Message # 873, Part 14**

INTRODUCTION TO GILGAMESH

An Epic Poem

The name of this message is *Gilgamesh*. We have been studying this in New York for several months, and I do not think the brethren here have really been up on it. So I am going to do my best to synopsise what has been going on, and I most humbly pray the Lord gives me the ability to explain this message and to meet your needs, to preach the message the Lord has for you today in a manner that will be clear and understandable to you.

Gilgamesh is written in the form of literature called an *epic poem*. It is considered classic literature because it was written by an unknown Sumerian author. Sumeria is an ancient nation in the Middle East which has the oldest known recorded history that apparently existed at the beginning of civilized society on this side of the Flood.

What I find very interesting is the last time I was here we were talking about the Egyptian Pantheon and now we are talking about Sumerian literature. I do not know what that means. Maybe the people here are very spiritual and the Lord is giving me these spiritual messages. I do not know what it means, but it means something.

Gilgamesh is the title of an epic poem and it is also a Sumerian name. It is the name of a man. An unknown author wrote this poem as an account of Gilgamesh's experiences. *Why are we are looking at an epic poem from Sumeria about*

a man named Gilgamesh? Because it is a poem based on and filled with spiritual principles.

I have been teaching for years that spiritual principles are archetypical. They are foundational and they know no religion. They do not know the difference between Sumerian religion, Catholicism, Protestantism, Christianity or even Islam. They are foundational spiritual principles most religions have picked up on, to some degree, and incorporated into their beliefs. Religion is manmade. Spiritual principles are not manmade. They are the reality upon which this whole world and all of humanity is founded.

There are large numbers of people in the world trying to find God, especially when the day comes they are faced with a situation they cannot handle. Everyone out there is looking for help and they are calling out to God.

It seems the carnal mind of mortal man is always looking for something to do. *What can I do to find God? Where can I go to find God? How do I find God?* But the Scripture teaches us that God is a spirit, and the only way to find God is to seek Him in the spirit; to look for Him in the spirit world, and through the truth.

Jn 4:24

²⁴GOD IS A SPIRIT: AND THEY THAT WORSHIP HIM MUST WORSHIP HIM IN SPIRIT AND IN TRUTH. **KJV**

Truth, Wisdom & Understanding

What is the truth? There are many layers of truth. There is a foundational truth, that I call a primordial or archetypical truth. It is an archetype, which is something that is likened to a subatomic particle. You cannot divide it anymore. It is the foundational truth upon which this whole reality, or this whole illusion (which this world is) is based

upon. Reality as we know it is based upon a spiritual truth that comes from the Creator, and it cannot be divided, chopped, turned or changed in any way.

Truth cannot be changed but it can be expressed in different ways. Different people will express it in different ways, but it is all that kernel of truth, and it is very hard to understand. It is like wisdom. Wisdom is impossible to understand so we have to receive understanding. We actually have to receive *wisdom and understanding* because wisdom alone is that kernel of spiritual truth the human mind cannot comprehend and in many cases even the mind of Christ cannot comprehend it because the mind of Christ we have is an immature mind of Christ. Jesus has the mature mind of Christ. He is no longer in a physical body. We are very blessed in this ministry that the Lord has given us permission to go on. The Scripture says to go on to perfection. We have an open door, an open channel by which to seek God and to hope to find Him.

Heb 6:1

¹THEREFORE LEAVING THE PRINCIPLES OF THE DOCTRINE OF CHRIST, LET US GO ON UNTO PERFECTION; NOT LAYING AGAIN THE FOUNDATION OF REPENTANCE FROM DEAD WORKS, AND OF FAITH TOWARD GOD, **KJV**

He has held out the scepter to us. In the Book of Esther, Esther was trying to save all the Jewish people from being annihilated and she went to see the king without permission. She went to see the king knowing if the king did not hold out his scepter and say, *OK, you can come in*, she would have been killed immediately by the guards.

Esth 5:2

²AND IT WAS SO, WHEN THE KING SAW ESTHER THE QUEEN STANDING IN THE COURT, THAT SHE OBTAINED FAVOUR IN HIS SIGHT: AND THE KING HELD OUT TO ESTHER THE GOLDEN SCEPTRE THAT WAS IN HIS

HAND. SO ESTHER DREW NEAR, AND TOUCHED THE TOP OF THE SCEPTRE. **KJV**

Spiritual Food

Everything that happens in this world is just a type, an example, so we can understand something happening in the spiritual world that we cannot see. We have entered into a hallway and this hallway leads to truth. God has held out His scepter and said, *You can come on in. You are welcome into My house, and all of this spiritual food is here, but you have to be able to eat it, and you have to be able to eat it and process it, so it becomes life and truth inside of you.*

When we eat physical food, it puts flesh on our body, and hopefully we become healthy. We have an inner man. Spiritual food feeds our spiritual man. The Scripture tells us we have an inner man and an outer man.

Eph 3:16

¹⁶THAT HE WOULD GRANT YOU, ACCORDING TO THE RICHES OF HIS GLORY, TO BE STRENGTHENED WITH MIGHT BY HIS SPIRIT IN **THE INNER MAN**; **KJV**

Our inner man is a spiritual man who is fed by spirit and truth, and that inner man has the potential to actually be joined to God. When that spiritual man inside of us is joined to God, he gets truth, and he turns around and explains it to us.

The truth God possesses is in a form called wisdom which nobody can understand. Our inner man can receive it. It is likened to cooking raw food. He takes the meat and chops it up and cooks it, just like making food for a baby, and then he turns around and it becomes edible for us.

What is edible spiritual food? It is something we can understand with our mind. Spiritual food is eaten by the mind. The spiritual man inside of us starts out as a seed. Most people do not have the seed, and one of the issues I touch on in this message is, *Why doesn't everybody have the seed? Why do we have to receive the seed from outside of ourselves?* Today that seed is available from Jesus Christ. In the previous dispensation, that seed came from Jehovah when He gave it to the Israelites (the Hebrew children) on Mount Sinai.

A Viable Seed

Why is everybody not born with a seed? Initially every human had that seed; a potential to give birth to a spiritual inner man. Our inner man is another side of us; another dimension of us which is capable of eating, or understanding spiritual food, and that seed has the potential when it is fed, to grow up into an invisible spiritual man who lives inside of us. Our goal is to integrate the spiritual man and the carnal man, and become a new creature. The Scripture says we are to become a whole new creature, a spiritual man who has a form. Right now the spiritual man does not have a form; you cannot see him. He is inside of me. He is talking to you right now, and I am all you can see.

2 Cor 5:17

¹⁷THEREFORE IF ANY MAN BE IN CHRIST, HE IS A
NEW CREATURE: OLD THINGS ARE PASSED AWAY;
BEHOLD, ALL THINGS ARE BECOME NEW. **KJV**

There was a time when humanity was born with a viable seed, a seed that could produce life; a seed that could produce a spiritual child, who could grow up into a spiritual man and commune with the Creator; a spiritual child who could lay hold of wisdom and bring it down and feed it to us so we could understand it so we can have all of our needs met. There should be no famine. There should be no hunger. There

should be no sickness. There should be no dying. The fact people die is a perversion. I have been hearing a lot over the past year since our movies and TV shows have become so corrupted, that *death is just a part of life*, but that is a lie. Death is not a part of life. Buddhism says death is a part of life, but the Scripture says *death is an enemy*.

1 Cor 15:26

²⁶THE LAST ENEMY THAT SHALL BE DESTROYED
IS DEATH. **KJV**

Death Is An Enemy

If death is an enemy, that means we are to destroy it, to overcome it, to not let it touch us, which means humanity is called to be immortal. We are not supposed to die. We are not supposed to age. We are not supposed to get sick. Something went wrong, and the reason we get sick, age and die is because this spiritual man, who has the ability to receive spiritual truth and give it to us, was killed. He was killed on the other side of the flood in ancient days, a long time ago.

There was a big tragedy called the Fall of mankind, and now humanity is in a state where we are eunuchs; we are spiritually barren. We cannot produce the child who has the ability to enter into the palace of the Creator who could give us the spiritual food which will return us to immortality. We are incapable of producing the child; we are barren.

As you study the Scripture, you will see that principle is present. Hannah was barren. She could not produce a child. When she miraculously did produce a child, he became Samuel, the great judge, and Elizabeth, the mother who produced John the Baptist, who was a great man, was barren also.

1 Sam 1:5

⁵BUT UNTO HANNAH HE GAVE A WORTHY PORTION; FOR HE LOVED HANNAH: BUT **THE LORD HAD SHUT UP HER WOMB. KJV**

Lk 1:7

⁷AND THEY HAD NO CHILD, BECAUSE THAT **ELISABETH WAS BARREN**, AND THEY BOTH WERE NOW WELL STRICKEN IN YEARS. **KJV**

The principle of female barrenness is present in the Scripture to give us the understanding that all of humanity today is barren. All of humanity is spiritually female. Your spirituality has nothing to do with your physical body. Spiritually we are all female, and we are supposed to be capable of producing a child, because the woman is the one who produces the child.

One Great Soul

Our soul is female. If it helps you to understand, you can think of it as a great female soul, much greater than all of us because there is not one soul in each of us. There is one great soul that exists on a spiritual plane so great it has aspects, or parts, of itself inside of all of us. When you get into a very high spiritual plane, there is just one great soul, and it divides as it comes down into the lower and lower worlds. In this world, that one great soul is in all of humanity. That was true before the Fall, but today we are divided.

What happened was before the Fall, this one great soul had her eggs stolen. She was like a human woman who had her eggs harvested. Everything that happens in the spiritual is reflected in the natural, and we have been hearing rumors on and off for years about aliens capturing human women and harvesting their eggs. This one great female soul had her eggs stolen, and now she is barren because someone stole her

ability to produce the spiritual child who will reconnect us, the natural man, to the immortal spiritual plane. For us to live forever and be immortal, we must have a connection with immortality. When we connect to immortality, our flesh will experience immortality, and the only one who can make that happen is this spiritual child. The Scripture tells us the name of this spiritual child is Christ Jesus, the only mediator between God and man.

1 Tim 2:5

⁵FOR THERE IS ONE GOD, AND ONE MEDIATOR BETWEEN GOD AND MEN, THE MAN CHRIST JESUS; **KJV**

The whole world is looking for God somewhere out there, outside of themselves, doing works, but the only way to find God is to go inside of ourselves: to receive the seed, to develop the spiritual man, and to do all we can do to feed this spiritual man, so he can enter into the palace of the Creator and connect us to immortality. When we are connected spiritually to immortality, we will be immortal.

Who Is The Creator?

The mystery is the Lord Jesus Christ is not the Creator. The Lord Jesus Christ is Adam. He is the creation of God and He is the one who is now connected to the Creator. When the Lord Jesus Christ, through His Son Christ Jesus in us, firmly and permanently connects to us, we will have access to immortality. Then we have to eat the food that will complete the process of imparting immortality to this flesh.

I believe that ability has begun to work and we are just at the very, very beginning of it. The way it works is the aging process begins to slow down and healing begins. Those of us in the ministry who are more on in age than others have this great hope that door is going to open before the race ends. Paul

said we are all running a race. It is a race to develop the spiritual man inside of us before our body dies because the body is only temporary.

Heb 12:1

¹WHEREFORE SEEING WE ALSO ARE COMPASSED ABOUT WITH SO GREAT A CLOUD OF WITNESSES, LET US LAY ASIDE EVERY WEIGHT, AND THE SIN WHICH DOTHSO EASILY BESET US, AND LET US RUN WITH PATIENCE THE RACE THAT IS SET BEFORE US, KJV

THE SPIRITUAL MAN

God Intended For Us To Be Immortal

The story of Gilgamesh takes place in Sumeria right after the Flood. Gilgamesh's experience is the experience of a spiritual man, an experience that is not the same, but similar, to the experience we are having here, or that the Lord is trying to prepare us to have.

What is the experience we need to have? We need to receive the seed from the Lord Jesus Christ because He is the mediator. The Lord Jesus is the one who is going to give us what we need to connect us to the Creator, who is immortal. Once that channel, that spiritual wormhole, is opened up, which is *a connection in our mind*, then the spiritual food can be channeled to our spiritual man. He can give it to our body, and we will stop dying.

That is the plan. That is the archetype. That is the foundational plan of God. You can express it in any way you want. The Christians might express it one way, the Muslims, the Sumerians, the Egyptians, and other religions may express it another way, but that is the foundational truth. *There is only one way back to God.* We have been separated from the Creator, who always intended us to be immortal. We have been separated from Him, and the only way back to Him is to bear the child of deity; to bear a hybrid child, who will be part human and part Creator, so we can be restored to immortality.

For many centuries it was the practice of the European monarchies to marry off their children to prevent war with another country. In England and France, they were always battling with each other. They would send a British princess to marry a French prince in the hopes there would now be peace because of that marriage and the child that would

eventually be king who would be born of them. That is the principle. We are separated from God. ***God, the Creator, wants us because we are part of His creation. He has a vision of a creation which includes a visible image, which is what we are.***

God is in our mind. We will find God through our mind. Many Christians today seem to think we find God through the outpouring of His Spirit. The outpouring of God's Spirit is an experience with God, but it is not an experience that leads to immortality. We are here with this very deep message; a message for the Church that the Lord is starting to deliver here. The Holy Spirit is an experience with God that can bring healing, but it does not guarantee it. The Holy Spirit can bring deliverance, and certainly makes your emotions feel good, but it is not a doorway to immortality, and that is what the Church needs to hear.

Why Are We Still Dying?

The Church world thinks you die and then you live forever. Why would God do that? If the Scripture says death is the last enemy, why would you have to die before you entered into immortality? Why would you think the death of the body means you live forever on the other side? It is all a fantasy made up by people who cannot understand the reason why we are still dying 2,000 years later. After the wonderful message of the New Testament, why are we still dying? They cannot understand it so they made up this story that you live forever after death.

Actually, there is a partial truth to it. The truth is we are not this body. We are spirit, soul and body.

1 Thes 5:23

²³AND THE VERY GOD OF PEACE SANCTIFY YOU WHOLLY; AND I PRAY GOD YOUR WHOLE **SPIRIT AND**

**SOUL AND BODY BE PRESERVED BLAMELESS UNTO THE
COMING OF OUR LORD JESUS CHRIST. KJV**

When we have faith in Jesus Christ and we believe He is Savior of the body, our human spirit is saved, but our human spirit is not our personality. I have a spirit, but you can only see it by discernment. Who you see sitting in front of you is Sheila; my personality is Sheila. My personality (soul) is not saved instantly. My spirit is saved instantly. My body is saved last of all. We are saved in stages.

It is true as soon as you have faith in Jesus Christ, your spirit is saved; but almost everyone I know of in the Church thinks it means their soul is saved, but that is not true. One process saves your spirit. A different process saves your soul. A third process saves your body. The Church has so much to learn and they are unteachable. The Lord has to do something for them. I do not know what, but I am being as faithful as I can be teaching His truth to the few people He has given me, and I thank God for you all.

Nothing is as it seems, and nothing is simple. It is true your spirit is saved when your body dies, but your soul is not saved, unless your soul is joined to that spiritual child. In order to save your personality, and for you to have a continuous, conscious existence after your physical body dies, your soul: the personality, the person I know you as, the soul identified by your name, has to be attached to that spiritual child. If the spiritual child has not been born in you and engaged in a relationship to Lord Jesus Christ, your personality dissolves.

The Female Egg

We need an egg. The Holy Spirit carries the female egg which gives our soul, which is the barren woman, the ability to give birth to the manchild. We are told in the Book

of Revelation that the woman is giving birth to a manchild; a spiritual child.

Rev 12:5

⁵AND SHE BROUGHT FORTH A MAN CHILD, WHO WAS TO RULE ALL NATIONS WITH A ROD OF IRON: AND HER CHILD WAS CAUGHT UP UNTO GOD, AND TO HIS THRONE. **KJV**

Rev 12:13

¹³AND WHEN THE DRAGON SAW THAT HE WAS CAST UNTO THE EARTH, HE PERSECUTED THE WOMAN WHICH BROUGHT FORTH THE MAN CHILD. **KJV**

You cannot see it physically. It is not a child you can hold in your arms, but it is a spiritual child that rises up in your mind and gives you a whole new way of thinking and a whole new ability to understand the truth which is going to attach you to the Creator.

Jesus Christ is the first man; the first human to complete this experience. He received the seed. He gave birth to the child and the spiritual child grew up to maturity and was joined to the Creator. The spiritual food was channeled to Him, and Jesus of Nazareth was saved; spirit, soul and body. He is the only Begotten Son of God. That is how this truth is expressed: He was the only man who experienced salvation of his spirit, soul and body. The Scripture calls Him the only Begotten Son of God.

Jn 1:14

¹⁴AND THE WORD WAS MADE FLESH, AND DWELT AMONG US, (AND WE BEHELD HIS GLORY, THE GLORY AS OF **THE ONLY BEGOTTEN OF THE FATHER,**) FULL OF GRACE AND TRUTH. **KJV**

Jn 3:16

¹⁶FOR GOD SO LOVED THE WORLD, THAT HE GAVE **HIS ONLY BEGOTTEN SON**, THAT WHOSOEVER BELIEVETH IN HIM SHOULD NOT PERISH, BUT HAVE EVERLASTING LIFE. **KJV**

Everybody who is going to be saved now, will be saved by the seed of Jesus Christ. Jesus of Nazareth no longer exists. He became the Lord Jesus Christ, and He has seed. The eggs were not stolen from Him. He has the ability to reproduce. I am going to express it as a parable so you can understand what I am saying. The Lord Jesus Christ has so many eggs, that He is letting the Lord harvest His eggs and give them to us in a form of in vitro fertilization.

The Holy Spirit's Seed

There are some women in this world today who are barren, and they can have the seed of another woman grafted to them so they can produce a child. The Lord Jesus Christ has more eggs than He knows what to do with; eggs that will produce the spiritual child which will enable us to marry the Creator, and enter into the immortal world through the child we share. We will produce a human-God child (part human, part God), and because that child is attached to us, we will be able to enter into the immortal world.

Jesus is sharing His eggs with us, and those eggs are delivered in the form of the Holy Spirit. But every egg does not graft, or take. Some of you here know something about in vitro fertilization. The doctor will graft two, three or four eggs into the woman because not every egg grows. In some cases more than one egg grows, and the woman has twins or triplets.

Naked In This World

Humanity's eggs were stolen somewhere back in antiquity and this is why we find ourselves barren today: unable to return to the immortal plane; unable to have a relationship with God; unable to make a way for ourselves in this world. What everybody needs to know is everything we have in this world comes from God because humanity in this world is naked. We are naked and ashamed. That is what we are told in the Book of Genesis. Everything we have is a gift from Jehovah, who has taken mercy on us and decided He does not want us to die.

Gen 3:7

⁷AND THE EYES OF THEM BOTH WERE OPENED, AND THEY **KNEW THAT THEY WERE NAKED**; AND THEY SEWED FIG LEAVES TOGETHER, AND MADE THEMSELVES APRONS. **KJV**

So if you think you can earn a living because of your skill; if you think you are making your own way, you are mistaken because that skill can be taken away from you in a second. We really need to know this to stay humble because it is arrogance which brings destruction into our lives. We need to know that no matter what talent or skill we have which is enabling us to make money, we could lose it in a second, and God gave it to us in the first place. Everything we have comes from God; our foundational skills come from God. The only thing that is primordial, the only thing that is an archetype and cannot be changed, is the Spirit of God in your life which has given you a strong body to work, or a strong mind to work, or however it is you earn your living. It is the Spirit of God in you and upon you that has given you the ability or you would not be able to do it. You could be the most powerful person in the world, have a heart attack tomorrow, and have to stop working.

Grace & Mercy

I met a man a few years ago. His testimony was he had a hard life to start with and everything seemed to go his way. He wound up getting a scholarship to a very good college. He was very bright with computers and he was offered an opportunity to work at the college. The bottom line is, he wound up with a degree in computer science working for the university in a very high position, making a lot of money, but then an utterly bizarre accident happened at work. He hit his head, and lost his ability to understand how to do his job related to computer science. I know this man personally. He has a very humble life and he works at a simple job. Work is good. Please understand what I am saying. He works doing whatever he can do, but he lost his ability to make a lot of money, and his ability to work at a job that gave him such pleasure. His mental facility was gone just like that.

We need to know everything we have comes from God, and it is the grace of God when we wake up in the morning that we still have it. The Scripture says, *His mercies are new every morning.*

Lam 3:22-23

²²IT IS OF THE LORD'S MERCIES THAT WE ARE NOT CONSUMED, BECAUSE HIS COMPASSIONS FAIL NOT.

²³THEY ARE NEW EVERY MORNING: GREAT IS THY FAITHFULNESS. **KJV**

First of all, we do not know if we are going to open our eyes the next day, and if when we do open our eyes, we still have our mind, our physical strength, and the ability to acquire food. It is a miracle every morning that the Lord is taking care of us because we are naked and ashamed in this world. Ashamed means we are separated from God We are naked and ashamed, but God has chosen to cover us and have mercy on us. It is really important we know if we want to keep

what we have, and if we want those blessings to pass onto the next generation. It is not at all unusual when we sin the judgment does not fall until the next generation.

I personally know a young lady who was being very, very rebellious, and had a big confrontation with her mother. She was warned and her mother cried out to Jesus for help. The young teenager looked around and said, *Wow, nothing happened! She called out to Jesus and nothing happened*, and she went on her way. Within 24 hours tragedy fell on her and she has still not recovered from it.

Let us not be foolish. Let us not walk in fear, but let us walk in a holy fear, a holy reverence of God, knowing we do not possess anything. Everything is His. Our prosperity is an illusion. This lovely house with this beautiful property and everything we have, it is just an illusion. The truth of the matter is an earthquake or a hurricane could come and it could be gone in a second. That is the truth. So do not walk in fear, but walk in a fear of God, a reverence for God, doing your best to find out what He wants and to live a godly lifestyle.

Seeking Spiritual Truth

Gilgamesh's experience in this poem is a parallel to the experience I just described for you, but it is *not the same* because *his god is not Jehovah*. There are two reasons why his experience is not exactly the same: his god is not Jehovah, and he was in a more developed spiritual condition than humanity is in today.

Why are we reading about Gilgamesh and the Sumerians who worshipped multiple gods? The Church world would be asking me, *What does that have to do with us?* The answer is it is a wonderful opportunity to learn because we are seeking spiritual truth. We are seeking primordial, foundational truth which is going to build the spiritual man inside of us. When that spiritual man is fully grown in us, we

become like a garment He is wearing because we are His visibility in this world and He is the doorway. He is our access to permanent prosperity and permanent life.

We need information which will feed us through our mind, the wormhole by which we contact and are attached to God. The Holy Spirit makes us feel good and delivers the seed to us. The Holy Spirit is the agent of the in vitro fertilization, which gives us the seed, which may or may not graft to us. We cannot produce the child if the seed does not graft.

Clean Spirit/Dirty Spirit

I am the first preacher to preach this message. I know it is true because the Lord told me. I am certainly the first one to put this message down on paper, which is called the Doctrine of Christ, as to how to contact God and join with Him so that our immortality is restored to us. It is a lie our immortality is restored after physical death. Even though it is true our spirit is saved after physical death, the Church believes it is the soul that is saved and that is not true.

Where does this information come from? The Lord gives me a lot of it directly by revelation knowledge, but from the very beginning when the Lord first started teaching me, He started me with Hinduism. He gave me a book on classic Hinduism, and said, *Read this book, Sheila, and I am going to tell you what is true and what is not true. I am going to show you the spiritual principles, and I am going to convert them into the truth you need to hear.* I am the only one who is recording this kind of teaching in all of the history of the Church. That is what the Lord told me. If it was done by the Apostles, it is not available anymore, as far as I know.

This is very controversial. The Lord started me out with classic Hinduism. There are books out there which are dirty, and I would like to describe the difference to you

between the clean spirit on classic Hinduism and other books and teachings out there with dirty spirits. I do not recommend any of you study Hinduism. Now that the Lord has given me the cleaned up version of the message, you should really be learning from someone teaching the Doctrine of Christ.

There are spirits that like to teach. The spirit on classic Hinduism is a spirit that wants to teach. It is not a spirit that wants to capture the person and possess them, which is what I call the *dirty spirit*. This type of spirit will come to you and speak to you and offer to teach you. Its real motive is to capture you and to get inside of you, live through you and damage your life. A spirit like that can write a book. When you read that book, you come in contact with the spirit that wrote that book. You do not want anything to do with a spirit like that.

But there is an ability of the carnal mind to seek truth, and that is what I call the *clean spirit*. It is seeking truth, but it is learning truth with your carnal mind so it comes forth with mistakes and frequently sees things backwards. When the Lord first started teaching me, that classic Hindu book was very, very right on except it sees God as the serpent inside of you. It talks about a serpent inside of you like I talked about the seed which produces the child. The teaching is the person following Hinduism has a seed called the serpent inside of them, and there is a whole understanding of developing that serpent and having it marry the serpent in the eternal world above. The whole message is there, but they see it as the serpent, and that is what I call a clean Hindu spirit. That is what the Lord taught me from; that was how I started out.

After that, for many years I had been teaching out of a combination of my studies in the Scripture and revelation from the Lord. But of recent date, He has given me the ability to read a poem like Gilgamesh and as I pray about the verses

of the poem and try to understand the Doctrine of Christ in what Gilgamesh has experienced, I can get other clues.

It is sort of the same way I interpret dreams. When someone tells me their dream, if I can find one or two things I can recognize that will tell me the dream is from God (that is a valid dream), and if I can find additional information in the dream, it can benefit me. This is what we are doing with Gilgamesh, and I do it from time to time with the Zohar.

I will just give you a brief synopsis of the characters, and then we are going to go onto the notes, which are about the spiritual principles which have come out of my study of this book.

We are trying to understand Gilgamesh's experience in light of the Doctrine of Christ, and as I pray it through and we understand it more and more, I receive additional material. These notes are a revision of my first set of notes from Part 1, which have corrections on them because as I study more and more, I say, *Oh, this is not right. Oh, that was not right. Let us straighten that out.* I actually got the revelation about the eggs being stolen last night as I was reviewing the notes and preparing them for today's message.

Stolen Eggs

The concept of eggs being stolen came into the ministry through a dream of one of the brethren years and years ago, and I did not know what it meant. Over the years, as I came in contact with spiritual literature from other disciplines (not Christian), I found this concept to be very present in pagan doctrine.

I have to say pagan doctrine because there is no Christian spiritual doctrine. You can find exposition on the Torah, which is the first five books of Moses. You can find

exposition on grace and all of the greatness God has given us through the New Testament, but this kind of spiritual doctrine which produces an opening, a doorway by which to ascend into immortality, as far as I know, really does not exist in Christianity.

The concept of eggs being stolen is all throughout pagan doctrine. In pagan religion, Egyptian religion, Sumerian religion, Greek mythology we find these primordial, archetypical truths; nuggets of foundational truth. Archetypical means archetype; that which cannot be divided. It is a sample, a blueprint which can be expressed in many different ways, and we find this in mythology. We find it in paganism and in ancient ideologies from all over the world, and the truth of the matter is because it is archetypical, there must also be an expression of it for Christianity and Judaism. It is primordial. It is the foundation and you cannot do away with the foundation. This whole world and everything we know about and do not know about has grown out of spiritual foundational truth.

One of my first experiences about this came as I was watching a public broadcasting station on TV. There was a college professor teaching and he was really knocking Christianity saying this whole story of Moses floating down the river appeared in paganism a long time before Jesus was ever born. He argued that the whole of Christian doctrine was stolen from paganism.

That really distressed me. At first, I thought it was a lie. Then when I looked further, I found out there were stories that really were very similar. The story of Isis, Osiris and Horus in the Egyptian religion is so similar to Joseph, Mary and Jesus, and if you were ignorant, you would think it was an old story, nothing new, and some Christian writer stole it. That is the conclusion of the blasphemous mind of the carnal man. Rather than draw that conclusion, I went before God and

said, *Lord, what is the answer to that? Please, tell me what the answer is because this is really distressing. I see that it is true. This doctrine existed in paganism way before Jesus was ever born. What is the answer?* And the Lord's answer to me is everything I have been teaching you for all of these years.

So we have to be very careful when we hear something that does not sound right. Even if something I say to you does not sit right, you have to be very careful to pray about it and ask for clarification and not jump to conclusions, because then you wind up in arrogance before God. *What happens when you are arrogant before God?* It closes the door to understanding. When the door to understanding closes, you do not know it closed. It is an invisible door that closes and when that door closes, your carnal mind just picks right up and starts giving you carnal understanding. You do not even know there has been a switch. You still think you are hearing from God. It could be 20 years down the road before you realize you made this mistake and you have been hearing from another spirit all that time. So we must pray every day for truth; for the exposure of any error in our thinking or in our lives.

The Lord is faithful to that prayer. Look at what he has given us in this ministry! I have so much, I cannot even preach it. I would be preaching 24 hours a day, and you would be walking around with your head spinning on your shoulders. He is so faithful. If there is any problem; if there is a glitch and we go off on a wrong path, it is us. We need to know somewhere along the line, our pride got involved, and we took a wrong turn.

Parables - Earthly Stories With Heavenly Meaning

The main character in this epic poem is Gilgamesh. He is a king, and his city is Uruk (modern day Iraq). Did you know that Iraq is an ancient nation? Iraq and Iran, that whole area of the Middle East, they are in the area where Sumeria

was. When the floodwaters receded, that is where society began. It is known as the cradle of civilization.

Gilgamesh was an abusive king. The poem tells us he was involved in the personal lives of the people of the city of Uruk, and was such a tyrant that every bride who got married had to sleep with him before she slept with her husband. Every young man, I do not think this has anything to do with homosexuality, but the way it is expressed is every young man belonged to him. Actually, Gilgamesh wanted two things: He wanted allegiance from the young men rather than their allegiance to their fathers; and he wanted them to know they could never overcome him, so he crushed their egos.

I have been studying this poem a lot, and I see a great comparison to the welfare state today in this country and in the Western world. They want our children; they want the right to make decisions for our children. They are overriding the rights of the parents continuously. That is why so many parents are homeschooling their children. The state is teaching our children things that are anti-scriptural, etc.

Did Gilgamesh really exist? I do not know. He may not have existed. Gilgamesh very well may be a parable about a made-up character, which incorporates spiritual principles meant to teach us a lesson. *Did he really take all these young brides and sleep with them before they slept with their husbands?* I do not know. We are just looking to understand the spiritual principles. Today it is the state that wants the mind of your children. According to the parable, Gilgamesh wanted the physical flesh of the virgin girl. In comparison, it is the state, who typifies Gilgamesh, that wants the mind of your children and the manhood of your sons.

Look at what is going on in the country today. Look at how the manhood of the country and the Western world is being crushed by the programs on TV, the movies, and all of

the advertisements. I am so offended by these advertisements that make men look like jerks. I will not buy the product from a company that tries to get me to buy their product by making a man look like a fool. Those ads have the exact opposite effect on me.

Just so you can understand what I am trying to tell you, let us think of the state today as Gilgamesh trying to steal your young children, taking their virginity and their manhood away from them. It may have really happened that way in the natural at the time Sumeria existed. I do not know. Our job is to learn whatever spiritual principles the Lord wants to teach us, so the spiritual man inside of us can grow up to, the Scripture says, *the stature of the fullness of the Lord Jesus Christ.*

Eph 4:13

¹³TILL WE ALL COME IN THE UNITY OF THE FAITH, AND OF THE KNOWLEDGE OF THE SON OF GOD, UNTO A PERFECT MAN, UNTO THE MEASURE OF THE STATURE OF THE FULNESS OF CHRIST: KJV

Paul says we have the potential to rise to the fullness, or the maturity Jesus of Nazareth attained to. Why is everybody not doing miracles? Why is everybody not ascending into immortality? Because the teaching is not there. It has been crushed by the mind that rules in this world. It is a miracle we are preaching everything we are preaching, that we have recordings and transcripts of all the messages. We talk about spiritual attacks which come upon us here. I mean, they are really just to be laughed at because we can see how the Lord is protecting us, that we have actually gotten this far. It is just amazing.

So, Gilgamesh was an abusive king, just like Balaam was abusive to his ass. He was beating his ass until the ass spoke to him and said, *Why are you beating me? What did I ever do to you?* Balaam, I believe, was really a character, a

human being, but if you want to take the account of Balaam beating his ass, I think *that account is a parable*. It is talking about a spiritual inner man abusing the outer man; it can be taken on that level. A spiritual inner man which is not from God; an inner man from another spiritual race, abusing the person he is dwelling in. It could be about a pastor abusing the congregation. It could be about a man abusing his wife. What we are talking about is authority abusing the people the authority has authority over.

He was so terrible the people of the city cried out to the gods (they had multiple gods in Sumeria) saying, *We cannot bear it anymore! Gilgamesh is an abusive king. We cannot take it. He is crushing us!* So the gods decided to answer, and their answer to Gilgamesh was to bring a spiritual dimension into his life. The gods were saying, *Gilgamesh is being so cruel, and is abusing all of the people because there is something missing in his life.*

Meeting God Through Intellect

There are so many dimensions to this epic poem. This is also true of human psychology. We can relate it to human psychology, we can see it as every entity being a separate person; we can see the different entities as different parts of one human being. There are so many different ways to see it. So, if nothing else, analyzing this poem is an exercise in the use of your intellect. We are joined to God through intellect.

The Scripture says, *do not worry*.

Phil 4:6

**‘DON’T WORRY ABOUT ANYTHING; INSTEAD,
PRAY ABOUT EVERYTHING. TELL GOD WHAT YOU NEED,
AND THANK HIM FOR ALL HE HAS DONE. KJV**

If you are not an intellectual type, if you are not someone who would normally be interested in going to college, that does not matter. God will give you everything you need to understand Him, but the truth of the matter is we do meet God through our intellect. The Holy Spirit is an experience with God that feels good, but connection to God and ultimate immortality comes through the intellect. It does not matter, though. I have seen blind people receive the ability to read the Bible. There are all different kinds of miracles, and there are also spiritual miracles. It does not matter what your IQ is or how smart you are. The Lord will connect your intellect by faith.

I have a very poor memory because I had been sick for so many years, but I remember all of this doctrine. My spirit man remembers all of this, and yet I cannot remember people's names sometimes. There is a spirit man in me who is my intellect. A lot of people in the church are saying, *That is not for me. I do not want to study. I am not an intellectual type.* You need to know if you have the right faith, if you desire God, you desire to understand Him, and you just really desire to understand spiritual things, He will give you the ability; He will give you something in addition to what you already have that will enable you to understand spiritual things.

You should never think you cannot understand it because this is an intellectual message. If you get anything out of my messages at all; if you walk away knowing one thing more than you knew before; if you can sit here and be at peace listening to me, then you are doing well.

Gilgamesh was a cruel king. The solution to his problem, the gods decided, was to give him a spiritual dimension he previously did not have. That is like me saying, *we need to birth the child.* We need to get a seed, and we need to give birth to this spiritual child.

Next there is a man who comes into existence or at least a being comes into existence, and his name is Enkidu. Enkidu is a mirror image of Gilgamesh, and they become very, very close friends. According to the poem, there is a physical conflict between them, but Gilgamesh defeats Enkidu, and they become inseparable friends.

To relate it to our experience, when this spiritual man comes into your life, there is a conflict between your carnal mind (your fallen nature) and the spiritual man. You may embrace the Holy Spirit; you embrace the seed. Everything sounds wonderful until this spiritual man starts growing up in you, and he has different ideas about what he wants you to do.

The spiritual man becomes the husband of your flesh. That may sound strange to you if you are a physical man, but the Lord is challenging you to understand we are spiritually female in relation to the higher realms.

We have recently discovered that there really are gods and goddesses in another spiritual dimension, but ***there is only one legitimate God***. There is only one God who has authority from the Creator, and His name is Jehovah, but there are many other gods and goddesses who came into existence as the result of sin, and they really do exist, which is one of the new revelations for me.

When we read in Greek or Sumerian mythology, there is a lot of talk about gods and goddesses who actually interacted with humanity. There was one woman who supposedly gave birth to a human child as the result of a relationship with a god, and I did not know what to make out of this. I thought it was just a fantasy, then I thought it was demons, but it turns out there is a race of superior beings we call gods and goddesses that exist in another spiritual dimension.

They are born as the result of sin, and are illegal. Jehovah is the one God who has authority from the Creator, who is Adam Kadmon. Adam Kadmon is a primordial Adam, but you do not have to get stuck on His name. There is a Creator. The Book of Genesis calls Him Elohim; if you want to say Elohim, that is fine. There is a Creator, and there is a challenge to the Creator, who is attempting to bring forth her own creation into existence. Her false, or counterfeit, creation has resulted in a whole race of superior beings who exist in another plane of consciousness and want to communicate with humanity. The reason they want a relationship with humanity is because they want to live inside of us, and we should be their garment. Let me see if I can help you to understand a little more.

An Angel Inside Us

When the man child (the offspring of the Lord Jesus Christ) starts to grow inside of us, there is a conflict. We see the example of that conflict in Jacob struggling with the angel.

Gen 32:24-25

²⁴AND JACOB WAS LEFT ALONE; AND THERE WRESTLED A MAN WITH HIM UNTIL THE BREAKING OF THE DAY.

²⁵AND WHEN HE SAW THAT HE PREVAILED NOT AGAINST HIM, HE TOUCHED THE HOLLOW OF HIS THIGH; AND THE HOLLOW OF JACOB'S THIGH WAS OUT OF JOINT, AS HE WRESTLED WITH HIM. **KJV**

The angel Jacob was struggling with did not come from out there. It was the angel inside of him, and the Bible calls it an angel because it is a bodiless man. We see Jesus appearing as an angel in Revelation 12. The Scripture calls Him Michael. Why do they not call him Jesus? Because at that point He is functioning as a disembodied entity inside of a human.

Rev 12:7

⁷AND THERE WAS WAR IN HEAVEN: MICHAEL AND HIS ANGELS FOUGHT AGAINST THE DRAGON; AND THE DRAGON FOUGHT AND HIS ANGELS, **KJV**

The man child inside of us is an angel. Jacob, when giving a blessing to his sons, called the man child inside of himself an angel. He refers to him as, *the angel which guided me all of these years.*

Gen 48:16

¹⁶**THE ANGEL WHICH REDEEMED ME FROM ALL EVIL, BLESS THE LADS; AND LET MY NAME BE NAMED ON THEM, AND THE NAME OF MY FATHERS ABRAHAM AND ISAAC; AND LET THEM GROW INTO A MULTITUDE IN THE MIDST OF THE EARTH. KJV**

We have an angel inside of us. The reason that Jacob was fighting with the angel was because Jacob was afraid Esau was going to kill him, take his wives and his children as slaves, and take all of his possessions.

Why was he fighting with the angel inside of him? To relate it to our experience, when we are afraid, God cannot help us. This is a great mystery. Once you are at the stage of spiritual maturity we are at (I think everybody here has to have the seed and that inner child has to be in the process of being born), and you call out to God, it is the God in the midst of you that can help you. This child being born in you, from his infancy is a God and is powerful enough to help you supernaturally. The more He matures in you, the more powerful He is to help you supernaturally.

When you cry out to God, the one that is answering you is not some God out there somewhere far away. He is

answering you through His agent, which is Christ in you, the hope of your glorification.

Col 1:27

²⁷TO WHOM GOD WOULD MAKE KNOWN WHAT IS THE RICHES OF THE GLORY OF THIS MYSTERY AMONG THE GENTILES; WHICH IS **CHRIST IN YOU, THE HOPE OF GLORY: KJV**

It is a great mystery, but the Creator and the Lord Jesus Christ, who are so far away from us, are really not out there. They are in another dimension; they are connected to Christ in the midst of us. We are outer darkness, so all the other dimensions are inside of us, but let us say the Lord Jesus Christ, or the Creator, hears your prayer. He is going to answer you by the angel in the midst of you. The one who is going to answer your prayers and meet your needs is Christ in you. It is not some God that is far away.

The Scripture says, *A friend that sticketh close to you is more valuable than a brother.*

Prov 18:24

²⁴A MAN THAT HATH FRIENDS MUST SHEW HIMSELF FRIENDLY: AND THERE IS A **FRIEND THAT STICKETH CLOSER THAN A BROTHER. KJV**

The Lord Jesus Christ is our brother, but the friend who sticketh close to you, Christ, is actually a very part of your existence. The grafted Christ, who is a part of your existence, the one who sticks close to you, is better than a brother who is far away. The one who answers your needs is Christ in you. This may come as a big surprise to you, but when you call other people for prayer, or if you call me for prayer, it is Christ in me, or Christ Jesus in me who is meeting your need; it is not Jehovah. It is not the Creator. It is not Elohim. It is the one who sticks close to us. He is attached to

Jehovah, or attached to Elohim, but the one who is doing the work is Christ in you, or Christ Jesus in me (Christ matures to the point where He is Christ Jesus).

It is all about this spiritual man growing up in you who comes to do good, but causes a conflict, because we are sinners. Jacob was fighting with the angel because he was afraid, but there is no fear in God. All fear is in your carnal mind. So when Jacob became afraid, it raised up his carnal mind and crushed his Christ mind underneath so Christ could not help him. Christ became captive underneath Jacob's carnal mind. Before God could answer Jacob's prayer, Christ had to throw off the oppressor, so to speak; the oppressor being Jacob's carnal mind.

That is what we read about in the Book of Genesis. All of a sudden, there appeared an angel struggling with Jacob saying, *Look, you have got to come out of your carnal mind, or I cannot help you.* That was Christ in Jacob fighting with Jacob's carnal mind who was saying, *Esau is going to kill me. He is going to take my wives and my kids as slaves. He is going to take all of my possessions, and I am going to die.* And the angel in the midst of Jacob rose up and said, *You have got to stop thinking that way or I cannot help you.*

We are told that the angel could not prevail over Jacob, so He had to touch him, and He touched him in his thigh. The thigh always represents our spiritual reproductive part; the part that produces this great mind of God. It meant Jacob was so strong in his carnal mind that in order for the angel to save him, He had to cause him some kind of pain. Of course, it is just a parable.

This is what the Scripture is telling us: sometimes we cry out to God, and He cannot help us because we are in His way. He is saying, *If you need help, this is what you have to do.* And our carnal mind says, *Oh, no, that cannot be God.*

Sometimes we have to go through a painful experience to find out it was God the whole time telling us what to do and we did not know it.

The Scripture says the angel touched Jacob and Jacob limped.

Gen 32:30-31

³⁰AND JACOB CALLED THE NAME OF THE PLACE PENIEL: FOR I HAVE SEEN GOD FACE TO FACE, AND MY LIFE IS PRESERVED.

³¹AND AS HE PASSED OVER PENUEL THE SUN ROSE UPON HIM, AND HE HALTED UPON HIS THIGH.
KJV

It meant the angel damaged his carnal mind; he gave a wound to his carnal mind, so Jacob would stop fighting. As soon as Jacob stopped fighting and the angel prevailed over his carnal mind, Christ, the angel in the midst of Jacob then went forth and fought and struggled with the angel in the midst of Esau, which was not Christ. The angel in the midst of Esau was a foreign child; it was an evil child. And then the next day when Jacob met his brother Esau by the river Jabbok, Esau was at peace with him. The whole thing was dealt with in the spirit.

What is interesting is the rabbis, the Kabbalists, will tell you the angel who fought with Jacob was Esau's mind, and they miss the whole understanding of *Christ in you*. It was a twofold event. First, Christ in Jacob overcame Jacob, and then Christ overcame the carnal mind of Esau.

A Moses Experience

I personally witnessed, and those I have shared it with actually witnessed this same type of event just a few weeks ago before the Republican Convention. I was studying;

probably studying for this message. I was very deep in the spirit, and all of a sudden, I perceived a man on horseback in my mind. While I was studying, he appeared in my mind's eye; a man on a white horse. I could not see his face, and his body was not clear, but I knew he had medieval armor on, and there was a lot of green and gold. He had the helmet with the hairs going back down the middle, and he was just standing there. The horse was just standing there.

I said, *Lord, what is this?* I realized at that time I was having a Moses experience, like when Moses saw the burning bush. I do not think it was a physical bush that was burning. I think he saw the burning bush in the spirit, and said, *What is that bush? I think I am going to go take a look at it.* I said, *What is this horse, and who is this man on the horse?*

I was just staring at him, and what is really interesting is the man did not communicate with me; the horse communicated with me. Years ago they used to have famous cowboys like Roy Rogers whose horses did tricks. I do not know if you can all relate to that or not, but the horse was doing tricks. His front leg started pawing in the ground and he was moving his head. And I said, *Lord, what is this?* And it came to me supernaturally; it was not a voice. Then I looked up, and there was a whole army of white horses behind him. There were so many, and they were so far back I could not even see the end of the rows of them. It was an unlimited number. And the Lord said, *This army is here to make sure that Donald Trump gets the nomination.* That was what the Lord told me.

It was about a week before the Republican convention. I saw that army; that army was in the spirit from that time. It did not leave me, and then I think the day before or during the convention, it was very interesting. The horses did not move, but I could see the riders had bows and arrows, and they were shooting into the sky like if you were shooting your arrow at

a far distance, they would go up high, so that the arrows would come down in a certain place. There was no movement. There was no contact between a foreign army and the armies of God, and they were just standing perfectly still, shooting the arrows up into the air.

The Republican Convention went smoothly. Black Lives Matter barely showed up. There was no trouble and everything went well. Sometimes I get a little distressed when I read what is going on, and certainly in August when Trump's numbers in the polls were way down. There were a few days I really had to fight to keep my faith up because I believe he is God's man and he really has to win the election to save the country. Every time I would be struggling to keep my faith up I would see an image of that army. That army is still there. So with all of this talk about the elections being rigged, et cetera (and I am sure they are going to try to rig the elections), that army is there, and everything is going to be OK. God elects the president; He will elect the president.

Every Believer's Struggle

The gods decided Gilgamesh needed a spiritual dimension. He was a terrible, violent man. We are told the natural man is a violent man, When Christ comes to dwell in you, He calms down your violent tendencies. This man who is given to Gilgamesh is called Enkidu, and he is very different from Gilgamesh. He is a spiritual man. He prophesies and he interprets dreams.

In their original encounter, Enkidu's pride is up, and he says, *Who is this man, taking the bride before her husband and taking the sons of the city? I am very strong, and I am going to destroy him.* According to the poem it was a physical fight, but Gilgamesh was such a physically powerful man that he overcame Enkidu, and Enkidu completely submitted to him. I believe this is a type of struggle we have as the angel

begins to grow up in us. We receive the seed and that man child becomes an angel in the midst of us. He is our spirituality and our righteousness. Our carnal mind is that violent man which we call Gilgamesh, who, according to this poem, does not want to obey our spiritual side and wants to do whatever we want to do.

That is the struggle every believer goes through as soon as the seed attaches itself to us and that is why sometimes bad things happen to us. We may not even understand we are in rebellion against this new spiritual dimension that has been added to us, but bad things happen to us because we make wrong choices, sometimes without our intention. We do not understand if we would really seek God for everything, He would advise us (most of the time). Sometimes He wants us to make our own decisions, but when it comes to something really destructive, I believe He would tell us it was the wrong thing to do.

Gilgamesh utterly defeats this spiritual dimension which was sent to him, Enkidu, who also had pride. What Enkidu tried to do at the beginning was to counsel Gilgamesh and tell him when he was doing something wrong. What Enkidu did not understand, however, was Gilgamesh would not be counseled, and Enkidu could not overcome him like the angel overcame Jacob. Enkidu, the righteous spirit, could not overcome Gilgamesh.

Gilgamesh was a violent man. We do not have any explanation in the poem, but as soon as he became one with Enkidu, it built his self-confidence. He stopped abusing the citizens of Uruk, and he got it into his head he wanted to kill Humbaba, the guardian of the Cedar Forest. I believe the Cedar Forest typifies the storehouse of all of the eggs of God. Now, this was before Jesus' time. There was a righteous God called Jehovah who had a legitimate authority, and there was a storehouse of seeds, or eggs, that could be given to

humanity, so they could produce a man child who would be their passport to restore their immortality. In case you did not know, cedar is a very hard wood that lasts for a very long time. The implication is, if not immortality, then certainly longevity.

Stubbornness & Rebellion

Gilgamesh does not even know why he wants to kill the guardian, Humbaba. He has this murderous rage in his mind and Enkidu says to him, *No, you really do not want to do that. You should not do that. Do you not know that Enlil (who I believe is the Sumerian name for Jehovah) appointed him and he is guardian?*

Humbaba was a vicious guardian. When anyone came near the Cedar Forest, he destroyed them. This made me think about the cherubim with flaming swords who are guarding the way back to the Garden of Eden.

Gen 3:24

²⁴SO HE DROVE OUT THE MAN; AND HE PLACED AT THE EAST OF THE GARDEN OF EDEN CHERUBIMS, AND A FLAMING SWORD WHICH TURNED EVERY WAY, TO KEEP THE WAY OF THE TREE OF LIFE. **KJV**

Enkidu is counseling Gilgamesh, saying, *Do you not understand Enlil appointed Humbaba? He is just protecting those cedar trees? Why are you doing this? You should not do this.* But Gilgamesh is stubborn and has it in his mind he is going to destroy him. In the poem we are not told why.

Seeds

They go on this long spiritual journey to the Cedar Forest where Gilgamesh starts getting dreams. My opinion is

a pagan god is driving Gilgamesh to do this; there were pagan gods operating in Gilgamesh's mind who were using him to destroy the righteous seeds that could be planted in humanity. On this side of the Flood, we have Jehovah and His righteous seeds, and the gods and goddesses of this counterfeit creation both wanting to possess humanity.

This is the revelation that came down when I preached on Noah. It is amazing. This is a modular creation as God is putting it together a piece at a time. When I preached on Noah, Shem, Ham and Japheth represented one race, and humanity represented another race. We are told in the Book of Genesis the sons of God looked upon the daughters of men and found them fair and married as many as they wanted.

Gen 6:2

²THAT THE SONS OF GOD SAW THE DAUGHTERS OF MEN THAT THEY WERE FAIR; AND THEY **TOOK THEM WIVES OF ALL WHICH THEY CHOSE. KJV**

There was a race of superior beings just like I am telling you about right now. There were gods and goddesses on another dimension. Shem, Ham and Japheth were on that *god level*, and their job was to find humanity and give them the seed, just like Jesus is the God-man who is saving us. On the other side of the Flood were Shem, Ham and Japheth who were god-men. They were sent to save humanity, whatever they looked like on the earth at that time, but there were also evil gods and goddesses, both wanting to give their seed to humanity.

Christ's Child

That is our condition today. Jesus wants to give his seed to humanity and there are gods and goddesses from a counterfeit creation on an invisible plane who want to give their seed to humanity as well. When we receive the seed from

the counterfeit, the name of the child born from that seed is Lucifer. There are people in this earth today who I believe are pregnant with, or have given birth to Lucifer. The name of the child that comes from God is Christ. But this is the bottom line, if you do not understand anything else today: humanity is spiritually female no matter what gender your body is. It has nothing to do with your body. Your soul is spiritually female, and there are invisible gods and goddesses in an invisible plane who want to plant their seed in you, because once you bear their child, they join themselves to that child and have access to the use of your body.

This is the foundational principle of the condition of humanity today. It has nothing to do with your physical body. Our soul is spiritually female and there are gods and goddesses in another dimension who want to place their seed in us, because when we bear their child, they then have something by which to attach themselves to us. When we receive the seed of the Lord Jesus and that man child is born, the Lord Jesus attaches Himself to us by marrying His own son.

Incest is not allowed between physical people, but spiritually it is allowed. The Lord Jesus will marry Christ Jesus in me. I am waiting for that event. When Christ Jesus joins Himself permanently to Christ Jesus in me I will be healed of everything and, at the very least, enter into longevity, and, at some point, into immortality. May it happen already. I am hoping it is going to happen soon.

Lucifer's Child

There are gods and goddesses who are illegal on the other side who want to put their seed in humanity, and they have succeeded in doing that. I believe there are people today who have borne their child and his name is Lucifer. They are called Luciferians.

I just found out recently the difference between Satanism and Luciferianism, and I am going to share that with you. I was asking the Lord the question, and I got the answer. I happened to listen to a YouTube video which gave me the answer. Satanism is the worship of this evil entity called Satan. It involves human sacrifice, usually the sacrifice of children. Luciferianism is an ideology; a philosophy which teaches that when you practice Satanism, the god you are worshipping in Satanism has the ability to plant a seed in you, and when that seed is grown, the god who gave you the seed comes and marries the child, whose name is Lucifer.

It blew me away when I heard this on a video! It was the testimony of a man who is fighting to have child porn exposed, and he claims that he had these unhappy experiences as a child. He was describing the people who abused him, how Satanic they were and all of the wicked things that they did. His own parents abused him. He said they were Luciferians, and that was when the interviewer asked him, *What is the difference between Luciferianism and Satanism?* And he said the difference is that Luciferians believe in birthing the child and immortality; that someone who has this experience is going to be the Antichrist and enter into immortality.

He has the same ideology; the same belief of the spiritual child that the Scripture teaches in Revelation 12. It is very clear. There is only one spiritual truth, playing out one way here with Christ, playing out another way there with Satan. Same spiritual truth: the soul of humanity is spiritually female. We are capable of producing a spiritual child, and when that child is born, the god who gave us the seed in the first place will attach himself to that seed. Whoever that god is attached to, we also will be attached to. Jesus is attached to Jehovah. When He joins Himself to Christ in us, we will have access to Jehovah, and that is the place of our immortality.

Which God Was Driving Gilgamesh?

Gilgamesh is a violent man, and he is not listening to his spiritual counselor, Enkidu. Enkidu tries to stop him, saying, *You should not do this! I know this is wrong!* He is interpreting Gilgamesh's dreams. The whole principle is there is a god, or gods, driving Gilgamesh. Gilgamesh was a pagan and had access to many gods. He actually had a temple in his city dedicated to Ishtar, but according to the poem it was not Ishtar, it was another god. This god was driving him to destroy Humbaba, the guardian of the Cedar Forest. Gilgamesh and Enkidu destroys all of the cedars; all of the seeds of Jehovah that would have been planted in humanity which would have made them sons of the one true God.

One True God vs. Counterfeit

Shem, Hem and Japheth went forth to marry. They were the sons of God that looked upon the daughters of men who found them fair, but there were more than Shem, Ham and Japheth. Shem, Ham and Japheth were good; they had the seed of Jehovah. They were trying to give humanity Jehovah's seed, like Jesus is giving us His seed, so when the baby grew, all the humans who had the seed of Jehovah would be joined to Jehovah, the legitimate God. But there were other gods and goddesses who looked upon the daughters of men and found them fair, taking as many wives as *they* could, and giving them the seed which produced Lucifer, so the counterfeit god, which we are calling Sophia, could join herself to them. This is a very bad experience for the person. You become very evil when that happens to you.

Will Good Or Evil Prevail?

Enkidu was the seed inside Gilgamesh. In the poem he is another person. You can also see him as the spiritual child within you. Enkidu kept saying, *Do not do this! It is wrong!* And Gilgamesh just got stronger and stronger. He was so stubborn and determined and violent, that at some point Enkidu collapsed. He could no longer resist, and when Enkidu collapsed, he became evil; he fell in complete agreement with Gilgamesh's evil.

When they finally found Humbaba, who was there to scare them. This reminds me of the scene in the *Wizard of Oz*, where you saw that terrifying wizard, who when he was exposed, was just a little man behind the scenes. Gilgamesh was terrified of Humbaba, and Enkidu, who was supposed to be his conscience, which was now completely overcome by his evil side, says, *Kill him! Kill him!* Enkidu gets very violent himself and encourages Gilgamesh to go forward with the murder. So they murder Humbaba, they destroy all of the cedar trees, and they return victorious to Uruk.

What is interesting is when they return to Uruk, Ishtar (you may be familiar with that name; she is the goddess the pagan festival Easter is dedicated to) comes to Gilgamesh and wants to have a relationship with him, and Gilgamesh refuses her. I just got the understanding last night as I prepared this message as to why he refused her. *Did Ishtar actually want a sexual relationship with him, or a spiritual relationship?* I do not know, but she wanted a relationship with him. When an entity from a higher plane of consciousness wants to have a relationship with you, that means they rule and you are the servant. They are the spiritual male, and you are the spiritual female.

Enkidu was supposed to be the spiritual authority over Gilgamesh, and he defeated his own spiritual authority. We

need to understand this happens to us when we disobey Christ in the midst of us, or when we disobey a spiritual authority God has put over us. You do not have to obey me, but if I come to you and tell you, *This is what the Lord told me, you really should not do this or whatever*, you better make sure I have not heard from God before you do not do it if you do not want to experience the consequences. I will not try to give you consequences, but if it is the word of the Lord (and I hope I never tell you it is the word of the Lord if it is not), and you decide to go against it, you are taking the chance if I was right, it is the word of the Lord, you will experience the consequences.

Converting Good To Evil

Enkidu was Gilgamesh's counselor, and not only did Gilgamesh not obey him, and did not take his advice, but the righteousness that was sent to him, he converted to evil. When they get back to Uruk, Ishtar wants to have a relationship. They come back victorious; they come back with Humbaba's head on a pole. At first Humbaba is fierce and trying to terrify them. That is the word used in the poem. He is meant to terrify men, and he is there protecting all of Jehovah's eggs, or in the poem it says cedars.

When Humbaba sees that he is going to be defeated because it is two against one, and Enkidu becomes more vicious than Gilgamesh, Humbaba starts to beg. In my observation of society, wherever I have seen women becoming vicious, turning into fighters, very frequently women become more vicious than the men. There are a lot of social commentators and psychologists who will tell you that when women come up into a male role and start killing people, they become even more vicious than a man would be in the same circumstance.

Enkidu is like the female, and he is yelling to Gilgamesh, *Kill him! Chop his head off!*, and Humbaba starts to beg. When he sees they are going to kill him, he says, *Look, I did not do anything wrong. I never hurt you. Do you not know that Enlil put me here to terrify anybody coming to steal the cedars?* In the poem we are not told why Gilgamesh is doing this, except he is being driven by some invisible god.

So they come back with Humbaba's head on a pole, completely victorious. They destroyed him, and they destroyed all the cedars, and Ishtar comes to Gilgamesh and says, *Be my sweet man*. She wanted a relationship with him. I do not know whether it would have been sexual or spiritual, and Gilgamesh refuses her. He says, *No way! Not a chance! So-and-so had a relationship with you, and their life was destroyed, and this guy had a relationship with you, and his life was destroyed, and that one had a relationship with you, and his life was destroyed. Not a chance!*

Consequences of A Relationship With The Wrong God

Why were their lives destroyed? I just got the understanding of this last night, while preparing these notes, and this is what the Lord told me: to have a relationship with a god or a goddess without having that spiritual child destroys your life. The account in the poem says, this thing happened to this guy, and that thing happened to that guy. So I will just make it up, so you can get an idea. One lost his business completely. Another's marriage fell apart. Someone else's kids got sick. Something really devastating happened to every person who had a relationship with Ishtar. So, somehow, having a relationship with a god or a goddess directly without having that mediating child is destructive to your life. When you have a relationship with the right God (with Jehovah), and that relationship is through the mediating child, it can be a positive experience.

What comes to mind is the concept of the Pardes. I have preached a lot about the Pardes. I will give you the general idea. If you want to understand it better, there is a short story about the Pardes in the a book we published, *The Prophecies of Daniel According to Kabbalah, Chapter 11*. Pardes is an acronym; P-a-r-d-e-s, where each letter stands for a word, and it is about the four different ways to understand the Scripture: the letter of the word, the deeper meaning, comparative, and the spiritual (Sod).

The story is: There were four rabbis who wanted to enter into the Orchard of the Pardes, which means the apple orchard. These four rabbis wanted all dimensions of truth, the ultimate spiritual truth. To receive truth, you have a spiritual ascension of mind. These rabbis all entered into this spiritual apple orchard, where you have all of this truth of God; you just grab the fruit and eat it. That is the parable. Three of them were destroyed in three different ways, and the fourth rabbi that entered into Pardes, we are told, entered in peace and came out in peace. The principle being: on every spiritual level you attempt to ascend into, there are angels who are going to try to stop you from entering in, and if you do not have permission from God to enter in, one of these bad things happen to you. One died; one became a heretic; the third became a lunatic and lost his mind. Out of the four, only one of them entered in with permission and came out with his mind intact, with the true (not heretical) doctrine.

So that is what happened when Ishtar had a personal relationship with somebody before they bore the child. They had an illegal relationship, and the consequence of it was their lives were wrecked. There are judgments that go on people. The sowing and reaping judgment is beyond Christianity. It is beyond Judaism. It is the foundational law of this world which says *if you enter into a relationship between a human and a god or a goddess under these circumstances, bad things happen to you.*

Serious Spiritual Consequences

I remember I met a woman once when I still had a secular job and I was a very young Christian. I was in deliverance ministry, and she did something really simple she let someone read her cards, or an astrology chart, something like that, and her whole life was falling apart. For whatever the reason, and I do not think she knew I was a Christian, but I wound up telling her, *You were cursed by that event.* And she said, *But it was just one time. My friends all did it. Nobody got hurt. They did it, and nothing happened to them.* She just had one event, and she had all kinds of diseases. Her whole life was falling apart.

It may not happen right away. Sometimes curses happen to your children. That is why when we come to the Lord we break the curses back 10 generations because we do not know what our grandparents or our great-grandparents did. You never even met your great-great-grandparents.

Anger & Rage

Gilgamesh refused Ishtar. Ishtar was an imperfect goddess. What is interesting is these gods and goddesses are not perfect, and they have passions like unto natural man. I would read about the Greek gods and goddesses, and think, *These Greeks are making up these gods in their own image.* One of the major foundational sins of humanity is we get very angry. Every evil we do arises out of a rage that will rise up in us, and that rage frequently is jealousy (a primordial sin), but whatever raises up that rage in us, all the evil deeds come out of that rage and rejection. Rejection is a rage.

Ishtar goes into a rage after Gilgamesh refuses her.
I used to think the Greeks imagined these gods in their own image because humans get angry like that, and gods do not get

angry like that, but the exact opposite is true. The nature of the gods and goddesses is reflected in humanity. So when we get angry and rejected, it is really the nature of the higher species. It is not the other way around. One would wonder why she went into such a rage. Was she just rejected, or was she behind the other god that drove Gilgamesh to kill Humbaba, kill all the cedar trees and let him come back with a victorious sense of a good image of himself? I do not know.

After she is rejected, she goes to her father. There is a whole culture of gods and goddesses on another dimension, and she asks her father to bring down judgment on Gilgamesh. The specific form of judgment that she wants is the wild bull from heaven. Her father says to her, *Are you aware if you take this wild bull from heaven to punish Gilgamesh all the people of his city will suffer for seven years of famine?* Her reply is, *I do not care. I just want him punished.* So we see these counterfeit gods and goddesses have spiritual power. They are terribly selfish, filled with rage, and vindictive. Starting up with them is deadly.

Ishtar brings the wild bull from heaven, and Gilgamesh and Enkidu, they are so fine-tuned, maybe like young people coming back from military training; they are at their peak, and they just rip that bull to pieces. They actually destroy the judgment that was sent upon them. They chop up that bull and kill it, and Ishtar goes into a rage.

The principle here is there has to be a consequence for this. They did not look down the road or understand there would be a consequence. Humbaba begged them not to kill him. He said, *I am innocent. I am just doing what Enlil told me to do.* They killed him anyway. Then Ishtar tried to bring judgment on them. It looks like it is different. It looks like the judgment came because he refused to have a relationship with her, but they are all related. There had to be a judgment for them killing Humbaba. So how did the judgment come down?

An ungodly offer was made to him, he refused it, and then the judgment fell.

Separation

There is a foundational, righteous law which underlies all existence in all planes of consciousness, and it is: what you sow, you reap. So the judgment came down. All the gods up in heaven, they saw Gilgamesh and Enkidu killed the bull of heaven. They killed the judgment that was sent against them, and it was decided they had to be separated because together they were too deadly.

It is a parable. That is what happened on the other side of the Flood: Jehovah made a decision that the creation had to be bisected because there was an aspect of creation that was evil, and they were too strong. It is the same principle as Jesus saying at the Tower of Babel, *Look at what they are doing. If we do not stop them...* And it is the same thing that He said to Cain in the Garden of Eden, *If we do not stop them, they are going to lay hold of the tree of life, and they are going to live forever in this condition.* So there was a bisection.

Gen 11:6

⁶AND THE LORD SAID, BEHOLD, THE PEOPLE IS ONE, AND THEY HAVE ALL ONE LANGUAGE; AND THIS THEY BEGIN TO DO: AND NOW **NOTHING WILL BE RESTRAINED FROM THEM, WHICH THEY HAVE IMAGINED TO DO. KJV**

Gen 3:22-24

²²AND THE LORD GOD SAID, BEHOLD, THE MAN IS BECOME AS ONE OF US, TO KNOW GOOD AND EVIL: AND NOW, **LEST HE PUT FORTH HIS HAND, AND TAKE ALSO OF THE TREE OF LIFE, AND EAT, AND LIVE FOR EVER:**

23THEREFORE THE LORD GOD SENT HIM FORTH FROM THE GARDEN OF EDEN, TO TILL THE GROUND FROM WHENCE HE WAS TAKEN.

24SO HE DROVE OUT THE MAN; AND HE PLACED AT THE EAST OF THE GARDEN OF EDEN CHERUBIMS, AND A FLAMING SWORD WHICH TURNED EVERY WAY, TO KEEP THE WAY OF THE TREE OF LIFE. **KJV**

In the poem (which is pagan) the gods had a meeting, and they said these two have to be separated. They are too deadly. Which one is going to die, Gilgamesh or Enkidu? And they decide that Enkidu has to die because he actually failed at his job.

It is the same as Christ in somebody dying. There are a lot of people who were touched by the Holy Spirit, and they have gone back to their carnal ways. That means the seed which was in the Holy Spirit that touched them died. When someone backslides, Christ in them dies. So it was in Enkidu. He was the one who died.

Gilgamesh is devastated. There is a part of the poem that shows Gilgamesh does not really care very much about Enkidu. He does not comfort him or help him in any way as Enkidu is dying, but after he is dead, he makes a big show of it.

There are a lot of people like that. Brethren, people are very selfish. There are a lot of people who have relatives who are dying, and they do not go visit them. They do not do anything for them, but when the funeral time comes, they go and make a big speech, spend a lot of money and send flowers. Most of us here know something similar to what I am talking about. They make a big show of it, but they did not do anything at all for the person when they were alive.

Gilgamesh makes this big show, and realizes the comfort he had received from Enkidu being there with him, because they were inseparable. All of a sudden, he is not comfortable anymore. He is like he was before Enkidu came; he is violent, he is unhappy, and he decides the answer is to find eternal life. ***He decides he wants eternal life.***

He thinks the problem was Enkidu died, and if he can attain eternal life that is the spot I really do not have the answer to yet. So if you are seeing that something is missing, just flow with it. Why he thinks eternal life for himself is going to replace the comfort of a companion, I do not know. The poem is very psychological, but I am still just trying to give you the synopsis.

QUEST FOR IMMORTALITY

The second half of the poem is about Gilgamesh's quest for immortality and it turns into a very interesting story. Gilgamesh remembers there is a man who survived the Flood and became immortal. When I first started to do this series, I wondered if that was Noah, and as I was studying for this message, I had a lot of questions I wrote down. One of the questions was, *Is this man who survived the Flood, Noah?* The name of the man in the poem is Utnapishtim, and I am calling him Noah's counterpart. *Is Utnapishtim, Noah?*

Gilgamesh, in the same way he went on the quest to find Humbaba and the Cedar Forest, goes on a quest to find Utnapishtim because Utnapishtim is immortal, and he wants to find out the secret of immortality.

Gilgamesh is a violent man, and he kills people here and there when there is absolutely no reason to kill them. In one instance, there is a boat taking him across to this island where Utnapishtim is and he kills all the men rowing the boat.

There are spiritual principles behind all of this. Everything that happened - he killed the men in the boat, he killed Humbaba, I have explained all of these principles, or many of them, by my understanding of the Doctrine of Christ. God sometimes gives me psychological insights. There are 12 previous parts of this message, where we are trying to understand all these little nuances, but in this message we are just synopsisizing.

Two Races

Gilgamesh makes it across the river, and he meets Utnapishtim. He looks at him and says, *You look just like me.* Now, that is a very important statement, *You look just like me,*

because it is my understanding in the poem today that Utnapishtim is a member of a different race.

I believe we have two races in the earth today: Humans who are human-god, who are the descendants of righteous Adam, and therefore, have the breath of Jehovah, and there is another race in the earth today who look just like we look, but do not have the breath of Jehovah. They have the breath of another goddess called Sophia, and inside, in their heart, they are reptilian. Those of us who are here with the breath of Jehovah have a warm-blooded animal nature, and this other race with the breath of Sophia have a cold, reptilian nature. You can apply that to the offerings Cain and Abel offered to Jehovah.

Gen 4:3-5

³AND IN PROCESS OF TIME IT CAME TO PASS, THAT CAIN BROUGHT OF THE FRUIT OF THE GROUND AN OFFERING UNTO THE LORD.

⁴AND ABEL, HE ALSO BROUGHT OF THE FIRSTLINGS OF HIS FLOCK AND OF THE FAT THEREOF. AND THE LORD HAD RESPECT UNTO ABEL AND TO HIS OFFERING:

⁵BUT UNTO CAIN AND TO HIS OFFERING HE HAD NOT RESPECT. AND CAIN WAS VERY WROTH, AND HIS COUNTENANCE FELL. **KJV**

Abel gave an animal offering. Jehovah wanted the animal offering. The Scripture says Cain offered the fruit of the ground. Of course, the people who expound on the Bible say Cain brought vegetables or grain from the ground, but I no longer think that is what it means.

I have often wondered why Jehovah wanted the flesh. I sort of understood it, and I had different explanations as to why he preferred the flesh to the grain, but I never really was completely satisfied. Today what that means to me is ***Jehovah wanted, of the two races, the race that was human-animal.***

He rejected the race that was human-reptilian, which was represented by Cain. We all look the same on the outside, but we are not the same on the inside. Jehovah wanted the human-animal race, which was represented by Abel.

The human-reptilian race should never have come into existence. It is a counterfeit race, and they are the ones prevailing in the world today. I believe they are the ones behind the New World Order and doing great evil. I believe the Lord Jesus Christ is going to show up very soon because if He does not, the world will be overtaken by these human-reptilians.

When Jesus shows up, He will be doing two things: He is going to be joining Himself to the man child, wherever that man child is born. In all of the people who have birthed the manchild, Jesus is going to be joining Himself to that manchild, which will then join those people to Jehovah because Jesus is already joined to Jehovah.

This whole event has to happen before Sophia marries Lucifer. The Lord Jesus is coming to marry His manchild in the human mammals, the ones who have the soft heart; the warm-blooded people. He is coming to marry the manchild of the Book of Revelation. And Sophia is coming to marry Lucifer in the Satanists that have given birth to Lucifer. For Sophia to join to Lucifer, which I do not believe the Lord is going to let it happen, and they are pushing for it very hard.

This is also part of the revelation that came down that there are powerful people in the world today who are trying to open doorways to other dimensions the people running CERN in Switzerland, for example. There is a tremendous machine in Switzerland called a particle collider, an atom collider, and the machine is smashing atoms together. Their stated intention is to burst a hole through the walls which separate the dimensions.

We have studied that and have a couple of messages on it. If you want to go to YouTube, there are people talking about it. They will tell you (people that understand it better than I do) it appears they are not trying to get out; there is something on the other side of that wall which they want to bring here. We have had the understanding for a long time that they want to bring in demons, which we also called lizards or reptilians, from the other side. But when I was preparing this message, the thought came to me the one coming from the other side is Sophia, because the lizards are here already. Lucifer is a lizard, a reptilian. The aliens are here already. I believe Sophia is coming to marry all of the people who have birthed Lucifer, making them super spiritual giants in the earth. I just know the Lord is not going to let it happen. The Lord Jesus has to show up very soon because things are pretty far gone.

I am thinking it is going to happen either this October or October of 2017 because we are just out of time. I have heard people say, and I have gotten the indication as well, that He will show up at a time which corresponds with the Jewish high holy days. That is why I say October. I think it will be either this year or next year, but I am not prophesying; that is just what I think. I do not see how it could go much longer.

It's All About Immortality

The evil people in this world are doing everything to open that doorway so Sophia can come through to marry Lucifer in them so they can become immortal. They want to become immortal. If you listen to the other side, it is all about immortality. They want to take over all of humanity; make slaves of humanity for their own purposes. I may not even understand what it all means, what they could or would do with us when they become that powerful. This is my understanding today, the Lord is never late, but He is going to

come in the last hour and stop it before Sophia can join with Lucifer.

At this point in the poem, Gilgamesh is now looking for longevity. He gets across the river, and meets Utnapishtim, the man who was saved from the Flood and became immortal, and he wants the secret of immortality. We have a very interesting situation here: Utnapishtim is more or less captive on this island. The story goes, he survived the Flood illegally; he was not supposed to survive the flood. Enlil, who I believe is likened to Jehovah, the one legitimate God and the one who called for the Flood, decided not to kill him. He did not let him continue in his present form, but made him immortal and relegated him to this island. He was there with his wife.

Reason For The Flood

My understanding of the whole situation is this: The reason for the Flood was that Jehovah decided to wipe out the human-reptilian race who were trying to seed all of humanity, and bring forth their child; bring forth monsters into the world. One of them survived. The Flood was supposed to wipe them all out, but one of them survived and his name was Utnapishtim.

Jehovah decided not to kill him, but He said, *You cannot continue. You are a human-reptilian, and you are going to infect all of the female members of Adam's race. I cannot let you do that. I have decided not to kill you. You can survive, but I am going to give you immortality, and I am going to make you a eunuch. I am cutting off your ability to impregnate humanity with the reptilian seed.*

Somehow Jehovah in that process of making Utnapishtim a eunuch, making him incapable of reproducing, ***threw him back into potential.*** That was the way it came down

Jehovah threw him back into potential, and He relegated him to this island.

I liken that to where Jesus is right now. Jesus is a glorified man who has the ability to reproduce Himself, but we do not see Him; He is in that faraway place. He ascended into another dimension, and what Jesus is doing is He is sending His seed into this world, and when the time comes, He will join Himself to His Son, wherever He is growing, and that will be Jesus' return to the earth. I need to say that again because I do not think I made it clear.

Jesus is relegated to someplace in potential, just like Utnapishtim, but Jesus is on a righteous side, and Utnapishtim is on an unrighteous side, Sophia's side. They are both in a similar condition. They are in an invisible world, and they are not appearing in this world. They desire a presence in this world, both of them, but the only way they can have a presence in this world is through union, or marriage to a human because we humans, we are the visible form in this world. So the Lord Jesus Christ wants to appear in this world, and the way He is doing it is by sending forth His seed so we have the baby and He marries the baby. When he marries the baby, then He comes and He dwells in us through His baby.

Realm Of Potential

The Lord Jesus Christ is in the realm of potential. He has a potential ability to appear in this world. We are all waiting for His appearance, right? We are waiting for the Second Coming of the Lord Jesus Christ. He is in potential; He has not come yet. He has a potential to come; we are hoping He is going to come. We are waiting for Him to come, but He is not here yet.

This is how He is going to get here: He is sending His seed ahead of Him. He is going to get here by having His

children populate; by having His children grow up in humans in this world, and then He is going to come and join with His children (wherever they are, the spiritual man child inside of the believers). That is how Jesus is going to appear in this world. He is not going to look like Jesus of Nazareth. He is not going to come in His own body. He is coming in your body, and He is coming in my body. He is going to join with that man child, and then His consciousness, His righteousness, is going to appear in you.

His personality is not going to appear in you. It will still be your personality; whatever your name is, it will still be you, but His righteousness in your human spirit is going to be the authority over your personality. It is your human spirit that is saved. He is coming in your human spirit. Our personalities are sinful. It is like Enkidu coming to Gilgamesh, and Gilgamesh crushing him. When the Lord Jesus Christ comes to you to marry the Christ child in you, are you going to receive Him, or are you going to be so wicked that you throw Him off so that He cannot connect with the child in you?

In the Book of Luke, Jesus says, *When I come to the earth will I find faith? Will there be faith when I get here?*

Lk 18:8

⁸I TELL YOU THAT HE WILL AVENGE THEM SPEEDILY. NEVERTHELESS WHEN THE SON OF MAN COMETH, SHALL HE FIND FAITH ON THE EARTH? **KJV**

What is faith? Humanity does not have the ability to have faith. We have hope. Christ in you, the hope of your glorification. We have hope God will save us. We are so without any resources to help ourselves, we do not even have faith. Christ is our faith; Christ in you is your faith. He is our ability to have faith. He is saying, *When I come to the earth, will I find faith? Will I find Christ in anybody? Will I find at*

least one person where Christ Jesus has grown up? That is what the Scripture is saying.

This is what is happening today. These are the latest headlines nobody is talking about except the occultists. All the sinners of the world and all the Satanists of the world are talking about it: *Sophia is coming! Sophia is coming to marry Lucifer, and we are going to take over the world!*, but the Christians, *no*. They do not know which end is up. I do not even think the Jews have this revelation. No matter how religious they are, and they have an extensive knowledge of the Scripture I could not hold a candle to, but this revelation they do not have. It is the secret of the Lord Jesus Christ. You do not get this without the Lord Jesus Christ.

God's Plan Of Salvation

That is what is coming, and there might be a big change this October. If it happens this October, it is going to be imperceptible to the world. There will just be a few people who will recognize it, probably the people here. But somehow, and I still do not really know how and I do not like to guess, but somehow the Lord Jesus is going to prevent Sophia from joining with Lucifer. I just had an interesting thought, *He is going to destroy Sophia (Sophia is analogous to Humbaba), and then He is going to destroy Lucifer in all of the people (which would be analogous to the cedar trees)*. Is that not interesting?

QUESTION: Would they be the eggs from the unrighteous side?

PASTOR VITALE: Yes, the unrighteous side. He is going to destroy Sophia, though it may not be Sophia. It may be another entity lower on the spectrum than Sophia who is guarding the eggs, which have grown into Lucifer in all of the Luciferians, and then He is going to kill the spiritual child in

all of these people who have birthed the evil spiritual child. This is very interesting because I had a recent thought about whether or not these people could be saved. Until recently I would say, *No, they could not be saved. They are too far gone.* I sort of had the thought that, *No, a lot of them **are** going to be saved because a lot of them are Christians or Jews.* I tried to tell you about the Jews earlier. There are some Jews who have gone astray. It is not every person who is Jewish, but the people who are having this experience are primarily Jewish, and they have gone astray. They have birthed the wrong child, and they are the ones with longevity; Jehovah is going to destroy the cedars in them.

COMMENT: Wow.

PASTOR VITALE: They are like the prophets of Baal. When He destroys the Luciferian child in them, they will repent and recognize their true God. Is that not interesting?

QUESTION: So they can they can destroy the child without destroying the person?

PASTOR VITALE: Jesus can do it.

COMMENT: Yeah.

PASTOR VITALE: And, again, I am not prophesying to you. I am telling you these are the thoughts in my mind, and I just teach as the Lord gives it to me, and then He corrects me. So take it for what it is; it is just a thought I recently had. If He changes it in the future, He changes it, but I have a feeling that is the truth.

Repentance

COMMENT: I am reminded of the Scripture that these people who have the Luciferian child destroyed within them will recognize what they have done, and repent.

PASTOR VITALE: When the child is destroyed.

COMMENT: Right.

PASTOR VITALE: Yes.

COMMENT: So that makes this passage all the more understandable.

PASTOR VITALE: Yes. Well, to me that is even better than hearing Jesus is going to destroy them all. It is more to the glory of God that He is actually coming to rescue these people. What is so interesting is they are not even the descendants of Abraham, they are the descendants of this Khazarian empire; they are converts to Judaism and they went off on the wrong track and became Satanists. They are not even practicing Jews anymore, and they have birthed Lucifer. He is going to kill Lucifer, and they are going to come back to Judaism. They were converts in the first place, so it is just wild.

COMMENT: Wow.

PASTOR VITALE: But I will take that one, which is much better than Him just destroying them.

COMMENT: Amen.

Plague Of Blood

PASTOR VITALE: Do you know what that lines up with also? It lines up with the first plague. I did a message on Exodus, Chapter 32, when Jehovah sent Moses to invite the Hebrew children out of Egypt, and they did not want to come. The first plague was the plague of blood, and I have said all along maybe there was a national leader called Pharaoh who did not want the Hebrew children to leave, but that is not really what the Bible is focusing on. It was Pharaoh in the Hebrew children who did not want to leave. It was the mind of Egyptian paganism that had taken hold of them. According to Egyptian religion, it would be Horus. Instead of Christ, they had given birth to the spiritual child Horus, and he was Pharaoh who would not let them go.

So the plagues were not visited upon a national king, but were visited upon the Hebrew children. They wanted to continue to practice the Egyptian religion. They did not want to come out.

COMMENT: Wow.

PASTOR VITALE: And so the first plague was the plague of blood, which forced an abortion on them of the spiritual child. I preached that a couple of years ago. So, wow! Very, very exciting! Then as soon as the Lord aborted Horus, He impregnated them with Christ. So I think that attests to the greatness of God, and that is wonderful. He does not want anyone to die. Fix us, Lord! Fix us!

COMMENT: Amen.

PASTOR VITALE: Yes, that is really exciting!

Parallel Experiences

QUESTION: The purpose of Gilgamesh, can we put it in the sense of what is going on right now with us? In other words, the story you are telling and what you are saying, is it what is going on right now spiritually here?

PASTOR VITALE: It is a parallel, and it is helping us to understand what is going on with us.

COMMENT: That is what I thought.

PASTOR VITALE: It is also going on with the other side. They are having an experience too. The Lord is just using it to help us to understand what is happening to us. That is the most important thing, what is happening to us. I think we also need to know the truth about what the Lord intends to do to the other side. He is not going to slaughter them. He really wants to save the worst of them. What the message seems to be is there is really nobody who is inherently bad.

I think it is true in the Hebrew too, but I know for sure in the Greek there are three different words which mean evil. One of those words means inherently evil: You are evil. You were born evil. You will die evil. You are evil, and there is nothing that can be done to change you. Then there is the evil person that was good but made a mistake, like Enkidu, who was overcome and became evil. And there is a third word that offhand I do not recall what it means.

So the message that seems to be coming forth seems to be the truth of this message of ultimate reconciliation. There are preachers out there today who are preaching ultimate reconciliation, and they are saying God is going to save every human. He is not going to save every human, but I believe He is going to save every soul; He is going to save every breath that comes from Jehovah's breath and that was breathed into

humanity, and He is going to save every soul that is a part of the super soul called righteous Adam. That breath of Jehovah and that spark of the super soul called righteous Adam is in people. That is what He is going to save, and wherever He can, He is going to save the human vessel they are in. That is His intention. He is not coming with a vengeance. He is not against us. The absolute worst of us, if it is at all possible, He is going to save them.

Humanity Is Not Inherently Evil

The point is *humanity is not inherently evil*. We are evil because an evil soul has captured us. An evil spiritual force called Sophia has captured us and planted her life in us and made us evil. That is what happened to Enkidu.

Over the years, I have actually preached a lot about that, about how we just adapt to wherever we are forced to be, and there was a movie it. It was about an English nobleman who went to America, I think, in the 1800s, to just have an experience. He was an English nobleman, and he was captured by American Indians. Someone in authority in the tribe took a liking to him and did not kill him. He started out as a slave, but then he actually became an Indian. He came to admire their way of life, and he was stuck there. There was no getting out of it, so he became an Indian. He had to pass a test of physical pain and endurance to become a warrior. He was out there taking scalps, and he completely became an Indian. He was forced into these circumstances, and was able to completely change.

The other movie that I talk is *Shaka Zulu*, about a British soldier who is sent to South Africa in the 1800s to seek out this tribal leader, Shaka. He lives with this tribe for a couple of years the British call it going native. He comes back, and he sees the righteous savage and the wrongs of the British government. It is supposed to be based on a true story. He

comes back from the depths of Africa to Johannesburg (where the British army is), dressed up like a Zulu, and he says, *I am Zulu!* His nature completely changed.

Chameleons

This is the truth of humanity. We are chameleons. We are not permanently formed. This is why I have been saying for years, you do not know what you would do in someone else's circumstance. We really need to be very careful not to condemn people. We can judge the sin. We can say that behavior is sin, but to condemn a person who has fallen into sin on a personal level, you do not know what you would do if you were under the same circumstances. We are chameleons, and we adapt to our environment.

That being the case, it is very, very encouraging that Jesus is coming to cleanse us of all sin.

1 Jn 1:9

⁹IF WE CONFESS OUR SINS, HE IS FAITHFUL AND JUST TO FORGIVE US OUR SINS, AND TO CLEANSE US FROM ALL UNRIGHTEOUSNESS. **KJV**

That is what the Scripture says, that He is going to destroy the sin in us and plant His life in us, and then we are going to be righteous people, and there will be no reason to destroy us. That is very exciting to me. I like that message.

Jesus Will Appear When His Child Is Born

Going back to Gilgamesh: Utnapishtim is on the island with his wife. When I first read the poem, there was something very strange about the wife. The poem says, *And his wife called to him.* She was calling from a far distance away. So I

came to the conclusion after praying about it that Utnapishtim's wife was Sophia. He had a spiritual wife.

Let me just finish explaining the meaning of potential to you. Utnapishtim was put in a place of potential, analogous to where Jesus is. Jesus can do whatever he wants to, but following the natural order of things, Jesus is not appearing in this world. He will appear in this world when His child is born in a company of humans and He joins his spiritual self to that child. His appearance is going to be by His nature. His personality is not going to appear again.

That is why Jesus said, concerning Elijah (though he did not call him Elijah), *If you can receive it, this is the spirit of Elias.*

Matt 11:14

¹⁴AND IF YE WILL RECEIVE IT, **THIS IS ELIAS**, WHICH WAS FOR TO COME. **KJV**

Matt 17:10-13

¹⁰AND HIS DISCIPLES ASKED HIM, SAYING, WHY THEN SAY THE SCRIBES THAT ELIAS MUST FIRST COME?

¹¹AND JESUS ANSWERED AND SAID UNTO THEM, ELIAS TRULY SHALL FIRST COME, AND RESTORE ALL THINGS.

¹²BUT I SAY UNTO YOU, THAT **ELIAS IS COME ALREADY**, AND THEY KNEW HIM NOT, BUT HAVE DONE UNTO HIM WHATSOEVER THEY LISTED. LIKewise SHALL ALSO THE SON OF MAN SUFFER OF THEM.

¹³THEN THE DISCIPLES UNDERSTOOD THAT HE SPAKE UNTO THEM OF JOHN THE BAPTIST. **KJV**

This is the spirit of Elijah. The personality was Jesus of Nazareth. The personality was John the Baptist. He was in both of them. It was not the personality of Elijah. It was the

spirit of Elijah, his righteous spirit that came and joined himself to the fallen spirit of these two men. In Jesus' case, it made His personality righteous because the righteous spirit cleansed the personality, and Jesus had the whole experience of salvation.

Utnapishtim is back there in potential. The only way he can appear amongst humanity is to plant his seed in us. That is how Jesus is going to appear His nature, His spirit is going to appear in us, not His personality.

So Utnapishtim, is in this island, and he cannot get off the island because he is a eunuch. He has no seed. Enlil, who I believe is likened to Jehovah, took his seed. Jehovah did not kill him. I keep seeing him as Napoleon on the island of Elba for some reason. He is in this island in potential. He cannot get over to humanity. He has no connection with humanity, no relationship with humanity at all. He is isolated on this island with this goddess, his wife, meaning that she dwells in him. She is his wife; she dwells in him.

I think Jehovah put him there for the day all of humanity is cleansed, and then he is going to let him out and join the human race in righteous order; otherwise why would Jehovah have saved him? (Assuming it was Jehovah who saved him.)

Gilgamesh meets Utnapishtim and he says, *You look just like me. You are immortal, and I want to be immortal, but you look just like me.* He says, *What do I have to do to become immortal?*

What is interesting is that Utnapishtim is not very nice to him. Utnapishtim says, in so many words, *You are not up to this. You cannot do it. You will never be immortal.* He says, *All men are liars. All humans are liars.* And his wife calls to him and says, *Give him a chance!* That is the impression I got

from the way it is written: *Give him a chance!* But where is his wife calling from?

I have been teaching for years if you hear in the spirit if you hear a voice that comes from very far away, it is usually the Lord Jesus calling from a different dimension. If the voice is a soft voice or a thought in your own mind, then it is Christ in you. She was a goddess who had a relationship with him that could be likened to the Holy Spirit. She was not a spiritual child inside of him because she was calling from far away. She was in another dimension. She had latched on to Utnapishtim from another dimension.

What we have here is likened unto a human under the influence of a spirit woman who is called his wife, but we see in this relationship, the wife is the one who is the authority over the man that survived the Flood. The wife says, *Give him a chance! Give him a chance!*

Long Face vs. Short Face

There are two ways of expressing this kind of teaching: the ***long face*** or the ***short face***, and we are talking about the Lord Jesus Christ. I will give you an example. The Lord Jesus Christ is the long face. He is very patient. He is waiting for humanity to bear fruit. He has been waiting patiently for 2,000 years since He was glorified. Before that, God is waiting for humanity to bear the fruit of the Christ child, so the Lord Jesus can marry the Christ child, and Jehovah can have a relationship with us through the mediator, Christ Jesus. And He is very patient. He forgives sins and is very merciful, but his counterpart, Christ in you, is impatient (either Christ or Christ Jesus in you).

I have talked about that because I am the one who is Christ Jesus, and sometimes I get impatient. Sometimes I get frustrated that I am literally preaching my life out to you all,

and then I find somebody does not know the answer to a question I think you should know the answer to. I get impatient, and I have been rebuked by the Lord for that impatience. I have to understand you are all not learning at the same rate I am learning; you are you, and He loves you, and as long as you are moving in the right direction, your sins are under the blood. I have to accept the fact you all do not know what I know.

Years ago when I first started preaching, I would preach a message once, and I would expect everyone to know it. If they did not know the answers the next time, I actually got mad at the brethren in New York. The reason for that was I did not understand who I was. I thought we were all the same, but now I know we are not all the same. We are all the same as human beings before God, but I am the teacher, and you are the students. And I am doing a lot better, but sometimes I get frustrated. Sometimes I get frustrated when I would hope somebody would be more spiritual in a particular area, but I understand I have to accept them. And if somebody does something wrong, I have to teach them; that is my job, to teach you. So I am getting there. I am migrating from being the impatient one to the patient one, and when I become the patient one, I am going to be in longevity, on my way to immortality because the patient one is the Lord Jesus. The impatient one is Christ Jesus that is teaching the teacher.

Moses was the impatient one. He was not allowed to enter into Canaan land because he lost his patience with the Hebrew children in the wilderness by hitting the rock instead of teaching them. That is the perfect example of the impatient one. So I am doing my best to be patient with you all and with everybody in my whole life.

The more you mature in Christ Jesus, the harder it is to live in this world. It is very hard to live in this world. The more the Lord gives you and the more you evolve spiritually

and see how people live, you just want to fix everybody. But you cannot fix everybody. You see people stepping on their own feet, making mistakes that cause destruction in their own lives, and they do not want to listen to you. It is not easy. I think I am doing pretty well at it now, but people do not want to listen to you unless you show them some carnal sign; you put a white collar on or something, and even then I do not know if they would listen to you. We all have to learn to just take care of ourselves. If God sends you to someone to give them advice, give it to them; otherwise, just take care of yourself. Fix yourself first.

Born This Way?

Utnapishtim's wife says, *Give him a chance!* Utnapishtim says, *All men are all liars. He is never going to make it. He will never make it to immortality.*

What is interesting is according to the parable, Utnapishtim did not overcome to become immortal; he was just granted immortality.

I see an analogy I did not see before: Utnapishtim can be likened to Israel. National Israel did not do anything to attain immortality. The Scripture says, *Ye are gods, but ye shall die like men.*

Ps 82:6-7

⁶I HAVE SAID, YE ARE GODS; AND ALL OF YOU ARE CHILDREN OF THE MOST HIGH.

⁷BUT YE SHALL DIE LIKE MEN, AND FALL LIKE ONE OF THE PRINCES. **KJV**

National Israel had the opportunity to be immortal. When they came out of Egypt, they were a supernatural people. This generation that is growing up from seed; as Christ

is formed in us, we are still great sinners. It is like the parable of the prodigal son. National Israel despises the Church. They cannot see anything of God in us at all. They think we have stolen their Bible, but they have all this incredible knowledge and understanding of the Scripture, and however they see salvation coming.

Utnapishtim is like national Israel. He did not do anything to become immortal. He survived the Flood when he should not have survived the Flood, and Enlil decided to have mercy on him and let him live, but he put him off in potential. So Utnapishtim, who did not do anything to attain to immortality is despising Gilgamesh, who is seeking immortality saying, *He will never do it. He will never make it. All men are liars.* Well, what about you, Utnapishtim? What did you do to get your blessing?

This also is an example of people who have the female spirituality, as opposed to people who have the male spirituality. The female spirituality is spirituality you are just born with. The gifts and the calling of God are without repentance.

Rom 11:29

²⁹FOR THE GIFTS AND CALLING OF GOD ARE WITHOUT REPENTANCE.

Are you just a spiritual person? It is a miracle you can understand this message. You are just a spiritual person. You did not do anything to get it. You were born this way. But the male spirituality, the spirituality that will eventually produce power, that you have to study for. You have to study, and you have to attend meetings. You have to listen to messages to acquire the male spirituality.

So there is Utnapishtim who did not do anything to get his immortality saying, *He will never do it. Gilgamesh will*

never get it. All men are liars. And then the higher form of life, which would be likened to the Lord Jesus, says, *Oh, let him try it! Give him a chance!*, except it turns out she is a wicked spirit, and is really just doing this for her own purposes.

Seven Loaves, A Parable

Utnapishtim says to Gilgamesh, *This will be the test to whether or not you can get immortality: see if you can stay awake for seven days without sleeping.*

The poem says Gilgamesh sat down next to a wall. Now, that is a very spiritual statement: *he sat down next to a wall.* Jesus is our wall. Gilgamesh sat down next to the spirit, to the god he served, and as soon as he sat down to start his seven days of not sleeping he fell asleep immediately.

Again, this is a parable. Utnapishtim says, *He will never do it.* He asks his wife to bake a loaf of bread for every day Gilgamesh will be sleeping. *When he wakes up he will never believe he was sleeping, so bake a loaf of bread for every day and mark it on the wall. When he wakes up, he will see how long he has been asleep.*

This is likened to humanity being asleep. Humanity has been spiritually asleep for 6,000 years. The end of the six 1,000-year day is about to come to an end. We have been asleep for 6,000 years, and we do not even realize we have been sleeping. We think we have made progress, but we have actually gone backwards.

Here the poem becomes very spiritual. *He falls asleep immediately. She bakes the loaves of bread, each day one loaf, and puts it beside his head.* Bread is food. We are really talking about doctrine here, wisdom. One way to enter into

immortality is through wisdom. That is what we are doing right here in this ministry, entering in through wisdom.

Day 1 - Rock Hard

The first loaf was rock hard. That means impossible to penetrate to find the spiritual truth. That is the letter of the Word. That is what we get on the first day. Each one of us, when the Lord calls us, begins to experience the first day of creation. We can experience every one of these days of creation. When we first look at the Word of God, it is rock hard; we cannot understand it. It is impenetrable.

Day 2 - Dried Out Like Leather

The second loaf was dried out like leather. I liken that to a dead animal, and that is the understanding of the carnal mind. We are trying to understand the Word with the carnal mind, which is a dead animal.

Day 3 - Abbreviated Truth

The third loaf of bread shrunk. That means that we are still trying to penetrate and understand the Word of God because that is the passageway to immortality. Shrunk means abbreviated. The Bible is one massive abbreviation. We are told if all of the feats Jesus did were put in a book, all the books in the world could not contain what Jesus did.

Jn 21:25

²⁵AND THERE ARE ALSO MANY OTHER THINGS WHICH JESUS DID, THE WHICH, IF THEY SHOULD BE WRITTEN EVERY ONE, I SUPPOSE THAT EVEN THE WORLD ITSELF COULD NOT CONTAIN THE BOOKS THAT SHOULD BE WRITTEN. AMEN. **KJV**

Well, what about understanding the Word of God? You cannot even contain it in the written word. Everything you read is abbreviated. The person who is experiencing the third day of creation is starting to see there is something special about the Word of God they have not found yet, and they start to unlock all of the abbreviations, which is what we are doing here.

Day 4 - Truth Is Rotting

The crust of the fourth loaf had a whitish covering. And to me whitish covering means leprosy, and that means the truth is rotting; the truth is there, but it is not being ministered properly. It is being denied, and if you want to think of it in terms of a fruit, or a cornstalk, it is just rotting in the ear. That is Christ in the person not growing because they are not being fed properly.

Day 5- Lies Added

The fifth loaf was spotted with mold. That means that lies are added to the doctrine. Mold is something that is added to you. Lies are added to the doctrine. This is all about the spiritual child in you dying. It is about immortality. In order to attain to immortality, you have to acquire the Word of God.

To summarize: The first day it is impenetrable to you. The second day it is dried out leather because you are trying to understand it with your carnal mind. The third day you realize it is abbreviated, and you have to learn the symbols. Then the fourth day you find out the truth is rotting. That means somewhere along the line you got a seed, and that seed is inside of you, but it is rotting because you do not even know the seed is there, and you are not living the lifestyle which will cause the seed to grow. Then on the fifth day lies are added. That is mold. You finally realize you are a spiritual person, and you wind up finding the world's false doctrine.

I remember when I first started to become interested, I wound up in Edgar Cayce. I did not know right, wrong, good, or bad. I did not know anything. I was just looking for something, and the first thing that came available to me was Edgar Cayce, and that was rotten food. I got into trouble and had to get deliverance from that.

Day 6 - Stale & Useless

The sixth loaf was stale. Stale bread is true doctrine but not anointed with the spirit of life, and, therefore, useless for spiritual growth. This truth you are hearing today would not do you any good if it was not being preached by the Spirit of Life, but you are all being seeded today. Today you are all getting the male seed. We get the female seed from the Holy Spirit. Doctrine is the male seed. If someone else can read from these notes and preach it to you, you might understand it, and you might not, but you would not get the seed of life.

So, what Gilgamesh is being told is the pathway to immortality is through wisdom. These are the seven opportunities to acquire wisdom, and the blockages and the things that will happen in your life which will stop you from getting the wisdom, which will lead to immortality: You will give up because your carnal mind cannot understand it. You will give up because your carnal mind does try to understand it. You will give up because it is abbreviated and you do not understand the symbols. You will give up because you do not even know the seed is there and it is rotting in the ear. You will receive lies. You will receive the false doctrine that sounds right to you. Then finally you find the true doctrine. Finally, you actually get the true doctrine and it is being preached to you either being by someone who does not have an anointing; or you find it in a book, and you really need an anointed teacher to teach it to you, or you cannot do anything with it.

Day 7 - Wisdom To Come

The seventh loaf is still on the embers, which means wisdom which has not yet come to a state which can be understood. That was one of the first things I told you, none of us can understand wisdom. We need the understanding to break up the bread into crumbs. So the seventh loaf, and we are experiencing the seventh loaf here, is not on the embers anymore. For you here in this ministry, the seventh loaf is not on the embers. The seventh loaf is the true wisdom preached under the anointing. That is what we have in this ministry; that is the glory we have here.

This is the amazement we have here. Everybody who is hearing this kind of message, you are invited to do all you can do to acquire immortality based upon what you are being taught. It is the unadulterated, unabbreviated, unlocked doctrine being preached under the anointing, that is what we have here, which will lead to immortality. This comes out of Gilgamesh. This is what will lead to immortality, and we have got it here.

Gilgamesh Is Tricked

Gilgamesh fails to attain immortality. He is devastated, and he is going home. Utnapishtim's wife calls out again, *Give him another chance! He did not make it to immortality. Give him a chance at longevity.* And Utnapishtim says to Gilgamesh, in a very nasty voice, *There is this fruit, and if you could find this fruit, you could have your youth renewed, and live a very long time. But this fruit is at the bottom of the sea.*

This is very spiritual. I believe that Gilgamesh actually has to descend. I really did not spend any time explaining who Gilgamesh is. He exists on a higher realm, like where Adam

would be, except in the poem they show him as a person, and the people of Uruk as people, but for me to really understand what happened here, I have to see him like Adam; like Christ Jesus on a higher spiritual plane descending into one of the humans He is attached to. It would be comparable to Gilgamesh going to one of the citizens of Uruk, and ripping the egg from that person.

Gilgamesh is ignorant and does not know he is really being tricked by Sophia, by that female spirit, that Utnapishtim is a eunuch. He cannot enter into this world because he does not have seed to impregnate a human. That is how an immortal enters into this world. They have to acquire a relationship with a human, impregnate them with their seed, and join permanently to the fruit of that seed. That is the way it is done. Whether it is Christ, or an ungodly spirit, that is how a spirit acquires immortality in the flesh. They have to find a flesh, which is you or me, and make us immortal, and then they live in us forever. If it is Christ Jesus, we are blessed, and if it is an ungodly spirit living in us forever, we are eternal hell.

This spirit who was with Utnapishtim, she wanted to incarnate as well as Utnapishtim. They wanted to incarnate, but Utnapishtim was a eunuch. The female spirit was going to trick Gilgamesh into snatching the egg from one of the citizens of Uruk, although in the poem it says he went and he dug a hole. He dug a hole, and went down to the bottom of the sea, but in my opinion, he went to a citizen.

Christians Have The Seed

The spiritual reality being expressed here is a higher entity has to enter into a human who has a seed. In our world today the only humans who have seeds are Christians, and thus we understand the obsession ungodly spirits have with Christians. For years I have been saying, *The obsession the*

*ungodly spirit has with Christians is we have more energy. They want our energy, but this makes a lot more sense to me. **The obsession they have with Christians is we are the only ones with seed.***

COMMENT: The male seed?

PASTOR VITALE: The female seed. We are the only ones with the female seed. The female spirit had the male seed. I am pretty sure it is the female seed. She wanted the female seed from the human. Humans have female seed which we get from the Holy Spirit, the female seed. The male seed is no good without the egg.

Gilgamesh ties stones to his feet, he descends to the bottom of the ocean, and he gets this fruit and he brings it up. When he grabs the fruit, it has spikes on it and it pierces his finger. I thought that sort of related to Jesus who is the Rose of Sharon, and there are thorns on the rose. Gilgamesh's fingers are all bloody, and he gets to the surface, looks at the fruit, and my opinion at this point is he did not know what to do with it. He looks at it, and says, *Wow, is that not interesting? This fruit gives longevity. I think I will take it back to Uruk and give it to one of the older men in the city and see if it works for them.*

He just dug a hole and descended to the bottom of the ocean to get this fruit, and, all of a sudden, he is so lackadaisical towards it. He lays it down on the ground and sees a pool and goes bathing in the pool. That does not make any sense. My understanding of that is that he did not know what he had in his hand. It was likened to doctrine. He did not understand it, and he preferred the Holy Spirit. The pool he went bathing in was the Holy Spirit, it made him feel good. Jesus told us the man who got the one talent and buried it under the ground lost what he had.

Matt 25:26-28

²⁶THEN HE WHICH HAD RECEIVED THE ONE TALENT CAME AND SAID, LORD, I KNEW THEE THAT THOU ART AN HARD MAN, REAPING WHERE THOU HAST NOT SOWN, AND GATHERING WHERE THOU HAST NOT STRAWED:

²⁵AND I WAS AFRAID, AND WENT AND HID THY TALENT IN THE EARTH: LO, THERE THOU HAST THAT IS THINE.

²⁶HIS LORD ANSWERED AND SAID UNTO HIM, THOU WICKED AND SLOTHFUL SERVANT, THOU KNEWEST THAT I REAP WHERE I SOWED NOT, AND GATHER WHERE I HAVE NOT STRAWED:

²⁷THOU OUGHTEST THEREFORE TO HAVE PUT MY MONEY TO THE EXCHANGERS, AND THEN AT MY COMING I SHOULD HAVE RECEIVED MINE OWN WITH USURY.

²⁸TAKE THEREFORE THE TALENT FROM HIM, AND GIVE IT UNTO HIM WHICH HATH TEN TALENTS. **KJV**

Gilgamesh went through such great extremes to get the fruit, and when he got it, he did not understand what he was supposed to do with it. What he *did* understand he did not want. He did not want to study.

It went a little deeper than that, and I related it back to Shem, Ham and Japheth and the sons of God wanting to give their seed to the humans. When I was preaching that message, at one point I was trying to figure out what was going on there, and one of the revelations came down that the sons of God really did not want to marry the humans. The Scriptures says, *they wanted to take them as wives*.

Gen 34:21

²¹THESE MEN ARE PEACEABLE WITH US; THEREFORE LET THEM DWELL IN THE LAND, AND TRADE THEREIN; FOR THE LAND, BEHOLD, IT IS LARGE ENOUGH FOR THEM; **LET US TAKE THEIR DAUGHTERS TO US FOR WIVES**, AND LET US GIVE THEM OUR DAUGHTERS. **KJV**

They wanted to have that relationship with them. Was it physical sex? Maybe it was, but they wanted something from the humans that would please them, but they did not want to abide permanently with them. They did not want to take responsibility for them.

It is like the young man who just wants sex. There are some men who get married and they do not take any responsibility towards their wives or their children. There was something Gilgamesh did not want. Maybe he did not want to be joined to a human; being joined to a human (and to some degree it does mean this) meant he would have to spend some time in the confinement of a body. Maybe he did not want that.

In any event, Gilgamesh grabs the fruit and it pierces his fingers, which represents the mind. It pierces his mind and he says, *I really do not want to study. It is too hard.* He really does not want it. *I will let the old guys try it. If it works, then I will try it.*

A Daniel-Type Experience

We are told in the Book of Jasher, which is in the Apocrypha, that something similar happened to Abraham's brother, Haran. Nimrod threw Abraham into the fire, sort of like a Daniel-type experience, because Abraham broke all the idols in his father's house.

Haran was present when Abraham was thrown into the fire by Nimrod, but he backed off and said, *I will worship the idols. Do not throw me into the fire. I do not want to die!* And Abraham said, *Throw me into the fire. I am not going to worship idols.*

When Haran saw that Abraham survived the fire, he said, *I am not going to be a pagan anymore. I really want to*

worship Jehovah, and you can throw me in the fire too. Nimrod threw him into the fire, and he died because God only saved the man who was willing to die for his faith. He did not save the man who would only be a Christian or a Jew if it was a sure thing.

Book of Jasher, Chapter 12:19

¹⁹AND HARAN SAID IN HIS HEART, BEHOLD NOW THE KING HAS SEIZED ABRAM ON ACCOUNT OF THESE THINGS WHICH ABRAM DID, AND IT SHALL COME TO PASS, THAT IF ABRAM PREVAIL OVER THE KING I WILL FOLLOW HIM, BUT IF THE KING PREVAIL I WILL GO AFTER THE KING. **KJV**

That is what Jesus was talking about in some of his parables, and I believe is what was going on with Gilgamesh. He said, *I will take it back to the city, and if it works for the old men, I will try it.* But if it would have worked for the old men, it would have never worked for him with that attitude. That is what I am trying to tell you.

He lays it down on the ground, he puts the doctrine aside, and goes back to the Holy Spirit. This is likened to all of the pastors and people I have sent my books to. They put the book down and they go right back to saying they want the Holy Spirit.

I experienced this just last week with a woman. The Lord called her to this ministry more than 20 years ago. She lives in my condominium development. I brought her over a copy of the latest book and we started talking. She is definitely called to this ministry, and she definitely has the capability of understanding the doctrine. She listened to the message, and she wrote down the information for the websites and YouTube, etc. The next week she calls me up and says, *You know, I was driving down the highway today, and I saw a store for rent, and I think I want to rent a store for radical praise and worship.*

And I just stood there looking at the phone *First of all*, I said to her, *do you know what it would cost to rent a store on Long Island?* And she has told me that she is just making her bills every week. It was just a bizarre, crazy thing to say. That is what the carnal mind does to you.

The Unlimited One Wants A Creation

Planting Seed In The Well

Gilgamesh lays the fruit down on the ground, and then the next thing that comes, which is the last thing I will tell you, is very cryptic; it is very hard to understand. It says: *And a serpent not **the** serpent smelled the sacrifice, ascended, rose up from underneath, laid hold of the fruit, escaped with the fruit and shed his skin.* It is just three sentences.

I prayed about that for a long time, and I have a whole revelation on it. The Lord is clarifying things. He is making it clearer and clearer. The name of the Unlimited One is the **Ein Sof**. We do not even know what He is, so He does not have a name. *Ein Sof means Unlimited One.*

He is so great; He is infinite; there is nothing outside of Him, so the creation had to take place inside of him, like inside of a woman's womb. A hole, or a well, opened up in him, and that is what Sheol is. It is an opening that just appeared because the Ein Sof wants to have a creation. And it is a well; an infinite well. It goes down, and there is water in the well. He planted a female seed in that well.

You can pretty much get that out of the letter of the Word if you wanted to. I am saying this well, which is what the Kabbalists say, is a human being, so that female seed is being planted in us, and it was planted initially in this well. Inside of the *Unlimited One* was a female seed that was

planted. The female seed always comes first; you need the egg. There are many, many sperms. The big challenge is fertilizing the egg.

Attaching Seed To A Material Substance

Now, this is the big fly in the ointment I think I finally got: that female seed has a material substance attached to it. I have been preaching that it had the earth attached to it, and the man was formed out of the earth, and I had all kinds of ways I understood it. Today I understand that material substance which was attached to the female seed was actually a conscious animal. This outer flesh, our body, is an animal. We have a soul and we have a spirit.

The material substance that was attached to the seed is called ***Behemoth*** in the Scripture. We read about Behemoth in Job, Chapter 40.

Job 40:15

¹⁵BEHOLD NOW **BEHEMOTH**, WHICH I MADE WITH THEE; HE EATETH GRASS AS AN OX. **KJV**

That has always been a mystery to me. Behemoth is right there in the Book of Job with Leviathan.

Job 41:1

¹CANST THOU DRAW OUT **LEVIATHAN** WITH AN HOOK? OR HIS TONGUE WITH A CORD WHICH THOU LETTEST DOWN? **KJV**

Leviathan represents the soul. Behemoth represents the animal body. So that material substance, the dust of which the man is formed, has a consciousness of its own, and the consciousness of the earth is the serpent. That is what it is, if you can hear it. This flesh has a consciousness of its own, our

soul has a consciousness of its own, and the seed planted in us has a consciousness, also.

The serpent was not inherently evil. It was the consciousness of the earth that was attached to the seed. When the seed was discharged from the high spiritual planes to begin the creation, it came planted in earth. We have the spiritual seed, the female seed which comes from God, attached to a form made from earth, and is that not what we are? We are a form made from earth, and there is a seed, the Christ seed, Christ in you, which is attached to us.

The serpent is the consciousness of the earth, not necessarily evil, just the exact opposite of God, completely devoid of righteousness, never having known righteousness, the exact opposite of righteousness. And the female seed, which is righteousness, is supposed to be ruling over the earth man who does not know the difference between right and wrong, just like Enkidu was supposed to be the counselor to Gilgamesh, but Gilgamesh killed him.

Adam Was The Female Egg

So this earth we all read about *and Jehovah formed the man from the dust of the earth* it was not the dirt out there. It was the earth of humanity. It was an earth like me or an earth like you, and it was in the form of an animal. I do not know what it looked like at that point, but that is the general idea.

Gen 2:7

⁷AND THE LORD GOD FORMED MAN OF THE DUST OF THE GROUND, AND BREATHED INTO HIS NOSTRILS THE BREATH OF LIFE; AND MAN BECAME A LIVING SOUL. **KJV**

We have the seed of the life of God attached to an animal, and that is who Behemoth is. If you read occult

philosophy, it is very arrogant towards the average human being. This is because these occult people, they are ascended, they really are human-reptilians, and they really hate the man in the street. We are human-animals. They really despise us. I have read occult philosophy and other ideologies, and they call us the herd. They consider the man that does not have the female seed a behemoth; cattle. That is why they have no problem saying they want to kill us all, and bring the population down to a mere 500 million because we are just cattle. It is like thinning out the herd. That is how they look at us.

When Jehovah said to Adam, *Name the animals*, I have been saying for years what Jehovah meant was, *You determine which nature mankind will have. Will they have the nature of an animal or the nature of God?* But I did not fully understand Jehovah was speaking to Adam the soul saying, *Engrave the nature on the animal that you are attached to*, because Adam was female.

Adam is referred to as a man in the Scripture, but Adam was the female egg.

Gen 2:7

⁷AND THE LORD **GOD FORMED** MAN OF THE DUST OF THE GROUND, AND BREATHED INTO HIS NOSTRILS THE BREATH OF LIFE; AND MAN BECAME A LIVING SOUL. **KJV**

Adam was the female. God is the male. Adam was coming down to fertilize the female egg, which is Adam. So the soul, called Adam, was inside of an earthen animal. We are that animal. Christ is the soul of God that is inside of us, and Jehovah wants to marry us through the Lord Jesus Christ, the mediator.

The serpent is the consciousness of the animal. Just like when you are riding horseback, the horse has his own consciousness, and you have to bring the horse into submission to ride him. That is who the serpent is, not necessarily evil, just incapable of righteousness; not knowing the difference between good or evil.

What happened with Gilgamesh was that the wife of Utnapishtim was manipulating Gilgamesh to lay hold of that female seed. Sophia managed to communicate with the snake. The communication is supposed to be between the righteous spirit (the Lord Jesus Christ) and the female seed in us. The criminal spirit (Sophia, she is illegal at this point), who is competing with the Lord Jesus did not go to the seed because the seed (the spiritual, or righteous part of the person) would not talk to her. I am not going to talk to Satan. I am not going to talk to Ishtar if she comes and talks to me.

Let's Make A Deal

So she went to the serpent, which is the nature of the flesh, and made a league with the flesh. It is like a spirit coming to a person who does not really know the Lord Jesus and saying to them, *Look, I am going to make you rich. I will give you everything that you want. I will give you power, money, riches, women. Whatever you want, I will give you your heart's desire. Come.*

Matt 4:8-9

⁸AGAIN, THE DEVIL TAKETH HIM UP INTO AN EXCEEDING HIGH MOUNTAIN, AND SHEWETH HIM ALL THE KINGDOMS OF THE WORLD, AND THE GLORY OF THEM;

⁹AND SAITH UNTO HIM, ALL THESE THINGS WILL I GIVE THEE, IF THOU WILT FALL DOWN AND WORSHIP ME. **KJV**

That is what Satan said to Jesus when He was being tested, *I will give you all the kingdoms of the world. Worship me, not God.*

Sophia went to the serpent and made a league with him, and together they overthrew the spiritual element of that person. That is what happened in Gilgamesh. He overthrew the spiritual nature in him. Sophia made a deal, let us talk about it as if it is one person. She made a deal with the flesh of one person who had a virile female seed. Sophia, together with the serpent, used Gilgamesh somehow to release this seed. Sophia leagued up with the carnal nature of the person through Gilgamesh and overthrew the defenses of the virile female seed. They confused her and somehow she released her fertility to them.

So the consciousness of the earth married the female seed. It would be like my carnal mind marrying Christ in me. That would be the death of Christ in me; my carnal mind overtaking this revelation, my carnal mind coming in and replacing Christ Jesus in me. The two of them together, the consciousness of the flesh and Sophia, were strong enough to overthrow the spirit of Christ. The serpent was able to give over that reproductive ability to Sophia so she and Utnapishtim could incarnate in humanity.

Sophia used Gilgamesh to somehow strike a deal with the carnality of the person to overthrow the wisdom of Christ. I am going to say it in Christian terms now: another spirit comes and makes a deal with my carnal mind saying, *I am going to make you rich. I am going to give you all your heart desires. Do not serve Christ. Do not preach this message.* This is what happened to Glenn Beck. Something happened to Glenn Beck, right? *Now you have the attention and the confidence of these people. We will start teaching them something false. Start serving me instead of God.*

The result would be this false spirit would get you, and God forbid it should ever happen, plant her seed in you and capture you. That was the deal. Without me being able to explain how it happened in antiquity, that was the deal, and it is expressed in just a few verses. It is saying: *Because Gilgamesh opened the door and took the spiritual virginity of that person* (I had not thought of this before. Is that not what Gilgamesh was known for, taking the virginity of innocent people?), *somehow he opened that person to the occult, Sophia came in, and the mind of the flesh ascended*. I hope we know we can spiritually ascend in Christ Jesus, so we can spiritually ascend in our carnal mind and become an evil person. That is who the people carrying Lucifer are. They are spiritually ascended. They are the beast, 666, of the Book of Revelation. They are spiritually ascended by the power of the flesh instead of the power of the seed of God.

Incarnation By Deception

The serpent was able to ascend because he joined with Sophia. So the mind of the flesh overcame the mind of the spirit and captured the fruit which signified longevity. I really believe there are beings today in another dimension who have been alive for thousands of years; the reptilians seem to have longevity. We, the human-animals, die after a season, but the human-reptilians, the other race (the race of Cain actually) has been living for centuries; for generations; thousands of years.

This is the message of how it happened. This is how the reptilian race got ahold of longevity and why we, the animal-humans, die after a season. Our eggs were stolen from us so the reptilians have longevity.

This is where we are today. The reptilians have the longevity, but they need human vessels to incarnate in the earth. They need to deceive us, the ones who are serving Jesus. *I do not want your kid! Get out of here! I want the child of the*

Lord Jesus. They have to trick us; they have to find someone, all of these ministers preaching false doctrine. They are all corrupted and many of them are giving a false seed to the people. We do not know how many Christians are pregnant with Lucifer instead of Christ. We do not have a clue!

That is the plan. The whole goal, the whole aim, is to incarnate. They need us to incarnate. They have longevity in some other dimension that apparently is not satisfying them. They want to incarnate in the flesh, and that is what the whole story of Gilgamesh is about.

Why would a pagan writer be writing about it? Because that was the story of the Flood. There was no Jesus yet, but there was Jehovah, and that was the story. The reason for the Flood was this human-reptilian race was taking over all the daughters of Adam, marrying them and producing their spiritual children in them, and ***Jehovah cut it off before Sophia could marry the reptilian children.***

That is the bottom line: ***Jehovah will not allow Sophia to marry the human children***, but it is possible, and it really is happening now. There are many human beings who have produced a spiritual child called Lucifer, and they are causing all of this trouble in the world. It is not that the Lord is slow in responding, it is that He has to have the plan ready. The way He is going to stop them is through us. He is going to stop Sophia from marrying Lucifer by the fullness of Christ Jesus standing up. He is going to do it through us. Will it be a face-to-face confrontation or in the spirit? I do not know, but the reason it is taking so long for Jehovah to stop this is because this is the plan and Jehovah is going through the natural order.

God's End-Time Plan

The plan is the Christ child will be born in a company of people. The Lord Jesus will marry the Christ child. Jehovah

will enter in through the Lord Jesus, and they will be gods, not *the* God, but gods with supernatural power, who will destroy Lucifer. It will be like a showdown between Elijah and the prophets of Baal and all of the Lucifers will be killed and whatever He is going to do with Sophia.

That is the bottom line. She has gone this far. It is not the first time she has gone this far; it happened on the other side of the Flood. Maybe it was even worse on the other side of the Flood, but even if it is at the very last minute, she will not marry Lucifer. It will not be allowed. The Lord Jesus will destroy her.

I do not see how we can go much more than another year, if that. I do not see how. I see the evil in the world, and I have a revelation this evil is being done by people who have birthed Lucifer. They have atomic particle crushers where they are battering the walls that separate the dimensions for the specific purpose of letting Sophia through so she can marry everybody. How much longer is it going to take before they accomplish this?

That is how I see it. That is my vision. I worked a lot of the principles God gave me into this message. I hope it was a blessing to you.

QUESTION: When we learned about Jubilee, I think it is the people in Pentecostal church who see it as taking back your possessions, so is He taking back His seeds?

PASTOR VITALE: No, we are the land. Jesus is taking back the land. We are possessed by the powers of this world. Satan owns us and she not only owns us, she has had the use of us down in this world for all of these years. Jesus is coming on behalf of Jehovah. Jehovah is the one who owns the land, but Jesus has inherited it from His Father. We all belong to Him. Every human being on the face of the earth

belongs to Him and we will be returned in the year of Jubilee. Even if it takes a war, we will be returned. That is what it is all about. That is the core or the archetype. That is the primordial message of the condition of humanity and what all of this difficulty is about. That is it in a nutshell.

And Jesus said, *If you only believe, you will be saved.* So the question is, *What do we have to believe to be saved?*

Mk 9:23

²³JESUS SAID UNTO HIM, IF THOU CANST BELIEVE, ALL THINGS ARE POSSIBLE TO HIM THAT BELIEVETH. **KJV**

Acts 16:31

³¹AND THEY SAID, BELIEVE ON THE LORD JESUS CHRIST, AND THOU SHALT BE SAVED, AND THY HOUSE. **KJV**

This is what we have to believe to be saved. I was going to say I do not think He would do it if we did not understand it, but I think He will seed people with His female seed through the Holy Spirit without them understanding it. I do not see how you can go through the whole process without understanding it because it is all in your mind. It is the development of your mind. We enter into immortality through wisdom, so I do not see how you can enter in without understanding this.

That is what happened to national Israel. They entered in without understanding it, but they could not sustain it. They died. You cannot sustain it without understanding it. You have to *understand it and believe it*, and it is possible to understand it and not believe it.

ABOUT THE AUTHOR

SHEILA R. VITALE

Sheila R. Vitale is the Spiritual Leader, Founding Teacher and Pastor of Christ-Centered Kabbalah (CCK). Pastor Vitale has been expounding upon the Torah (Scripture) through a unique Judeo-Christian lens for nearly three decades, and has an international following. As head of the teaching ministries, she disseminates Judeo-Christian literature, both printed and online, to individuals around the world.

In addition to managing CCK, Pastor Vitale is an illustrator of spiritual principles, researcher, translator, social commentator, lecturer, movie, TV and theater critic, and author. She has given more than 1,000 *LEM* lectures that explain hundreds of spiritual principles, all of which may be purchased on CDs or as downloadable MP3s. In addition, beginning in the year 2013, Videos of Pastor Vitale's lectures became available for purchase on DVDs or downloadable MP4s. She has written more than 21 books based upon the Old and New Testaments and authentic Rabbinic Kabbalah, including *The Noah Chronicles*, *The Crime of the Calf* and *The Three Israels*, as well as unique and esoteric translations of canonical Biblical texts such as *The Prophecies of Daniel, Chapter 8*, *The Prophecies of Daniel According to Kabbalah, Chapter 11*, *The Crime of the Calf*, *Sophia* and *The Common Salvation*. Some of her forthcoming publications include *I Corinthians, Chapter 11*.

KABBALAH AND CHRIST-CENTERED KABBALAH

Sheila Vitale has been studying Torah (Scripture) and the New Testament, in-depth, since the 1970s, and began to teach her understanding of it, which she calls *The Doctrine of Christ*, in January of 1988. In the year 2000, she began to study and teach the Jewish spiritual philosophy of authentic *Lurian Kabbalah*. Since then, she has woven her continuously evolving understanding of *The Doctrine of Christ* and *Lurian Kabbalah* into a fascinating and unparalleled course of study that she calls, *Christ-Centered Kabbalah*. *Christ-Centered Kabbalah* is based upon her original research in the Hebrew text of the Torah, the foundational books of *Philosophical Kabbalah*, such as *The Zohar*, and the Greek text of *The New Testament*. She was teaching *The Doctrine of Christ* with *Lurian Kabbalah* for at least one year when, in 2001, the Lord Jesus Christ divided the ministries and established *Christ-Centered Kabbalah*.

She has also been studying the authentic Jewish Kabbalah of several Rabbinic scholars, including *Moses Nachmanides* (Ramban), *Moses Cordovero* (Ramak) and *Isaac Luria* (The Ari) since the year 2000. She has read many of the English translations of their writings, including *Ramban's The Gate of Reward*, *Ramak's Pardes Rimonim* (*Orchard of Pomegranates*), and *The teachings of the Ari*, as written by his student, *Chayyim Vital*, in *The Tree of Life: The Palace of Adam Kadmon*, and *The Gate of Reincarnations*.

Sheila Vitale received the call to study *kosher* Jewish Kabbalah in August of the year 2000 while evangelizing in Greenville, South Carolina. At that time, the Spirit of God directed her to read and study the teachings of Rabbi Luria, as written by his student, *Chayyim Vital*, in *The Tree of Life: The Palace of Adam Kadmon*. She could not understand it, but

continued to read anyway. Shortly thereafter, she saw an angel enter into her, and the eyes of her understanding began to open. Pastor Vitale attributes her ability to understand and teach authentic Jewish Kabbalah and *Christ-Centered Kabbalah*, which she believes is beyond the grasp of the human mind, to the Lord Jesus Christ.

She often cautions her students about the dangers of Qabalah that is not kosher. She asks everyone who would like to know more about her to please note that all Kabbalah is not kosher (authentic). Pastor Vitale teaches *authentic Kabbalah, which glorifies God*, and she shuns the *occult Qabalah* of personal power, which, all too frequently, is used to control unsuspecting persons, acquire wealth by spiritual power, or punish one's enemies.

She continues today to manage *Christ-Centered Kabbalah* and to write and teach about *authentic Kabbalah and Christ-Centered Kabbalah*.

BEGINNINGS, INSPIRATION AND CALLING

Sheila Vitale was born into a Jewish family, and began her spiritual journey as a child when her mother enrolled her as a student in an Orthodox Hebrew school. She also attended synagogue on Shabbat during that time, where she experienced the Spirit of God for the first time. Such a deep longing for God was stirred up in her that she wept. She was touched so profoundly that she became desperate to attend yeshiva (Jewish high school) but her parents could not afford to send her.

She became very ill around the age of 11, and has battled with chronic illness ever since. (Her most recent struggle against premature death came in 1990, when she

spent three months in the hospital.) Her illnesses led her to cry out to God, seeking a deeper understanding of what was happening to her.

Much later, as an adult, after years of searching, she, once again, experienced the Spirit that had brought her to tears, but this time it was in *Gospel Revivals Ministries*, a Pentecostal church where Deliverance Ministry was emphasized. She had desired a deeper understanding of Scripture since her early years, so she began to attend church regularly. She read at least one Chapter of the Bible every day, but did not understand what she was reading. Scripture was difficult for her, and she struggled with the task. After about six months, however, while reading the Bible, she saw a vision of the angel with the little book described in Chapter 10 of the Book of Revelation, Verse 8. She began to understand the Bible after that, but several more years had to pass before she began to receive Revelation knowledge of the Scripture.

Sheila Vitale studied the Bible and Deliverance Ministry for about seven years under the teaching of *Charles Holzhauser*, the Pastor of *Gospel Revivals Ministries*, in Mount Sinai, NY. Sometimes she attended as many as five teaching services each week, as well as studying for endless hours to gain key insight into her faith. She also edited *Pastor Holzhauser's* books during that time. After that, she studied independently under the influence and direction of the Holy Spirit, before founding *Living Epistles Ministries (LEM)*.

She began to learn authentic *Lurian Kabbalah* in October of 2000 and to teach it in 2001. After that, in November of 2002, she began to teach Kabbalah creatively. Thus, after serving 12 years with *LEM*, she undertook a second mission and founded *Christ-Centered Kabbalah*, which emerged as a vehicle for the publishing and distribution of her unique brand of Kabbalah.

WRITINGS AND WORK TODAY

Sheila Vitale's signature work is the three volumes of *The Alternate Translation Bible: The Alternate Translation Of The Old Testament, The Alternate Translation of the New Testament* and *The Alternate Translation of the Book of Revelation*. *The Alternate Translation Bible* is an esoteric translation of the Scripture, and is not intended to replace traditional translations. *The Book of Revelation* and several other books that Pastor Vitale has written have been translated into Spanish.

She is currently submitting CCK books for retail sale through *Barnes & Noble*. Paperback and digital versions of the books are also available at Amazon.com and the official CCK website. She also has an *Author's* website which displays all of her books, as well as several photographs of her and a short bio. She also writes for the *Blog* on the CCK website, where a detailed review of radio talk show host, Alex Jones', interview of Louis Farrakhan is posted. She has also delivered hundreds of messages, many of which have been transcribed and may be viewed free of charge on the *Christ-Centered Kabbalah* website.

She also continues to publish and make a wide range of Biblical translations and educational materials available for free on the CCK official website, as well as providing free video lectures to the public through *the Christ-Centered Kabbalah YouTube channel*. She also has another YouTube channel called *Short Clip by Sheila R. Vitale*, where she posts short, focused messages which average 15 minutes each.

PASTOR VITALE TODAY

Sheila Vitale serves a range of ecclesiastical, educational, and administrative functions from her headquarters in Port Jefferson Station, New York. Operating in the Offices of Evangelist, Prophet, Teacher of Apostolic Doctrine and Pastor, she continues delivering her powerful messages on a range of topics, from movie reviews and social commentaries to esoteric interpretations of the Scripture, Torah, Messiah, Noah, Judgment, Science, Ascension, Immortality and Reincarnation and Pagan & Judeo-Christian Spiritual Roots.

She has dedicated her life to studying and teaching Judeo-Christian spiritual principles, and continues to focus daily on studying, teaching and writing. In February of 2016, she joined other *CCK* teachers to dedicate a new *CCK* Building in Gray Court, South Carolina.

She is also a philanthropic individual who supports numerous charitable organizations, including *Feed the Children*, *Judicial Watch*, *World Vision*, *Lighthouse Mission*, and *The International Fellowship of Christians and Jews*. She also helps local groups such as the *Terryville Fire Department*. In her spare time, Pastor Vitale enjoys watching movies, attending plays and partaking of cuisines from different cultures. An avid traveler, she has visited numerous countries in Europe and Africa as well as many cities in the United States.
