TRANSCRIPT OF MESSAGE #783 - Part 5

ANTICHRIST

This Message Has Been Transcribed and Edited For Clarity, Continuity Of Thought, And Punctuation By The CCK Transcribing and Editing Team.

Good morning brethren, this is Part 5 of Antichrist, and I am not sure where to start, so I will just start chatting with you. I guess I will start by giving glory to God that he is the deliverer. I have spent so much time in the last couple of weeks and a whole day yesterday looking at the fallen side of man that I just thank God that when I woke up this morning he gave me his side of it. It was getting a little oppressive. I spent the whole day yesterday finding out that we really are in the matrix, and that the sin in our government and governments around the world is worse that we would imagine. I guess I have heard things like this over the years, but the mind just does not grasp it.

There are people out there yelling about the CIA, saying this or that, and your mind just does not want to believe it. I watched a video yesterday about a real event. There was a law suit. It is on the records, you can check it out. There was a doctor, I do not know if he was an American or not but he escaped to America from Canada. He experimented on his mental patients and destroyed lives of hundreds of people forcing mind control on them and LSD, and he destroyed them, and it was the CIA that funded him.

I also watched another video about someone called **Cathy O'Brien**. I remember years ago I heard there was something going on in the country where people were going to therapists and they were digging up repressed memories of satanic abuse. There was a big controversy in the country, whether these people were really satanically ritually abused, or was it the therapist, the psychiatrist that was digging up false memories? I heard it; it went in this ear and went out that ear.

The bottom line is this. It is partially as a result of selfishness; we do not bother because our life is okay. None of it is conscious. It is subconscious. We do not make a conscious decision to not investigate it. On the other hand, we think it has nothing to do with us, or what can we do about it anyway? Even that is not conscious. For me, it just went in this ear and it went out that ear.

I have known about the Bohemian Grove for years, that our highest officials go to this occult club once a week where they simulate human sacrifice to a pagan god. I have known about it, but it just gets worse. There seems to be real proof of satanic ritual abuse, and it is not just this country.

It is about power wherever it is manifesting, in the high halls of power. There is satanic ritual abuse of children, paedophilia, running rampant in the high halls of government, including the White House. There appears to be proof. There are houses of prostitution in Washington, stocked with children, women who are breeders, who birth children just for satanic sacrifice. I heard this, years ago; I never asked if it was true or not. I heard it and I forgot about it, I and, I think, the majority of the people in the country.

Days before that I was reading a book called **13 bloodlines of the Illuminati** and by the end of the day yesterday, when I went to sleep in the night I was concerned I would have nightmares. So I read the Scriptures before I went to sleep. The thought in my mind was, **Lord where are you in all this?**

This is just terrible, hearing that heroes in the government are involved in this kind of wickedness. All the evidence is certainly out there. You are looking at the evidence. Yes, it could be doctored, you are praying about it, you are asking God for the truth, and it looks like this is what he is showing you.

This is what he has been showing me. Multiple times yesterday, I said, **what am I doing? I have to preach tomorrow. What am I doing looking at all of this filth on the internet, talking about mind controlled slaves of our government?**

I had heard about **operation paperclip**. I heard about **paperclip** years ago, that when Germany was defeated America went and took all of the scientists with all of their research and brought them over here. I have known about **operation paperclip** for a long time. It went in this ear, and went out that ear.

If you take all the scientists and their research, and you do not execute or punish them for torturing and killing and experimenting on innocent people, instead you take them into this country because you want the same research, is it not foolish to think that they would not continue to experiment on unwilling subjects over here too, people that cannot fight back, people in jail, people in mental hospitals? I have heard about scandals here and scandals there. It went in this ear, and went out that ear.

How do we live with all this? I asked the Lord yesterday, **how can I live with all this?** Over the last couple of years, we have had several messages along these lines, and then as soon as I finish preaching it I go back to my cloud nine. What do you do? Who can live with this?

I saw a video (you can look it up on the internet) about someone called **Cathy O'Brian** who said her father sold her to the Illuminati. They were looking for certain psychically prepared children, children who will be open to the kind of complete mind control where they make you into a robot, like in the movie, **The Manchurian Candidate**.

It was not that long ago (maybe within a year) that I mentioned to you a video that I saw about India, where a man had just sold his daughter. He knew she was being sold into white slavery, and that she would be a prostitute. She would be a captive prostitute in this house for as long as she lived.

She was 12 years old, her life was ruined. I remember telling you all that that is in India, not a Christian country. Now here is this blond-haired, blue-eyed Irish-American woman saying her father sold her. She claims to have scars all over her body from being shot with a stun gun.

I went to sleep last night not happy, but I woke up this morning, and thank God, he put me in the Book of Revelation, and he gave me understanding. He brought me into Revelation Chapter 4, and I have a greater degree of understanding of what is going on. He told me to warn some of you who may get lifted up in pride about what I am going to say.

Be careful of your pride, brethren. I have come full circle. The understanding that I have this morning I had it a long time ago, but I had it by faith. I had the understanding by faith. I could have never stood up in a debate with a New Ager. I could have never answered their questions. **Why, why, why?** So the Lord sent me (and you with me), on a magic carpet ride, investigating this New Age.

What fascinates me is this doctrine of the re-incarnation of King Arthur. Do you know that what we are looking at now was at its height in the 60s and 70s and 80s? We are late. I never heard of Arthur. I heard of the New Age, I knew about Maitreya, but Arthur, I never heard of. I looked into it. I looked into it, it went in this ear, and went out that ear. What am I supposed to do with it?

I will put this all together for you. The Lord took us on a magic carpet ride, and hopefully now I am coming to the same conclusion pretty much that I came to years ago by faith. But now, I can talk to somebody about it. I can tell them I investigated British Israel, I investigated the New Age. I knew this, I knew that. I looked at this and I looked at that, and this is the conclusion that I have come to.

This conclusion is not just because I heard a word in the middle of the night. It is not because God told me that this is what is going to happen at the end times, and when asked to support it, I cannot, except to say that God told me. That kind of faith only takes you so far. That kind of faith works when you really do not understand it with your mind. That kind of faith is positive until you receive the mind of Christ and you understand it with your mind.

Your faith can be stolen from you. You can lose your faith. You can be deceived out of your faith. If you believe something by faith but you cannot support it with, not even knowledge, but understanding, you can lose your faith. A conclusion that you have drawn or come to by studying the whole picture is really hard to steal from you. Maybe it can be done with severe mind control, I do not know, but it cannot be stolen from you by someone's argument. You cannot be talked out of that, brethren.

However, if you believe it only by faith, and someone comes from the other side with persuasive arguments, it could put doubt into your mind, and that doubt is capable of overthrowing your faith. It is not likely that it will overthrow your opinion that is based on research and knowledge and understanding. That is the magic carpet ride that the Lord has had us on. This is the conclusion that I have come to with regard to anti-christ and everything that we have been studying these last weeks- British Israel, natural Israel, and the freemasons.

I have been saying that I do not understand where natural Israel fits into the whole picture, the royal families and Israel being in the Egyptian monarchy, and in the Grecian monarchy, in the Israelites, in the natural descendants of Jacob, the promise of the land in Israel, the whole thing. I might have thought that I understand one part or the other, but when I looked at the whole picture I could not put it together. I confess to you that I could not put it together. I was not satisfied; my mind was not satisfied with the picture that I was seeing.

So I am right back to square zero. I am sure you have heard me say this before. The ultimate battle that is already upon us, that people are not looking at (and in this country they probably will not look at it until it actually happens, me too) is that of the New World Order. God wants us to look at it before it happens. All the signs are there.

It is as clear as the nose on your face and nobody knows what to do about it so they are just going about their daily business, like nothing is wrong.

But the New World Order is here! Evil has taken over the world in the high places of power, and they are moving every day as rapidly as they can to fulfil the fullness of their plan, which is the extermination of the majority of mankind.

I read in one of the documents that I was studying, an attempt to answer the question, why? Why do they want to destroy all of mankind? And I knew the answer, because God told me the answer. I preached it to you but you probably do not remember right now. The answer to the question why do these people want to destroy all of mankind is that they are not normal people. They are possessed; they are possessed of the evil entities that God created before he created Adam. I have already preached this to you before, but I will preach it again.

Genesis 1:1-31

¹ IN THE BEGINNING GOD CREATED THE HEAVEN AND THE EARTH.

² AND THE EARTH WAS WITHOUT FORM, AND VOID; AND DARKNESS WAS UPON THE FACE OF THE DEEP. AND THE SPIRIT OF GOD MOVED UPON THE FACE OF THE WATERS.

³ AND GOD SAID, LET THERE BE LIGHT: AND THERE WAS LIGHT.

⁴ AND GOD SAW THE LIGHT, THAT IT WAS GOOD: AND GOD DIVIDED THE LIGHT FROM THE DARKNESS.

⁵ AND GOD CALLED THE LIGHT DAY, AND THE DARKNESS HE CALLED NIGHT. AND THE EVENING AND THE MORNING WERE THE FIRST DAY.

⁶ AND GOD SAID, LET THERE BE A FIRMAMENT IN THE MIDST OF THE WATERS, AND LET IT DIVIDE THE WATERS FROM THE WATERS.

⁷ AND GOD MADE THE FIRMAMENT, AND DIVIDED THE WATERS WHICH WERE UNDER THE FIRMAMENT FROM THE WATERS WHICH WERE ABOVE THE FIRMAMENT: AND IT WAS SO.

⁸ AND GOD CALLED THE FIRMAMENT HEAVEN. AND THE EVENING AND THE MORNING WERE THE SECOND DAY.

⁹ AND GOD SAID, LET THE WATERS UNDER THE HEAVEN BE GATHERED TOGETHER UNTO ONE PLACE, AND LET THE DRY LAND APPEAR: AND IT WAS SO.

¹⁰ AND GOD CALLED THE DRY LAND EARTH; AND THE GATHERING TOGETHER OF THE WATERS CALLED THE SEAS: AND GOD SAW THAT IT WAS GOOD.

¹¹ AND GOD SAID, LET THE EARTH BRING FORTH GRASS, THE HERB YIELDING SEED, AND THE FRUIT TREE YIELDING FRUIT AFTER HIS KIND, WHOSE SEED IS IN ITSELF, UPON THE EARTH: AND IT WAS SO.

¹² AND THE EARTH BROUGHT FORTH GRASS, AND HERB YIELDING SEED AFTER HIS KIND, AND THE TREE YIELDING FRUIT, WHOSE SEED WAS IN ITSELF, AFTER HIS KIND: AND GOD SAW THAT IT WAS GOOD.

¹³ AND THE EVENING AND THE MORNING WERE THE THIRD DAY.

¹⁴ AND GOD SAID, LET THERE BE LIGHTS IN THE FIRMAMENT OF THE HEAVEN TO DIVIDE THE DAY FROM THE NIGHT; AND LET THEM BE FOR SIGNS, AND FOR SEASONS, AND FOR DAYS, AND YEARS:

¹⁵ AND LET THEM BE FOR LIGHTS IN THE FIRMAMENT OF THE HEAVEN TO GIVE LIGHT UPON THE EARTH: AND IT WAS SO.

¹⁶ AND GOD MADE TWO GREAT LIGHTS; THE GREATER LIGHT TO RULE THE DAY, AND THE LESSER LIGHT TO RULE THE NIGHT: HE MADE THE STARS ALSO.

¹⁷ AND GOD SET THEM IN THE FIRMAMENT OF THE HEAVEN TO GIVE LIGHT UPON THE EARTH,

¹⁸ AND TO RULE OVER THE DAY AND OVER THE NIGHT, AND TO DIVIDE THE LIGHT FROM THE DARKNESS: AND GOD SAW THAT IT WAS GOOD.

¹⁹ AND THE EVENING AND THE MORNING WERE THE FOURTH DAY.

²⁰ AND GOD SAID, LET THE WATERS BRING FORTH ABUNDANTLY THE MOVING CREATURE THAT HATH LIFE, AND FOWL THAT MAY FLY ABOVE THE EARTH IN THE OPEN FIRMAMENT OF HEAVEN.

²¹ AND GOD CREATED GREAT WHALES, AND EVERY LIVING CREATURE THAT MOVETH, WHICH THE WATERS BROUGHT FORTH ABUNDANTLY, AFTER THEIR KIND, AND EVERY WINGED FOWL AFTER HIS KIND: AND GOD SAW THAT IT WAS GOOD.

²² AND GOD BLESSED THEM, SAYING, BE FRUITFUL, AND MULTIPLY, AND FILL THE WATERS IN THE SEAS, AND LET FOWL MULTIPLY IN THE EARTH.

²³ AND THE EVENING AND THE MORNING WERE THE FIFTH DAY.

²⁴ AND GOD SAID, LET THE EARTH BRING FORTH THE LIVING CREATURE AFTER HIS KIND, CATTLE, AND CREEPING THING, AND BEAST OF THE EARTH AFTER HIS KIND: AND IT WAS SO.

²⁵ AND GOD MADE THE BEAST OF THE EARTH AFTER HIS KIND, AND CATTLE AFTER THEIR KIND, AND EVERY THING THAT CREEPETH UPON THE EARTH AFTER HIS KIND: AND GOD SAW THAT IT WAS GOOD.

²⁶ AND GOD SAID, LET US MAKE MAN IN OUR IMAGE, AFTER OUR LIKENESS: AND LET THEM HAVE DOMINION OVER THE FISH OF THE SEA, AND OVER THE FOWL OF THE AIR, AND OVER THE CATTLE, AND OVER ALL THE EARTH, AND OVER EVERY CREEPING THING THAT CREEPETH UPON THE EARTH.

²⁷ SO GOD CREATED MAN IN HIS OWN IMAGE, IN THE IMAGE OF GOD CREATED HE HIM; MALE AND FEMALE CREATED HE THEM.

²⁸ AND GOD BLESSED THEM, AND GOD SAID UNTO THEM, BE FRUITFUL, AND MULTIPLY, AND REPLENISH THE EARTH, AND SUBDUE IT: AND HAVE DOMINION OVER THE FISH OF THE SEA, AND OVER THE FOWL OF THE AIR, AND OVER EVERY LIVING THING THAT MOVETH UPON THE EARTH.

²⁹ AND GOD SAID, BEHOLD, I HAVE GIVEN YOU EVERY HERB BEARING SEED, WHICH IS UPON THE FACE OF ALL THE EARTH, AND EVERY TREE, IN THE WHICH IS THE FRUIT OF A TREE YIELDING SEED; TO YOU IT SHALL BE FOR MEAT.

³⁰ AND TO EVERY BEAST OF THE EARTH, AND TO EVERY FOWL OF THE AIR, AND TO EVERY THING THAT CREEPETH UPON THE EARTH, WHEREIN THERE IS LIFE, I HAVE GIVEN EVERY GREEN HERB FOR MEAT: AND IT WAS SO.

³¹ AND GOD SAW EVERY THING THAT HE HAD MADE, AND, BEHOLD, IT WAS VERY GOOD. AND THE EVENING AND THE MORNING WERE THE SIXTH DAY. **KJV**

Everything that you read about in Genesis Chapter 1, the creeping crawling this and that, these are all entities. They are not flora and fauna like you see outside, like the grass in your backyard. They are conscious entities that were not made to be individual. They were made to be a part of the whole. They thought that they were the whole, and the day that God unveiled Adam, the consciousness of the whole, the parts rose up in rebellion and said, we will kill your son, because we will not be a part of the whole. We are the head, we are the rulers, we are the kings, and we will not submit to your son

who came in on the 6th day. We are older than he is, we are wiser than he is, we are more experienced than he is, and we will not bend our knee to him.

That is a parable in the Zohar. That is what we saw playing out in the account of the tower of Babel. There is a war going on, that has always been going on from before the fall of man. The warfare began the day that Elohim (Elohim is the creator) said (on the 6th day) let us make man in our image. All the entities that were formed prior to that, on the 4th and 5th day, heard that and declared war against Elohim, and against Jehovah from that moment forward. That was when it began and it has never ended.

They want to destroy mankind, because we... This is the mystery. Either they do not understand it or they are refusing to believe it. I am not sure what it is; maybe the answer will come out in today's message.

It is not right to believe that mankind which is spiritually naïve and ignorant and not capable of much of anything (Jesus said that we cannot do anything without him, we are really not capable of much of anything), will be ruling over these spiritual entities. It is outrageous to think that we will be ruling over these spiritual entities which have spiritual power and which have wisdom and knowledge that we cannot even imagine. It makes no sense at all. But the truth of the matter is that we are just the house. We are the house that is destined to contain the fullness of the spiritual royalty which includes the Creator.

The Lord Jesus Christ who today is the viceroy that stands in front of spiritual royalty and is now one with spiritual royalty, he is one with Jehovah, he is one with Binah, he is one with the whole world of Atzilut. He is one with Adam Kadmon, primordial Adam. He is what is out there in front that we can see, not necessarily see him with your physical eyes, but comprehend him. We have some understanding of the Lord Jesus Christ. That is what the Bible is all about. It is there to teach us about who he is, what he wants to do for us, and what his relationship with God is.

It is that collective consciousness of Adam Kadmon, primordial Adam, and all of the sephirot, and the consciousness of the world of Atzilut, and the consciousness of the human beings he has revealed himself through such as Elijah, and Enoch we are told, and the Lord Jesus Christ. There is now a new entity. It is this spiritual authority plus knowledge that will sit on the throne of mankind and rule over all of the entities that were made on the 4th and 5th days. It is not mankind alone.

It seems to me that if these entities would understand that, they would not be fighting. If they would understand that they would know that they cannot possibly win. It just looks like they are winning, but they cannot possibly win, but they think they can win.

The human beings that have been on the face of the earth not only today but for all time, have been tortured, and cheated, and maligned, and abused, for all of their existence, by evil people that have power over them. So about 2000 years ago, God sent his son, and he did great good.

One of the issues that is still hard for me to understand is that this country was founded by freemasons. You cannot deny the evidence that is out there on the internet, that Washington DC is all laid out according to free masonry, which is Kabbalah. You cannot deny the statues that are in Washington of pagan gods. So how did God prosper this country to the degree that we prospered? How did it happen, that although it was imperfect, we had some good times here?

People were working hard and achieving things, and having a better quality of life, and God through Jesus was being honoured. There was a time that everybody was in Church on Sunday, and we dwelt in peace. How did that happen if this is a freemason country which, according to their plans, is really the re-creation of Atlantis?

The answer is that God is here also, having mercy on the animal of the creation, which is us. God is having mercy on the animal part of the creation, which is us, so for a season, all that you saw was what was on top, God having mercy on the animal part of the creation while the freemason plan... What is really hard is George Washington and his kneeling to God. Who was he praying to? Was he really praying to God of the freemasons which is Lucifer? How do you reconcile these 2 accounts of America?

It is enough to make you either just throw up your hands and walk away, or to break your mind. I believe the Lord is telling me not to knock myself out trying to figure out who George Washington was praying to. Do not try to figure it out. If God tells you, he tells you. Do not try to figure it out. You just need to know that the 2 sides were present in this country. The 2 sides were present. The bottom-line is, the reason that mankind keeps falling down is that this is not God's creation.

How will the Church stand? They will never believe this. I have been telling you for years that this is not God's creation. The Serpent stole the substance out of which God intended to build his creation and built his own creation with it, with the substance of God, therefore we have an element of God in us which is the breath of life, which is Abel, but the formation of this world is not of God.

Even though God rules and he can overrule at any time if he wants to, by and large he yields the world to the principalities that represent the ones that formed it. Then God is there as a super consciousness, you might say. He is reaching down into this world to try and communicate with the animal (we are the cattle, the ones that are in danger and suffering) and he helps those of us that hear him and call out to him. Then something happens and we as a people lose contact with the invisible God that is so hard to stay in contact with. Something happens down here that we can see, feel, taste and experience and that completely overshadows our spiritual comprehension of God. We go in the wrong direction. God is up there calling to us, and we are looking at somewhere else thinking that God is over there but he is up there, or over there, and everything goes bad.

I have talked to you recently about looking for spiritual signs. Look at what is happening in the country. Something is wrong. The people have lost contact at their root. It is not this person, or that person, or you or me, but the spiritual root, the heartbeat of this country has been seduced. Of course it is the whole Western world, but I am talking about here right now. The heartbeat, the core of mankind, Tevunah, has been seduced.

Tevunah, the princess, is the core of everything that is here. She is the breath of life from the God world of Atzilut. The soul is created, the animal exterior is formed out of the earth, but the life of God is in the breath that is in us, and she has been captured by the soul and the animal nature of the cattle that she is buried in. She is captured and she is in agreement with the fallen powers, from the 4th and 5th days of creation.

I looked at this message that God was giving me, and asked him if he expected me to go out there and tell the people (we are a small ministry, no more than 30 people) that no one else in the world understands this. The Church does not understand this, the Buddhists do not understand it, the Hindus do not understand it. Not only that, but my research revealed that what is going to.... How do I say this Lord? The source of the power to rule this world is in knowledge. It is all out there, it is all over

the internet, they are talking about the esoteric knowledge of the New Age, but the New Age is new, so where does this mysterious knowledge come from?

It goes back to witchcraft. It is all witchcraft. The whole earth was covered with witchcraft before the son of God appeared. It never died, it just went underground when the son of God appeared, just like Hitler's 3rd Reich never died. It just went underground and worked tirelessly to seduce the cattle that were on the surface prospering because they had heard somehow and had connected to God who is beyond the consciousness of this world. I guess super-consciousness. Witchcraft is back and it is back in power; it is just not obvious yet.

Its intent is to completely swallow up Christianity, and Judaism and Islam. It is coming out of the darkness, swinging, and the majority of the people do not have a clue that the punch is coming. This is what really grabbed me. The investigation that I was involved with (and it is by no means exhaustive) reveals that the core of power is in knowledge, and this is the knowledge that the Church warns you about. It warns you to stay away from esoteric knowledge saying it is witchcraft, it is Luciferian doctrine. It warns you to stay away from Kabbalah, saying it is deadly; it is part of the New Age, stay away from it. And here I am preaching knowledge. It tells you that that is a cult, stay away from that knowledge, and that is what I am preaching, knowledge.

What I am teaching you, at least the outline of what I am teaching you, is the agenda or syllabus of the courses of all these witchcraft religions, except it is not the same doctrine. But people that do not have the mind of Christ probably cannot even tell the difference. It sounds like I am teaching you the same thing. Power in the earth, power above, a union between the 2, something borne of the 2, I was reading yesterday (I am really surprised it got past me), this whole concept of the reincarnation of King Arthur, and Merlin his prophet, you might say. There is an actual document just as we have the Bible. I think they call it ***The Chronicles of Merlin*** or ***The Book of Merlin***, something like that. I read a quote (I did not read too much of it because I did not want to read that stuff), ***it is all about the child.***

I read on the internet yesterday that Allister Crowley (he is dead now), wrote a book that talks about the child. He was supposed to have been the most powerful human being that attained to the heights of witchcraft known to man, at least at the time. He lived during World War 2. This witch actually worked for the British government during World War 2. He wrote a book, he channelled a book; some spirit gave him a book. He wrote the book, like Moses wrote the Bible; some spirit gave him a book called ***The Law***. The story is that he had a word that it was going to be given to him. The word was ***it is all about the child.***

He waited and for 3 days he wrote down everything that he heard and they have the book which is the esoteric doctrine of witchcraft. It is all about the child, the spiritual child, not out there but in here, in us, a child that is really a mind. I am preaching the same thing as the witches. Who is going to believe this, except the few of us that are here? You are all a miracle.

I do not know what this is going to look like on the outside. I heard the rabbi put it this way, and I like the way he put it. Apparently they know that in the Age to come, the power is going to be female, but he said, we do not know what it is going to look like on the outside.

We (those of us that know the New Testament) have a clue; we know that there is no male or female in Christ Jesus. It means the power could be in a woman or a Jew or a Greek. I do not know what it is going to look like on the outside. I do not know what this conflict that is coming (that is already here for those that have eyes to see it but it is not out in the open) is going to look like on the outside.

They are going to be practicing witchcraft, like we have Churches on every corner. They are going to be practising witchcraft again, and the form of witchcraft is **druidism**. Druidism involves child sacrifice. Right now there is human sacrifice on these shores but it is illegal, and they are hidden. But the day is coming when it is not going to be hidden or illegal anymore, when they overthrow the constitution (if they overthrow it, which they might).

This is what I received from the Lord this morning. Brethren, there is no more national borders. There is no more national Israel. There is no more national Israel with regard to God's end-time plan.

There are people and preachers out there saying this but they say it along with hatred for the Jewish people. You have to be very careful to not have hatred for the Jewish people. God does not honour hatred for anybody.

There is no more national Israel in God's end-time plan. It is very clear in the word of God that there are unlimited numbers of saved people coming out of every nation, every creed, every language. It is the Israel of God. They are coming out of every possible type of humanity. It is spiritual Israel.

I was stuck at the place where God made promises to Jacob who was the natural man. ***What about your promises to him that he will possess the land forever?***

I am giving you synopsis of what I have been going through for a couple of months now. The Lord answers me in little pieces; I am trying to put them all together for you. In the last week or two, something that I read somewhere made me think that we will never ever convince these Jews because in the Book of Leviticus and in the Book of Exodus, where you read the law, it says, ***and this law, these statutes, and judgement, and this law, you will obey for ever and ever.***

How will we ever convince them to give up practising the law? The answer to the question is this (I do not know how we will get them to understand it but) when God said that you will keep these commandments for ever, he did not say that you will keep it in the same way for ever. He was talking about the spiritual root of the law.

The ultra-orthodox Jews, the black hat Jews that I have a relationship with now, will tell you that there are 70 different interpretations of every Scripture. This was a blessing to me, because the Church is persecuting me because I change an English word... well I do more than that. I have a spiritual understanding of the Scripture and it sounds very different and they call me a cult leader.

The ultra-orthodox Jews do not call you a cult leader because you have a different understanding of the Scripture. They have that revelation. There are 70 different interpretations of every Scripture. So I am at home there. It is not that I am welcomed or accepted there, but in principle they have no problem with me over there when I show them one of my Alternate Translations.

If, as a result of having ascended from the understanding of the letter of the word to the spiritual understanding of it, you take a chapter written in ink that is unchangeable in the form that it is in on the page, and change it into another form, and write it into another book, what is the difference between that and the natural reading of the law and understanding it in several different ways according to the hand of the one who wrote the law in the first place?

You cannot change the Scripture with your natural mind. It is supposedly the hand or mind of the author flowing through you that looks at his word and says, ***you can also see it this way and this is the Scripture but you have to look at it from this point of view because I, God, am not limited to one***

myopic view point. You have to continuously seek wisdom in the situation. The Jews do not have any problem with that, with the word, but the Church does.

Well, what about the Book of Leviticus, with all of the instructions, for the high priest and the priesthood? Why can the same thing not be true over there? Why can it not be that the very core of the law, when you do not know any better, is practiced in the natural, with a natural garment for the high priest, with natural stones on the breastplate, with a physical hat, but when you have the spiritual understanding operating in your life, you no longer have to observe the natural laws and statutes?

It is sort of like what I just told you, that faith only lasts and works for you until you come up against someone who has knowledge of the other side. Faith would not stand against it. That is what is going on with Christians today who are trying to convert other nations, other people who practice other religions. They say, **believe in Jesus, here is a tract**, and if the person asks them what is wrong with their religion, they cannot answer satisfactorily.

It is like I said to that woman who tried to stop me from going to a deliverance church, I said, **what is wrong with the church?** Her reply was **Jesus does not like it.** That is not good enough for me because my experience is that I was getting help there. Tell me what is wrong. She says, **I do not know.**

So the keeping of the law in the natural can only exist as long as there is no other knowledge of the law of God. The purpose of the law is to purify you by faith. The physical keeping of the law is an act of faith.

Tell me, how does sacrificing an animal purify you? How does a head covering purify you? How does a head covering keep the angels away from you? How does any natural thing protect you? It does not. God says **you do it and then I will protect you because of your faith, because of your obedience to what I told you to do. You do it and I will protect you.** That is what the law is.

I was at a Seder last year. The rule is you are commanded to eat a certain quantity of matzah at Passover. It was the first time I heard this. Maybe it was a new rule, there are continuously new rules coming in. The rabbis just make new rules whenever they want to. Anyway, the rule is you are commanded to eat a certain quantity of matzah at Passover. I sat there at that Seder table and I watched the rabbi, a man that absolutely wants God, his heart is absolutely right, and I saw him stuffing the matzah down his throat, at the Seder meal.

I am not mocking you - I know Jewish people are going to be listening to me at some point. You have got to hear what I am saying.

He was gobbling a whole bunch of matzah, not enjoying it, not enjoying the taste. The commandment says you shall eat matzah, and the rabbis say you shall it a particular quantity (I am not sure what it is) of matzah so he is forcing it down his throat.

Brethren, how does that purify you? How does that purify you? It is an act of faith, and faith does not hold up when the understanding of that faith becomes available. Faith does not hold up when someone comes to you and says **why are you doing that?** His answer is, **because everything that I do brings me closer to God.** Yes, your obedience to your understanding of the law brings you closer to God but there is a new update, there is a new programme, and it is much more efficient.

We have a back-up programme called Acronus. I got a message that there is a new programme, and it is available to me on my licence, and I do not have to pay any money. The same with our ABG, an anti-virus programme.

Brethren, there is a new programme. It is more efficient. It works better. It looks better, and this programme has faith in it too. It is a refined form of faith. This rabbi who loves God and is really seeking God has said the story multiple times of someone who was asked to put on the tefilin and responded that he puts the tefilin on in his heart (the New Testament calls it the phylacteries).

Observant Jews strap these leather boxes that contain scrolls with verses from the Torah around their arm, and one goes on the forehead by the 3rd eye. The Torah commands that they should be worn to serve as a **sign** and **remembrance** that God brought the children of Israel out of Egypt.

The rabbis are trying to get all the Jewish men back into Israel, so they invite them to come and put on tefilin with them. Someone said to this rabbi, *I put on tefilin in my heart*. Maybe he was even a born-again Jew. The rabbi says, *put on tefilin in your heart?! What is he talking about?*

Well, will you try and listen? There is a new programme. God never said that for all time you have to do that. They have a revelation that when Messiah comes they will not have to do it anymore, but I do not think they understand what it means. They have that revelation that when Messiah comes, they would not have to do this anymore.

There is a spiritual application for every commandment, every law, every statute that we find from God, and when the Lord brings us to that place that the spiritual application is operating in our lives, we no longer have to observe the natural laws and statutes. That is the answer to their statement that they are supposed to keep these laws forever.

I just realised that they are contradicting themselves. They say you have to keep these laws forever but they know that when Messiah comes they do not have to do it. So I just learnt something from my own preaching, an answer for them if it ever comes up.

There is no national Israel that has relevance to God's end-time plan. There is a national Israel; they are there in the Middle East, and there are millions of them all across the world, with their black hats (I am not saying that disparagingly, I am just trying to identify them). There are not only black hats; there are millions of Jews across the world in every nation. However, they are not as a group relevant to end-time prophesy and God will fulfil his promise to Jacob spiritually.

Ezekiel 37:25

²⁵ AND THEY SHALL DWELL IN THE LAND THAT I HAVE GIVEN UNTO JACOB MY SERVANT, WHEREIN YOUR FATHERS HAVE DWELT; AND THEY SHALL DWELL THEREIN, EVEN THEY, AND THEIR CHILDREN, AND THEIR CHILDREN'S CHILDREN FOR EVER: AND MY SERVANT DAVID SHALL BE THEIR PRINCE FOR EVER. **KJV**

The land belongs to Jacob forever. At the time that God first told Abraham, God indeed referred to the geophysical land.

Genesis 17:3-8

³ AND ABRAM FELL ON HIS FACE: AND GOD TALKED WITH HIM, SAYING,

⁴ AS FOR ME, BEHOLD, MY COVENANT IS WITH THEE, AND THOU SHALT BE A FATHER OF MANY NATIONS.

⁵ NEITHER SHALL THY NAME ANY MORE BE CALLED ABRAM, BUT THY NAME SHALL BE ABRAHAM; FOR A FATHER OF MANY NATIONS HAVE I MADE THEE.

⁶ AND I WILL MAKE THEE EXCEEDING FRUITFUL, AND I WILL MAKE NATIONS OF THEE, AND KINGS SHALL COME OUT OF THEE.

⁷ AND I WILL ESTABLISH MY COVENANT BETWEEN ME AND THEE AND THY SEED AFTER THEE IN THEIR GENERATIONS FOR AN EVERLASTING COVENANT, TO BE A GOD UNTO THEE, AND TO THY SEED AFTER THEE.

⁸ AND I WILL GIVE UNTO THEE, AND TO THY SEED AFTER THEE, THE LAND WHEREIN THOU ART A STRANGER, ALL THE LAND OF CANAAN, FOR AN EVERLASTING POSSESSION; AND I WILL BE THEIR GOD. **KJV**

When the Hebrew children came out of Egypt, God said, ***Go take Canaan land it is yours.*** He was referring to the geophysical material land.

Numbers 33:51-53

⁵¹ SPEAK UNTO THE CHILDREN OF ISRAEL, AND SAY UNTO THEM, WHEN YE ARE PASSED OVER JORDAN INTO THE LAND OF CANAAN;

⁵² THEN YE SHALL DRIVE OUT ALL THE INHABITANTS OF THE LAND FROM BEFORE YOU, AND DESTROY ALL THEIR PICTURES, AND DESTROY ALL THEIR MOLTEN IMAGES, AND QUITE PLUCK DOWN ALL THEIR HIGH PLACES:

⁵³ AND YE SHALL DISPOSSESS THE INHABITANTS OF THE LAND, AND DWELL THEREIN: FOR I HAVE GIVEN YOU THE LAND TO POSSESS IT. **KJV**

However there is a new dispensation coming, and God's promise to Jacob, the natural Jew, the natural Israelite, the 12 tribes of Jacob, will be fulfilled in the spiritual.

Under the old covenant, God dealt with a whole nation, under the new covenant he deals with the individual. The individual will inherit the land, the land of this body.

The promise of Jehovah to Jacob that his natural descendants will inherit the land is a promise of immortality to the physical descendants of Jacob. But it is not a guarantee that every physical descendant of Jacob will attain to it.

What it means is that Jehovah is willing to fulfil his promise if you come and get it, and you have to come and get it through the channels that he has provided, and the channel that he has provided is the Lord Jesus Christ. But the promise is sound.

Going back to what I told you at the beginning of this message concerning Dr Cameron who experimented on mental patients in Canada, some hero decided to sue. No one else wanted the case. A retired lawyer who did not need the money, and a young law school graduate (I do not know if he was an attorney yet), brought down the CIA and the Canadian government. It brought me to tears that there is still righteousness in this world, no matter how wicked things get.

God used a retired attorney who could hardly walk (he needed canes) and someone right out of law school, and he brought down the CIA and the Canadian government which opposed the whole lawsuit. There was a successful 8-year U.S. lawsuit of 9 survivors, who overcame fear to confront the humiliations and frustrating delay tactics of the CIA lawyers. In 1988, the U.S. "national security" establishment agreed to an out-of-court settlement of \$750,000. The compensation was just under a \$100,000 to each person who had been hurt by that experimentation, victims of Dr Cameron's mind-control unethical, inhumane experiments.

As at the end of the movie 127 people had come forward, but that \$100,000 (just less than \$100,000) was and may still be available for the descendants of people who were hurt, but only those that went forward and contacted the CIA and did whatever they had to do to file the papers to get the money received it. Only the people that went forward received it.

Wherefore, God's promise to Jacob that all of his descendants will inherit the land, or are eligible to inherit the land, means that God has promised, I believe, that he will make the reality of Jesus Christ available to the natural descendants of Jacob. He will convince them. The whole world will be convinced that the Lord Jesus Christ is the agent of God, and he is the Son.

God has promised that every one of Jacob's natural descendants will hear that... I do not even know if the promise is that they would have to hear it... but it is available to them. God is going to do everything that he can so that no one could say that God did not fulfil his promise to Jacob's natural descendants. But I do not believe everyone will come and take the offer. Everything is going to be spiritualised, yet it will play out in the natural. That is what I mean when I say I do not know what it would like on the outside.

One of the arguments of the people who see everything happening according to the letter is that you cannot spiritualize everything. As I continued my education (what do I know? What do we all know? Our education has to continue everyday), I said, that is right. How can you spiritualize that? How do you spiritualize the promise of the land to Jacob's offspring?

The promise is immortality! How does that materialize in the visible world? Immortality materializes in the visible world as the study and knowledge of esoteric doctrine, and the practice of identifying your fallen nature, and warring against it, and overcoming it. As you do that, as Christ Jesus develops in you, you become the vessel of God in the earth, which means whatever kind of mission he sends you on, you go on. That is how the spiritualized promise plays out in the outer world. It plays out as your life.

So what kind of conclusions are we going to draw from this revelation? What about Israel in the Middle East? Who raised up Israel in the Middle East? Do you dare to believe it was the freemasons and not God?

I told you recently that in 1948 when the state of Israel was to be created, the black hat Jews protested its creation. I was not there but I have seen movies of these black hat Jews on street corners handing out tracts, saying, ***it is not God. Do not vote for it. Only Messiah can bring forth Israel. The Bible says that only Messiah can bring all the Jews back to Israel.***

But then, when it passed they all supported the state of Israel. I have talked to you about this recently. If you do not want your son or daughter to marry a particular person, you fight it up until the last minute, and they say ***sorry mum and dad it could not be any other way.*** As soon as they are married you accept that person as your daughter or son-in-law. There is nothing you can do about it anymore.

So the Jews that know that Messiah could not have raised up this Israel, support it. They take its side against its enemies. What are they supposed to do? Take the side of the enemies?

I told you I have been doing all of this reading lately. I read online and in this book, ***13 bloodlines of the Illuminati***, that the freemasons were behind the reconstruction of Israel. I heard the fairy tale that it is because the Jews were persecuted in Hitler's Germany, and Truman did what he did, and Nixon did what he did, and it was a heroic event. I saw the movie with music. And now it looks like the freemasons were behind it all. Why would freemasons want to recreate the state of Israel? I have talked about it before.

The freemasons are a Luciferian religion that places itself in Israel because they want the power that was present in ancient Israel. They believe Israel is going to be restored, they believe the Temple is going to be restored, and they want the power that was present in ancient Israel. They want the power that Solomon had.

But I also told you, that when they rebuild the temple (and they probably will rebuild it), it is not the door to the heavens above that is going to open, but the door to the Luciferian world. They know that because they really worship Lucifer. They are looking to open the door to the Luciferian world, which is probably Yetzirah, the world of formation. The demons are going to come pouring into this realm. There are plenty here already.

There are whole entities... when we were in deliverance ministry we mostly dealt with fragments of entities that were polluting us. These are whole entities. I never saw anybody that was fully possessed by another consciousness. They are going to flood into this world and marry whichever human beings they want of the daughters of men.

They are already here right now, possessing the people. Many in the halls of power are possessed today of evil entities, another consciousness that lives in them. I have another consciousness that lives in me. He talks to me, he helps me, and he teaches me. He strengthens me; he gives me wisdom that I do not have. I know because I could never have done this on my own. I am not dying anymore.

There is no national Israel with regards to God's end-time plan. What does that say about the Jewish people, and in particular these black hat Jews? It says that they are just a part of the new order. This is what I have been telling you. They want to build the temple for world power. They think that it is their job to rule the world.

I got attacked when I said that. Give me a second to recover myself. Did I say something? Did I not say it properly or is it just an attack? Maybe somebody did not understand where I was coming from.

Brethren, the doctrine of the New World Order (NWO) is that there would be no national lines. There would be one government for everybody, one religion for everybody. They think that they are going to bring in world peace by making everybody the same. But the Lord told me this morning that they are mistaken. There is no one person at the head of the New World Order. There are multiple persons that are possessed by very high entities and they will always strive for power. It would be just like it was in the olden days. The Lord has had me watch several movies about the medieval British court, all the intrigue, and the plotting, and the planning to take down one and make the other person King. That would not stop because fallen mankind is selfish.

So, on that basis alone, the one world order will not work. There will always be someone coming up from behind to want to kill the one that is on the throne, to take over being King. So when I say that

national Jewry... I cannot even say national Jewry. There is no national Jewry. There are all kinds of Jews out there. But these black hat Jews, they are called Chabad or Lubavitch, are the ones that are rebuilding... I saw online yesterday that they have the corner stone of the temple prepared- two cornerstones that were cut with diamonds (because the Scripture says that you cannot put a tool on the stones of the temple).

They have the instruments of the temple. They have the Levitical priesthood already to go. They have a school where they are training the priests of the Levitical priesthood. They are probably thinking that God will come with a miracle and knock down the dome of the rock, and they are ready to put up the temple. They have the priests and high priests ready. They are ready to start with the animal sacrifices. They have all of the implements, everything they need. They are ready to go.

When I saw this in this video... brethren, I just have to tell you the truth. Listen, every human being... Maybe everyone does not know, maybe every one of the black hat Jew does not know. I do not know whether they know that the natural extension of the building of the temple is world power and world domination.

They believe that Israel, and the Jewish people in particular, are God's law in the earth. But they do not tell you that. Some ignorant person watching the same video that I watched, someone with a liberal heart may find it all very nice, and be happy the Jews are going to have their temple. They think they should have their temple so that they can worship their God as they see fit.

But that is not what it is all about. They do not just want to worship their God as they see fit. I am thinking about Moses going to Pharaoh and saying, ***Let my people go, 3 days outside of the camp so that we can worship our God***, and Pharaoh saying, ***no you cannot go. I will not let you go.***

I wonder why Pharaoh would not let them go. Was Pharaoh just worried that he was losing his slaves? Or did Pharaoh know that when they went 3 days outside of the camp and worshipped their God, they were going to stand up in tremendous power and destroy Egypt?

Therefore I say that these ultra-orthodox Jews are part of the New World Order. They want a one world order, them being the agent of their God Jehovah, to rule over this world and put the whole world under their law.

This is maniacal. I want to tell you why it is maniacal. It is because their law, the law of these ultra-orthodox Jews is not the Torah. What is their law? Their law is the Talmud. God did not write the Talmud. The rabbis wrote the Talmud. I believe that they add to it all the time and they are not doing it under the anointing of God; they do it in their own recognisance. And they will put the whole world under this law.

I am taking a course at the synagogue on medical ethics. I knew the course would be a comparison of or would be dealing with current medical moral decisions and how Jewish laws contrast with the laws of this country. I have taken 2 lessons so far. I want to tell you that I was genuinely upset during the second lesson when I saw the control that is manifesting there. I was genuinely upset. I wanted to run out of the class. I did not want to go back and take any more classes. I had to get a grip on myself.

To me personally, it was horrible. They were talking about not resuscitating... I learnt something about that which is interesting, whether or not they could put a ventilator in you. Then putting a ventilator in is one issue. If you put it in then you cannot get it out. Is it moral to take it out? What about feeding tubes? Is it moral to put it in? Once it is in, it is a different law that governs whether you can take it

out or not. Whether it is a feeding tube or respirator, there is one law that governs whether you put it in or not and another law that governs whether you take it out or not.

There are opinions on both sides. I personally do not think a feeding tube is an ordinary means of medical treatment. I believe a feeding tube is extra-ordinary, and that is the whole dividing line. Do you want extra-ordinary means of medical knowledge and equipment to sustain your life, and possibly you are not even conscious, or you are a vegetable. There was a little bit said about the law here in the United States, and the rest of the lesson was about rabbinical law. They call it Halakhah law, rabbinical law.

Men, not under the anointing of God, deciding such things; that a feeding tube is not an extra-ordinary means of keeping someone alive (this was rabbinic; I do not know whether or not it is the United States law). They could be unconscious forever.

What was being said was you have a moral obligation under Jewish law to insert a feeding tube otherwise you are guilty of murder. My sister refused the feeding tube and she died within a day, so do not tell me that that is not an extra-ordinary means of keeping somebody alive. According to Jewish law (what I learnt last week), if you do not take the feeding tube, you are guilty of murder. If you make the decision yourself you are guilty of suicide. That put chills in my bones.

Then I heard the advice going out that you should not put this decision in the hands of your loved ones. That this decision whether or not to put you on a ventilator, or give you a feeding tube, or to remove it once it is in there, should not be in the hands of your loved ones, because your loved ones are too emotional. So you should leave it to the rabbis who care nothing about your loved ones and may not even know them, but will base the decision on a hard cold decision of law.

Does anyone not see where I am going? This is horrible! It is horrible! They fully intend to get their temple back, make the sacrifices, and get their power back and put the whole world under this law. They do not even have an agreement on the matter: this rabbi says this and that rabbi says that, but the majority of rabbis say this.

It was just horror that went through my mind, knowing that these men do not hear from God. It is just their own mind. It is the same thing that is going on in other areas of the country today, complete control of the individual. That is what the New World Order is, complete control of the individual. God says the exact opposite.

He says freedom through a relationship with the Lord Jesus Christ, his son, through whom we have access to wisdom, access to mercy. In a case of someone who is not ruling as a result of their communion or communication with God, what we are dealing with is ego, ego of a man that does not even know that person. It is like the death panel that says you are too old so we are not going to give you the medicine. We will just give you a pink pill and you will die.

The spirit there was horrible. I do not know if everybody can hear what I am saying, but I am telling you that I have discernment and the spirit that was there was absolutely horrible. That is the spirit of the New World Order. So we see that the New World Order is a spirit, and it is appearing in multiple places right now. It is appearing in the black hat movement - there are multiple movements within the black hat movement, they are not all the same. This ultra-orthodox Jews... it is not every Jew.

Anybody that is hearing this and wants to use this to say I am anti-Semitic or to go out and persecute Jews (you should not be persecuting anybody), that is crazy. It is as crazy as blaming every German or

Germans today for what happened in Hitler's Germany. There were Germans who went to the concentration camps. There were Germans that hid Jews. You cannot condemn an unnamed people.

That is the big problem with the war on terror today. There is no nation that you can go to and bomb the heck out of them so that they do not get into trouble anymore. They are in all nations.

The one world order is complete and absolute control of the individual by an oligarchy, a group of people who think that they are smarter than the individual. They think they are smarter than you are. You do not know how to raise your own children. You do not know how to take care of your elderly parents. You are not smart enough to manage your own health care. They have to help you. Maybe you do not want the surgery but they think it is better for you, and they will cut you anyway. Or you want the surgery and they would not give it to you. It is the antithesis of what God intends for his people.

We see the spirit of the one world government manifesting in more than one place. It is manifesting in this ultra-orthodox Jewry. There is a pamphlet, a writing (whatever you want to call it) that is out there. It has been out there since (I think) the Russian revolution. It came out of Russia. It is called ***The Protocols of the Elders of Zion***. It is an anti-Semitic write-up.

I took a look at it yesterday; I found it online and I took a look at it. It starts out by talking about the elders of Zion, Jewish elders that have this plan to rule the world. There is some truth in it but there are a couple of problems. One problem is that you cannot condemn a whole nation and another problem is that it is not the man... it is probably just a handful of people, they may be Jewish, I believe that there are Jewish people involved in the New World Order, but there are also gentiles. It is not one hundred percent Jewish, although I confess that there are Jews involved. There is a significant number of Jews involved, but they are not the whole thing. There are gentiles also. This writing, ***The Protocols of the Elders of Zion***, is a plan for the one world order, the New World Order, one world government. That is what it is.

It is really a hate book because in it they say that Jews sacrificed Christian children and used the blood for something or the other. But do you know what struck me? I have heard that for a long time, and my first reaction the first time I heard it was, is that not an outrageous thing to say, that they sacrificed Christian children, and made their matzah with the blood? That is just insane. Who would even think of such a thing?

But brethren, the witchcraft that is rising again, Judaism sacrifices children! Judaism sacrifices children. The fallen mind gets things mixed up. Was that written as deliberate hate writing? Some people say it was written as deliberate hate writing against Jews. Brethren, everything is political. This is what I am finding out. Everything that happens, if you dig deep enough, you will find out that it is the people that wield global power that are manipulating and moving pieces around to accomplish a very widespread worldly goal that is way beyond anything you see in this book. They rule everything. They rule governments, they rule the media, they rule advertising, they rule education. They have got their hands in everything. They destroyed the education system in this country.

There are people in power; it is just a handful of people. When you get the literature that some of you have wanted to borrow, you will read about the committee of 300. There is a committee of 300 families that are involved with that kind of power. There is a committee of 500 which we know is the Fortune 500 companies. They are running the whole world. There may be 500 families, but it is really

only 13 families but they spread out, into other branches. They are running the whole world. They have the TV stations, the radio stations, the movies.

Mind control is severe and underway. Strangely enough is that there is a lot of truth down on the internet, but most people do not want to deal with it. The truth is very upsetting. Sex slaves in the White House? Apparently there is proof of it. Sexual debauchery in the White House? Only Clinton got caught.

You cannot believe everything you read. You have to put it before the Lord. But I read something that said Henry Kissinger was responsible for exposing Clinton. It had been going on all through the White House. It was not just Clinton. He was punished by someone with more power than himself. That is a clue. If you have trouble believing this, at least you know that it happened with Clinton.

That girl's life was ruined. I read an article on her not too long ago. She never married; she did not have any children. Well, Pastor Vitale, maybe she wanted it that way. Did she want it that way? I do not think so. I think her life was ruined. You do not have to get married and have children to have a good life. I am not saying that. I am saying they ruined her life. She had trouble having relationships with men after that. That is what I am saying.

So there it is. It happened with Clinton. Most of us with our eyes open know that JF Kennedy had all kinds of women in the White House. You know that, do you not? One of those women wound up dead after he shared her with his brother. There are all of these things that we just check off and do not think about them too much.

There are 2 examples right there. Are you willing to take the next step and say that it is way beyond that, that there is debauchery in the White House, and throughout Washington? That young girls are being used and some of them are actually sex slaves. That there are people in the country who have deliberately had their mind altered so that they have multiple personalities. Do you have trouble with that one?

What about what I just told that was being done in Canada - the mind control that was being used? The one that really hurt was Reagan. All of your heroes are coming down. Are there any heroes at all? I do not know. What I read was that Reagan was doing this to prisoners in California when he was governor, experimenting on them with mind control.

I know that Reagan's wife had an astrologer in the White House. Did we excuse that? I excused that. He calls himself a Christian but had an astrologer in the White House. That is what is being said. There are all into witchcraft, and when witchcraft is your religion, this is what you do. You violate other human beings, without a conscience, because the individual does not count. It is the collective that counts; the individual does not count except for the people in power.

It seems to be accepted knowledge that Prince Charles of England is a relative of Count Dracula. I found it in several places on the Internet. It is in his genealogy that he has relatives from Transylvania. He was offered the kingship in Transylvania and he turned it down. It is out there. It is in the news.

The world is very evil today. The New World Order is here. The new religion is here, it is witchcraft. But there are still battles going on. I am hearing the word **Rosicrucians** in my mind. I do not know why, because I really do not understand what they do. The Rosicrucians claim that they believe in Christ but it is not the Christ that we believe in. The Freemasons believe in and worship Lucifer. They say it is

Jehovah but it is Lucifer. The ultra-orthodox Jews believe in Jehovah but is that Jehovah? Is that Jehovah moving upon them with this kind of control? No, it is not. I will tell you right out that it is not.

The New World Order is here but it is not solidified yet. There are peaks of it rising up, and they will be battling with each other. Then of course there is the British Royalty that Herbert Armstrong and Gerald Flurry... I found out something very interesting in my research yesterday. I had read that Herbert Armstrong's Church, *The Worldwide Church of God* (which, when he died, broke up - I knew that when he died it broke up), had had an arrangement with this man (whose name I cannot pronounce-it is an unusual name) that he would be his successor and take over the empire. (His name is Joseph W. Tkach).

They are worldwide, they have a college, an arts centre; their presence is very great in the world. They have money, lots of money. All of their literature is free. They have all kinds of books. If you write to them they will send you their books free. That means that they are wealthy. They have lots of people following them.

Hold on, I just got attacked in my mind. Hold on a second.

They are preaching that British Israel is truly from the tribe of Judah, and that they are a godly monarchy, and that when Jesus returns they are going to turn the throne over to him, and Jesus is going to sit on that actual throne in England. I have told you that I can never accept that Jesus, a single Jesus, would appear and sit on a throne anywhere. However, for several years, I have embraced this doctrine of British Israel that says the royal family that sits on the throne are descendants of the daughter of King Zedekiah (who the prophet Jeremiah brought to Ireland), and a prince that came from the tribe of Dan.

The Lord wants me to explain something to you about that. I embraced it. I prayed about it, I believed it, it sounded right. I told you that I embrace doctrines until the Lord shows me that they are wrong. If it sits right with me, I will embrace it until the Lord tells me that it is wrong. Is it sin to embrace a doctrine like that, that turns out to be wrong? No, it is not sin, because we are still learning.

I think on Part 2 of this message I told you that I am probably an Edomite, then I came in, in Part 3, and I received more knowledge that there were Jewish tribes, but not so much the tribe of Judah. The tribe of Dan was present in Eastern Europe and I could be anything. I could be a descendant of the Kazakhs, I could be a descendant of the Edomites, I could be a descendant of Dan, or I could be a descendant of a Judean that came into that section of Europe.

Everything is all mixed up right now. This is what I am trying to tell you. Everything is all mixed up. There has been inter-marriage. Everything is all mixed up and God is not dealing with a single nation right now. That is the whole point. God is not dealing with a single nation. The nation of Israel exists and to the degree that people worship him because that is the best that they know how, the Lord is going to have mercy on them. But he is not dealing with a nation right now.

So what was that that happened with the 6 day war, that supernatural victory in the 6 day war? Have you thought about that? Well, it was a supernatural victory. Can you assure me that it was the Lord Jesus Christ that saved them or was it another source of spiritual power? Was it the source of spiritual power that raised up Israel in the Middle-east that gave them the supernatural victory? We are told that it is the Freemasons that are responsible for their whole existence.

Spiritual power alone is not a sign that it is God. It is just a sign that it is spiritual power: you do not know who the spirit is.

Anyway, I was telling you about British Israel, that, no, it is not a sin to believe a doctrine that is wrong. The sin comes in when God tells you that it is wrong and you do not let it go. That is the test. The test comes in when God tells you that it is wrong. Are you willing to drop it when God says that it is wrong or do you put up a fight?

If you put up a fight to hold on to the doctrine when God says that it is wrong, it means that your ego is in that belief, that you are emotionally attached to that belief. For example, the problem with the doctrine of British Israel is that it is racist. British Israel is white European, Caucasian, and the doctrine says that they are the leaders of the world.

This is the question you have to ask yourself. Do I not want to let go of the belief in this doctrine because I happen to be a white Caucasian and I am glad to hear that when Jesus appears again he is going to appear as a white Caucasian (by extension) and sit on the throne of British Israel, and a white man will rule the world.

Am I saying that I am not going to let go of that doctrine because I want it to be that way? I am not going to risk someone else sitting on the throne and ruling the world so I am not going to let go of this doctrine of British Israel. That is sin. That means that you believe a doctrine because you are attached to that doctrine for some ungodly reason. We are not supposed to be attached to anything except God.

I can sit here today before God and tell you that when he revealed to me that that doctrine was wrong I had no problem letting it go at all. I had no emotional investment in that doctrine. I have been telling you for years that anything that I say, if you cannot receive it, you need to hang loose. You need to be neutral. Do not get into warfare with me because that is your pride.

If it turns out that I say something that is different than what you believed, do not war against me. I am not warring against you. I only want the truth. My ego is not in it. If I am wrong and God tells me I am wrong, I will tell you that I am wrong. I do not have the whole truth. So it is no sin unto me that I sit here before you today and tell you that I now reject the doctrine of British Israel. I have no emotional or egoistic investment in that doctrine.

It sounded right when I heard it. I got all excited when I read Allen's book, *Judah's Sceptre and Joseph's Birthright* and now we find out that there are other people saying, **no, no, no!** They are saying that that family line is actually satanic. I actually found an article which I did not print out for you because I am not willing to accept this. Although it may be true, it is too radical for me to just come out here and say that it is a possibility. I found this article (it sounded like it was researched) that said the present ruling British family became involved in the occult 700 years ago.

It says that there are 700 years of ruling generations on the British throne that served Satan. They go back into history of hundreds of years, quoting names and dates. I do not know anything about that. I do not do any historical research myself. They said a king was born that was not even human, and he was kept locked up.

Basically what is being said (and I mentioned it to you already) is that there are people in power today that are already possessed of the invisible entities that dwell in the world of Yetzirah, that were formed on the 4th and 5th days of creation. They want to marry ALL of mankind. They have already married

some people today, and it is usually people with great power. I read several articles today about how people with no sign of wisdom or intelligence are being raised up to high positions.

I want to tell you something. I did not read this out there, but I think that is what happened with Barack Obama. I do not think that he is that smart. I just really do not. I do not think that he is smart at all. I have a lot of trouble believing that he was law review. There is not one article that he wrote. How are you on law review when you have not written an article? Someone just pushed him through. They pushed him through Columbia, they pushed him through Harvard. I do not think he is so bright. I do not think he knows anything about the constitution.

I found articles on the internet saying similar things, talking about people who have political power in the United States. Right now there is one that I can see his picture but do not remember his name. He came up with absolutely no ... he is from one of these 13 bloodlines, these powerful families.

Brethren, there is no power without money in the world today. I do not know what it would be like when God raises up people in power; I do not know what it is going to be like on the outside. But in the world today, power equals money, and money equals power. There is no poor person that is wielding power in this world today.

There are these 13 families. They are called *the 13 bloodlines of the illuminati*. This man came out from one of these families, and he went to Washington. He had absolutely no experience at all. They made him the head of some agency which, according to the writer, he did not do very well. So they moved him on, they gave him a promotion.

Look at what happened to that female attorney-general that just retired, Janet Napolitano. She was Attorney General of Arizona, Secretary of Homeland Security, and now President of the University of California (assumed office September 2013). She is a criminal lawyer, a prosecutor. How did she get to be the president of a university in California? They give people positions that they are not even qualified for so that they can get the money.

Years ago there was a book out called *The Peter Principle*. When you have the right connections you keep getting promoted even though you are not qualified. You just keep getting the promotions until you get to the level where you are totally not functioning, and then you stay there. You do not get another promotion but you just stay at the level of incompetence, and nobody takes you down.

I was not too happy when I went to sleep last night. I was really concerned that I was going to have nightmares. I went to sleep reading the Scriptures. However, I woke up this morning and the Lord put me in the Book of Revelation. He showed me what is going to come to pass. He showed me the glory of his Messiah. He showed me a many-membered Messiah dwelling in human beings. I do not know how it is going to play out brethren, but God's answer to all of this that is happening out there....

When you see the degree to which the practice of witchcraft is rising in the Western world, and that it is a form of witchcraft where they engage in human sacrifice, it is absolutely alarming. It appears that all the Presidents are involved in it, in particular, Hilary and Bill Clinton, but it is all of them. The Lord's answer to... Now remember, the war is between God and fallen humanity. That includes the Christians who are a part of fallen humanity, as well as everybody else. Remember, no human being can exist without a spiritual husband. You will either be married to the Lord Jesus Christ or you will be married to Lucifer.

The question is what is marriage? What is spiritual marriage? I have been teaching here that it is full possession. I am sorry if that is alarming you. You are going to have to deal with it, because that is what it is. It is full possession. You are either going to be fully possessed by Christ Jesus or you are going to be fully possessed by Lucifer. That is the bottom line. Revelation Chapter 4 is all about the glory of God possessing his people. The Scriptures talk about marriage.

Right now, through what I am preaching for these last few messages, he is trying to prepare the minds of his people for the only thing that is going to save us. If you are not married to him Lucifer is going to marry you. And they came, and they took wives of whoever they wanted.

Genesis 6:2

² THAT THE SONS OF GOD SAW THE DAUGHTERS OF MEN THAT THEY WERE FAIR; AND THEY TOOK THEM WIVES OF ALL WHICH THEY CHOSE. **KJV**

They impregnated those wives and they brought forth a spiritual child that made them permanent possessions of Lucifer and all of the people that he was manifesting in that he gave power to. That is what is in Revelation Chapter 4. It is the glory of God, the fullness of Christ Jesus appearing in us. He is asking us to not be afraid because when you are afraid you run right into the arms of the enemy. When I say to you **full possession** and you become afraid, and run away, you are in danger of running right into the arms of the enemy. I have seen it happen time after time after time in this ministry.

I have seen people that God has sent here and the doctrine frightens them or I frighten them or something that I say frightens them, they go running right into the arms of the enemy. There are people in the ministry today that can witness to that because they made it back somehow. There are 2 people that I can think of, off hand, that are in the ministry today.

Full possession by the Lord Jesus Christ will be a good thing. It is just frightening you because it is an unknown. You need to know that you are fully possessed already. We are so fully possessed by the god of this world that we think it is us, but it is not us.

I wrote up a whole bunch of notes for myself but I need to take a break now, brethren. I need a break. When we come back, I do not know whether we will start with these notes or go on to Revelation Chapter 4. I want to do an exhortation on Revelation Chapter 4. I will try to hear from God when I am out there.

I did want to say something about what the 13 bloodlines are but I do not know how it will work out. We will see when I get back. I also found out in my recent studies that the freemasons are the core of the beginning of the Jehovah's witnesses. It was a freemason that started the Jehovah's Witness. They say that **The Watch Tower**, which is their magazine, is an occult symbol. It refers to apparently 4 watchtowers in some ... there are different occult doctrines; I do not remember which one this was. They have several. That is why the watch tower is there, 4 watchtowers.

The author (Fritz Springmeier) of the book that I am reading, **13 Bloodlines of the Illuminati**, seems to be a very respected and accepted author. He footnotes everything. I prayed about the book as I read it. It seems to be very legitimate. He says that... well, we all know that Mormonism at the top is freemasonry. What he said about the Jehovah's witnesses is that the freemasons perverted the doctrine. Not only did they pervert the doctrine but they actually start these other denominations to fragment the Christian Church.

They are just controlling everything; the people are sheep. If you do not have the mind of Christ leading you, how can you do anything other than follow them? If apples are going to kill you, and you have to choose between

a red apple, a green apple and a blue apple, what does it matter which apple you choose, if those are the only choices that you have?

The evil of this world is divided. Wherever you go, wherever you turn, it is just them setting up another room, another country, another fortress for you to run into so that you feel safe. But the only safe place is to go up. He is the only way that we are going to survive.

Now we know about the Jehovah's Witnesses. He was talking about their doctrine. I had never heard this before, although I have never really examined Jehovah's Witnesses' doctrine. But according to what I read in the book they teach that God is on a planet, Alcyone (I do not recognise the name) and when they die they live on that planet with him. That is false doctrine right there. When it comes to the Mormons, they say (which we already know here) that the ones at the top are freemasons and satanic. He talks about that. The ones at the top are freemasons and satanic. They worship Lucifer.

Every religion has some false doctrine, the Baptists too. ***Pastor Vitale, are you saying there is something bad about the Baptist?*** All that I am saying is that you cannot go anywhere on that doctrine. It keeps you feeling good about yourself. You may have a glimmer of a relationship with the Lord through what they teach there.

The Pentecostal Church is completely co-opted. Talk about power, talk about the New World Order, they themselves (the Pentecostal Churches) are the rulers over everybody. They are writing up everybody that does not agree with them on the internet, calling them cult leaders, and judging every doctrine out there by their own doctrine, such as the rapture, which is false doctrine.

The Catholic Church at the top is Luciferian. There is total confusion going on. The Pope was reaping the Catholic Church to shreds so all the religious Catholics that are very moral people are all upset. I find religious Catholics are usually very moral people. They are all upset. They do not know what is going on in their own religion. There is so much confusion. The Pope is a freemason. It seems like anyone with power is a freemason.

I asked the Lord if there is anyone out there with power that is serving him. It does not look that way today. Maybe it was so at one time, but not today. It is only the people that have enough faith to seek God directly... and you can test him as much as you want. You can test him every 5 minutes, he is not mad at you. I am not mad at you if you test me every 5 minutes. I am not mad at you, he is not mad at you.

It is only the people that have the guts to step out and seek God with an honest heart that wind up attached to him, that are going to escape. Even with regard to me, him telling you to come here, you need to have your own relationship with God as you know. I cannot save you. I cannot save you.

You have to have your own relationship with God and hear him telling you that this is the teacher he put you under. I cannot do anything for you except teach you or help you in whatever way I can. You are supposed to get your second witness from him on anything that I tell you. I am just a man like you are.

It is only the people that have the guts to be a free thinker and not be stuck with a big denomination because they feel safe there, that are going to survive. You are going to die in the denominations. Some people are saying, ***Pastor Vitale, you think that you are right and the rest of the whole Church is wrong? Yes! Yes, that is what it seems to be! That seems to be the case. That is the way it looks.***

It is only the free thinkers that have the guts to know their God and hear him when he tells them to do something that the rest of the world is not doing that are going to survive. Those are the only ones that are going to survive.

I think I need to take a break; I will be at least 15 minutes. We will see what we will do when I come back.

Okay, brethren, this is just to recap what we said in session 1. There is no place for national Israel in God's end time plan. He is dealing with spiritual Israel in the end times, and there is no place for national Israel.

I just realised that I did not complete my thoughts with regard to Herbert Armstrong. Herbert Armstrong was teaching British Israel. He appointed a successor, Joseph Tkach, who took over when he died. The successor took over this multi-billion dollar very powerful organisation and turned the whole thing over to the Pentecostal movement.

I read about this years ago, and said, **Wow, that is really some betrayal.** You take over an empire like that, and, after committing to following through their teachings and doctrine you hand over to the Pentecostal movement. Basically they teach keeping the Sabbath; Saturday is their Sabbath. They keep the Hebrew feasts in the natural, and they believe in British Israel. To take on something like that and betray it... I guess I passed judgment and that is not a very nice thing to do.

I read in my research yesterday that the reason he did it was that the man who took over the empire was convicted that the doctrine of British Israel was false, and that it is a racist doctrine. It is really saying that the King of the world is going to be from this ruling Caucasian family. He was convicted that it was racist and departed from it.

Who knows, maybe God convicted him. God just convicted me, and we now know it is a false doctrine. For me, it is gone. I had no emotional or egoistic attachment to it at all. As far as I am concerned, it is gone. But Armstrong built a whole kingdom on that doctrine. We do not know how many people that support it are racists, and how many just believe the doctrine. I wonder how Armstrong, even Gerald Flurry today, answered to all of these Historians, Christians that say that the family line is corrupt.

I wonder how Gerald Flurry today answers to the fact that Prince Charles accepted a statue depicting him as a demon with giant wings, that statue of Prince Charles is standing in Brazil. I hear that Prince Charles is a pagan. At the very least he has been standing up for Islam, but he is a pagan. I wonder what Gerald Flurry says to that. I wonder what his answer is to Queen Elizabeth being a mason, and all the other things that I have been telling you about. What is his answer to that? I do not know what his answer to it is.

I found out that the man who inherited the empire repented of what he called a racist doctrine. To be honest with you I never thought of it as a racist doctrine. I guess you can look at it that way. I never thought of it as a racist doctrine. I thought, well, Judah, Israel, the right to rule, it sounds right. It is in the Bible, it sounds right.

I personally never looked at it as a racist doctrine, but apparently this leader was convicted, hopefully by God, that it was a racist doctrine and he just left the whole teaching of the Armstrong Empire and moved every one that would follow him into the Pentecostal camp, into the false doctrine of the Pentecostal camp. So that empire is divided. Gerald Flurry has picked up about a third of it from what

I read, and they are continuing to believe the doctrine of British Israel. That was what I started to tell you.

I am going to try to do this, trusting God to give me some energy here. Yesterday was a very hard day; the warfare was very high. The computer was manifesting. I just thank God for helping me to do this.

I am going to take a look at Revelation Chapter 4. I have some sketchy notes for you. It is called message 738 Part 5b, if you have those notes. I think though that I would like to just give you a synopsis of the beginning of the Book of Revelation Chapters 1, 2, and 3, just a quick look at them.

Basically Chapter 1 of the Book of Revelation is the glorified Jesus identifying himself, saying he is the alpha, the Omega, the first and the last, and that he wants God's message to us written in a book. In Chapter 2 and 3 he talks to the 7 different Churches of the Book of Revelation, Ephesus, Smyrna, Pergamos, Thyatira, Sardis, Philadelphia and Laodicea. Jesus through John is speaking to 7 different types or 7 different categories of believers, and the problems or weaknesses that they have. It is the gift of God to reveal our weaknesses, brethren, so that we can recognise them and ask him to strengthen us in those areas.

Then after he finishes exhorting them, and giving them the promises, saying, if you overcome, this is what I have for you, starting from Chapter 4, he begins to give a vision in a very esoteric format of what to expect as a result of all of our efforts to follow and to serve God. What we are to expect brethren is full possession. Jesus experienced full possession and he is glorified today.

If you are frightened you must resist your fear. Look at Jesus and you will see the honour that has been bestowed upon him. This is God's answer to the wickedness that works on every side in this world.

The price is humanity; both Lucifer and God through his son the Lord Jesus Christ want to possess humanity. That is what the creation is, the one creation, the essence and the mind and the substance of God in an animal. We are the animals. The animal part of us is the inhabitant of this material world. The beings from another world, a spiritual world, want to dwell in this world. In order to do that they need a garment or house that is made out of the substance of this world. Mankind is that which is made out of the substance of this world.

The plan says that God is going to renew his son (and has already actually), someone who is made of both the substance of this world, and the essence of God in form of a spiritual root, the root of David. That is the creation of God; God and mankind dwelling together in a visible world. I do not know how material it would be. It would be visible so there has to be some materiality to it.

That is his answer to all of the wickedness that is going on, and this wickedness gets really ugly when you start reading about human sacrifice, in particular child sacrifice.

I also wanted to share this with you. One of the writers that I read yesterday was talking about Abraham and the ones before Abraham. He was talking about Enoch, and Abraham and Shem. I think he talked about Shem.

There was no Judaism in those days. This writer said that Abraham was a druid. We know that Abraham was a pagan. I do not know if he was a druid or not. Druid is the form of witchcraft that believes in human sacrifice, in particular the human sacrifice of children.

I know that Abraham was a pagan; I do not know whether he was a druid or not. However, I will like to make this point to you, hypothetically, believing the writer that these men of God were druids, spiritual criminals that did not know any better until Jehovah revealed himself to them.

That is the condition of the whole world. That is why the Lord is so willing to forgive everybody. No matter what religious error you are in, he is so willing to forgive you if you will just believe the truth. He is willing to forgive you for everything that you have ever believed that is false. He is even willing to forgive human sacrifice. If you were brought up in that and you really did not know any better, he is willing to forgive you for performing human sacrifice. I believe that.

This writer says that Abraham (let me stay with Abraham because that is the only name I really remember) was a druid. When I read that I felt it was a witness to what I have been preaching for years about Abraham thinking that he was supposed to sacrifice Isaac. I had been saying for years that Jehovah never told Abraham to sacrifice Isaac.

He said something to Abraham to the effect that... I know that the Kabbalists give the name of a patriarch to each of the columns of the sephirot. There are 3 columns of the sephirot. They call the left column Isaac. Somehow, Jehovah spoke, not in an audible language, but in some form of telepathy which is hard to interpret. It is hard to hear God when he does not speak in known language. Jehovah told Abraham that he had to destroy his fallen nature.

God was making the covenant with Abraham. The covenant said that Jehovah was going to give Abraham his representative to dwell with him; he was going to give him the anointing. He was going to raise up righteous Adam in him. During that conversation, somehow, in some form of language, God said to Abraham, you must sacrifice, destroy, your existing spiritual child.

Maybe God never even said *Isaac*. A scribe wrote this book, brethren. God said to Abraham, you must sacrifice your child. I am going to give you my child, my life, my wisdom, and you must sacrifice your child because you cannot have 2 children. And Abraham said, *okay Lord*, and he called to Isaac, *come on Isaac, I am going to sacrifice you*.

I have been saying that for years. If it turns out that it is true that Abraham was a druid, and druids are into human sacrifice, that is a witness to what I have been saying for years, that Abraham misunderstood God.

Why was Isaac willing to go along with it? Isaac was willing to go along with it (they were both willing to go along with it) because Jehovah had shared with them the plan for humanity. The plan was that from this seed that God was going to give to Abraham, a saviour would come forth. They were both willing that Isaac should die to serve God in that way.

I do not know how the saviour was going to come forth if Isaac died. Some people say that both Isaac and Abraham were willing to go to the alter because they knew that if God did accept the sacrifice, Isaac would be raised from the dead. Otherwise, how would a saviour come forth from that line? This was the son of promise, not his only son but the son of promise.

Whatever the explanation, the bottom-line is that Abraham had no problem with the thought of human sacrifice. That was what everybody did in those days. I just wanted to share that with you.

We are taking a look at Revelation Chapter 4. This is a mystical explanation of the fullness of God dwelling in mankind. It is talking about what it means when you say *bear the manchild*. We are about to become the house or the skin of the glory of God.

Our whole insides will be changed. We are going to be re-done from the inside out. We will not be immortal in our present condition. We are going to be re-done, and we are going to be made beautiful. The Scriptures say we are going to be made beautiful. It would be a better life than we have now. We are just frightened because we do not understand what it is going to be like.

The beginning of Chapter 4 is an esoteric mystical explanation of what is going to fill us. Technically we are either empty now or we are filled up with the wrong thing. This is a mystical, esoteric explanation of what is going to fill us.

I will read you the whole Chapter4 in the King James Version first.

Revelation Chapter 4:1-11

¹ AFTER THIS I LOOKED, (AFTER HE EXHORTS THE CHURCHES AND TELLS THEM THE CORRECTIONS THAT THEY HAVE TO MAKE, AND TO NOT BE AFRAID BUT TO OVERCOME) AND, BEHOLD, A DOOR WAS OPENED IN HEAVEN: AND THE FIRST VOICE WHICH I HEARD WAS AS IT WERE OF A TRUMPET TALKING WITH ME; WHICH SAID, COME UP HITHER, AND I WILL SHEW THEE THINGS WHICH MUST BE HEREAFTER.

² AND IMMEDIATELY I WAS IN THE SPIRIT: AND, BEHOLD, A THRONE WAS SET IN HEAVEN, AND ONE SAT ON THE THRONE.

³ AND HE THAT SAT WAS TO LOOK UPON LIKE A JASPER AND A SARDINE STONE: AND THERE WAS A RAINBOW ROUND ABOUT THE THRONE, IN SIGHT LIKE UNTO AN EMERALD.

⁴ AND ROUND ABOUT THE THRONE WERE FOUR AND TWENTY SEATS: AND UPON THE SEATS I SAW FOUR AND TWENTY ELDERS SITTING, CLOTHED IN WHITE RAIMENT; AND THEY HAD ON THEIR HEADS CROWNS OF GOLD.

⁵ AND OUT OF THE THRONE PROCEEDED LIGHTNINGS AND THUNDERINGS AND VOICES: AND THERE WERE SEVEN LAMPS OF FIRE BURNING BEFORE THE THRONE, WHICH ARE THE SEVEN SPIRITS OF GOD.

⁶ AND BEFORE THE THRONE THERE WAS A SEA OF GLASS LIKE UNTO CRYSTAL: AND IN THE MIDST OF THE THRONE, AND ROUND ABOUT THE THRONE, WERE FOUR BEASTS FULL OF EYES BEFORE AND BEHIND.

⁷ AND THE FIRST BEAST WAS LIKE A LION, AND THE SECOND BEAST LIKE A CALF, AND THE THIRD BEAST HAD A FACE AS A MAN, AND THE FOURTH BEAST WAS LIKE A FLYING EAGLE.

⁸ AND THE FOUR BEASTS HAD EACH OF THEM SIX WINGS ABOUT HIM; AND THEY WERE FULL OF EYES WITHIN: AND THEY REST NOT DAY AND NIGHT, SAYING, HOLY, HOLY, HOLY, LORD GOD ALMIGHTY, WHICH WAS, AND IS, AND IS TO COME.

⁹ AND WHEN THOSE BEASTS GIVE GLORY AND HONOUR AND THANKS TO HIM THAT SAT ON THE THRONE, WHO LIVETH FOR EVER AND EVER,

¹⁰ THE FOUR AND TWENTY ELDERS FALL DOWN BEFORE HIM THAT SAT ON THE THRONE, AND WORSHIP HIM THAT LIVETH FOR EVER AND EVER, AND CAST THEIR CROWNS BEFORE THE THRONE, SAYING,

¹¹ THOU ART WORTHY, O LORD, TO RECEIVE GLORY AND HONOUR AND POWER: FOR THOU HAST CREATED ALL THINGS, AND FOR THY PLEASURE THEY ARE AND WERE CREATED. **KJV**

This is our transformation. This is the marriage of the fullness of God to a particular man. It is going to happen to many people. The extent of my vision is that the Lord Jesus - you know how the Scripture says, ***and the sons of God came and they looked on the daughters of men, and they saw that they were fair and they took as many as they wanted as wives*** - the Lord Jesus is going to be doing that.

He is going to appear on the earth and take as many people as he wants as wives. We are his wife. The human beings are his wife, and when he fully possesses us, he will deal with the other human beings. His intention is to possess every human being on the face of the earth, but some will not be possessed because they are already possessed by Lucifer, and some will die. But it is the Lord's intention to possess everyone.

The evil is going to be swallowed up when the Lord Jesus possesses the human being. They will not do evil anymore. They will serve God. However, there is going to be a conflict on the earth because Lucifer is here, and his evil angels already possess other people. There will be warfare between the human beings that are possessed of the Lord Jesus and the human beings that are possessed of demons and other entities, and Lucifer.

I do not know how it is going to play out. I do not know whether it will be a spiritual war or a physical war. I do not want to get into it because I do not know. I do not know.

That is the vision that the Lord has given me.

I think we have a significant understanding of the other doctrines and the doctrines that are bringing Lucifer into the world. What you need to get is the vision of the evil that is manifesting in the world today. I do not know that you have it. You have to be very brave and see it. We really need to see it. We need to know the degree of the evil.

The example I give you is human sacrifice, and sex slaves in the White House. You need to know that this is serious business. Evil has already taken over the world. It has taken over the world. If you think of the world in a series of concentric circles (which is the way Kabbalah shows it), it has already taken over in the innermost circles, and it is working its way outwards.

We human beings are in the outermost realm so it may not be touching us yet, or it is touching us with heavy taxes. We are not seeing our children taken. But it has already happened. It happened. When I saw that video about Cathy O'Brien, the supposedly rescued sex slave (I have no reason to disbelieve her), it was an old video. All of this was going on in the 80s and maybe the 90s. She was saying that we really have to get together and repeal the 1947 National Security Act.

People were being arrested under this Act. I do not know whether we got it repealed or not but we got something worse. We got the Patriot Act. I was one of the people, in my ignorance at the time, who said that if President Bush says we need it, then we need it. Now we do not have ***Habeas Corpus*** (a safeguard against unlawful detention or imprisonment) anymore. They can throw you in jail, lock you up and throw the keys away, and there is nothing anyone can do about it.

This is just one thing amongst other atrocities from the Patriot Act. The Patriot Act is not a good law; there is some really bad stuff in that law. We got something worse.

The night is far gone. The only rescue that we are going to have at this stage is a personal rescue of the Lord Jesus coming to take full possession. Then we will be in his army, at which point... I do not know how the warfare is going to play out. It has to be supernatural at least on some level. It has to be a supernatural war. I do not know how it is going to play out.

Right now my job as I see it is twofold; one, to get you all who are listening to me to wake up and get your head out of the sand (I am including myself in this) and recognise how evil the evil is that is coming and that it is really far gone. It is entrenched. The only thing that is going to turn it back is the power of the incarnated family of God. It is not even Christ Jesus alone; it is the whole family of God. That is what we see in Chapter 4. It is the whole family of God that is incarnating in the earth.

Let us take a look at it.

Revelation 4:1

¹ AFTER THIS I LOOKED, AND, BEHOLD, A DOOR WAS OPENED IN HEAVEN: AND THE FIRST VOICE WHICH I HEARD WAS AS IT WERE OF A TRUMPET TALKING WITH ME; WHICH SAID, COME UP HITHER, AND I WILL SHEW THEE THINGS WHICH MUST BE HEREAFTER. **KJV**

Verse 1 **After this I looked, and, behold, a door was opened in heaven...** heaven is the 6th sephirah of Zeir Anpin. We are talking about the God world of Atzilut. A door was opened I was able to see into the God world of Atzilut, and I saw the son of God. The son of God is the heaven of the God-world of Atzilut. A door was opened and then I saw the son of God **and the first voice which I heard was as it were of a trumpet** we see the son of God is speaking to us in a voice **talking with me; which said, Come up hither, and I will shew thee things which must be hereafter.**

The first thing we see is the son of God revealed to the Church or the Israel of God, or to whoever is going to look at it, to the world. The son of God was revealed to the world. This book was written 2000 years ago. The son of God was revealed to the world. This is the glorified son of God.

I told you recently I have not really heard from the Lord as to how to deal with this detail. It is not important; I just want to leave something with you to think about. It is not important now, because I do not understand it completely, but technically the argument can be made that Jesus of Nazareth was not Messiah.

The Jews say that Messiah is going to be a physical natural man. Messiah is the Lord Jesus Christ, the glorified Jesus Christ whose name represents the whole family of God that stands behind him. Messiah is the whole family of God being revealed through the son of God. He is not a human being that worked on the earth and did some miracles and was crucified. I would not argue that with anybody, but I am telling you that the argument could be made.

You may recall that a year or two ago I did have a little bit of a confrontation with the rabbi over that, telling him that I believe that Messiah is a spiritual man that encompasses all of the spiritual worlds. He got really upset with me. He was much too strong. He was trying to force me to embrace the Jewish concept of Messiah which is that Messiah is just a normal human being who is overshadowed by God and very, very smart. He is going to be a King who will sit on the throne and rule like a king. Their whole concept of Messiah is wrong.

There is another indictment that I wanted to bring forth with regard to these ultra-orthodox Jews. More than once (I told you about one incident recently), I asked the question. I asked the question on 2 different occasions, 2 different people, if there is anyone bringing forth prophecy today. In both instances I was attacked.

In this last incident, the man was sitting down; he jumped up to take authority over me and started lecturing me that everybody has the spirit of God. Why are you so upset that I asked that question? Sometimes I ask questions and it is the Lord in me asking them so I am even surprised when the person gets upset because I did not realise that it is a loaded question. Why are you so upset that I am asking you this question?

This question came forth in my studies yesterday, in my mind. The answer seems to be that those on the inside, the elders, are not willing to admit that there is no one getting prophecy today. If they admit that there is no one getting prophesy today, an extension from that answer would be this question, if there is nobody that is really hearing from God today, where do you come off making these rules that you intend to put the whole world under? That is the next question that comes out.

If they were to answer and speak the truth which is, ***no, no one from our movement hears from God today***, it dilutes their authority. If no one hears from God, why then are they taking this authority? So they are very sensitive about it.

However, the truth is they do not have that authority, and they are a part of the spirit of the New World Order that is in the world. They want to rule the world. They want to rule the world.

If you stop 10 average Jewish people on the street (there are a lot of Jewish people on Long Island) and ask them if they know that there is an ultra-orthodox synagogue right down in the next town which represent a group of ultra-orthodox Jews that want to rebuild the temple in Israel so that they can get the spiritual power necessary to rule the world, their reply would be that you are crazy and anti-Semitic, Jews do not want to rule the world! They just want to live in peace and study.

But it is true; they want to rule the world. This group of ultra-orthodox Jews are saying the same thing that the European aristocracy is saying, we have the right to rule and our authority is the Bible. We have the right to rule.

I shared with you in a recent message that I was watching a video. I felt the video and the person narrating it was very anti-Semitic. There was a strong anti-Semitic strain there.

At one point the one narrating it said that the Jews want to rule the world. I said to myself, ***why are they saying that?*** (When I say ***I said to myself*** I am talking to the Lord). Where in the Bible does it say that they want to rule the world (thinking it did not exist in the Bible)? The Lord answered me. I did not expect an answer. Sometimes I have to wait for an answer for a long time. He answered me when I did not expect an answer. He said, ***that is what the Bible says.***

The Bible says that a king is coming. Messiah is coming, he is a king, and he is going to rule the world. However, because my whole time in the Church, I have always thought of Messiah as a spiritual Messiah, I never believed that Jesus was coming back as a man sitting on the throne.

Even though I embraced British Israel, I never believed that Jesus was coming back as a man sitting on the throne. I never really thought in terms of a human ruling the world, I never thought in terms of a

king of the world. I never really believed that. But we need to understand that others believe that and are trying to bring it to pass, a king of the world.

It is a news article that Prince Charles of Great Britain went to the common market a few years ago and asked if they were willing to make him the king of the world and they told him, no. Now we are expecting Prince William to be crowned the king of the world.

I heard it but I never really heard it. There are some people that are hearing it and they are panicking over the Jews wanting to take over the world. The result of that is they are going about killing them, or they hate a whole group of people. You cannot do that!

However, since we are into truth here, it seems to be that there are elements within Jewry that think they have the right to rule the world. There are elements within Jewry that believe that they have the right to rule the world. Then there is the European aristocracy which believe they have the right to rule the world. Also whoever believes in British Israel believes that a single man out of the tribe of Judah, out of Israel, is going to be king of the whole world. That is a New World Order! That is what it is, and they are getting it out of the Bible. I never put it together like that before.

Jesus says that that is not what he is saying. That is not what God is saying in this Bible. There is a king, he is Messiah and he is a spiritual man. He came initially as a human being. The question that I put before you, that I do not know the answer to yet, is, was he Messiah in the days of his flesh? Did Jesus ever say that he was Messiah in this Book? Can anybody show me a Scripture where he said he was Messiah? He never said that he was Messiah.

The glorified Jesus Christ is Messiah and his throne is spiritual. His kingdom is spiritual, his rule is spiritual, and when he rules over all of mankind by possessing each individual human being, the many members, millions of members of mankind, will all be at peace with each other, and there will be some form of ordered society in the earth. I do not know what it is going to look like.

I looked, and, behold, a door was opened in heaven... the son of God is heaven, that is Zeir Anpin of the world of Atzilut, that is the 6th sephirah, sometimes they call it the 6th medot, or the 6th sephirah in the middle or the 6th emotional sephirah, 6 out of 10, 3 above and 1 below. The 3 above are the parents and the 1 below is the female.

...and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, come up higher, in your mind, not physically leave the earth and astral project into heaven (which many Christians believe will be happening), but in your mind. We ascend in our mind by what we think and what we are willing to consider, and how we think.

You have to rise up above your present level. If you measure everything that you hear against what you presently know, you will wind up destroying every truth that comes to you. Truth that comes to you that you have never heard of before will be radically different from what you know, and if you measure it by what you already know, you will cast it aside instead of embracing it. You have to come up higher in your thinking. You have to be willing to let other beliefs go.

...and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter. The trumpet is probably talking about the Shofar which has always been the sound of warfare. At least one of its functions is the sound of warfare. There is a whole teaching on it, it is at the back of my mind. I heard it at the synagogue but I do not recall what it is so I am not going to repeat it.

Revelation 4:2

² And immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne. **KJV**

Verse 2 ***And immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne.***

I also had a comment here on verse 1. My comment was the door that opened in heaven can be likened to or is parallel to hole in the wall that Ezekiel looked through. Just before judgement fell, God spoke to Ezekiel. He told him that he would show him the sins that are happening in Israel. God opened a hole in the wall. Of course that is a metaphor. God enabled Ezekiel to look into a spiritual realm.

I have been on the internet, I look at the face of the Queen of England, I look at the angelic face of Prince Charles, and I say, ***is there really a demon behind that?*** I was looking at Queen Elizabeth the other day, this little old lady, ***is there really a demon there?*** That was one of the challenges I had when the Lord first called me years ago, and he challenged me to recognise that there were people in an organisation that I belonged to that were practicing witchcraft.

I do know whether they were doing human sacrifice, but they were doing some kind of witchcraft and they actually cursed me. Their curse affected me, and I could not believe that they were a witch. The Lord had to hammer at me for years. We need to know that someone that looks just like you and I may be doing some terrible things behind closed doors. The person could be a child, an old lady, an angelic beautiful woman; we do not know what they are doing behind closed doors.

I realise now that I have had a memory in my mind for a couple of hours. I guess the Lord wants me to share it with you. Years ago when my daughter was in school (she was in 6th or 7th grade) she had a friend whose mother I liked. We never really became friends but I knew the mother through the children, and I always liked her. She had long blond hair and blue eyes. I think witches like that, sometimes, long blond hair and blue eyes.

One day I went to the house to pick up Maria and she asked if she could talk to me about something. She knew that I was a Christian; I was in deliverance at the time. I said, ***sure***. She said that something happened to her and she did not know who to talk to about it except me. She said that one of the women she knew from the PTA (the children's Parents Teachers Association) invited her to her house for coffee the night before.

She went to the house for coffee, and after they had coffee and cake, the woman told her she wanted to show her what was in her basement. This woman was terrified when she told me this. She said she went down to the basement with the woman and it was filled with people. There was a whole group of people there and they had a satanic altar there. She did not know what to do. They offered her a white robe to put on; she did not know what to do so she put it on. She took her clothes off and put the white robe on.

They gave her something to drink, and she drank it. Then they let her go. I cannot remember if she told me she passed out or not. That is all I remember, that she was just scared out of her mind. She was concerned and terrified that she drank the stuff they gave her. I just broke the curses on her and prayed for her. I never heard anything about it since. This was a woman from the PTA, living right here. When my daughter was in the 6th grade, I lived a mile from here in the same general area.

You need to grasp this, brethren, because the natural response of the mind to what I am telling you is to shut it out. You do not want to believe it, but it is right here, around the corner. I was living right in this area and it was the PTA of the junior high that this neighbourhood goes to. I pass by the school all the time. The Lord is trying to wake us up. You have to believe it otherwise if you do not believe it you are going to be vulnerable.

The question is how do you live with this every day? It is very hard, but we can do all things in Christ. You have to know what is going on in this world, and it is right here. It could be anyone.

I live in a condominium; it is one building with 4 apartments in it. I know my next door neighbour here. I do not know the 2 people on the other side. I have to walk around the block to get to their gates. One of them left their lights on their car on. I knew it belonged to the person on the other side of my wall. I have never met them, but I decided to be a good citizen and tell them that their lights are on. I walked there, opened the gate, and there was a statue of a demon god on her patio. A spirit came out of that statue and told me not to go any closer into that house.

It happened very suddenly. The only way I can describe it is that it flashed at me. It flashed at me; that is the only way I can describe it. I knew what it meant, it was a guardian; stay away. I closed the gate, saying, do not worry, you do not have any trouble with me; I am not going in there. That was the woman (she has moved) who lived on the other side of this wall.

You are not supposed to live in fear, but do not close your mind. You need to be aware of it, at least to the degree that if you are walking down the street and the Lord tells you that that one over there, that sweet angelic little girl with the beautiful face is getting ready to throw a curse at you, you need to be able to at least believe it enough to walk away, or do whatever he tells you to do. That is what we are dealing with.

My comment on verse 1 is that this door that opened in heaven is likened to the hole in the wall that Ezekiel looked through. With Ezekiel, God was showing him the sins of Israel, and here in the Book of Revelation, John is about to be shown the glory of God in Israel.

Revelation 4:2

² And immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne. **KJV**

Verse 2 ***And immediately I was in the spirit...*** I do not believe his body left the ground; he was caught up to a higher realm of consciousness. He was equipped to understand what he would not have been able to understand without help. ***...and, behold, a throne was set in heaven...*** there was a throne in the midst of where Zeir Anpin is. In the midst of those 6 sephirot, there was a throne. He was seeing in the spirit so it looked like emerald to him. An emerald is a gem stone, something that is formed underneath the ground. I think all gem stones are formed from great pressure over millions of years under the ground.

That is the Christ child coming forth. He is the one that is being formed. Actually it is Tevunah. She is like the drop of sand that made its way into the oyster, that developed into a pearl of great price. She is that drop that was put in the earth. In the context of Revelation Chapter 4, we see her maturation expressed as a gem stone and in particular an emerald, a green gem stone, the colour of life. That is the development of Tevunah. That is nice. I got a nice spirit from that.

This is my note which I wrote up quickly this morning. It says:

John looked through the door and he saw a throne... Christ Jesus is the throne ...**set in heaven...** in the midst of the six Sefirot of heaven, which is Tetragrammaton - it is Tetragrammaton that sits in the midst of those 6 medot or those 6 emotional sephirot, and that is Christ Jesus at that point ...**and the Lord Jesus sat on the throne.**

And immediately I was in the spirit... the spirit of God, I left my carnal mind, I was in the spirit of God **and I saw a throne** which is Christ Jesus ...**which was set in the midst of the 6 sephirot...** in the midst of the God world of Atzilut ...**and the one who sat on the throne was the Lord Jesus Christ.**

Revelation 4:3

3 AND HE THAT SAT WAS TO LOOK UPON LIKE A JASPER AND A SARDINE STONE: AND THERE WAS A RAINBOW ROUND ABOUT THE THRONE, IN SIGHT LIKE UNTO AN EMERALD. **KJV**

I got ahead of myself with the emerald. I do not know what to say about the jasper and the sardine stone. We are not doing this in-depth right now, but this is what John saw in the spirit. The rainbow signifies judgment. The rainbow that appeared when Elohim made his covenant with Noah, Shem Ham and Japheth, signifies judgement. Elohim was saying to Noah, Shem Ham and Japheth that he was not going to destroy the earth with a flood anymore. Instead of that he would judge the individual.

I am not going to wipe out the whole earth anymore; I am going to judge an individual at a time. If you repent of your sins, and you agree to marry me you will be saved and enter into immortality. But if you refuse you will be destroyed to the fullest degree that the world of the flood was destroyed. I no longer punish collectively, it is one man at a time, everyone on his own merits.

It is no longer going to be said that the father ate a sour grape and the children's teeth are set on edge.

Jeremiah 31:29

²⁹ IN THOSE DAYS THEY SHALL SAY NO MORE, THE FATHERS HAVE EATEN A SOUR GRAPE, AND THE CHILDREN'S TEETH ARE SET ON EDGE. **KJV**

No more. It will be every man on his own merit.

Revelation 4:3

⁴ AND ROUND ABOUT THE THRONE WERE FOUR AND TWENTY SEATS: AND UPON THE SEATS I SAW FOUR AND TWENTY ELDERS SITTING, CLOTHED IN WHITE RAIMENT; AND THEY HAD ON THEIR HEADS CROWNS OF GOLD. **KJV**

Verse 4 ***And round about the throne were four and twenty seats...*** when a verse talks about round about, round about, I believe what is being dealt with here are these concentric circles. We are told by the kabbalist that all of the sephirot are a series of concentric circles, each one inside of the other. We are talking about different elements of the creation. The relationship to each other is that of concentric circles, and that is what the verse is talking about when it says round about, round about.

It is different layers. Just like we have 7 layers of skin, there will be different layers of the household of God dwelling inside of us. That is what we are dealing with here.

I just got a real burst of energy, thank you for your prayers, brethren. I feel much better.

And round about the throne... remember the throne is Christ Jesus ...***were four and twenty seats*** there were 24 seats. These are not seats like I am sitting in ...***and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold.***

My note on that is:

And around the throne were twenty four seats which are the collective consciousness... we are dealing with the number 12 times 2 ...**the collective consciousness of Chokmah and Binah of each of the 12 tribes.** I have always struggled with this number 12. I understand the 10; I understand the 10 sephirot, and the 10 sub-sephirot of every personality, of the father and the mother. However, I have always struggled with this number 12. This is what I have for you today with regard to the number 12.

And around the throne were twenty four seats - 2 degrees of consciousness from each of the 12 tribes. What we are saying here is that each of the 12 tribes has a particular degree of consciousness which is 1/12 of the collective consciousness of God. Each one of the 12 tribes has a particular element of spiritual consciousness or spiritual ability that is 1/12 of the complete consciousness of God.

We are talking about the complete consciousness of God. We are talking about immortality. We are talking about the manipulation of the material world. We are talking about creation. We are talking about speaking and it coming to pass. We are talking about the complete consciousness of God. Each tribe of Israel represents a spiritual power, a spiritual degree, which is 1/12 of the total consciousness and creative power of God.

I saw 24 seats- that is Chokmah and Binah of each of the 12 tribes, as a creative force. If you remember the messages that we just preached on **The Two "I Ams"** (CCK.778) and **The Creation of Heaven** (CCK 779), when Chokmah and Binah came together - it was actually Keter, Chokmah and Binah - when they came together, the creative force became a house. Do you remember that at all? Asher is Binah alone. When Chokmah is added, Chokmah comes with his seed, and Asher becomes a house when there is a seed in it.

When we talk about the 2 degrees of consciousness, Chokmah and Binah, we are talking about a creative force that contains a seed from each of the 12 tribes, the creative force of each of the 12 tribes that contains the seed.

Verse 4 And around the throne were 24 seats (the collective consciousness of Chokmah and Binah of each of the 12 tribes: each of the 12 tribes has 1/12 of the whole consciousness of God or the whole creative power of God, married to the throne the throne is Christ Jesus, so we see the creative power of God manifesting through the mother connecting to the son which is her son, **clothe in righteousness** we see the righteousness of God appearing in the son of God, and the crowns of gold are the merciful judgment that comes from Keter.

Here in this 1 verse, we see exactly what we were learning in **The two "I Ams"** and **The Creation of Heaven**. We see Chokmah and Binah bringing forth the son of God which is heaven, and righteousness is present in the son of God. Then the Keter joins them, and at that point the merciful judgement is the crown of gold.

Gold in the Scripture seems to mean **judgement**. It is hard to understand. I do not really understand why, but that is how it seems to be.

And around the throne... Christ Jesus ...were twenty four seats, the collective creative consciousness of Chokmah and Binah of each of the 12 tribes. And each of the 12 tribes has 1/12 of the whole creative consciousness of God, was married to the throne... which is Christ Jesus, so Chokmah and Binah were married to the throne which is Christ Jesus, the throne, the son of God who was ...clothe in righteousness, and merciful judgement (crowns of gold) covered them the Keter joined the whole family, so we have Keter, Chokmah, Binah and the 6 sephiroth of the son.

We are talking about the creation of the son of God in the individual, in you and in me. It is more than the manchild. The manchild is Christ Jesus. After we give birth to Christ Jesus, then the higher degrees of the family of God come to dwell with us.

Revelation 4:5

⁵ AND OUT OF THE THRONE PROCEEDED LIGHTNINGS AND THUNDERINGS AND VOICES:
AND THERE WERE SEVEN LAMPS OF FIRE BURNING BEFORE THE THRONE, WHICH ARE THE SEVEN
SPIRITS OF GOD. **KJV**

I have not really done this word by word. I am just giving you the concept here. This is what I have for verse 5.

Verse 5 **And righteous judgment (which are the lightnings and thunderings) proceeded out of the voices [of the human beings that the family of God is dwelling] and there were 7 degrees of the judgment of Binah's Lake of fire... where did I get that from? And out of the throne (out of Christ Jesus) proceeded lightnings and thunderings (judgement) and voices: and there were seven lamps...** the lamp is the container. We are the lamps.

Further on in the Book of revelation it talks about angels holding vials; that is talking about us. We are the source of judgement. Judgement is going to come out of our mouth upon the powers of witchcraft in the world. And the judgments of God cannot come out of your mouth if you do not believe that there is witchcraft in the world.

If you are not aware that it is there, it is not going to come out. You are not a robot. This judgment is going to come out of your understanding. Lord willing, we are not going to pronounce judgement unless the Lord Jesus Christ stimulates us to do so. When he stimulates us to do so, we will pronounce judgment out of our understanding, not because he pressed a button and we said, **okay, we will do it, we will shoot the gun.**

So there were lightnings and thunderings and voices and there were 7 lamps, there were 7 vessels of fire. It is important here to understand that the substance inside of the sephirah is different than the sephirah. I taught you this but it was a long time ago so it may not have stuck. This is what we learnt from Rabbi Cordovero. The substance of God or that which is inside of the sephirah is different than the sephirah.

Actually the teaching is **sephirah without substance**. You can think of the sephirah as a ring. There is something inside the sephirah, the ring, which that has no material substance; it is simply power. There is a difference between what is inside of the sephirah and the sephirah. The power that is in the

sephirah is the same; the power in every one of the 10 sephirot is the same. What is different is the sephirah or ring that surrounds it. All activities and actions of the power of God are manifested through the sephirot.

The power of God is homogenous; it never changes. If it wants to bring judgement on someone, it flows into Gevurah and presses the button, and then Gevurah takes the action of judgement. If the power of God or the consciousness of God wants to bless you it flows into Chesed, and presses the buttons (of course *presses the buttons* is a metaphor,) and the power to bless you pours out of the sephirah, Chesed, in your life. The powers that are inside of the sephirot are without substance; that is the expression.

This means that there is nothing that you can lay hold off. You cannot lay hold of it and use it for yourself. But when it is inside of its ring, which is the sephirah, then you can bring forth an action, to bless or to curse.

5 And out of the throne proceeded lightnings and thunderings... judgement ...and voices: and there were seven lamps... 7 sephirot ...of fire... inside of the sephirot was fire. The power of Binah was in there. Binah is the Lake of fire. We see 7 degrees of judgement, 7 degrees of the Lake of fire. The Lake of fire is not one big lake out there. The Lake of fire is the judgement that comes from Binah, and now we see that there are 7 degrees of that fire **...burning before the throne, which are the seven Spirits of God.**

Let me see what my notes say since I do not have the interlinear text here:

And righteous judgment proceeded out of the voices of the human beings they dwell in and there were 7 degrees of the judgment of Binah's Lake of fire burning in front of Christ Jesus. It was a ring, another orbit around the nucleus of the atom, you might say. This judgement was burning in front of Christ Jesus who is the throne. In other words, Christ Jesus is in a particular layer of the family of God within you.

The judgement is pronounced, and it goes forth on an outer layer. In other words, it goes forth before you. It is not coming from behind you, so any body that is resisting you or wants to attack you, will have to go through the judgement before they can attack you, which cannot be done.

Binah's Lake of fire is burning in 7 degrees... seven lamps ...in front of Christ Jesus... throne ...and the seven spirits of Elohim. Elohim is Binah and Gevurah, the 7 spirits that are burning are burning through Binah and Gevurah. You may remember this teaching, that when Binah joins with Chokmah (they are across from each other) we are talking about reproduction, more or less. When Binah goes down one, Gevurah is right underneath her. Binah joins with Gevurah right underneath her to bring judgment, and that judgement is pretty hard. Gevurah alone is harsh judgement. Gevurah with Binah, the Kabbalists say that the judgement is sweetened, but it is still pretty hard.

Everyone is going under judgement, we all have sin. But what we are really hoping for is that the judgement of Binah flows through the Tetragrammaton. We are hoping that it does not deal with us directly through Gevurah, but that it goes down in the middle column and deals with us through the son who is merciful justice. Justice but merciful.

The 7 degrees of judgement are burning in front of Christ Jesus. That means he can press his button on any one of them **And the seven spirits of God (which are Binah and Gevurah together) were the fire of it (burning) which were in front of Christ Jesus.** This does not make too much sense.

Christ Jesus is at the very centre. Think of Christ Jesus in terms of the Tetragrammaton. I do not know if this is completely accurate but just so that you can get a general idea of what is happening here. Think of Christ Jesus as the Tetragrammaton. He is surrounded by 7 degrees of judgement. This means that Binah is manifesting her judgment through 7 degrees. There are 6 degrees, 6 sephirot to the son of God, but Binah is manifesting through 7 degrees. That means that she is judging through the 6 sephirot of the son, plus the female. That means that this judgment is coming out of a human being.

Binah is manifesting judgment out of the full 7 sephirot that are beneath her, on every level. This is not necessarily a bad thing. It is going to burn up all of our sin. Truth is fire. Truth is judgment. We get hurt sometimes, but the only time we need to get hurt is when we chose our carnal mind over the truth of God. Then we have to take a bump along the road that changes our mind. Judgment is a good thing.

And out of the throne... which is Christ Jesus **...proceeded lightnings and thunderings...** judgement **...and voices...** human beings: **and there were seven lamps burning...** there were 7 degrees of fire that were burning. Binah is manifesting through all 7 sephirot, 6 of her son and one of the female **...before the throne...** they were all in front of the throne, that means the throne had full authority over them **...which are the seven Spirits of God.** And now we are told these burning judgements are the 7 spirits that belong to Elohim. That means Elohim can press any button on any one of those 7 sephirot and make it manifest in the life of that person.

This is all going on inside of us. That is what we are called to. We are called to the end time battle that is going to deliver the cattle called humanity from being fully possessed by Lucifer, which would be continuous torment for us.

It would be interesting to find out what we would experience being fully possessed by Lucifer, Lucifer being an invisible spirit that wants the use of our members. What will he be using our members for? I do not know exactly and I hope I never find out unless the Lord wants me to know. It cannot be a good thing.

The thought just popped into my mind of the mind control slaves that apparently are all over Washington and everywhere else. They deliberately bring forth multiple personalities in them so that they could control them, and they do it through abuse. This lady, Cathy O'Brien, claims that her body is full of scars from stun guns.

I read horrible things on the internet yesterday. I read about this training that human beings do to other human beings to make them into a slave. A slave is someone who is fully controlled, someone that they tell what to do and they just do it. They dehumanise them. They do the exact opposite of what God does.

God builds up the individual with integrity and ability to make decisions. They dehumanise you by depriving you of food, in some cases jailing you, shocking you. They do it to children. They kill the children's pets in front of them. They dehumanise you so that you just become their slave, and you do whatever they say.

We hear now that they are being used for sex, as prostitutes, in the White House, wherever else you are needed for sex. That is what they are saying on the internet, and it looks like there is reason to believe it. They name big names. This is terrible.

What will Lucifer do with us? Well, I guess that is Lucifer in these people doing that. I do not know how bad it will get.

Revelation 4:6

⁶ AND BEFORE THE THRONE THERE WAS A SEA OF GLASS LIKE UNTO CRYSTAL: AND IN THE MIDST OF THE THRONE, AND ROUND ABOUT THE THRONE, WERE FOUR BEASTS FULL OF EYES BEFORE AND BEHIND. **KJV**

And before the throne there was a sea of glass like unto crystal... I suggest to you that is the water world of Yetzirah that has now become solidified, in a crystalline form. Crystalline means that the structure of the water has become permanent. Right now, the way it is, is that our physical bodies are permanent, but the mental plane which is Yetzirah is not permanent. It means the entities in that mental plane are not established in their position. They exalt themselves higher than they should be and they try to deceive us and give us ungodly thoughts, and influence us to follow them.

The situation is going to be reversed. The mental plane is going to be solidified in a crystalline pattern that glorifies God. We are talking about the mind of God. James says that we are double minded, unstable in all of our ways. ***I want to do it; no, I do not want to do. Yes, I am going to do it, no I do not want to do it. Should I do it, should I not do it?*** We go back and forth between the mind of Christ and the carnal mind. Sometimes, even in our carnal mind we cannot make a decision. That is the mental plane of Yetzirah. That is going to be stabilized in a pattern that lines up with the mind of God. There will be an established pattern, no more variation. We will think clearly, and we will have the right answer and the right thought every time.

Verse 6 **And in front of the throne...** in front of Christ Jesus **...and in the midst of it was the water world of Yetzirah which had become a sea of crystalline glass...** the mind of Christ had overcome the instability of the carnal mind.

What is interesting over there is that there is a Kabbalistic principle called ***tohu wa bohu***. Tohu is the world of chaos. We have studied it as the world of points, the world of chaos, the world of points. I asked a rabbi that I am taking an online course with these days, ***where is bohu in all this?*** And I asked a second rabbi, ***where is bohu?*** Neither one of them seems to have the answer.

I like the way the rabbi that I just asked teaches. He says that there are different opinions. Some people say that bohu is a stabilized aspect of tohu, better than tohu. And other kabbalists disagree and say that it is worse than the chaos of tohu. What I think, at least for the moment, is that bohu is the mind of Christ that is being revealed, out of the chaos, tohu being chaos. Bohu is the rationalisation, the rational mind that congeals in the midst of the chaos.

That is what the crystalline sea represents. It represents the crystallisation of the water that contains all the evil entities doing whatever they want. Now they are in their place where they are supposed to be. They cannot get out of their place, and their function is they are part of the whole. The whole is positive. It is just that when it is piecemeal then it is negative.

In front of the throne and in the midst of it was the water... both in front of it and in the midst of it. We see that the water world of Yetzirah is not just in front of the throne but it is also integrated with it. It is that integration that stabilizes the entities, the evil entities in that area.

And in front of the throne and in the midst of it was the water world of Yetzirah which had become a sea of crystalline glass... permanent patterns of thought, permanent godly patterns of thought, godly and stable patterns of thought **...and around the throne was an animal...** a many-membered animal which is humanity **...which possessed the completed four-sided consciousness of the God world of Atzilut, the world of creation, Beriah, the mental plane which is Yetzirah and Asiyah, which is this world of action.**

It is a four sided consciousness. Eventually we will possess all of them. We will be able to function on each of those levels of consciousness. We would be able to understand, to perceive and to communicate in each of these levels of consciousness. This conversation that we are having today (it is a conversation even though I am doing all the talking right now), is a conversation that is being held in Atzilut.

We cannot walk out of here and talk to someone on the street in this language because they will just walk away from us. This is the language of the God world of Atzilut.

Around the throne was an animal... that is our humanity **...which possessed the completed four-sided consciousness of Atzilut, Beriah, Yetzirah and Asiyah, and their environments...** that is so interesting because every one of these sephirot has an invisible consciousness which we experience through words, but every one of these worlds has an environment that plays out in this world. It is not as easy to see as this room. This room is the environment of the world of Asiyah, but there are 3 other degrees of consciousness that have the ability to be revealed as an environment. I do not even understand all of that, but I believe that this principle is true.

This room is an environment. Our bodies are sitting in this room and technically are a part of this room right now. We have a mental plane, then we have a spiritual plane. There has to be something material that is the expression of these other planes of consciousness. For example, this written word here is the environment of, let us say, Beriah, the world of creation. This Book is the material manifestation of the word of God in the mental plane. It is revealed as a Book. There has to be a material expression of the word of God on the grade of Atzilut. Whether or not that would be the Zohar, a book that puts down words in metaphor, I really do not know. I am still under instruction in this area, but I hope that you have the general idea of what I am saying.

In verse 6 we are talking about a throne. **Around the throne was an animal which possessed the completed four-sided consciousness of Atzilut, Beriah, Yetzirah and Asiyah, and their environments which includes foresight...** which is prediction **...of the unconscious mind** which is a translation of the word behind.

Let us read the King James Version of verse 6. **And before the throne there was a sea of glass like unto crystal...** that is the establishment of the Christ mind or the domination of the Christ mind over the carnal mind **...and in the midst of the throne** which is Christ Jesus **...and round about the throne, were four beasts full of eyes before and behind.** This is the translation that I got when I did this very quickly. I do not know if there is going to be another part to this message. I will pray about this verse, I am not sure about it, but that is what I got when I did it very quickly.

Verse 6. **And in front of the throne and in the midst of it was the water world of Yetzirah which had become a sea of crystalline glass...** a stabilized mind **...and around the throne was an animal which possessed the completed four-sided consciousness of the four worlds and their environments...** the material expressions of all of them, of Atzilut, Beriah, Yetzirah and Asiyah, and their environments

...which includes foresight the ability to predict or see into the future and the ability to look into the unconscious mind our own unconscious mind and the unconscious mind of other people.

Here we see this four sided consciousness materializing as spiritual abilities. It is nothing that you can lay hold of with your hand, it is spiritual abilities. I really do need to pray about that some more. That is the best I can do for you right now.

Revelation 4:7

⁷ AND THE FIRST BEAST WAS LIKE A LION, AND THE SECOND BEAST LIKE A CALF, AND THE THIRD BEAST HAD A FACE AS A MAN, AND THE FOURTH BEAST WAS LIKE A FLYING EAGLE. **KJV**

Verse 7 **And the first side of the animal was like a lion...** that is Christ Jesus in the earth, in the human **...and the second side of the animal was like a calf...** a calf is a milk-giving animal and it is also the second-generation of the animal, it has a mother. It is talking about the aspect of the son of God who is not a normal person, we are not normal people. We are people that have been born of a prior generation.

You might say we are second generation of fallen mankind and our primary attribute is that we give milk, we are teaching the younger people **...and the third side of the animal was the personality of the completed female Adam of Beriah.**

This is where I get that from; the word for *man* in the Greek at that point is Strong's 444 which is not talking about a human being. Human beings are just half a man. We are not complete unless we have a spiritual man joined to us. Most of the time you see that word *man* in the Greek, it is not Strong's 444. It is another word. And yet the Strong's 444 is female.

That is what I am saying here **...and the third side of the animal was the personality of the completed female Adam** Strong's 444 **of the world of Beriah, the world of creation.** He is complete in so far as the world of creation is concerned **...and the fourth side of the animal was the consciousness of the Lord Jesus Christ, like that of a flying Eagle.**

The aspect of consciousness that flies in the heavenlies can go as high as the Lord lets you go. That is the Lord Jesus Christ. Christ Jesus is in the earth. The Lord Jesus is the consciousness of the higher worlds. We see the completed female Adam in the world of Beriah completely restored in the world of creation. Then we see the processed human side, which is a milk-giving young animal ministering to the rest of humanity. This is all about what is happening to us.

Brethren, while the witches are out there doing their human sacrifice, we need to know that it is happening, but we also need to know that this is what is happening to us here. The end of what is happening to us is that we will be used of God to assist the rest of humanity.

Revelation 4:8

⁸ AND THE FOUR BEASTS HAD EACH OF THEM SIX WINGS ABOUT HIM; AND THEY WERE FULL OF EYES WITHIN: AND THEY REST NOT DAY AND NIGHT, SAYING, HOLY, HOLY, HOLY, LORD GOD ALMIGHTY, WHICH WAS, AND IS, AND IS TO COME. **KJV**

The four beasts is talking about our new self. It is talking about humanity joined to the spiritual family of God that we are being joined to. We are working in tandem with them, and as we work in tandem the integration is becoming more and more permanent. That is our immortality, and that is our defence against the evils in the world.

The word **wing** in the Hebrew (not so much in the Greek) can easily be translated **armies**; that is how I am translating it here, the armies of the 6 sephirot. **And the four beasts had each of them six wings about him...** and the armies, each sephirah... remember that the sephirah is the ring and then there is the essence of which we are told has no substance because we cannot name or identify it but yet there is some power there.

The armies of the 6 sephirot... the armies refer to us, that power, the power of the armies of God manifesting through the people, the armies of people manifesting the powers of the 6 sephirot **...of the one that possessed the four sided animal surrounded him.**

And the armies of the 6 sephirot... of the son of God **...of the one that possessed the four sided animal surrounded him...** we are surrounding the son of God **...and on the inside of him was the completed environments of the four worlds, and there was no distinction...** this is the only verse that I really took the time to pray over.

I will show you that word **rest** in the King James Version **And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night.** You only see the word **rest** there once; actually there was a second word that also meant **rest**. I translated the word Strong's 372 that is translated **rest** in the King James Version, **distinction**. It does not mean **rest** at all, it means **distinction**. There is no way it can mean **rest**. The King James translators did not know what to do with it.

And on the inside of him was the completed environments of the four worlds, and there was no distinction between the day and night for these people. There was no distinction between day and night for these human beings having this experience.

There is a Scripture in a further Chapter in the Book of Revelation that says in the Kingdom of God there was no night there. There was no distinction between day and night. That is what that means. The reason that there was no day and night in the state of being that we were in is this. It could mean that we are not going to sleep, that there is no day and night outside, or it could mean that there is no distinction between the carnal mind and the Christ mind; I am not sure at this point.

What I am trying to say here is that... There is a word that means **possessed by** and I would have to work that in, I do not want to take the time to do it now. **Those who are possessed by this manifestation of the kingdom of God within themselves, for those people there was no difference, no distinction between the day and the night because they were all doing the same thing, they were doing the same thing whether it was day or night they were doing the same thing, praising God saying Binah who is God, is holy, Jehovah, the Lord, is holy, and El Shaddai (the name of God associated with the Yesod), who is to come, is holy.**

There are 3 holies, one is Lord, one is God and one is Almighty. We have to figure out what goes with each of the holies. That is what I am doing here. There was no distinction between day and night because we were doing the same thing, day or night, they are doing the same thing, this is what they are doing **...praising God saying Binah who is God...** that is the first God **...is holy, Jehovah, the Lord, is holy...** and then we have one more holy, relating to Almighty **...and El Shaddai (the name of God associated with the Yesod), who is to come, is holy.**

Let me give it to you again. **They were doing the same thing, there was no difference between day and night because they were doing the same thing during the day and the same thing at night...** they were doing the same thing with their carnal mind that they were doing with their Christ mind, ...**they were praising God...** and this is how they were praising God, in 3 different ways, they were praising God, they were praising Binah who is God, saying she is holy ...**saying Binah who is God, is holy, Jehovah, the Lord, is holy,** they were saying Jehovah the Lord is holy ...**and El Shaddai (the name of God associated with the Yesod), who is to come, is holy.**

The third holy has to do with **Almighty**. The word **Almighty** has to do with **El Shaddai**, I believe that is the breasted-one. To say that El Shaddai is the breasted-one lines up with what we found in verse 7, with the milk-giving animal. El Shaddai is the name of God that is associated with the Yesod. **El Shaddai is strong enough to accomplish permanent connection between heaven and earth.**

And the reason he is considered Almighty or called Almighty is that you might say that he is the neck. El Shaddai is associated with the sephirah Yesod, whose job is to connect to Malchut. In the past, every time Israel failed, the reason national Israel failed, was that malchut separated, the female separated from the male. The original sin of the female Adam going with the Serpent, was the separation of Malchut from the 6 sephiroth of the son.

Yesod is the lowest sephirah that is going to connect to the female. And in this reconstruction of Israel, which is spiritual Israel, the renewed plan that came down from God is that Yesod will be Almighty. He would be so strong that there will be no way that he will let go of that female, no matter how strong the female is.

The female is very strong; she signifies witchcraft. The female signifies rebellion. The female signifies the fallen powers that are manifesting in this horrible way in this earth today. It is not just some little female. If you saw **Inception**, you might have gotten an idea. The actress who played Malchut was really good. She was really evil trapped down there in the basement.

The Kabbalistic principle is that Malchut is not happy being trapped down here in the earth. She is not happy about it. It is Tevunah gone bad. She is not happy about it at all. I can see the scene in my eyes right now, as Dom, the hero, was in the elevator with Ariadne, and was going up, and his wife Mal, is down there looking completely ill, screaming, **don't live me here, don't live me here!**

That is the parable of the extreme expression of the sephiroth. The man has been castrated by the woman. Adam in the garden of Beriah was castrated by his wife who ran away with the Serpent. This whole concept of the female castrating the male plays out through all society. Even Freud talked about men having conscious or unconscious fears of castration.

The Lord has been talking to me about this. Men are just human beings like women; however, they are supposed to be in the leading roles, in the family at least. We have women in high places today, but traditionally men are supposed to be the leaders of the world. The women who are in high places today are spiritually empowered by male spirits. The traditional role of the women is to be in submission to the male leadership. Do not hit me; that is the reality of it.

When God allows you, it is permitted. I am a woman but I have been empowered by the Lord to be a spiritual male. This is what is going to happen in the reign of Messiah. There is no male or female or Jew or Greek.

However, under the curse, aside from a woman being empowered by a spirit to rise up to a position which is really higher than her designated position, a woman should be in submission. Apart from the power of a spirit raising up a woman to be higher than her designated position, her designated position is in submission to the male in all aspects of society, under the curse.

In Christ Jesus the curse is lifted but we need something additional to rise up to the level of male, and that is the impartation of the spirit of power, the spirit of Christ. Hopefully you are not going to rise up in the spirit of witchcraft, although, there are women out there that are equal to men in the spirit of witchcraft.

It is not at all uncommon that when women are empowered to rise up out of the designated role under the curse they become more powerful than the man.

Everyone that is listening to me that is in a blind rage right now over what I am saying, calm down and listen to me.

Every woman that is being elevated out of the curse and receives spiritual power can rise up to a male position in society. What happens frequently is that she comes out to be more powerful than the man. I am just a social commentator. Women who are empowered to rise up into a male position frequently become more powerful than the man. We see it happening in our society today.

More women than men are doing well. More women are doing well financially. More women are going to college. More women are becoming lawyers and the leaders of society. Is there anything wrong with working with your hands? Absolutely not, but the people who run the society tend to be college graduates, and there are many more women prevailing in that area than men.

I was talking about El Shaddai. Yesod is foundation, the world to come. Yesod is the world to come. He is the one that comes, that joins himself to Malchut, the female, and brings immortality. He brings the world to come. He is the foundation of the world to come. But the woman does not want to be under him.

In the separated world, Malchut the female broke away from the son of God. In the separated world, Malchut is on top. Women who have been raised up to positions of spiritual manhood by the spirit of this world are ruling and reigning, and the society is not doing well. I have talked to you about this before. I do not like to tell you this but it is the truth. I am a woman. When women rise to power apart from the spirit of God, when they rise to power by the spirit of this world, we see chaos come in.

The families are in disarray. The children are not being raised properly. Fornication and adultery are rampant. Witchcraft is taking over the culture. Is that not true? Am I telling you something that is not true? All of these things are coincidental with the elevation of women by the spirit of this world, not by the spirit of God.

You can become a spiritual male by the spirit of God. You just have to give up sex, or if you get married, then you have to submit yourself to a physical man that may not be as anointed as you. Therefore, Paul said that it is better if you can stay by yourself, but if you cannot and you marry, you are going to have tribulation. It cannot be fun finding out that you are spiritually higher than your physical husband and yet he is your head. Nothing is perfect under the curse but it will be perfect when Messiah perfects the world.

Calm down, all you women that are screaming in my head.

El Shaddai is called Almighty because he has to be joined to that raging female that we saw in *Inception*, saying ***don't you leave me down here, don't you cover me over. I am the head. Don't you cover me over.***

No matter what that raging female does, Yesod of the son of God is equipped to clamp unto her and nothing is going to make him let go in that day.

And they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come. There is not going to be any distinction between day and night, no distinction between the carnal mind and the Christ mind. All minds will be praising God, praising Binah who is God, who is Holy, praising Jehovah, the Lord who is holy, and praising El Shaddai, the name of God associated with Yesod, the God who was and who is and is to come.

The God who was is Binah. Binah always existed. ***The God who is*** is Jehovah. ***The God who is to come*** is El Shaddai. El Shaddai is one of the sephirot of Christ Jesus. When Christ Jesus is fully formed in you, El Shaddai will be formed in you, and he will deal with your sin nature, and she will not prevail over him.

When a physical female becomes a spiritual male by the spirit of God, the culture will not go into destruction. However, it is coming to an end. Jesus clearly said that there is no marriage or giving in marriage in the kingdom of God. When the female is elevated to the level of male, there is tribulation in marriage, but eventually there will be no more marriage. Everybody will be married to God and life will be primarily spiritual.

Paul clearly said that when you are married to a husband, he is your primary world: your husband, you children, your home are your primary world. It is just natural. But the day is coming that everybody will be married to God and will be in his service ministering to his spiritual family. You can only do both for a season. You can only walk the middle line for so long. If you continue to grow spiritually, your family life tends to dry up. As you grow spiritually passed that midpoint, your family life tends to dry up.

Hopefully, if you are married and love each other, the Lord will give you a ministry together, but there is no guarantee. A couple of years ago I met a couple that were both in ministry together. They had a big house. We are hoping for a house, we have the need of a house here. They had a big house, but they sold the house (I guess their children were gone) and moved into a tiny apartment because the bigger the house the more work you have to do. You have to take care of the house. They were completely devoted to ministry. I guess their children were grown.

Revelation 4:9

⁹ And when those beasts give glory and honour and thanks to him that sat on the throne, who liveth for ever and ever, **KJV**

Revelation 4:9 ***And when those beasts give glory and honour and thanks to him that sat on the throne...*** that is the Lord Jesus who is sitting on the throne of Christ Jesus, his own son ***...who liveth for ever and ever,***

Revelation 4:10

¹⁰ THE FOUR AND TWENTY ELDERS FALL DOWN BEFORE HIM THAT SAT ON THE THRONE, AND WORSHIP HIM THAT LIVETH FOR EVER AND EVER, AND CAST THEIR CROWNS BEFORE THE THRONE, SAYING, **KJV**

Verse 10 ***The four and twenty elders...*** that is Chokmah and Binah of each of the 12 tribes representing degrees of ascended consciousness ***...fall down before him that sat on the throne...*** that is talking about our partial spiritual intelligence, whatever we have that we have learned from Christ Jesus in the midst of us has to submit to the one that is the head of the whole throne.

Whatever we have, the only way we are going to have the full consciousness of the 12 degrees of undivided creative consciousness is to submit to the head which is the Lord Jesus Christ. That means whatever satisfaction you are getting out of a ministry here - I do not know how else to put this, because I never really believed that this was my ministry. I have had people come to me over the years and say, ***Pastor Vitale, YOUR ministry...***

I have never really felt that way, but I am told I am not normal. Let us say I was thinking of this in terms of MY ministry, I would have to at some point come to the place that I am at now, that I do not see it as MY ministry. It is not my ministry. It is the Lord's ministry, so I submit to the higher consciousness. Everything that is coming forth here, the glory that is coming forth, I completely throw down my authority before him and submit it to him. Basically, that is what it is talking about.

So ***the four and twenty elders fall down before him that sat on the throne...*** and that is the unity of the Lord Jesus and Christ Jesus, so the individual is submitting to the unity of the Lord Jesus and Christ Jesus ***...and worship him...*** that means submit to him ***...that liveth for ever and ever...*** the one who is immortal ***...and cast their crowns before the throne saying...*** that means we are submitting all of the authority that we have from the Keter in our individual universe to the collective God consciousness, which is in the unification or the unity of the Lord Jesus and his son, Christ Jesus. We submit to the higher power ***...saying***

Revelation 4:2

¹¹ THOU ART WORTHY, O LORD, TO RECEIVE GLORY AND HONOUR AND POWER: FOR THOU HAST CREATED ALL THINGS, AND FOR THY PLEASURE THEY ARE AND WERE CREATED. **KJV**

Verse 11 ***Thou art worthy, O Lord, to receive glory and honour and power for thou hast created all things...*** this is where the Christians get messed up. The Scripture says ***Thou art worthy, O Lord, to receive glory and honour and power for thou hast created all things...*** and they think Jesus Christ created all things. They think that he is God and he created all things.

Jesus Christ is the personality that has become the spokesman, the intermediary, the mediator between mankind and the higher degrees of God that cannot be comprehended, or they can be comprehended by some people, but there are even higher degrees that cannot be comprehended by anyone.

Jesus is the name, he is the image. When you want to reach God, you do not have to understand Adam Kadmon and degrees above that. You just need to know Jesus. He is everything, but he is not God. This is where the Church messes up. The Greek is hard to read, you do not even know what **Lord** means. Actually, **Lord** is Jehovah. But we call Jesus Lord. It gets very confusing.

Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things... actually, that is talking about Binah. Binah is the creator, I think. Actually, I think I was corrected on that once. There is an Elohim that is higher than Binah. I am not going to get into that now ...***and for thy pleasure they are and were created.*** It is more likely that it is an Elohim that came out of Adam Kadmon.

It is too late to do any more, but I will just briefly synopsis Chapter 5 for you.

Revelation Chapter 5:1-14

¹ AND I SAW IN THE RIGHT HAND OF HIM THAT SAT ON THE THRONE A BOOK WRITTEN WITHIN AND ON THE BACKSIDE, SEALED WITH SEVEN SEALS.

² AND I SAW A STRONG ANGEL PROCLAIMING WITH A LOUD VOICE, WHO IS WORTHY TO OPEN THE BOOK, AND TO LOOSE THE SEALS THEREOF?

³ AND NO MAN IN HEAVEN, NOR IN EARTH, NEITHER UNDER THE EARTH, WAS ABLE TO OPEN THE BOOK, NEITHER TO LOOK THEREON.

⁴ AND I WEPT MUCH, BECAUSE NO MAN WAS FOUND WORTHY TO OPEN AND TO READ THE BOOK, NEITHER TO LOOK THEREON.

⁵ AND ONE OF THE ELDERS SAITH UNTO ME, WEEP NOT: BEHOLD, THE LION OF THE TRIBE OF JUDA, THE ROOT OF DAVID, HATH PREVAILED TO OPEN THE BOOK, AND TO LOOSE THE SEVEN SEALS THEREOF.

⁶ AND I BEHELD, AND, LO, IN THE MIDST OF THE THRONE AND OF THE FOUR BEASTS, AND IN THE MIDST OF THE ELDERS, STOOD A LAMB AS IT HAD BEEN SLAIN, HAVING SEVEN HORNS AND SEVEN EYES, WHICH ARE THE SEVEN SPIRITS OF GOD SENT FORTH INTO ALL THE EARTH.

⁷ AND HE CAME AND TOOK THE BOOK OUT OF THE RIGHT HAND OF HIM THAT SAT UPON THE THRONE.

⁸ AND WHEN HE HAD TAKEN THE BOOK, THE FOUR BEASTS AND FOUR AND TWENTY ELDERS FELL DOWN BEFORE THE LAMB, HAVING EVERY ONE OF THEM HARPS, AND GOLDEN VIALS FULL OF ODOURS, WHICH ARE THE PRAYERS OF SAINTS.

⁹ AND THEY SANG A NEW SONG, SAYING, THOU ART WORTHY TO TAKE THE BOOK, AND TO OPEN THE SEALS THEREOF: FOR THOU WAST SLAIN, AND HAST REDEEMED US TO GOD BY THY BLOOD OUT OF EVERY KINDRED, AND TONGUE, AND PEOPLE, AND NATION;

¹⁰ AND HAST MADE US UNTO OUR GOD KINGS AND PRIESTS: AND WE SHALL REIGN ON THE EARTH.

¹¹ AND I BEHELD, AND I HEARD THE VOICE OF MANY ANGELS ROUND ABOUT THE THRONE AND THE BEASTS AND THE ELDERS: AND THE NUMBER OF THEM WAS TEN THOUSAND TIMES TEN THOUSAND, AND THOUSANDS OF THOUSANDS;

¹² SAYING WITH A LOUD VOICE, WORTHY IS THE LAMB THAT WAS SLAIN TO RECEIVE POWER, AND RICHES, AND WISDOM, AND STRENGTH, AND HONOUR, AND GLORY, AND BLESSING.

¹³ AND EVERY CREATURE WHICH IS IN HEAVEN, AND ON THE EARTH, AND UNDER THE EARTH, AND SUCH AS ARE IN THE SEA, AND ALL THAT ARE IN THEM, HEARD I SAYING, BLESSING, AND HONOUR, AND GLORY, AND POWER, BE UNTO HIM THAT SITTETH UPON THE THRONE, AND UNTO THE LAMB FOR EVER AND EVER.

Chapter 5 talks about a book. Brethren, the Book is the doctrine. You cannot do it without the doctrine.

And I saw in the right hand of him that sat on the throne... that is Jesus **...a book...** that is the doctrine **...written within and on the backside...** it had an outer message-it had a concealed message and a revealed message **...sealed with seven seals.** There were 7 experiences that you had to have that would open your consciousness to rise to the 7 different levels, to complete this experience in you, that God should dwell in you, and you should become immortal through union with him. There are 7 degrees of understanding, not 7 degrees of consciousness, but 7 degrees of knowledge.

Revelation 5:2 **And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof?** It is no easy thing to open the book. Who is worthy to learn this doctrine? Now remember the message of **Pardes**. If you ascend into the higher realms and God has not given you permission, you are going to be cast down by the angels. So who is worthy to open this book? Who is worthy to loose the seals on it? Who is worthy to climb up there and to actually understand what is being said?

Verse 3 **And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon.** We are not talking about worthy now; they are saying nobody can do it.

Verse 4 **And I wept much, because no man was found worthy to open and to read the book, neither to look thereon.** Nobody was worthy to open it, to read it, to look at it. We are talking about doctrine, knowledge. The whole occult world out there is reading **The Book of Merlin** and **The Book of Alistair Crowley**; they are all looking for esoteric knowledge because esoteric knowledge builds the kingdom that is inside of you. It is the spiritual food of the kingdom that is inside of you. The kingdom is a living entity.

Verse 5 **And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda...** the lion referring to Christ Jesus (the eagle is the Lord Jesus). Do not cry. Christ Jesus who was born out of the tribe of Judah **...the Root of David...** who is the root of David, from the line of David, not only the tribe of Judah, but the line of David. **...hath prevailed to open the book...** he has prevailed to open the book. It is talking about Messiah. He is strong enough to open the book **... and to loose the seven seals thereof.**

Verse 6 **And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb...** the lamb is Christ Jesus and he is standing up. He was not standing before **...as it had been slain...** the lamb of God existed in Jesus of Nazareth. John the Baptist said, Behold the Lamb of God. And he was slain, but he is rising again in his son in us. That is the lamb that was slain **...having seven horns** 7 powers, 7 sephirot **...and seven eyes,** 7 circles and the 7 substances (which is a wrong word but I do not know how else to say it), 7 powers within the sephirot **...which are the seven Spirits of God sent forth into all the earth.** The resurrected Christ Jesus in you and in me, joined to the Lord Jesus Christ, are the vessels of judgement to the whole earth. That is what you are called to. You are called to be a vessel of judgment.

Verse 7 **And he came and took the book...** the doctrine **...out of the right hand of him that sat upon the throne.** It is not a judgment, it is mercy. Out of his right hand he took the doctrine.

Verse 8 **And when he had taken the book...** and when he had taken the doctrine **...the four beasts...** the consciousness of God in mankind **...and four and twenty elders...** and Chokmah and Binah consciousness in all of these people that we are talking about **...fell down before the Lamb...** esoteric doctrine, brethren. It is not enough to be a son of God. God is coming with an esoteric doctrine that is higher than what the Church world knows and they are going to fall down before it. They are going to submit to it.

The Church has to give up its false doctrine. The Jews have to give up their false doctrine. The Jews have more truth than the Church but they are wrong about Messiah, and they are wrong about the natural man ruling the earth. So Chokmah and Binah fell down before the Lamb, before Christ Jesus. There is going to be the Church and there is going to be the Jews that do not have Christ Jesus. This is Christ Jesus coming in the first fruits company. We are not going to get there that easily. This is not a laying on of hands. You have to overcome your sin nature. You have to put Isaac on the sacrificial alter, and kill him. First you have to be willing to do it, and then you have to do it.

When you put Isaac (Isaac being the left column in you) on the alter and you kill him, if Christ Jesus is not present in you, you die. When you kill your spiritual nature, when you kill your spiritual foundation, your whole body dies. The whole point is God provides a lamb. There was a ram caught in the bush, and Isaac lived. Christ Jesus in you and me will be our deliverance so that we can continue to live, and live immortally, when Isaac in us is killed. Isaac must die. However, Christ Jesus must be prepared to take over the administration of your physical body or you will die when Isaac dies.

Verse 8 **And when he had taken the book, the four beasts and four and twenty elders fell down before the Lamb...** when he took the esoteric doctrine, the grades of creative consciousness fell down before him because they were only 1/12, they were only part, the book is the whole creative consciousness, and hopefully the degree of creative consciousness that we have in ourselves would recognise that the whole is present, and submit their partial understanding to the whole creative consciousness of God's plan.

So every one of them fell down **...having every one of them harps**, harps signifying vibrations, spiritual power **...and golden vials...** gold being judgment. I believe human beings are the vials **...full of odours...** that is very interesting about odours. There is a section of the brain called the olfactory organ where we respond to smells. The spirit of God is taking over our brain. Our brain is the control panel.

What we are talking about here is the spirit of God coming in and taking over our brain. Right now Satan controls our brain, that is the control panel, and when the spirit of God takes a certain degree of control (I do not know how to describe it to you), the out playing of that, the way we know that it is happening is that we smell smells that are not present in the room.

I experienced it once. I was in a deliverance Church (in Gospel Revivals) and this woman came in for deliverance. She would not tell me what she wanted deliverance for, just witchcraft, so I was not sure how to pray. Suddenly I smelled this overwhelming odour of alcohol. I asked her if she was an alcoholic. Her whole jaw dropped: she did not want anyone to know. She was embarrassed.

God communicated with me through the olfactory section of my brain. He let me smell alcohol; there was no alcohol in the room. God communicates with us in different ways. For you to sense a smell is a very high way for God to communicate with you. There was another time I smelt the fragrance of flowers; that was the Holy Spirit. That is what this is talking about. It is talking about the olfactory centre of the brain.

And when he had taken the book... doctrine ...the four beasts... the man ...and four and twenty elders... the creative consciousness ...fell down before the Lamb... submitted to Christ Jesus, that he had a higher degree of doctrine ...having every one of them harps... and every one of them had a vibration, energy, ...and golden vials... judgement within their vessels, within their vials they had spiritual power, the spiritual power to bring judgment within their vessels ...full of odours... the vessels were full of odour, the judgment was coming from a very high spiritual place, a place of spiritual discernment, the judgement was coming from a very high place of spiritual discernment, not with our human eyes ...which are the prayers of saints. That is the intercession. That is what that means. Odours, that is knowledge, spiritual knowledge coming through smells. The type here is through smells.

That is what we have here. I have been telling you for the longest time. If you are looking for Pentecostal type prayers, my prayers are so weak. Christ Jesus in me comes from a higher place. Deliverance comes through wisdom. When you tell me what you want prayer for, I usually have something to say to you. The anointing is on the wisdom that comes forth.

When you ask for prayer, what you want is the anointing to fall so that you receive deliverance. So when you tell me what you need and Christ Jesus vibrates in me (that is the harps, he vibrates in me, he comes awake in me), and he has wisdom to speak to you, then there is no longer any need for me to say a formal prayer such as **Father, in the name of Jesus, I pray bla bla bla**. There is no longer any reason to say that.

When I say, **Father, in the name of Jesus, please have mercy...** what I am doing is saying, **Please Christ Jesus start vibrating in me, please, stir up from the bottom of the boat and help this person.**

As soon as you come to me with a prayer need (it happens most of the time, however I cannot promise you anything. It is him in me doing it) and he starts vibrating and wisdom comes forth (and it is not the wisdom of my carnal mind; it is the wisdom of Christ Jesus in me), what then do you need the formal prayer for?

This is likened to what we started the message with today. **Father, in the name of Jesus, please help him.** That is like faith. You have faith; you are hoping that God is going to answer that prayer. But if Christ Jesus has been stirred up and the anointing has fallen and wisdom has come forth, you do not need the faith prayer anymore (Paul calls it the prayer of faith). You do not need the prayer of faith anymore when the real thing is here.

The prayer of faith says **please help**, and these odours which are the prayers of the saints, is what you are hoping for when you say the prayer of faith. So you do not need the prayer of faith anymore when the vessel is full of odours, when Christ Jesus within the vessel vibrates and wisdom comes forth to bring about deliverance.

It is the same principle as the communion. What do I need little crackers and grape juice for when the Lord talks to me all the time, day and night? What do I need a little cracker and grape juice for?

When you have it yourself, or you come to someone like me who has this anointing called the odours which are the prayers of the saints, when you come to someone for prayer that has the prayers which are odours of the saints, what do you need the prayer of faith for?

People with discernment in the ministry recognise when they come to me that the anointing already fell. It has happened once or twice. So what do you want the formal prayer for? But some people

cannot recognise it so I will give them the formal prayer. When I give the prayer of faith it sounds so weak because the Lord is not in it with me. Sometime he is, but I cannot remember the last time he has been in it.

I am going to say it one more time and we are going to close. The prayer of faith is an intercessory prayer. Assuming God is out there somewhere, you are saying to him, ***please help them!*** The prayers of the saints are odours or the incense that goes up to God (that is another way of saying it). What is interesting is the Kabbalists say that incense is one of the most powerful aspects of prayers; it goes right up to God.

If you recognise that you are asking for prayers from a person that has the incense of God, that their prayers are... that they just have to hear what you are saying and it goes right up to God, then it becomes sin asking for the prayer of faith.

I have never preached it this like this before, brethren, but you need to know that once you understand this, it becomes sin asking for the prayer of faith, just like it is sin taking the crackers and grape juice, because you are taking the type rather than the real thing.

I had hoped to do more but it is really too late. Let me just end it like this, brethren (unless the Lord surprises me, I do not think we would have another part to this message).

The situation in the world is very bad. The prognosis is excellent. The Lord Jesus will appear. Lord willing, he will appear in each and every one of us, but he will appear. And the end of the whole mess, which started with rebellion of the female Adam, is that the Lord Jesus Christ and his son Christ Jesus are going to possess every human being on the face of the earth. Then there will be peace everywhere, because when every human being is filled up with the life of God, both the Lord Jesus and his son, we will not fight with each other anymore, because all controversy comes out of our fallen nature.

We will be at perfect peace with each other. Beyond that, I do not have a vision at this time of how the process is going to play out in the earth, or what life will be like when it is accomplished. The Lord has not shown me that yet.

I think this is enough to chew on for now. Are there any questions or comments before we go?

Let us just say a quick prayer for the world before we go.

Prayer

Father, in the name of Jesus, we just thank you for your salvation. We thank you that you are not going to leave us here in a world filled with witches that practice human sacrifice, Lord. We just thank you that you are all powerful, and that God is benevolent. The one true God is benevolent. We are not subject to the horrors of Lucifer. We pray for the salvation of the world, Lord. We forgive everybody's sin Lord, people we know and people we do not know. We thank you and we welcome your salvation. We pray that you help us to do our part, in every way, that salvation and rescue should come to the world as soon as possible. We continue to hope, Lord, for a miracle. I do not know if it is possible, but we continue to hope for a miracle that will avoid atomic war and that will cut off child sacrifice that is going on right now. We just hope Lord that your salvation will

come without any more destruction than already exists, certainly without atomic war, and quickly Lord. We pray that you come quickly, in Jesus name. Amen.
