; I have an answer for you today that I really had never had before. The answer is this, it has taken all of this time for the Lord to perfect His program for lack of a better word, process for causing Abel to rise from the dead in a state from which, I should say awakening Abel and causing Adam to rise from the dead and bringing him into a state of being from which he will never fall again. It has taken this much time.

Every time previously that the Lord has come close to causing Adam to rise from the dead into a state of permanency, who has already attained into that state of permanency anybody? Jesus, yes, Jesus is invincible, the Scripture says He can never die again, and He is the head of the body, He is the first born out of death, we are all to have the same testimony, we are all to become invincible, those of us who are perennials, and I believe that anybody listening to this message, hopefully you would be a perennial, if you are not a perennial, if you are an annual and you want to cry out to the Lord, the Lord says if you want to, or whosoever will cry out to me and I will receive you, if you are willing to pay the price I will receive you.

The holy substance is now formed as an animal. We are mammals brethren with an animal mind and animal passions, look at your pets brethren, we have the fears of the animal world, we have the lust of the animal world, we have the passions, anger and rage, my dog looked at me once, his eyes dilated, I thought they turned red, he was mad, I do not know what I did, my dog was mad at me.

All of these negative passions that we have, passions that bring destruction into our life, they are a part of our animal nature. God gets angry, but not like animals get angry, God gets angry at sin. God has emotions and passion and when God has emotions, they are compassion and the emotions of God heal you and deliver you. Envy, God does not have envy, envy destroys you. Those of us who are perennials, we have the seed of life in us and we are probably sons of God which means Abel is probably awakened in us, but we also have an animal nature which is dominated us; because we are the alien, we are the invader, the awakened Abel is the invader into the serpent's territory, even though the serpent's territory is formed from the stolen substance of God, we are in the enemy's camp.

The whole evil consciousness; that is the whole creation, brethren on a higher spiritual level, all of humanity is one person. The whole evil consciousness which now possesses the holy substance, the whole that would later try to build the tower of babel, if you remember the, and again the Lord did not give me any opportunity to get these Scriptures for you, you just have to look it up yourself or just trust the anointing, whatever you want to do, and when you read the Scriptures about the tower of Babel, we are told that they were of one mind and one accord, one speech and one language; what that means is that, that was the fallen creation manifesting on a high spiritual level whereby they were one entity, they was no division. Down here we are all divided and of course this is the fruit of Jehovah's judgment upon the tower of Babel.

This whole consciousness, the whole, I am talking about the whole, and you know that word whole, it is almost universally translated all in the King James translation, and there is a significant difference between all and whole. People were reading it with their carnal mind thinking well all of the people down here, but it does not mean all of the people down here, it means the whole creation all of the people not horizontally but vertically, the whole, vertically, the people existing in all of the energy centers visible and invisible.

I believe there is a Scripture in the New Testament that says and all will bow their knee to the glory of the Lord Jesus Christ, both visible and invisible. This whole evil consciousness, the same whole that would later on try to build the tower of Babel would try to kill Cain to make a full end of any potential resurrection of the creation through the dead Abel. Let me just read onto this message from Genesis chapter 4, starting with verse 11, Jehovah speaking to Cain after he kills, well I will start with 10, Cain kills Abel Genesis 4:10;

GENESIS 4:10

10. And Jehovah said to Cain, What have you done? The voice of your brother's blood cries unto me from the ground and you are now cursed from the earth which has opened her mouth to receive thy brother's blood from thy hand. KJV

What that means is that Abel departed from the face of the earth; he is now a part of the invisible world. Jehovah goes on to say, and what is showing is Cain the murderer, and that is what we have right here right now on the face of the earth, we see Cain the murderer, Abel is not visible, except in little moments like this where he is preaching. Jehovah speaking continuing in verse 12;

12. When you till the ground it shall not hence forth yield unto you her strength, a fugitive and a vagabond ye shall be in the earth.

13. And Cain said unto the Lord (Jehovah), My punishment is greater than I can bear, behold you have driven me out this day from the face of the earth... (from the surface of the earth. Cain went underground, you have driven me out this day from the

surface or the personality of the earth, and from your face, and that word face, another legitimate translation for that word is personality, and from your personality) **shall I hid. And I shall a fugitive and a vagabond in the earth and it shall come to pass that everyone that finds me shall slay me. KJV**

Brethren first of all you have to know that the earth has many layers, the skin of the physical body has seven layers, the Kabbalists say there are seven layers of earth, it seems that a lot of people who are smarter than I have been for a long time know that there are multiple spiritual layers of the earth. Even Tolkien knows with the Lord of the Rings that the hobbits come from the middle earth; that is what he is talking about; there are different layers of spiritual earth, each having its own indigent inhabitants. Cain was driven out from the surface into the invisible realms of the earth. Sheila I thought you said we are Cain. We are but we are the house that was built, Cain is our inner principle. We are the Behema, we are the animal that he lives in, Cain is forming the mind; he is a part of the mind. Is everybody okay?

Everyone that finds me will slay me. We see that the Garden of Eden is a safe place in the earth. The Kabbalists say the Garden of Eden is in Beriah and that is okay with me. Cain was driven out of Beriah into a different level of the earth. Of the four worlds, this is Asiyah, within Asiyah, the four worlds exist within Asiyah, so there is Asiyah of Asiyah, there is the Yetzirah of Asiyah, Beriah of Asiyah, all of the worlds, all of the different levels right here in our world. Cain was driven to a level of the earth that was inhabited by indigents, species, or races of beings that were indigent, that belong specifically to that realm; that would say to him, you are an alien here, we are going to kill you.

15. And the Lord said to Cain, Therefore whoever slays Cain, vengeance shall be taken upon him sevenfold. And the Lord set a mark upon Cain lest any finding him should kill him. KJV

I puzzled about that for years and this morning I have the answer and the answer I just read to you, and I will read it again to you, the whole evil consciousness which now possesses the holy substance, the whole that would

later try to build the tower of Babel would try to kill Cain to make a full end of any potential resurrection of the creation through the dead Abel, although even though he is dead is capable of being awakened. That is why Cain's life is in danger because he is inseparable from Abel, even when Abel is dead, that seed is a part of Cain.

Brethren the Kabbalists tell us that as we know Adam was made on the 6th day and we read in the book of Genesis, chapter 1, all of the aspects of the creation that were created on day 1 through 5. The kabbalists say that, they, I do not want to put words in their mouth but these are my words, they would say that this is all a parable. The way it is expressed in the King James version is a parable and that there were actually elements, spiritual elements of the creation that were created on these first 5 days and each, since I do not understand it completely, let us draw an analogy, let us think of this in terms of building a human body or world, or I do not even know what, I think I have heard that the heart is formed first in the human body. Let us do it otherwise, let us do it with layers of earth. Let us say on the first day, the first layer of earth was built, and there were indigent beings, indigent species that belonged to that spiritual world that were created with the world.

The world was created with its species. Is everybody okay? They thought that they were the creation of God. It is like the heart being formed in a woman, in a pregnant woman, and the heart thinks well I am the whole thing. Then the 2nd day came, and the species that were; and the 2nd day formed the world of the 2nd day with the indigent species thereof, and each world that was formed was formed on top of the previous world. Let us think in terms of seven layers of skin. The 2nd layer of skin was formed and it was formed on top of the 1st layer of skin, so the indigent species of the 2nd layer of skin said, well we are outside of you and we have authority over you, and the whole creation is now made from two layers and we have a layer on the outermost side, we are the whole creation. Layer one and layer two and the indigent species of layer two said, we are in control of the whole thing.

Then on the 3rd day, the world associated with the 3rd day came into existence with the indigent species thereof and it layered on top of layer one and layer two and the indigent species said, well we are the whole creation and we are higher than all of these indigent species from world one and world two and we are controlling factors, and so on and so on, until day 6 when Jehovah said to Elohim, now remember Elohim formed the worlds. It was Elohim. If you read in Genesis 1, Elohim is doing all of the work, Jehovah is not doing the work, right through the 5th day, it is Elohim which by the way is Binah of the world of Atzilut, the highest world, only Adam Kadmon is higher than that. Then on the 6th day

all of a sudden Jehovah appears, and Jehovah says to Elohim, Well now that you have created just by way of analogy brethren, all of the internal parts of the man, the bones, the spleen, the blood, everything is in place, now let us create Adam in our image, let us put a skin on him, let us make all of these layers one whole, and let us give him our nature and he will rule over all of the indigent species that were created on the previous days.

All of these other indigent species all of sudden they were not fighting with each other anymore, all of a sudden they formed a coalition and their banner was, let us take out Adam, can you hear this? The whole was created, they were all of one mind and one speech, and that one mind, and that one speech and that one language was determined to not be controlled by the righteous nature of God. Why would that be? It is because the whole was of one mind and one accord in unrighteousness; they were made in and out of the earth. Jehovah said, the spiritual man will rule over you, and that condition exists today.

We see all of the problems that we have and that we run into when Christ is awakened in us, our body turns against us, sickness appears, our closest relatives are battling against us to depart from our studies, and from the brethren that the Lord has joined us to, to strengthen us, and it looks like the whole world has turned against us. Sometimes we lose jobs, sometimes our finances get hurt, sometimes our marriages get ruptured, what is going on, I just want to follow the Lord? The whole, the consciousness of the whole is geared up in full battle array to destroy every human being in whom Abel is awakened.

The whole, that means the invisible and the visible, not just Cain in you, but Cain in your family, Cain in your friends, Cain in your neighbors, but Cain's whole family, Leviathan and Satan and the serpent are all of one mind and one accord to destroy you and me. Those are the first three sentences and I was just jotting down these notes as the Lord was talking to me and my first reaction was Lord what are you telling me, are you telling me that I am in some kind of danger like right now is there something I have to look out for? He did not say anything like that to me but He went on to teach me and I guess at this point where I start talking about Lamech, I have to go back to the Scripture here, and try to repeat the teaching that He gave me today. We are in Genesis 4:16;

GENESIS 4:16

16. And Cain went out from the presence of the Lord and dwelt in the land of Nod on the east of Eden.

The Hebrew word translated Nod means sleep, so everybody is asleep brethren, everybody is sleeping. That is why when Paul came he said, Awake to righteousness, he said, The night has passed and the day has come, awake. He was calling to Abel wherever Abel could hear him, awake to righteousness. Why would Paul say awake to righteousness? It is because Abel; the Scripture says that Abel is a homosexual harlot and completely under the control of Cain, because Abel has been completely humbled and humiliated and brought into the image and likeness of the household of the serpent. Jehovah sent His messengers, Jesus and Paul the apostle saying, Awake Abel, wake up, you have to fight, hey come on, you have been in the condition for long enough. I am taking you back because you belong to me and I cannot let you stay that way. You all belong to me and your poles have to be reversed, there is no fight, there is no fight. Someone right in this ministry told me that they had almost a perfect marriage, never had a fight with their husband until they came to the Lord, right, is that not your testimony? How many years you never had a fight with him? It is 20 years or more? Yeah, she never had a fight with him until the Lord called her.

Genesis 4:17;

GENESIS 4:17
17. And Cain knew his wife,

Brethren, I suggest to you that Cain knew his inner principle because the creation at that time was male and female and actually his wife was probably Abel. The Scripture says Abel was dead but yet his blood was crying out to Jehovah from the ground. What that means brethren is that Abel died to his priesthood. Cain and Abel were both female because they were mortal. Every being that is mortal is female. The Kabbalists see it differently, but I really believe that I have heard from God, they were both female and Jehovah gave one female authority over the other because somebody has to be in charge.

From that point of view, everyone in the ministry, I am female and we are all female, I am male to you because the Lord Jesus said that someone has to be

in charge and He picked me because for whatever reason, I seem to have had the ability to follow His instructions and study and receive this revelation. For all intents and purposes we are all Cain and Abel, I am just like you are, but in function we are not the same because somebody has to be in charge. Abel died to his priesthood. We are told that Abel would, brethren everyone that stands between Jehovah and somebody else is a priest. Abel made sacrifices for the atonement of Cain, He covered Cain's sins.

I have not preached this way in a long time but I use to tell you all of the time, rebellion and a spirit of Jezebel in the home or in the ministry is a spirit of suicide. When you tear down a God appointed authority, then there is no mediator to connect you to the Lord Jesus.

If somebody has a vision in their mind and they think that they can take the place of the God appointed leader and they are mistaken and they destroy or succeed in removing the God appointed authority, and they are mistaken and they are not a God appointed authority, that whole ministry or that whole family is going to collapse because God does not speak to Cain, He speaks to His God appointed authority.

That is why rebellion and a Jezebel spirit is such a serious sin for somebody to be manifesting that spirit which works against the God appointed leadership. It can bring destruction to the whole family or the whole ministry. That is why God has it all laid out and I have it on a million messages how you handle it, if the God appointed authority, your husband, if you are young and in your parents household, your father or your mother if you are in your parents household, your mother or the head of the ministry, if you really think that they are doing something wrong, there is a God appointed procedure to deal with it that will not destroy the whole family and if it turns out that the God appointed authority, the father in the household for example, is really wrong, the Lord will deal with him or remove him.

That may sound shocking to you all. Let us say the father is committing incest on his daughter; let us say that daughter is crying out and crying out, nobody will help the daughter, the mother does not see it, the other family members do not see it, and something or some part of that child is crying out; well maybe the parents will get divorced, or maybe the father would die.

Brethren is not a vain thing to cry out to God to help you, it is not a vain thing, and people who are hearing me now, if you are crying to God and he does not help you the next day, do not think that He is not able to help you, because everyone that cries out from the depth of their being to the one true God

whoever it might be, for help, He will surely answer you, but it does not always happen right away.

Cain knew his wife, these were not homosapiens brethren, they were spiritual beings, Cain knew his inner principle which was, well it could have been Abel, I do not know. the Kabbalists teach, would say that for example Adam was male and female, a male side and a female side, and the female side was male and female with the female predominating and the male side was male and female with the male predominating. Cain had a wife, I would not say it was Abel, I have to take that back. He knew his female side, it was an internal conception, and she conceived and she bare Enoch, and he built a city and called the name of the city after the name of his son Enoch, and that city that Cain built was the predecessor of these physical bodies, I do not know what it looked like at that time, but Cain and his wife were inner principles and they were attached to Abel and his wife which Abel was still conscious. He died to his priesthood, he died to his authority over Cain, so this turned out to be the foundation of mortal humanity and I have been telling you for a long time that Cain and Abel are the foundation upon which your whole universe including your physical body and your mind is built.

That is the part that reincarnates, that Cain and Abel, the worm, Jesus called it a worm. I do not know what it looked like but this city called Enoch it was the first garment the first incarnation of that consciousness called Cain and Abel with Cain prevailing. Spiritually speaking and I am not going to draw any drawings this morning because we do not have time, if you want to recall previous drawings, if I were to put it on the board I would show Abel as a circle, and Cain as a circle around him, and then the next born a circle around him, so Abel went on the inside of Cain, and Cain went on the inside of the house whatever the house looked like at that time. These are inner principles that are inside.

Right now Abel in you and Abel in me, if he is awakened he is called Christ, he is still underneath Cain, that is why we have all of the problems that we have, we serve God, and look at me, look at the power with which I preach, and I still struggle in many areas because I am still under the ground. I am preaching this powerfully from under the ground. Verse 18;

GENESIS 4:18

18. And unto Enoch was born Irad, and Irad begat Mehujael, and Mehujael begat Methusael, and Methusael begat Lamech. KJV

We are told Lamech took unto him two wives, and this is what the Lord told me back to our notes. Lamech married two wives and I am going to suggest to you that Lamech copulated with his inner principles, that the two wives that Lamech took, now remember is both, Lamech is Cain, Jesus help me to explain this, Abel is just lying there dormant, Cain is copulating with his female inner principle, and eventually Lamech is born from multiple copulations of Cain's inner principles, and when it says that Lamech took two wives I want to suggest to you that he copulated with his own inner principles. Remember Lamech is the descendants of Cain, Abel is dormant, Lamech copulated with his own inner principle and he also copulated with the female side of Abel. Can you hear that, can you hear that? Okay. There is no time to draw pictures today.

Lamech married two wives, Lamech was the first offspring of Cain who copulated with Abel or with the female side of Abel, the inner principle who was the potential for the resurrection of the creation of God.

If the whole evil consciousness would try to wipe out Cain who was joined to a dead seed, it would try ten times harder, well I read that too fast, let me continue on with the Scripture. Lamech, in Lamech the beginning of the deliverance, the beginning of the resurrection began with Lamech. Remember both Cain and Abel had good and evil in them, Cain was male and female and Cain had some righteousness in him because the creation is now a mixture of earth and spirit, so no matter how bad somebody is, there is a drop of potential for righteousness in them although grant it in some people they are so evil that, that potential for righteousness is as good as non-existent.

We were talking about salvation principles here. Cain was cast out of the garden, but she was not all evil, that potential that seed, it was the seed of righteousness was much weaker in her than it was in Abel, but they both had good and evil, both Cain and Abel had good and evil. In Lamech, how many generations is that? Cain bare Enoch, 2nd generation, Enoch bare Irad, 3rd generation, Mehujael 4th, Methusael 5th, and Lamech was the 6th generation.

That is interesting because 6 is the number of man. I wonder if I did that right, Cain, Enoch, Irad, Mehujael, Methusael, Lamech, he was the 6th from Cain, and 6 is the number of man. In the 6th generation, and these guys were not living 40 years, these generations were hundreds of years. This was the first attempt at

the resurrection; the first glimmer of righteousness that in Lamech there was a desire to resurrect or to sow to the resurrection of Abel.

GENESIS 4:19

19. And Lamech took two wives, the name of one was Adah, and the name of the other was Zillah.

20. And Adah bare Jabal and he was the father as such as dwell in tents, (that is people who live in skins, tents are made from skins), and of such as have cattle, (that is the animal nature).

21. And his brother's name was Jubal, and he was the father of all such as handle the harp and organ.

KJV

Those were the spiritual ones because the harp and the organ are string instruments that vibrate. We see that the descendants of Jabal are the carnal descendants and the descendants of Jubal are the spiritual descendants. We might say that Jabal and Jubal are what I call Cain and Abel in us, because it is not the original Cain and Abel in us, it is their descendants.

22. And Zillah, she also bare Tubalcain, an instructor of every artificer in brass and iron, (and that is judgment), and the sister of Tubalcain was Naamah.

23. And Lamech said unto his wives, Adah and Zillah, hear my voice ye wives of Lamech, hearken unto my speech for I have slain a man,(now here is repentance) to my wounding, and a young man to my hurt.

The young man is Abel. In the Interlinear Text, and said ye wives, hearken unto my speech, I have slain a man, a mortal man I have slain. Even though Adam had immortality, it was an imputed immortality. From that point of view he was mortal. I slew him and that word slew, you are going to have to bear with me as I work with my laptop here. I struck him with deadly intent, and I slew him, and then a young man to my wounding. I slew a man to my wounding and a young

man to my hurt. The result of him slaying Adam, was that he wounded himself, but when he slew Cain, he went under chastisement that Hebrew word that says to my hurt, that is translated to my hurt, that is the same word that is translated black and blue mark in the book of Proverbs, do not be afraid to beat your children because you will save their lives. That is the word, and it means corrective judgment.

Here we see Lamech is confessing that he is a reincarnation of not only Cain but of the innermost principle that destroyed Adam, he killed the young man, and then he killed Abel also. We see that repentance is coming forth, and it is this repentance that resulted in him impregnating Abel, trying to raise Abel from the dead.

In the 6th generation of Cain, we see righteousness that dot of righteousness in the evil Cain rose to the surface, 6 generations.

The Scripture says that a bastard shall not be allowed to enter into the congregation for how many generations? It is for 10 generations. Do you know what that means? It means if you are born with a moral defect, it takes ten generations of that moral defect if you are born out of wedlock, this is what the Scripture says, people do not like to hear this, it is in the Bible, if you are born out of wedlock, you are born with a moral defect and it is going to take ten generations to cleanse that line of that moral defect.

I say something similar about people who get divorced in this lifetime. This is not the Lord, this is my observation; people want to know if I get divorced can I get married again? The Scriptures says that if the woman cannot live with the man she can depart from him but she should stay single.

In this day and age there is a lot of rebellion against that command. My explanation is that what that means, it is not a punishment, God is not punishing us. He is correcting us. He is telling us that if your marriage did not work, there was a character flaw in you. You might say, but I am the victim, my husband beat me. There is a character flaw in you that you would choose a man that would beat you. You might say, well I did not know that he was going to beat me. No, but brethren our choices of who we are attracted to do not arise out of our conscious mind, they arise out of inner principles, out of our unconscious mind. There was a character flaw in you that attracted you to that man. You are supposed to do everything that you can do to make it work but if he is beating you or committing incest on your children, you have to go, then you do not get married again right away, because that same character flaw in you is going to attract you to another flawed person.

It has been my experience that I have seen women who have been divorced and the Scripture says you are supposed to serve God if you are divorced. Paul says that he has seen widows going after Satan. What does that mean? It means he has seen widows who are commanded to serve God, getting married because they are driven by lust, because they are getting married other than God saying I have a husband for you. I have seen women who have served God and after ten years, I think I can tell you five women, ten years to the year, the Lord brought a man into their life, and they got married, they were not looking, they were serving God, and the Lord gave them a husband after ten years and the marriage worked.

We are born with flaws, all of us are born with false, and it all depends on how that flaw manifests. Cain was flawed, but in the 6th generation, the righteousness that was buried under that flaw appeared, and Lamech repented, he not only repented of what he did, he did not do anything, he repented of what his ancestors did, he repented of his ancestor that killed Adam and he repented of his ancestor that killed Abel.

We are all encouraged to repent of the sins of our ancestors. When I came to the Lord and I was dying, I confessed and repented of the sins of my ancestors. Brethren, I have a flash for you, you do not even know what your mother and father did, because whatever they did that was bad, they did not tell you. You do not know what your parents did, you do not know what your grandparents did. You do not know what anybody did.

We are encouraged to confess the sins of our ancestors and our family as well as ourselves when we are seeking healing or deliverance that requires a lot of power from God. We see 6 generations after Cain slew his brother, the righteousness that was a part of the mixture in Cain appeared, and confession and repentance appeared and an effort to resurrect the murdered Abel. Is that not exciting? That just really blessed me. Listen to what Lamech is saying to his wives. He is saying hearken to my speech because I am a reincarnation, I am the same person who killed Adam and I am the same person who killed Abel, because brethren we are our ancestors, the same spiritual being incarnated in them and now has reincarnated in us, we are the same person in a different stage of our spiritual lifetime.

I have not preached that for a long time. Brethren, where is your 5 year old person, the body that you were in at 5, and the mentality and the person that you were at 5, where are they, they have been swallowed up into who you are today, but in a spiritual lifetime, I jumped ahead of myself, they are swallowed

up into who you are today, but you can remember that person, you have pictures of that person, you have the same family and the same parents.

In a spiritual lifetime as we grow spiritually, we die. Instead of having a birthday party and going on to the next age and seeing our body change, we die, because our bodies wear out, we die to this world and then we reincarnate in a new body for our next stage of our spiritual development, and we do not have a memory of those previous lifetimes. We are having a series of lifetimes which is really one spiritual lifetime, one person, one spiritual being having many spiritual experiences as a different human being with a different body and a different name, but it is the same spiritual human being and it is one spiritual lifetime. We see that Lamech is Cain and Cain is Adam.

He is confessing those sins and he is realizing this righteousness that has appeared in Lamech he is saying if Cain shall be avenged sevenfold, truly Lamech seventy and sevenfold. What this is saying is that, if the whole evil consciousness would try to wipe out Cain, who is joined to the dead seed that could potentially resurrect, listen, that is of the dead seed out of which the avenger of blood can appear, Christ Jesus the manchild is appearing in us, and He is going to destroy the powers and principalities that are responsible for the destruction and the death of God's creation.

Lamech is saying, if the whole evil consciousness would try to wipe out Cain who is joined to the dead seed, it would try ten times harder to wipe out Cain who is joined to a virile seed or an awakened Abel, Lamech awakened Abel within himself. The powers and principalities were going to wipe out Cain that Cain was so scared he had to say Jehovah put a mark on me, they are all going to kill me, and I am carrying the dead seed, Lamech, well now I have resurrected, I have awakened Abel, that same whole that wanted to kill Cain is going to after me ten times worse.

Of course another way we can look at it, is that he is saying, the sevenfold vengeance upon Cain would be from the seven energy centers, the beings of the whole evil consciousness that would try to kill Cain because he was carrying a dead seed that could be awakened, it is talking about the seven energy centers.

Brethren, the first seven energy centers are called, I cannot get into the whole thing now but basically it is Satan, the first seven energy centers. Lamech is saying, 10x7, they are all going to go after me, a deeper depth of the energy of the evil mind is going to come after me, and I do not have time to put it on the board for you.

We see that righteousness appeared in Lamech. Verse 25;

25. And Adam knew his wife again and she bare a son and called his name Seth, for God, said she, hath appointed me another seed instead of Abel whom Cain slew. KJV

I just had a thought but it is not a part of this message so I am just going to keep on going. Would that not be interesting if the Scripture is saying, and Adam knew his wife again and she bare Seth, would that not be interesting if that is just the parable and the way Seth came into existence was because Lamech awakened Abel, but anyway that is not this message so let us keep on going.

26. And to Seth, to him also there was born a son and he called his name Enos, and then began men to call upon the name of the Lord. KJV

I would like to read to you the alternate translation of Genesis 4, and then I am going to just repeat what the Lord did for me earlier, I am just going to go through the whole Genesis from chapter 5 through chapter 8 from the Interlinear Text and as I said, I am going to ask you to bear with me as I look up all of the words and try to repeat the revelation that the Lord showed me that I had no time to write down. Right now I am going to read to you the alternate translation of Genesis chapter 4.

GENESIS 4

And Adam recognized that the woman had conceived and she swelled up and bare Cain and she said, now she conceived by the serpent brethren, and she said, I have acquired a mortal man. Anyway, I have to check that because I just said she conceived by the serpent and I now I see the word Jehovah is here, so if you look to the left you will see that I translated this with message #346 that was a long

time ago, so now that I see this I have to go into the Interlinear Text and check that out. **And the woman swelled up again but by the time Abel the righteous mortal male prince was born, Cain the mortal female had already married the ground and the fiery serpent was occupying the wild animal.** We should really be starting with verse 17, let us start with verse 17 on page 2.

And Cain knew his wife and she conceived and bare a spiritual city for Cain to dwell in and Cain who had been introduced to Jehovah's spiritual mysteries named the city that he built Enoch. And Enoch's nature declared him that he was the nature of Cain.

And Irad was born unto Enoch, and Irad was the divided subconscious aspect of the mind that Cain formed and Irad begat Mehujael who was a reincarnation of Abel the mighty one who Cain erased or Cain murdered, and Mehujael begat Methusael, a might spiritually powerful man and Methusael begat Lamech a strong mentally powerful young man who tasted death, he was mortal. Lamech, the strong lad who tasted or experienced death took a double minded woman to belong to him.

And the name of Lamech and the woman when they were unified was Adah, let us continue.

This is Leviathan the partial tree that produces existence from the other side of the garden of Eden called the personality of death.

But when Lamech and the woman were double minded the woman's name was Zillah the shadow of death. And Adah the unity which would cause Cain's line to continue, bare Jabal, the reincarnation of Cain, the stream of semen who became the father of those who marry their covering and acquire animal bodies. ATB

That is really important for us. Those who marry their covering acquire animal bodies. We are not supposed to be marrying our covering. Cain is not supposed

to be marrying Abel in us. Abel is supposed to be marrying the Lord Jesus Christ. I hope to show you when we get to that portion of Genesis where it says the sons of God looked upon the daughters of men and found them fair, that, that is what happened, it was talking about inner principles, that Abel was awakened at that point, but instead of joining with Jehovah, he joined with his inner principle.

Brethren, we go through the same thing today, Jesus said the fields are white to harvest, that means that Christ is appearing in a lot of Christians but they are looking to their humanity to satisfy their emotional needs. I am telling you the truth, it is a hard word, and it is not an easy life, but we are supposed to be looking to the Lord to meet our emotional needs, we are supposed to be looking to spiritual things, to his word, and spiritual experiences to satisfy our emotional needs.

When we look to our inner principles, when we look to the things of this world to satisfy our emotional needs, we marry our covering and acquire or stay in animal bodies. Can you hear this? Nobody wants to hear this. There are a lot of people out there, men and women screaming, why has the Lord not given me a husband, why has the Lord not given me a wife? It is because He is calling you to something higher. I remember when I was one of those women, saying what is going on with this Lord? Why is there not another husband for me, why am I alone all of the time. He said, it is because I am building you spiritually, I am calling to the next world.

There was someone in the church I was going to that said to me, Oh well the Lord probably wants you to Himself for a while. I got so angry, I was really angry when they said that to me. What do you mean the Lord wants me to Himself, I want a companion, I want another husband. She was right. The Lord was calling me unto Himself. When we meet our emotional needs within our, you know by satisfying ourselves with the things of this world or by looking to a human mate, we say in the animal body.

It is a hard word brethren but it is the truth. Not many people would choose this, I do not know that I would, I did not choose this, I was taken. I do not know that anybody would have the strength to choose this to say, you are called to have your emotional and physical needs, although the Lord does not satisfy your physical needs, He does satisfy your emotional needs, that you are called to me, I am going to satisfy you spiritually.

The Lord does not satisfy your sexual needs, He satisfies you on a parallel level. Spiritual satisfaction does not replace a need for physical or emotional

satisfaction, it is another kind of satisfaction, it is another whole world opens to you. It is a parallel form of satisfaction, and the two are really not compatible. You can have both for a season if you are married when He calls you, but they are compatible because the satisfaction that comes from the Lord tends towards escape from this physical body and the passions of the emotions of this body that sometimes can be very painful. The satisfaction that comes from this world tends to keep you in the physical body.

What I am trying to tell you is the source of satisfaction that you are pursuing, controls your life and develops the environment that you live in. The source that satisfies you builds the world that you live in. Everybody that is looking to be raptured out of this body, you are dreaming, you are dreaming. Escape from the flesh and the flesh is under the control of Satan and Leviathan which, they control us with pleasure and pain, we are controlled, and if we are punished sometimes they make us sick or hurt us in multiple ways.

If you want to escape from that, the Lord is telling you start seeking satisfaction from my world because the one you seek satisfaction from forms your environment and your life. Because nobody wants to give up sex and the comfort of close family ties, the Lord picks whoever He picks and the people that He picks are the people who are the incarnations of Israel, that is who He is picking and He does not give you a choice, because I do not know anybody that is going to choose it. Some people go into the Catholic Church, I do not know I was never Catholic so I do not know what would drive somebody to become a priest or a nun I really do not know, but this is a parallel but not the same thing.

We are wondering why it is taking thousands of years for the Lord to get us out of here; it is because nobody wants to go His way. We are addicted to the pleasures of this world and because we are weak and fragile in our mind, we think we cannot live without them. The Bible says otherwise, the Lord says otherwise. He says I am all that you need. He also says I will not give you more than you can bear. Sometimes His opinion of what we can bear and our opinion of what we can bear do not exactly sync, but that is what He said right, He said I will never give you more than you can bear.

A big part of our problem is that we really are not interested in His provision for us because we are so focused on what we think that we need, what we think that our flesh needs, that He is behind us saying look I have got something for you, it is not the same thing but it is parallel and it will help and we do not want it because we want what we want.

Sometimes our suffering is more than it should be because we have got something in our brain that says we want this kind of satisfaction and are not interested in the kind of satisfaction that you are giving me, I am only secondarily interested in it, and every day I am focusing on what I want, and brethren if you are truly called, if you are an incarnation of a spark of Israel, you are just spinning your wheels because you are not going to get it. You will go His way sooner or later, so why not go sooner rather than later? Verse 21;

21. And his brother's name was Jubal, the reincarnation of Abel of the other side, the stream of semen which produced the mortal physical men who breathe and speak and who are manipulated by their father the devil. And Zillah, the spirit of Leviathan called the shadow of death fabricated the whole judgment when she gathered together with Cain, and bare Tubal who is Cain or an incarnation of Cain, the iron implement that hammers us with pain and Naamah who is Satan the mother of Cain who hurts us with pleasure. And Lamech said to his widowed wife Adah, who is Leviathan, the personality of death, and the widowed wife Zillah who is Satan the shadow of death listened to me and understand what I am saying, you are the wives of Lamech, the strong man who is experiencing death. I smote the mortal man Abel with deadly intent which resulted in my separation from Jehovah and you are the widowed fruit of my sin. And this is why Cain and his descendants are experiencing the sowing and reaping judgment, Jehovah's vengeance against sin, and on all seven levels of consciousness, but Lamech who is nailed to Leviathan the personality of death and Satan the shadow of death, shall experience Jehovah's sowing and reaping judgment on all seventy levels of consciousness.

We are picking up on Genesis 4:25. What I heard in the spirit earlier was the Lord talking to me, so in Genesis 4, first of all we know that Adam died and

Genesis 4 was all about Cain, after he murdered Abel and all of sudden in verse 25 we read, and Adam knew his wife again. Where did Adam come from? I have been asking that question for years. The Lord just told me where Adam came from, I just told you that Lamech raised Abel from the dead, and copulated with Abel, and Adam rose from the dead. Abel is Adam's root system. Lamech recognized that dead seed in him, quickened it and he caused Adam to rise from the dead, and that is where Adam came from.

Adam knew his wife again, and she bare a son. The resurrected Adam; now brethren you have to realize that Jehovah has been resurrecting Adam over and over and over again ever since Adam died, multiple times Adam has been raised from the dead, and He keep dead and killed by that old serpent. We see that Adam has a serious character flaw; he has a serious moral defect that it has been taking thousands of years for Jehovah to correct.

That does not mean that Jehovah is slow in His healing and correcting of Abel's character flaw, it means that Abel's character flaw is so serious that before Jehovah can permanently seal it off and correct it, the serpent just kills him again over and over again. It is like the movie Groundhog Day. We are going to get it right because we are Adam and we are going to get it right with the help of the Lord Jesus Christ, that help that is meet, that is sufficient, that is needed for us to overcome the serpent.

Adam was lacking a part, something was lacking in him, and he could not overcome the serpent and we cannot overcome the serpent today until that part, that help that is meet or sufficient for us to overcome the serpent who is a part of us.

The serpent's household is a part of us, Cain, Satan, and Leviathan, they are the dark part of the creation which we are that gives us form and we have to live out of the nature of Jehovah. Remember what I told you before the break? On the 6th day Jehovah said to Elohim, let us make man in our image. That means let us take this whole consciousness, we have just created all of these layers of consciousness and they are all of the consciousness, aspects of the consciousness of the earth. They are evil, and only destruction can come from them, so let us add our nature, the nature of Jehovah and Elohim to this man, to this creation and let us call the creation man, and the creation is not going to go into destruction even though it has the potential for destruction because we are going to give our righteous nature to it, at which point all of the elements and all of the indigent beings that were created in the earth, all unified in one man's body of one speech, one mind, one accord, one language, one intention, one goal, let us destroy Adam.

Brethren, let me tell you something, nothing has changed, there is nothing new under the sun, and it is happening today in the UN with the world council of nations, with the ACLU, with all of the forces that are rising up in this nation and across the world, they are all in agreement with one intention, watch there is going to be the unification of the forces of this world, well does not the Scripture say, that every nation will be against Israel, is that not what it says?

Brethren this is what it is all about, it is not just that they are anti-Semitic, it is talking about the control of humanity and the world. It is talking about the nature that will be permanently infused in God's creation. It is talking about dominion and domination of the aspects and principalities of the earth, it is beyond anything that carnal man can even comprehend and it is probably behind anything that I or we can comprehend. I am talking about the fullness of it now, the extent of the war that is going on within the members of the creation of God as to whether the principalities and all of the indigents of the earth will rule over the creation or Jehovah's nature will rule over the creation.

It is the last days; the serpent has killed us for the last time. Jesus has risen from the dead and can die no more.

He is the head and we are the body, we are the body of the creation of God called Adam and we will rise and this time the serpent will not kill us again. We are at the door brethren, we are at the door, it is very exciting! Let us read Genesis 4, I am in the King James verse 25. The resurrected Adam who was resurrected by Lamech, that is the faithful element in the fallen creation, that is you and me because Abel has been awakened in you all, I hope, we are the faithful element, we are Lamech in this day and age.

The resurrected Adam knew his wife again and she bare a son. What is happening is that the Lord Jesus Christ is marrying the awakened Abel in us which is Christ, and the son that is coming forth is the manchild, the son of man, the warrior who has the power to defeat the serpent and all of the serpent's forces when they come to take our God given authority away from us and enslave us. They do not want to kill us to the end of existence, they need us, they need Abel in us because Abel is the breath of life.

Abel must be enslaved, captured brutalized and made into a harlot for this creation to exist in the image of the serpent.

Adam knew his wife again and she bare a son called the manchild and his name was Seth for God, said she, hath appointed me, now the seed instead of Abel whom Cain slew. And to Seth, to him also there was born a son, and he called

his name Enos and then began men to call upon the name of the Lord. We see the resurrected creation in the earth, at the end of chapter 4. Chapter 5 is just a genealogy but I feel I should read it onto this message, so I will do that.

GENESIS 5

1. This is the book of the generations of Adam in the day that God created man in the likeness of God made he him.

2. Male and female created he them; and blessed them and their name Adam. (so we see that Adam is in multiple parts, and he called them Adam in the day that they were created), **in the day that they were created.**

3. And Adam lived a 130 years and begat a son in his own likeness after his image and called his name Seth. (this is the resurrected creation).

4. And the days of Adam after he had begotten Seth were 800 years and he begat sons and daughters.

5. And all of the days that Adam lived were 930 years and he died.

6. And Seth lived 105 years and begat Enos.

7. And Seth lived after he begat Enos 807 years and begat sons and daughters.

8. And all of the days of Seth were 912 years and he died.

9. And Enos lived 90 years and begat Cainan.

10. And Enos lived after he begat Cainan 815 years and begat sons and daughters.

11. And all of the days of Enos were 905 years and he died. (and brethren he was not in a body that looks like your body or my body, he lived 905 years).

12. And Cainan lived 70 years and begat Mahalaleel.

13. And Cainan lived after he begat Mahalaleel 840 years and begat sons and daughters.

14. And all of the days of Cainan were 910 years and he died.

15. And Mahalaleel lived 605 years and begat Jared.

- 16. And Mahalaleel lived after he begat Jared 830 years and begat sons and daughters.**
- 17. And all of the days of Mahalaleel were 895 years and he died.**
- 18. And Jared lived 162 years and he begat Enoch.**
- 19. And Jared lived after he begat Enoch 800 years and begat sons and daughters.**
- 20. And all of the days of Jared were 962 years and he died.**
- 21. And Enoch lived 65 years and begat Methuselah.**
- 22. And Enoch walked with God after he begat Methuselah 300 years and begat sons and daughters.**
- 23. And all of the days of Enoch were 365 years.**
- 24. And Enoch walked with God and he was not for God took him.**

So we see that Enoch did not die, God took him whatever that means. The only thing that I know that it means in my limited ability to understand it is that Enoch did not experience death as it was experienced by his contemporaries. We do not even know how his contemporaries experienced death; we just know the death of this world right? It means the death of this physical body. All we know is that Enoch did not experience death as it existed on the other side of the flood which we do not even know what that is because God took him. That is what we are hoping for, that God is going to take us. What does that mean? It means join Himself to us. Then what happens when he joins Himself to us, exactly how it is going to play out in this world, I do not know, but I thought he was joined to me, he is joined to my spirit. He has to be joined to all parts of us. He has to be ruling over our whole universe. That includes our physical body. It includes our conscious mind, our subconscious mind, our unconscious mind, our emotions and our physical body.

24. And Enoch walked with God...

To walk with God means to agree with God. The Scripture says in the book of Proverbs how can two walk together if they be not agreed? Brethren if you are not in agreement with God, you are not walking with Him. If you are not walking

with Him, He is not going to take you. How can we walk with Him if we do not know what He believes? Doctrine is essential; and that is why if we hear something and we cannot believe it, for our own good it behooves us to say, Lord if that is true, if your mouthpiece, if your servant has taught it to me correctly and it is the truth, please help me to believe it because if you do not believe it you are not walking with Him, if you are not walking with Him, when He zigs, you are going to zag, and you are not going to go, you are not going to go to a place of safety when destruction falls.

24. And Enoch walked with God and he was not for God took him.

25. And Methuselah lived 187 years and begat Lamech.

26. And Methuselah lived after he begat Lamech 782 years and begat sons and daughters.

27. And all of the days of Methuselah were 969 years and he died.

28. And Lamech lived 182 years and begat a son;

29. And he called his name Noah, saying, this same shall comfort us concerning our work and toil of our hands, because of the ground which the Lord has cursed.

We see that Noah was a savior. ***Noah shall comfort us concerning our work and toil of our hands.*** Brethren we labor in this world, everything is labor. The whole world corrupts. ***...because of the ground which the Lord has cursed.*** We do not know how that was manifesting on the other side of the flood, we do not even know what they looked like, we just know that they were laboring in some form.

30. And Lamech lived after he begat Noah 595 years and begat sons and daughters.

31. And all of the days of Lamech were 777 years and he died.

32. And Noah was 500 years old and Noah begat Shem, Ham, and Japheth.

Very soon I am going to switch over to the Interlinear Text and my preaching may be a little choppy as explain to you earlier. I am just trying to get my place here.

GENESIS 6

1. And it came to pass when men...

This Hebrew word translated men is Adam.

1. And it came to pass when Adam began to multiply on the face of the earth,

The face of the earth is the personality of the earth, that Hebrew word translated **face** can be translated **personality**.

...and daughters were born unto them, 2. That the sons of God saw the daughters of men...

We know who the sons of God are right, we found out that the sons of God are the foundation of mankind, Abel and Cain with Abel dominating Cain, and in control so that the personality of this symbiotic twin is the righteousness of God. That is who the son of God is. That seed, that seed of Cain which is under, which is now underneath Abel always has the potential to climb up and overthrow Abel and turn the face or the personality of the creature to the image of the serpent. They saw the sons of God, the daughters of Adam. Adam has sons and daughters, Cain is female. Actually both Abel and Cain are female but Abel was given imputed manhood. It is just like today those of us who have authority in God have imputed manhood.

The daughters of Adam are Cain. The sons of God, they were not humanoid brethren, Christ the Christ principle looked upon Cain and instead of ruling over and protecting her and keeping her from her own evil potential, the Christ principle joined with her. Brethren this happens to the sons of God in the flesh all of the time. All of the time we may have a spirit of righteousness and we

compromise that righteousness because either if it is an internal principle because we do not want to judge someone else's sin because maybe we would do the same thing.

That is one of the major reasons that sons of God will not judge righteous judgment. They look at something that someone is doing and they recognize that they have a similar weakness, conscious or otherwise, they do not want to judge that person because they know they are capable of the same thing.

Then sometimes it happens on a different level, sometimes we have a spirit of righteousness, maybe you are a pastor or a head of a family and you see someone that you care about is doing wrong and you do not want to show them their sins, pastors all over the church today will not show their congregation their sins. This is called spiritual adultery.

We see that the sons of God saw the daughters of Adam, that they were fair, let me see what that word fair means, I think it just means good, it just means good, saw that they were good and they took them for wives, this is spiritual fornication, all of them that were chose, there was some benefit, some ungodly benefit for the resurrected Adam.

They multiplied, there were many members, whatever they looked like on the other side of the flood. There was some benefit either within themselves, some selfishness that they fornicated with Cain within themselves, or they did not judge properly righteous judgment to the members of humanity in whatever form it was in, that they had authority over.

It happens all of the time brethren. God requires righteous judgment from us, when it comes to ourselves, our mothers, our fathers, our husbands, our wives, our sisters, our brothers, our sons and our daughters. We are to see the truth about their inner motives and their behavior and what they are doing and confess it to God, and if appropriate at least one other righteous believer that we trust so that we can seek God as to His solution to the problem that, that person is in, rather than justifying their sin or covering it over, because it is our daughter or our son or our husband or our wife.

Sometimes things just stick with you. My brother-in-law who is now dead said something to years ago, he is dead for years, years ago, and it just never got out of my mind and he was talking about a married couple and I do not even remember what was going on but he said to me, He will never say anything to his wife, you know why? I was just a kid, it is because he sleeps with her, he is not going to tell her. That is what he said to me.

In this day and age we have a lot of enlightened women and hopefully we have a lot of women that have a relationship with God, they are doing the right thing. Brethren, in the natural family, the husband is the head of the natural family and if his wife is really doing something wrong, he is supposed to tell her, not screaming and yelling, in a righteous way. If a woman is a son of God and her husband is doing something wrong, that is a whole big issue, I am not going to get into that now. Righteousness must be revealed when we recognize sin. I want to tell you something brethren, when you recognize sin and you start telling people about it, the peace of your life goes out the window because people do not like that and they fight.

You have to seek God about what you are doing but we are told in the Scripture that we have to tell them or their blood is on our hands. Your covering up for your kids making excuses for them, the Scripture says you are as much as murdering them. You are denying them the peaceable fruit that comes from righteous correction. That is how this principle is manifesting today, that the sons of God, the people who were manifesting Christ entered into ungodly relationships with the people who were manifesting Cain or they fornicated within their own principles by justifying some wrong thing that they were doing.

Genesis 6:3

3. And the LORD said; my spirit shall not always strive with man, for that he also *is* flesh: yet his days shall be an hundred and twenty years. KJV

And the Lord said, My Spirit shall not strive with Adam, that word strive means to execute judgment. It says, I am not going to be judging, my Spirit is not going to be judging Adam always. I am going to fix him. We cannot be having people confess their sins and doing the same thing over and over again, for years or for generations. It is not going to happen, that is what he is saying. The Lord said, My Spirit shall not always strive with Adam, because that his days shall be 120 years and like I said I am struggling with the Interlinear Text, so just bear with me. My Spirit with Adam always will not strive with him, because he will be, I do not know what that means so I am going to go on, it is really not that pertinent to this message so I am going to go forward. Verse 4;

4. There were giants in the earth in those days...

The Hebrew word translated giants means nephilim, and it means bully or tyrant. It means a spiritual bully. To be a bully you have to have some kind of strength so the bully is Cain. **There were spiritual in the earth in those days.**

...and also after that when the sons of God came in unto the daughters of men...

When this kind of fornication that I am talking about came to pass,

...they bare...

The word children is not in the Hebrew, they bare okay,

...and they bare mighty men which of old,

This Hebrew word translated mighty men is gibbor and it means warrior or tyrants or champions. We see that when Cain fornicates with Abel, powerful bullies or powerful spiritual beings are born, come into existence. The Lord Jesus Christ is marrying Christ in us and the powerful son of man is coming into existence. When Christ in us fornicates with Cain and evil daughter of man comes into existence.

...men of renown. KJV

The word renown means honor, authority, or character. What we see coming on the earth, we see powerful beings coming into existence on the earth, and that is what is happening now. If you think that you are hoping for a catching up and you are hoping for the son of man to appear in all of his power and glory

and it is not going to happen on the other side you are mistaken. It is going to happen on the other side too. John said there is going to be two resurrections, the resurrection of the damned one which is Cain and the resurrection of the righteous one which is Abel, and there is going to be a conflict between the two and Abel the resurrected Abel who is the son of man is going to prevail over the resurrected Cain. There is a big conflict, it has already started, it started the day that Abel started to rise from the dead, it started with Jesus, there has been trouble in the earth ever since.

5. And God saw that the wickedness of man was great in the earth and that every imagination of the thoughts of his heart was only evil continually. KJV

This is all building up to the flood, the main thrust of the message today is the flood, so I just got a lot of interesting insight as I did this by myself, but I see just really cannot keep you waiting like this, so I am skipping over these parts here.

5. And Jehovah saw that there was great wickedness in Adam's earth and that the whole imagination of the thoughts of his heart was evil continually. ATB

You need to understand that the imagination of Adam's heart, this concept of imagination creates the world. Adam was very powerful in those days. We are a very weak manifestation of Adam brethren. Our condition, you scratch us, you cut us and we bleed, and we can bleed to death and get diseases, we are in a very vile condition. Mankind was very powerful in those days and his mind was very powerful. Brethren, our mind, the collective mind of mankind; produces our environment. The reason America is this great is because the collective mind of mankind in this nation which is now deteriorating and dissolving was influenced by the Holy Spirit, and because the honor of Jesus Christ this nation became what it is today.

These people that want to change it are incredibly foolish, they think they are going to change what made it great and that it is still going to be great. The imagination in Adam's mind was an evil imagination, which produces an evil

world. That is what this is saying, mankind as a whole, Adam as a whole became evil, and therefore, you see, those of us that live out here on the outside, you and me, your personalities, the name that you have, my name is Sheila, your name is Xxxx, whatever your name is, that is the part of you that is living in the outer earth.

We have principles that live in the inner earth and we are manifestations of Behemoth, we are the cattle. In the old wild west the cowboys rode on the back of a horse, spiritual cowboys ride us from within, we are the cattle that they ride on, we are the cattle that they herd, they feed off of us, they feed off of our energy, that is the truth of our condition.

When Adam who is an inner principle, has an evil imagination, we are the ones that are hurt. We are the ones that the Lord is trying to protect. We are told in the Scripture, if your ox falls into the pit on the Sabbath Day, do you not pull him out or do you let him stay in the pit and suffer, we are the ox. Most people do not even know which end is up or what is going on. They do not know that we are filled with inner principles that are warring against each other to control us. The imagination in Adam's mind being evil was evil towards us; it would produce an evil environment for all of us, the members of humanity.

6. And it repented the Lord that He had made man on the earth and it grieved Him at His heart. KJV

The Hebrew translation of repent means: to breathe strongly or to avenge oneself. God does not make mistakes. The Lord saw that it was time to avenge Cain because Cain, the fact that Adam is evil means that Cain has risen again and overtaken Abel, that is what it means, so it is time for vengeance. The vengeance that God takes is against sin, the vengeance that he takes is against the principles that bring the whole person into bondage and into evil. When we become evil, Jehovah's sowing and reaping judgment comes to destroy us and the Lord does not want us destroyed. He would much rather take His vengeance upon our inner principles which would be the white throne judgment by revealing sin in you and encouraging you to repent rather than to have Satan come in and wipe out the whole man by killing you. Do you hear me all of you, wake up, He does not want you to die.

If your inner principles are judged you do not die, if your inner principles are judged and the manchild comes to fruition in you, you can escape death. If you

wait for the sowing and reaping judgment, Satan is going to wipe you out completely, and brethren, this is what the flood was. We did a message here called scapegoat a couple of years ago, it is such a profound message, I listened to it again from time to time, and I do not re-listen to any of my messages, and this is the word that came forth in Scapegoat, there are two kinds of judgment, the sowing and reaping judgment which is enforced by Satan, and the judgment that comes as a result of righteousness in this dispensation, we call it the white throne judgment or the judgment that comes from the son. We are told in the New Testament, all judgment is given over to the son.

The judgment that is given over to the son is designed to nullify the sowing and reaping judgment, I hope you all know that. The judgment that is given to the son that reveals the hidden sins of your heart so that you can repent before Satan comes along and whacks you for the hidden sins of your heart, does everybody have that? Do you know what the flood is? The flood is when the two judgments turn on you, when the Lord has pleaded with you and begged with you and taught you and consoled you and told you what was right and you will not repent, the judgment of the son, the sowing and reaping judgment, joined with the sowing and reaping judgment and Satan and the son of God judge you together and no one can live as a result of that judgment, no flesh will survive. That is what is coming, that is what is coming.

Whether it means no human flesh as we know it is going to survive, or whether it means that the church which has an imputed Christ in it, whether it means the flesh of Christ cannot survive this, I do not know. if this kind of judgment means, because the Hebrew translated flesh I frequently translate male organ, and Christ Jesus is the male organ of the glorified Jesus Christ in you, the manchild, the male organ signifies the power and strength of God.

We need the manchild in His fullness; the full erect male spiritual organ of the Lord Jesus Christ living in us will deliver us from all destruction. I do not know when the Scripture says no flesh can survive when the two judgments are in agreement, when the two judgments that are supposed to be conflicting are now in agreement, no flesh can survive, I do not know whether it means you are all going to die or the flesh that is formed in you of Christ will not survive. I do not know but I think that it means that some people will die. Why would I say that? It is because to whatever degree Christ Jesus in you is keeping you alive, if Christ Jesus is in you and keeping you alive, but you are still ignoring God's call for you to give up certain aspects of your life, and the judgment is that Christ Jesus in you is removed, you are going to die.

If Christ Jesus is keeping you alive and you are still living the life of the sinner or dreaming or hoping for the whatever a sinner dreams and hopes for, and Christ Jesus in you is removed, that force that is keeping you alive is removed, you will die. I think some people will die when this judgment falls. When the judgment that is keeping you alive now turns on you and becomes your enemy, some people are going to die. How wide the destruction is going to be I do not know. I told you on the early part of this message that the Lord has never in the 30 years that He is teaching me and in the 20 years of this ministry told me what is going to happen out there, I honestly do not know, but I know that the world cannot come to an end, and I know that there is a transition coming and that righteousness is going to rule in the earth instead of unrighteousness. A lot of people will die brethren, and a lot of people who serve God will come under heavy judgment.

I do not want to even think about it because the Lord has not told me and I do not want to tell you the wrong thing. That is what the flood is, the two judgments, even the judgment that is sent to save you from the sowing and reaping judgment is going to turn on you. You cannot take God's blessings and continue to walk or desire or lust for what is opposite of His righteousness, that is what happened Lot's wife, she looked back. The Lord was saving them and she was lusting for what she was being saved from.

Let us go on.

6. And it repented the Lord that He had made Adam on the earth...

That Hebrew word translated made can be also translated formed. This is talking about the formation of Adam in the earth. Adam is a spiritual being. He repented or he was sorry or he needed, he saw the need to avenge this particular formation of Adam in the earth. Is everybody with me? Remember what I told you about the spiritual lifetime. This one manifestation or formation of Adam, it was no good, it needed judgment and he was getting ready to wipe it out.

...and it grieved Him at His heart. KJV

The Hebrew word that is translated ***grieve*** means ***to carve***, that is interesting it means to carve. That is talking about carving his nature, that means to carve, to fabricate or to fashion, and it says it grieved Him in His heart.

6. And it repented the Lord that He had made Adam on the earth...

The way he was formed or carved, the condition of his heart, of Adam's heart; it had to be judged because it was not righteous. Verse 7;

7. And the Lord said I will destroy man, Adam, whom I have created from the face of the earth...

The personality of the earth, this particular formation of Adam; I am going to wipe it out. We read in Jeremiah like the potter knocks down the clay jar that he is making and reforms it, he says, I am going to wipe it out,

...both man and beast and the creeping thing and the fowls of the air, for it repenteth me that I have made them. KJV

In this particular formation it did not work, let us try again. If you want to see this as the whole planet or the whole universe you can, but I want to give you, and I am not saying it not the whole universe and the whole planet, what I am saying is that the whole universe and the whole planet is merely a reflection of the inner principles that are within individual men. All of these principles are within individual men.

The Lord said I will destroy man, that is Adam, whom I have created from the face or the personality of the earth both Adam, both man, that is Adam, and beast, that is the bestial nature, that is the animal nature that we have, I am going to destroy the animal nature, I am going to destroy Adam whose fallen, I am going to destroy his bestial nature and the creeping thing, the creeping

thing, I have researched that brethren and I am of the opinion that the Hebrew word means reptile or other rapidly moving animal, I am of the opinion that is the fiery serpent, it is the serpent of the earth, the foundation of mortal man, Cain and Abel.

I am going to, I will destroy Adam, his bestial nature, and I am going to destroy this formation of the fiery serpent, Cain and Abel, the fowl of the air; that is the spiritual part of the creation. I am going to destroy it all, I am going to wipe it all out because it repenteth me that I have made them. That word repent means to breathe strongly. I really think that repenteth is a bad choice of words because the reason he is going to destroy them is that he breathed strongly, or that he needs to avenge them. He breathed the breath of life into them and they simply, the breath of life is Jehovah's, it needs to be manifested as Jehovah's nature and He cannot breathe the breath of life in you and have you living a lifestyle other than the lifestyle of His breath.

He cannot have you longing for a lifestyle that does not line up with His breath. Either His breath is going to go or you are going to go because two cannot walk together if you are not agreed.

You cannot have God and lust after a lifestyle that is not approved of Him. He is only letting you have it for a season called grace in which He hopes to convince you to repent and to renounce whatever it is that you are lusting for or whatever it is that you will not give up that he does not approve of. You can only coexist in a relationship with God for so long, if you will not give it up, He is going to give you up, He is going to turn you over to Satan, to beat you up a little bit to discipline you, and if you are a perennial, you will come back.

You might die and have to reincarnate again, or you may just have more hard times in this life, I do not know it is an individual decision and it is up to Him, if you are a perennial, you will survive on some level, but you cannot be a house for the Spirit of God, you cannot be a house for the son of man and be living a lifestyle that He does not want you to live because He is the ruler of the house.

He has come to save you from that part of you that is lusting for what He does not approve of, and if you are so strong that you are resisting the savior who wants to save you from your own ungodly passions, He may turn you over to those passions and let you experience the consequences of choosing them over the Lord, or whatever else is going to happen to you.

You cannot stay this way forever, the bottom line is you cannot stay this way forever; you cannot be a house for the Lord and be pursuing or even desiring

in your imagination without repenting the things that He does not approve of. It is only for a season until the flood comes. Verse 8;

**8. But Noah found grace in the eyes of the Lord.
KJV**

What that means is that Noah found grace, is that he was walking with God. Remember Noah was a descendant of Enoch. Enoch walked with God and the Lord took him. Noah had this potential in him to agree with God, and that was the grace. God had mercy on him because that aspect of his personality, that desire and willingness to yield his own passions and desires and will to God was manifested in Noah. Verse 9;

9. These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God.

10. And Noah begat three sons, Shem, Ham, and Japheth.

11. And the earth was also corrupt before God and the earth was filled with violence. KJV

The earth, this is talking about the earthen personality now, this is not the spirit man, the earthen personality was corrupt. That Hebrew word means decaying. Brethren, this flesh begins to decay as a result of sin. Everybody dies because we are all manifestations of Cain, the murderer, but if your flesh is decaying before the acceptable age, in other words we hope to live to 80, 90, 100 years old, at least 70 or 80 years old, if your flesh like me starts to decay when you are a child or a young woman, there is sin in your life.

People do not like to hear that but it is the truth. Our flesh decays because it is sin. Disease and death are the result of sin. The earth was corrupt we are told, it was decaying, but also in this particular Scripture what it is talking about is that the earth was formed in the image of righteous Abel, and it was decaying, it was turning, the poles were shifting, and the earthen personality was starting to reflect the violent nature of Cain. That is what it means here. The earth was decaying in the personality, the earthen personality of God was decaying and

the earth was becoming filled with violence and the Hebrew word translated violence means unjust gain. That means Cain was unjustly stealing what belonged to Abel, the life force that belonged to Abel. Verse 12;

12. And God looked upon the earth,

You can believe He looked upon the planet earth if you want to, but in addition He looked upon us, we are the earth, we are the personality of the earth, He is looking at us. He is looking at the church, He is looking at Israel, He is looking at the Jew, He is looking at the church, He is looking at you and He is looking at me, and His eyes are everywhere brethren and nothing is getting past Him. He is looking at the earth and behold it was decaying.

...for all flesh had corrupted his way upon the earth. KJV

Decay means that the image of God and the personality, the righteousness of God in the personality is decaying and it is turning into the unrighteous image of the serpent through Cain. The poles were shifting. Remember Adam was raised from the dead when Lamech repented and joined with Abel and raised him up, and it only lasted for so many generations, however many it is, and Cain is rising again, why? The only reason Cain can rise is because Abel is corrupting.

The personality of God in the earth is corrupting. There is a weakness in us brethren, humanity has a moral character flaw. There is a character flaw in all human beings. Some people it is worse than others; in this generation. Maybe in a past generation it was not; everything it is waves going up and down, one generation, God raised righteous, unrighteous, this is the flaw in the teaching of reincarnation that does not take into account the union with the Lord Jesus Christ, one incarnation you are good, you do all good deeds and then you reincarnate again and you reincarnate in a good place because of all the good deeds you did and you are seduced by your own inner principles and you fall again. Salvation by works just does not work.

Once you are joined to the Lord Jesus Christ, he imparts to you the solution or the part of you that we call a character flaw. A character flaw is something lacking and when we join to the Lord Jesus Christ and when He gives us His life, He fills in what, that which is lacking and then when we start to do good deeds, we can start to move forward. We do good deeds in him and we do the good deeds that He directs us to do, not the good deeds that our own mind directs us to do. We start to make progress. Verse 13;

13. And God said to Noah, the end of all flesh is come... KJV

That Hebrew word flesh, it means male organ. Elohim said to Noah, the image of the righteous male organ, the image of Jehovah in the earth is decaying. Another male organ is coming into existence, the male organ of the serpent. We see that Noah has a relationship with Elohim, He has a relationship with the Holy Spirit you might say. The Holy Spirit says to Noah, the end of the whole male organ, it does not say here but I am adding in, of Jehovah is coming before me. That word before me is the same word for personality. It is decaying out of the personality and the whole earth is filled with violence. The male organ of Jehovah is disappearing and violence is taking its place in the vessels of humanity.

**...for the earth is filled with violence through them;
and behold, I will destroy them with the earth. KJV**

He says, Behold for this reason, not because He is sorry that He made man, I will destroy them who are within the earth. He is talking about the destruction of the personality and the destruction of the carnal mind or of the serpent's household that has caused the decay of the image of Jehovah in creation.

Brethren nothing is destroyed to the point that it does not exist anymore, in this whole universe it just changes form. This is a spiritual cancer that has risen up in the creation. The Lord is going to destroy it. That eruption, the Scripture

describes it as an eruption, a bubbling up of unrighteousness and violence in to the households of the Lord. He is going to destroy it.

If you are in agreement with what He is destroying you could be destroyed with it. The people who are in agreement with God are going to be preserved, but if you will not let go of something that He is destroying when He bombs that, you will be bombed, do you get it? Do you get it? Elohim says I am going to destroy him, but you I do not want to destroy so I am talking to you, make an ark of gopher wood. Verse 14;

14. Make thee an ark of gopher wood; rooms shalt thou make in the ark, and shall pitch within and without with pitch. KJV

We are told in the New Testament that Jesus Christ is our ark, the ark that the Hebrew children had in the wilderness it was a box that contained elements that made that ark a place that was inhabited by the Spirit of God. The ark that the Hebrew children carried the wilderness, even to me I am sitting here preaching and it sounds way out to me, but it is the truth, that wooden box, the power of God was contained in that wooden box. That is why the box was on the cart and the animals stumbled and the cart started to fall, and Uzza tried to catch it, he was killed and David was angry at God that Uzza died because his motive was just to save the ark. The ark was like a dynamo of electricity, the power of God was contained in that wooden box. That is what the Bible says and the Lord had a rule. He said a group of men called Levite priests can touch that ark and they will not be killed, anyone else for any reason, you are going to get killed.

What does that mean? The power is there. I am thinking of my computer program right now with my firewall, and I have a rule put in, such and such an IP address can enter into my computer in our local network here and if you are not on my list of rules, and you try to enter into this computer translating it into our spiritual condition, there is something there that is not only going to keep you out, it is going to destroy you. That is what it was, and Uzza died.

That power of God was in that box, is that unbelievable? We are also told and actually it is a part of the same story that Israel was defeated in the battle field by the Philistines. They captured the ark of God. What is interesting is the Philistines touched the ark of God and it did not kill them, is that not interesting,

did you ever think of that. Uzza got killed because he knew what the rule was and he broke the rule. The Philistines that took the ark did not get killed. They said, Oh look it is the ark of God and you have to realize in those days every nation had a god, and the god of the philistines was Dagon. The philistine soldiers said, Oh look it is the ark that represents the God of Israel, let us take it, maybe it will make us stronger. They carried the ark into the temple of Dagon, hoping to strengthen their god, Dagon. What happened was the power of the ark of God destroyed the image of Dagon in the temple and in addition the people came down with hemorrhoids. The whole of the population were in agony from hemorrhoids until they said, Get that ark out of here, we do not want it.

That is very interesting that came down with hemorrhoids. I am sorry if this offends anybody but this is my understanding of the Scripture. Brethren we are female and we are supposed to be married to God. The whole spiritual reality is very sexual. When the serpent took that position of predominance and is now married to humanity, she is married to us through anal intercourse. She is married to us through spiritual anal intercourse.

How interesting that the Philistines came down with hemorrhoids. Anyway, that is another message. The ark was made of gopher wood, it was an ark that would contain the power of God, but today we have a living ark. I am not sure what the Scripture says I think it says Jesus, the Lord Jesus, is our ark, I think it is in the book of Revelations. You are going to make it with rooms, different energy centers, and you shall pitch it within and pitch it without. The Hebrew word translated pitch means to expiate or to condone. It means to carry away sin brethren.

We see that the English translation makes it sound like, you are going to seal it up with mud or some kind of waterproof seal, but the what the Scripture is saying is no, this ark that I want to you to form, it is going to carry away your sin, it is going to cover your sin. It has nothing to do with pitching it. Brethren it is a parable brethren, it is a parable. Everybody is out there looking on Mount Ararat for some boat, it is a parable. Maybe there was a boat, I do not know, who cares. If there was a boat, it existed in the past, that boat cannot help you today.

This ark, it is going to carry away, oh it says and you will pitch within and you will pitch it without, it is two different words, but similar, let us see what this one says, for a cover. You are going to be covered on the inside, and on the outside. Brethren, we need the son of man sitting on the throne of our hearts, generating and manifesting a measure of power that penetrates through all the layers of

our being. This flesh which is seven layers of flesh and all of the spiritual layers that cover him over. He is going to be in our innermost point covered over by layers of our spiritual being and our physical being, and he is going to be powerful enough that his energy will shine out through all of the layers of our being and become an aura around us.

Right now human beings have an aura, it is a scientific proven fact, we have an aura, and it comes from our innermost being which is inhabited right now by the man of sin that is sitting in our temple of God calling himself God. When Christ Jesus takes over that position, and His light shines out through us to the point that it becomes our aura, brethren we will be healed of everything. The reason we are sick is that the man of sin is sitting in our temple. When Christ Jesus shines out from us, He imparts energy and life to every aspect of our being that He pierces through, but when the man of sin sits on the throne of our heart, he is sucking and drawing the very life out of our members.

Most Bible teachers all responsible Bible teachers will tell you that the ark is a type of they would say Christ, I am going to say the manchild, Christ Jesus, the son of man.

Brethren, this is what the Lord is telling us today, He is telling us to be doing all that and the only thing I know to tell you to is to renounce sin in your life and to study to show yourself approved and to ask Him specifically to reveal the hidden sins of your heart with everybody, it is pride with everybody.

We need to see the manifestations of it so that we can recognize it and stop doing it by His strength. He is telling Noah how to build the ark, verse 15;

15. And this is the fashion which thou shalt make of it, the length of the ark shall be three hundred cubits, the breadth of it fifty cubits and the height of it thirty cubits. KJV

16. A window thou shalt make to the ark, and in a cubit shalt thou finish it above, and the door of the ark shalt thou set in the side thereof with lower, second, and third stories shalt thou make it. KJV

Brethren this is all talking about the creation or the formation of the household of God inside of you. This ark if I am not mistaken, this Hebrew word translated ark, it merely means box. It means a box. Brethren, some of you may remember my testimony I had an experience several years ago where I had been studying for a long time in what I now understand to be a state of a trance contemplation, because that is the way that I study, I just look at this Interlinear Text until I hear from God, and I went into a trance and I was inside of a black box. I must have ascended to a very high place and it was alarming because I was locked inside of this box, and I was bouncing off the four sides of the wall of the box and there was fear in my heart, I was aware that there was fear in my heart even though I was in this trance and I could not get out and I woke up, I was really alarmed, and it happened to me one more time and the second time I got out, and I had a vision, nothing that would be significant for this message right now.

I believe that our soul is locked inside of box inside of us and that, that black box is somehow. I do not know what word to use, so I am just going to say it is our inner man, and it is the inner man that is formed. I guess that is Christ in us who is inside of Cain. I told earlier it is circles, Abel is at our innermost point, then Cain completely surrounds him and then Leviathan completely surrounds him. Maybe that was the black box and our consciousness escapes.

Our soul has to escape from this prison house of this flesh, and it is possible to escape from it temporarily through meditation. I am told that is what the Hebrew prophets that meditate, they all meditated, they got their visions from meditation, and somehow their soul would break out of the container of this vessel, the darkness of this vessel that we are in. I was in this deep meditation on the word, and I ascended high enough that I perceived a consciousness of the walls that contain my soul.

When I am talking to you now I do not feel that I am trapped in anything, I am just sitting here preaching to you. I must have ascended very high for this realization that the soul who was my true essence is trapped inside of the darkness of this body. This ark, I want to suggest to you that this ark that we read in the parable is the big boat, what it is, it is a parallel box inside of us, or a parallel world inside of us. Brethren we have to escape from our consciousness being in Cain's world and our consciousness or our soul has to migrate into the world of Christ Jesus within us. If there are two minds, there are two worlds living inside of this one frame that you are.

I do not know, only God knows the degree to which it is formed in you. I believe everybody here that Christ is awakened in you, but where you are beyond that only God knows for sure. To escape the wrath to come, the wrath that is coming

on the soul that is joined to Cain in the serpent's household, our soul has to emigrate has to get into the household of God or the city of Jerusalem, we are in Babylon, our consciousness is in the internalized Babylon within us, Cain's city.

Our soul has to get into Jerusalem to be protected. Can anybody not hear what I am saying? A change has to take place for you to not be hurt by the judgment that is falling because the son of man whose been in the earth for 2,000 years trying to deliver God's people from the sowing and reaping judgment is about to stand up with Satan and two of them are coming after the church and Israel! I want to tell you that I believe the Lord told me today that this is who the two witnesses are.

The reason the Scripture tells us that two witnesses were lying dead in the streets is because for 2,000 years since Jesus was resurrected and we have been under a period of grace, the sowing and reaping judgment has been largely nullified. Look at God's people we live in this great nation, the whole western world is great because of the Lord. The sowing and reaping judgment has been largely nullified, not completely but largely nullified. It is not for the whole world, it is for the people, it is for His people and all of Israel are not Israel, so it is for His people.

The judgment of the son has been mercifully pleading for God's people to repent and to join with Him in His thoughts. The time of grace is over and the son of man is coming with judgment. When the son of man comes with judgment, he is no longer restraining Satan the enforcer of the sowing and reaping judgment, and these are the two witnesses that are going to rise from the dead and the church is going to be horrified. I do not think the church out there has a clue that grace can be withdrawn. Noah preached for 120 years and no one believed him. I am preaching my heart out, I am preaching my heart out.

It says make a window in the ark. This window will see I think as we go on, that is to let the Spirit of God in. We are going to read here that water arose from underneath the earth and water came down from the heavens. The window is to let the water of God in, the water of God, the light of God has to fill the box that is within us. We need power to protect us from the judgment. The son of man has to be sitting on the seat of our heart, and his energy has to be so powerful it has to penetrate all of the way out through our flesh and put a wall, a force field around us.

Remember who the son of man is, he is the product of the glorified Jesus Christ that is coming in through this window and joining with the awakened Christ in you, there has to be a window to let the Lord Jesus Christ in. verse 17;

17. And behold, I even I, to bring a flood of waters upon the earth to destroy all flesh, (that is the whole male organ), wherein is the breath of life, from under heaven and everything that is in the earth shall die. KJV

Everything that is in the spirit is not going to die, it does not say your soul is going to die, it says that everything that is in the earth, this formation of the spiritual principles are going to die, they are going to be withdrawn from this world. A couple of things I can tell you about this verse 17, that phrase, I even I, brethren, and I believe I taught you this in a recent message, it is talking about I am, it is talking about Jehovah and it is talking the principle of Binah and the principle of Malkhut. The same measure of judgment, in other words Binah to us is the Lord Jesus Christ, I hope you all know where she stands in the sefirot because I do not have time to draw pictures today, and when her righteousness that is the female element of the glorified Jesus Christ coming from the level of judgment called Binah, that is the principle of God that created the creation. When that righteousness is reproduced in Malkhut which is the humanity of a man; that is the same principle as the Lord saying I am my name are one. That means that what is manifesting in the earth of the human being is a reflection of Binah and Binah is the lowest grade of the upper triad, she is the highest grade of God that will communicate with mankind. The Sefirot that are above Binah will not communicate with mankind she is the spokesperson for Chokmah and Keter, the higher principle.

When her righteousness and her judgment is manifested in the earth, the Scripture says, I even I. The judgment is coming forth from the righteousness of Binah which is the sowing and reaping judgment and from the earth where the manchild is, giving grace and mercy. I do not know if I have that exactly right, but I am doing the best I can with no preparation.

17. And behold, I even I...

It is a double portion of judgment; let us take it at that.

...do bring a flood of waters upon the earth to destroy all flesh, wherein is the breath of life from under heaven, and everything that is in the earth shall die. KJV

It is not the double I, it says one I, and the second I is not even there, the King James just added it in, the second word means behold. It is not the double portion that I talked to you about. It says even I do bring a flood of waters upon the earth to destroy the whole, all flesh, that is the whole male organ. The male organ that was the male organ of Jehovah, the righteous male organ of Jehovah has converted; it has decayed and has become the male organ of the serpent. This is Elohim saying I am coming to destroy this male organ of the serpent. Why? Because it is penetrating my people and bringing forth violence in the earth and the creation is not a representation of the righteous nature of Jehovah but it is representing the violence of the serpent, so it has to be destroyed, it has to be decayed. I am going to look at that word destroyed. It means to decay, it has to decay and the image of Jehovah it has to be reformed into the image of Jehovah. It says, and the whole male organ wherein is the breath of life. This male organ of the serpent is in existence because its violence has gained control over the breath of life, and who is the breath of life?

The breath of life is Abel. ...the breath of life under the heaven, everything... and again that is the translation of the word the whole, the whole in the earth shall die, the whole image of the serpent in the earth shall die. If you are in agreement in your mind with the serpent when the judgment falls you will be under the judgment, and if you have been privileged to hear this message and you still choose to agree in your thoughts with the thoughts of the serpent, you are going to be there when the judgment falls. Verse 18;

18. But with thee I will establish my covenant...KJV

For those who will agree with me in their heart as well as with their mouth, I will establish my covenant and you shall come into the ark. You are going to come into the new Jerusalem. The church is waiting for, do you know that there are

actually people who believe a stone city is going to descend from the sky? Do you know that, that there are Christians who believe that? They believe that the new Jerusalem is going to descend from the sky and become a physical city. This ark is the new Jerusalem in you, it is the city of God.

18. But with thee I will establish my covenant, and thou shalt come into the ark (that has now been internalized in you) Thou and thy sons and thy wife, and thy sons' wives with thee. KJV

Remember we do not know what they looked like on the other side of the flood. This is what I get out of this. Noah found grace in the eyes of God, he was a preacher of righteousness, and everyone who was joined to Noah in the consciousness of God was coming in with him. That is how I read it. Of course your wives, the sons of the wives are your souls.

19. And of every living thing of all flesh...KJV

This means every living thing of the male organ.

...two of every sort shalt thou bring into the ark to keep them alive with thee, they shall be male and female. KJV

Verse 18, I am looking at the Interlinear Text.

18. But I will establish my covenant with you, and you shall come into the ark, you and your sons and your wife, (that means the female principles of Noah, we do not know what he looked like, he was not

humanoid, he was not a homosapien, he is saying this to Noah), **and the wives of your sons with you.**

I want to expand your consciousness a little bit, and I want to tell you that these were not three sons, like your son, Xxxx and Xxxx and Xxxx or whatever your sons' names are, these, Shem, Ham, and Japheth typify three categories of people, three categories of believers, three categories of believers. We are told that Noah preached for a 120 years and no one heard him. That is not true, I think I just said that a couple of minutes ago, sometimes you hear things preached for so long that they come out when I am preaching. I want to suggest to you that there were people who heard Noah, and the people who heard Noah were joined to him through his preaching, just like you all are joined to me through my preaching, and there were three categories of believers that he preached to that entered into this experience with him. They did not enter into a physical ark; they entered into this covenant that Elohim said I am going to make with you Noah. Can anybody hear me?

We will talk about the three categories of believers that believe Noah when we get to it on the other side of the flood, I will look up those names and I will show you the three categories of believers that came over to the other side. Verse 19;

19. And of every living thing of all flesh, two of every sort shalt thou bring into the ark to keep them alive with thee, they shall be male and female. KJV

Here is the Interlinear Text;

19. And of (not of every but of the whole) **the whole living thing** (those are the people that are connected to Abel or the awakened Christ), **(or of the whole body of Christ) of all flesh**, (or of the whole male organ, everybody that is connected in there to the son of man) **two of the whole you shall bring into the ark to keep them alive with you, the male and the female.**

Cain and Abel, everybody that is partaking of this covenant with the Lord Jesus Christ, Cain and Abel in you, the two part foundation that you have is coming into the ark. Are you all with me? It is the male and the female, Abel and Cain. Verse 20;

20. Of fowls after their kind, and of cattle after their kind, and of every creeping thing of the earth after his kind, two of every sort shall come unto you to keep them alive. KJV

Here is the Interlinear Text;

20. The fowls, (the fowls brethren is the spiritual part of you, the part that flies in the heavenlies) **after their kind...**

The Hebrew word translated after their kind means their species. It is the spiritual part of you and it means to portion out. The spiritual part of you, that is what it means, fowls after their kind means the spiritual part of you. There is a Hebrew word that is translated and of, that means a part of you also. It is the spiritual part of you and now the cattle part of you;

...the cattle after their kind...

that is our animal nature. I think the cattle part of this is our flesh, I may not have this exactly right but I think the outer part of us is the cattle, and after their kind,

...that part of every, (meaning the whole), (that part of the whole) **that creepeth upon the earth...**

That is our foundation; the part that creepeth upon the earth is the fiery serpent or the serpent of the earth.

...and the part of the two of the whole, (Cain and Abel), shall come unto you to keep them alive.

That is the whole man; that is my understanding right now; to keep the whole man alive. Now this makes no sense to the carnal mind at all. To keep your outer flesh alive, you have to get into this spiritual place and you cannot get into this spiritual place unless the spiritual place built inside of you, and the Lord is building your spiritual place. How do you get inside? You get inside through agreement. That is how you get inside by agreeing with the teaching that has created the spiritual place. Verse 21;

21. And take thou unto thee of all food that is eaten, and thou shalt gather it to thee and it shall be for food for thee and for them. KJV

21. And thou shalt take unto you the food of all that is eaten and you shall gather to yourself and it shall be for you and for them.

That is pretty much what it means.

22. And thus did Noah; according to all that God commanded him, so did he. KJV

Now of course this is spiritual food brethren, this doctrine is spiritual food. If Abel inside of you does not get his food, the awakened Abel is Christ, if Christ in you is not getting his food, he is going to starve to death and Christ in you is the foundation of the son of man in you. The son of man is the product of the union of the Lord Jesus and Christ in you. If Christ in you is not fed and He dies, the son of man dissolves, got it? Genesis 7:1;

1. And the Lord said unto Noah, come thou and all thy house into the ark, for I have seen righteous before me in this generation. KJV

Here is the Interlinear Text;

1. And the Lord said unto Noah, come you and all and the whole household...

This is talking about the whole household of God, the people that are truly joined into the ark, into this inner place, this spiritual place. Remember Jesus said, I go to prepare a place for you, it is a spiritual place.

...for you I have seen righteous before me in this generation.

We see that there is one man, I have been reading Bill Branham for the last couple of days and he is declaring and this message came forth here quite a few years ago I just have not really been pursuing it, but there is going to be a prophet messenger that will be a leader in these ends times. The kingdom church does not teach that, the kingdom church teaches that the sons of God will manifest and that there will be no prophet messenger, but we all now know that the sons of God have manifested and what we are waiting for is the son of man to appear, and I believe that the Scripture does teach that there is going to be one prophet messenger leading this, and as I understand it, people with Noah, I am telling you that a lot of people came in with him, people who received his teaching and therefore became his spiritual sons, because he reproduced his revelation in them. This verse 2;

2. Of every clean beast thou shalt take to thee by sevens...KJV

I started to translate this years ago and I had to stop it because I just could not get the revelation on it but I believe I have it today.

...take to thee by sevens the male and the female and the beasts that are not clean by two, the male and the female. KJV

Here it is in the Interlinear Text;

2. The whole clean beast thou shalt take to you by sevens...

The clean beast is the part; we are human so we are a living beast. The part of us that is clean; it is the part that Abel is ruling over. We shall take by sevens, and that is the seven energy centers. This word sevens, it is there twice in the Hebrew, it says seven, seven. The part, this clean part of us that has been built into us that is arising out of Christ, we are going to take the seven energy centers from Malkhut through Binah are going to be saved. Maybe that is all that is there. I believe that is all that is there right now. The higher energy centers, Chokhmah and Keter have to be added to us, and I do not see that anywhere in the earth that there would be man in God that would be manifesting such power that I would think that they had the whole ten sefirot of the household of God in them.

The seven sefirot of the clean side of you are coming into the ark, both the male and his female, and the male is Zeir Anpin or Christ Jesus, and his female Malkhut or Nukvah. Those of you who have Christ Jesus formed in you that have the manchild, and his wife, your humanity are coming into the ark, and of the beast that are not clean by two, the male and the female. Brethren we are all living beast so those people who are partaking of this great salvation whose higher principles are still in Cain, you cannot take Cain or her household in with you, the only part of you that you can take is Cain and Abel in you. If you have a Zeir Anpin, the entity that is across from Zeir Anpin or the entity that is across from Christ Jesus, does anybody know the name of the entity on the other side of Christ Jesus? Who is on the other side of Christ Jesus, who does Christ Jesus fight? Leviathan, yes Leviathan.

Those of you in whom the Leviathan is still powerful and ruling over your life, you can only take Cain and Abel with you, you cannot take Leviathan into the

ark with you. That means that some kind of judgment is going to fall on you to knock out Leviathan, but you are still, your inner principles are going to come in. Verse 3;

3. Of fowls also of the air by sevens, the male and the female to keep seed alive upon the face of the earth. KJV

Here is the Interlinear Text;

3. Also the fowls, the spiritual part that fly in the air or in the heavenlies, again seven, seven.

The term seven means completed. ...the male and the female to keep alive. The body of Christ that is in the individual, and the body of Christ as a whole, that is the seven by seven, it is the completed body of Christ, seven sevens, both the male, Zeir Anpin or Christ Jesus and the female which is Nukvah. They are coming into the ark to keep alive the seed of God upon the face or the personality of the earth. The Lord is like wiping everything out and He is just keeping one seed alive and whoever is properly joined to Christ Jesus in their inward parts will be a part of that seed that is going to be taken into the ark.

God's purpose is to keep His life alive in the earth. He loves all of us and He wants all of us to be preserved, but He has a higher purpose, and I have talked to you about this before, His higher purpose is that His creation should not be completely wiped out and destroyed. It is malformed and the image of Christ Jesus in this nation and in the church and in Israel is decaying and the poles are shifting and it is becoming the image of the serpent and it has to be stopped, it has to be wiped out, so He has found someone, a preacher of righteousness who is going to be preaching the message that will preserve us, and everybody that is joined through this preaching is going to somehow be connected to the new Jerusalem that will be created in the spirit and this will be the preservation of the seed of God.

I am not saying everybody is going to be killed, but it looks like everybody in whom Christ is awakened that is not joined to this new Jerusalem which is a spiritual place is going to have whatever they have of Christ in them wiped out. That is as far I am willing to go. Jesus clearly said if you do not use what you have it is going to be taken from you. Those that have Christ awakened in them

but they have not gone on to have the manchild born in them, they have not gone on, they have not gone on because their teachers have not given them this message, but brethren we just have to grow up, this is a bigger picture, there is a picture that is bigger than we are, and if there are people who have not gone on because they did not hear the message, there are people who have not gone on because they have not heard the message. The Lord has to take the people who heard the message and go on. Can you hear that?

His overall purpose is that His righteous seed should remain in the earth so that it can blossom again. Remember reincarnation is real, so nobody is wiped out forever but the annuals, and brethren it is a hard message. I do not like preaching destruction. I do not like preaching this but it is the truth. Look at what is happening in the world; it is boiling like a pot. World War 3 has already started. The Lord is doing what He is doing spiritually so that Christ Jesus can stand up, so that the son of man, the warrior can stand up in however many people he is going to stand up in, and do something to stop the world from destroying itself. If there are people in the church that never heard the message, they never heard the message. There is a greater good.

When man decides for the greater good, that is not legal because when men decide what the greater good is, it is coming out of their carnal nature, but if this is the decision of God, it is the decision of God, and if they are destroyed, they will reincarnate if they are perennials, if they are not, that is it.

We are very soft in this country, we are so soft in this country, we have not seen war in generations, and we are being destroyed by the Midianite women, they have come in subtlety and they are trying to make us go to sleep so that we do not want to fight.

I saw on TV the other day some radical group was picketing an army recruitment center, attacking them saying that they are teaching boys to be killers. Do you know this is in the communist manifesto, this is how you destroy a nation, to dismantle their army? Teach the young people things that will make them go to sleep, and then they just walk in and take us over.

I have to tell you our own government has not defended us adequately, but I do not want to be condemning anybody you know, this witchcraft force that comes from the serpent is very powerful and all that I know is that our God is moving to deliver us and that is enough for me for now anyway.

We see this clean by sevens and this unclean by twos, it has nothing to do with the cows and the pigs and bunny rabbits, come on everybody, come on! It has

to do with keeping Abel alive in the earth, or the awakened Christ alive in the earth, so that the Lord does not have to start all over again. Of course right now our example is Noah and we all know that Noah fell and the Lord had to start all over again, we are what He is starting all over again with. This time when we get to the other side we are not going to fall, and the reason we are not going to fall when we get to the other side is because that which was lacking in the previous formation of the creation has now been added to us. Verse 4;

4. For yet seven days and I will cause it to rain upon the earth forty days and forty nights and every living substance that I have made will I destroy from off of the face of the earth. KJV

I am saying Lord when is this going to happen, seven days, I do not know what seven days meant on the other side of the flood. I am just wondering if it is not going to happen in time for the election, that is just a guess, I do not know He has not told me. If Christ Jesus stands up in His full power before the election, He will definitely influence the people going into the polls, He definitely will, especially all of the people that are completely deceived are the serpent's candidate, or by the serpent concerning her candidate. Verse 4;

4. For yet seven days I will cause it to rain upon the earth forty days and forty nights...KJV

I had some revelation on that, I did not think it was forty days and forty nights. The rain of course is judgment; and the word forty, it comes from the number four and ten, and I was thinking that it might mean, I have done other translations with the number four and it sometimes can stand for the four-footed beast, for the animal side of the creation and the ten sefirot of the four-footed beast, that is what I was thinking it might mean. I will cause to rain upon the earth, upon the ten sefirot of the four-footed beast. Remember both Cain and Abel have a male and a female side, so the day would be the male side of Cain, and the night would be the female side of Cain. I think this might mean that. I do not think this, I do not know maybe there is going to be rain out there, I do not know, but even if there is rain out there in the atmosphere it is just a reflection of what is going on inside.

This rain, this judgment is going to fall upon the ten sefirot of the bestial side of the creation, both the female and the male part of the bestial side of the creation. The whole ten sefirot is going to come under judgment. That is exciting, not just Leviathan is going to come under judgment, Satan, the Dragon, and I do not know sometimes I get my parts mixed up, but the whole ten sefirot is coming under, the whole thing is coming down, the whole statue is coming down brethren, Daniel's whole statue is coming down. That statue that exists in this nation that is ready to stand in poise to topple us is coming down. I will destroy the whole, every the whole, living substance that I have made from off of the personality of the earth, the personality of the earth, it is not talking about the personality of God. He is going to destroy it. Verse 5;

5. And Noah did according unto all that the Lord commanded him.

6. And Noah was six hundred years old when the flood of waters was upon the earth. KJV

It is the earth, is the earthen personality that is being flooded. When you pour water upon anything that is formed from the earth it turns to; it starts to dissolve and turn to sand and mud, it turns to mud. Verse 7;

7. And Noah went in and his sons and his wife, and his sons' wives with him into the ark because of the waters of the flood. KJV

I feel very strongly that this what the Lord told me, that Noah definitely did have a following and everyone that believed his teaching became a part of Noah's spiritual family and that these are the sons that came into Noah's ark, and what it means is that they partook of his anointing and they partook of the protection that God was pouring out on him. That is what it means. Verse 8;

8. Of clean beasts and of the beasts that are not clean and of the fowls and of everything that creepeth upon the earth. KJV

The whole man went in. Let me take a look at that in the Interlinear Text. The whole man came under the protection of Noah's ark, of the bestial nature, the part of it that was clean, that is the part that is arising out of Christ, and of the beast that are not clean, we know that only the root can come in, only the root of Cain, anything that is grown out of Cain has to be destroyed, it cannot come in, and the fowls and the whole thing that creepeth upon the earth, the whole fiery serpent. Verse 9;

9. And they went in two and two unto Noah into the ark, the male and the female as God had commanded Noah. KJV

Cain and Abel, they went in, in twos. I am going to skip forward because I really want to finish this, well I am going to keep on going, if you want to leave, you can leave, I am still preaching; just leave it on if you want to go because I am going to finish this.

10. And it came to pass after seven days that the waters of the flood were upon the earth.

11. In the six hundredth year of Noah's life, in the second month in the seventeenth day of the month, the same day were all of the fountains of the great deep broken up...KJV

That is very interesting, I have to give you the Interlinear Text on this.

11. In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, that same time were broken up the fountains of the deep.

This Hebrew word translated deep is the main sea or the subterranean water supply, a surging mass of water, it means the abyss. This is the second energy

center, that is where Satan abides, it is Satan's waters, it is the sowing and reaping judgment coming forth, that is what it is. The great deep

...and the windows of heaven were opened. KJV

It is talking about, I mentioned it to you earlier, it is talking about a window with little slats in it and we read about this in the Song of Solomon also, that he looketh out behind the lattice; that is how it is described in the Song of Solomon. We see the judgment is coming from heaven which is the judgment of the son and the judgment is coming from Satan. This is the joining together of the sowing and reaping judgment and the righteous judgment of the son and no flesh can survive this.

The only ones that are going to survive are the ones who are joined to the new Jerusalem which has been created in spiritual place. Verse 12;

12. And the rain was upon the earth forty days and forty nights. KJV

Again, I believe it was on the ten sefirot of the animal nature that grew out of Cain, both the female and the male side of Cain.

13. And in the selfsame day entered Noah and Shem, and Ham and Japheth, the sons of Noah and Noah's wife, and the three wives of his sons with them into the ark. KJV

I am going to give you the understanding of these names and I believe the Lord told me, I definitely believe I heard from God that these are three categories of people. Shem comes from a word that means conspicuous position, a mark or a memorial of individuality, honor, authority or character. I have always wondered why it was Shem because Abraham is from the tribe of Shem, why did God go to the tribe of Shem to start salvation and He went to the son who

had this mark of character. Shem had something that the other two sons did not have. I think what he had is some spark of the righteous nature of God. Ham, the word Ham means or it comes from a word, well Ham means hot and it comes from a word hot. Hot simply means lust. I prayed about that for years when I first did that series that #18 series, and there was a lot of talk about the days of heat in Genesis 1.

I subsequently found out from the Lord that, that means the day of lust, the time of lust. Lust arises out of Behemoth and Leviathan. It is talking about, lust is really Behemoth, it is talking about the fallen nature. We see that Shem is talking, now this is one, the three types of sons, when you put them together, it is talking about one nature in three parts. Shem is talking about the part of our potential that is to manifest the righteousness of God. Ham is talking about the part of human nature that is lustful and that is not just sexual lust, Adam fell, the woman fell because of the lust of the eyes and the lust of the flesh, and the pride of lust, and it is lust for anything and everything that we may want.

Japheth comes from a word that means roomy in a moral or mental state, but it really means simple. It means simple or easily diluted. We see that there is a category of people who are simple and they are easily deceived but somehow their heart is right towards God and they are going to wind up in the ark. I do not have a clue as to how many people we are talking about here, as far as what is happening or is about to happen or what is in the process of happening here, but it is going to be three groups of people, three categories of people, and it is going to happen suddenly.

There is a Scripture that says Israel will be restored in one day. When the day came that the United Nations, when Israel became a nation there was great rejoicing. A lot of Bible teachers talk about Israel being built again in one day, but it really did not happen in one day. Do you know what had to come before the United Nations made Israel a nation, everything that went on before that, that led up to that one point that Israel was made a nation in one day. This entering into the ark in our modern days is going to happen suddenly, it is going to happen in one day, but all of this we have been preaching for 20 years, everything that has brought us up to this point, but the catching up or standing up of Christ Jesus the warrior, is going to appear like it happened suddenly. To those who are not watching for it, it is going to appear to come suddenly. Like I said, who knows it could be within the couple of weeks before the election, we shall see. Verse 14;

14. And every (or the whole) beast after its kind, and all of the cattle after their kind and every (the whole) creeping thing...KJV

That is the whole man, this physical body, that is the cattle, the bestial nature, the fiery serpent, the spiritual part of us, the whole man is coming under the protection of God in this time of crisis where the two judgments will rise up together to bring a destructive judgment upon His church.

This is not for the heathen, it is for the church and the Israel of God which is a partially the church and partially the natural Jew. Every Christian, everyone that calls themselves a Christian is not a part of this. Every Jew, everyone born of the flesh is not a Jew, Paul tells us, and everyone that calls themselves a Christian is not a Christian. This judgment is for Israel. Do you want to know who it is for, it is for the people who are incarnations of a spark of Adam who are not living, who are not lining up with the specific purpose for which they were incarnated.

This judgment is not for the poor guy somewhere that never heard of Jesus Christ. This judgment, this destructive judgment is for the people who are incarnations, specific incarnations at the specific will of the Father, sparks of the soul of Adam that died, who are incarnated for a specific purpose who are not lining up for the purpose for which they were incarnated. That is what this is about.

You cannot continue in this earthen personality living a life that does not line up with the purpose for which the Lord sent you here. If you have not heard this message, it does not matter. If you have not heard the message, listen brethren, if you whoever you are out there, whoever is hearing this, if you are a specific incarnation that has been incarnated at the will of the Father for a specific purpose at this time, and you are going to say that you have not heard this message, I assure you that news or word of this message passed by you at some time.

You who are an incarnation of the soul of Adam who was sent into this earth by the Lord, I assure you that the Lord spoke to you and told you about this message, but you did not believe it, you thought it was the devil talking to you and you followed after the voice of Cain within you, and therefore this judgment is necessary to punish you? No, it is necessary to bring to pass the plan of God for the salvation of all humanity.

If it turns out that you are someone who dies because of this, well then you will reincarnate again, hopefully the judgment will just set you straight so that you do what you were incarnated to do. Look brethren, a certain amount of spiritual strength is necessary to overthrow the beast that has risen in this nation. If you are a part of the group that is supposed to be pooling our energies in Christ Jesus to be a part of the manchild that is going to stand up and you are on the other side, you have got to go. Either you have got to be awakened; do you know how many Christians out there are voting for the wrong person? This judgment is for the church who are not listening to the voice of God or have it in their head that they want a free chicken in every pot with no faith for God to provide for them or no willingness to do what they are supposed to do to get their provision, this judgment is for the church and however this is resonating with Israel, people that have been called in Israel that are not responding.

How do I know? Maybe the Lord has been telling all of the leaders in Israel that Jesus is Messiah and they refuse to believe it. I do not know; but this judgment is for people who are the incarnation of aspects of Adam's soul. Adam has to be put back together again. If his soul is in you and you are on the serpent's side, something has to happen.

Do you know Bill Clinton would not have been elected if it was not for the church? Do you know how many Christians voted for Bill Clinton? Do you know how many Christians vote incorrectly every year? All they can think about is themselves, and they have leaders and teachers that give seminars on how to be happy in this life and how to be rich in this life apart from your service to God. Woe be to those teachers I would not want to be in their shoes, I really would not want to be in their shoes of all of those teachers. Verse 15;

15. And they went into unto Noah into the ark, and two and two of all flesh, (of the whole male organ, Cain and Abel with their wives) wherein is the breath of life.

16. And they that went in, went in male and female (of the whole male organ) of all flesh, as God had commanded him, and the Lord shut him in. KJV

Brethren this is really important, the Lord shut him in. brethren I have been praying that I know that this message that we have all been working so hard to

bring forth here for twenty years, that the day has to come that there is going to be a universal awakening of Christ and this message is going to be demanded, and I have been telling the Lord that I, whether it is lie in my mind or not, I just did not feel that I would be up to such a great expansion of the ministry and everything that would be associated with it. I was asking Him to please do something with my body and every part of me that I feel would not rise to that kind of a demand, and I have been praying seriously about it. This is His answer to me, the judgment; I do not think that this awakening is going to come without the judgment.

It is the judgment that is going to result in the awakening and the judgment is not going to come until we are shut in. Shut in means that Christ Jesus the manchild, ok the warrior has reached a stage of maturity in me or in you that he is going to penetrate out through every layer of my being and form a force field around me which will also result in the complete restoration of physical health. This is His word to me.

The judgment is not falling until those of that are going to be shut in are shut in. The minute we are shut in the judgment is going to fall. What is the shutting in? It is what has been called the catching up; it is coming. Brethren I am trumpeting it this morning, and as soon as we are shut in the judgment is going to fall. What form is the judgment going to take? I do not know. Is Israel going to bomb Iran? I do not have a clue, floods everywhere; do you know how many Christians have been in these floods in other states? Did it bring forth repentance? No, no, so it is more than judgment, there has to be an impartation of Christ to these people and I do not know how that is going to happen other than to get this word out, but all of those Christians over there, Louisiana, with all of their grief, I do not see anybody clamoring for this message.

It has to be a general awakening; it has to be a powerful move of God to bring it to pass. There are Christians still suffering today from those states, they lost their homes, it has to be a move of God. We will see what will happen. Verse 18;

18. And the waters prevailed and were increased upon the earth, (and the waters that is the judgment from above, and the judgment from below), and the ark when upon the face of the waters. KJV

What that is saying is no matter how hard that judgment hit, the ark of God stayed above it. I do not know that we, we may not be uncomfortable here or there, but we are going to survive, I am not going to tell you that we are going to be sitting here eating lobster and caviar like Michelle Obama, I could not resist that, I do not know we may be uncomfortable, I do not know, but we are going to survive, we have to know we are going to survive.

19. And the waters prevailed exceedingly upon the earth and all of the high hills that were under the whole heaven were covered. KJV

The high hills, hills are the energy centers that are in the middle, Christ Jesus, Zeir Anpin, and Leviathan. Leviathan is those six energy centers in them. The waters of judgment covered and of course heaven, the whole heaven that is interesting the whole heaven; that is where Leviathan is heaven, the ungodly heaven or the heaven of brass, and Christ Jesus the manchild is the heaven of God or the holy heaven.

All of the high hills were covered and of course that is suggesting pride, pride is coming down.

20. Fifteen cubits upward did the waters prevail and the mountains were covered. KJV

The mountains are the higher energy centers, Binah, Chokhmah, and Keter. We see that this judgment is going to, it is going to cover the whole ten energy centers of the serpent's kingdom. Verse 21;

21. And all flesh died that moved upon the earth, both of fowl, and of cattle, and of beast, and of every creeping thing that creepeth upon the earth, and every man:

The whole male organ of the serpent's household, well I do not know who died, the whole flesh that died, I will look at the Interlinear Text on this verse). There are two male organs, there is the male organ of Christ Jesus and the male organ of Leviathan right? The whole male organ died. That has to be Christ Jesus, I do not think, the Lord would not call Leviathan the flesh, and died the whole male organ that moved upon the earth. Maybe that is Leviathan, the one that was moving, what does this word move mean? The Lord does not crawl on the earth, so this would be Leviathan, the whole flesh organ that crawled upon the earth, the fowl, that means Satan, the spiritual part of it, Cattle, the human part of it, the beast, the bestial nature, and the whole creeping thing, that is the fiery serpent headed up by Cain the creepeth upon the earth of man all died. Let me see what that word is. This does not say the people are going to die, I do not know, but there are going to be some people that are going to die. This does not, you know this is interesting, this means to breathe out.

You know when I tell you that all of the time that when Jesus was crucified, He breathed out before; the reason His body died was because He breathed out. We see that the breath of life, that whole male organ that crawls upon the earth, Leviathan, Satan, the whole thing there, they are going to die because the breath of life is going to breathe out of it. Jehovah is removing His breath from that monstrous beast that has risen in this nation and wherever else it is in the world, Jehovah is going to remove the breath and it is going to collapse, it cannot exist without the breath. Are you all following me? That is the judgment. It was just like Jesus' body collapsed when He breathed out. Verse 22;

22. All in whose nostrils was the breath of life, and all that was in the dry land died. KJV

All whose breath of life was in the nostril is talking about the nostrils of Adam Kadmon, and the nose of Adam Kadmon is the level of sefirah that would be Zeir Anpin or this is talking about Leviathan, that unholy and counterpart of Christ Jesus the warrior. Everything that was in the dry land died. It was judgment upon the beast.

23. And every living substance was destroyed which was upon the face of the ground, both man, and cattle, and the creeping things, and the fowl of

the heaven; and they were destroyed from the earth: and Noah only remained *alive*, and they that *were* with him in the ark.

24. And the waters prevailed upon the earth an hundred and fifty days.

I just said judgment upon the beast because we know that Elohim made a covenant with Noah, Shem, Ham, and Japheth on the other side of the flood and said that I will never destroy humanity again by water, this time I am going to destroy them by fire. In this dispensation, the whole bestial nature, not only nature, this whole beast mind, where did it come from that it is in our education system, in our government, in Hollywood and TV, where did this come from? The breath of life is going to breathe out of all of it.

Whether they are going to physically die or not, I do not know, but their power is going to be stripped from them, at the very least their power is going to be stripped from them. As I told you on Thursday, I believe, this is the resurrection of the tower of Babel, and the whole concept of what is going on in this country today is built upon a foundation of a one world economy upon which is built a one world nation, no national divides and a one world religion is essential because every aspect that would cause division, anything that would work against this one world economy, it is money, they want money brethren, and they want money and power. Anything that would work against this one world economy has to be destroyed and that is why they are out to destroy Christianity. When they are finished with Christianity they go after Islam too, these powers if they ever get to that point.

This the tower of Babel being built again, powers that want to and that intend to control the commerce and the people of the world, and the Lord is going to bring it down, this the tower of Babel all over again, Jehovah has come with Elohim in the form of the Lord Jesus Christ and He said no you are not going to go any higher, you are not going to get above, the serpent is not going to appear in this earth.

24. And the waters prevailed upon the earth an hundred and fifty days. KJV

I think that we can really end here, I think that pretty much everybody knows what happened, the waters abated and Noah came out on dry land and then Noah was seduced by Satan after he came to this side, he was seduced by Satan, and the whole rescue effort was compromised, but this time the rescue effort is not going to be compromised because the missing part will have been added to a company of people who will then become the teachers that will impart the same salvation to the rest of the world.

Can you imagine a whole world of righteous people, everybody doing the right thing, no hate, no envy, no jealousy? I dream about it. This has been very exciting, are there any questions before you leave? Thank you for staying late. Anybody have anything to say? What is there to say? Let us just end this with a prayer.

PRAYER

Father in the name of Jesus we thank you so much that you would grace us with this word of knowledge message Lord, that you would tell us about your plans because we know the Scripture says that you do not do anything Lord unless you tell it to your prophets first. I truly hope that I preached it correctly Lord, and that we are going to see a great and powerful move of your spirit before the election that is coming up in just a couple of weeks. I thank you for everybody that you are joining, have joined and are joining to the ark. I thank you Lord for faithfulness in the earth. We know that you are righteous no matter what happens, Lord, and whoever gets hurt, you are still righteous. We pray for your perfect will and your salvation, we cover the whole earth Father in Jesus name.
