TRANSCRIPT OF MESSAGE #877 - Part 1

1 CORINTHIANS, CHAPTER 11 - AT

*This Message Has Been Transcribed and Edited For
Clarity, Continuity Of Thought, And Punctuation By
The CCK Transcribing and Editing Team.*

EXHORTATION

Salvation: A Life For A Life

I have always wondered what the Scriptures meant in the Book of John, when he says, *There will be two resurrections: one unto life and one unto condemnation, and, If you do not believe that Jesus Christ is the Son of God, you are already condemned.*

Jn 5:28-29

²⁸ MARVEL NOT AT THIS: FOR THE HOUR IS COMING, IN THE WHICH ALL THAT ARE IN THE GRAVES SHALL HEAR HIS VOICE,

²⁹ AND SHALL COME FORTH; THEY THAT HAVE DONE GOOD, UNTO THE RESURRECTION OF LIFE; AND THEY THAT HAVE DONE EVIL, UNTO THE RESURRECTION OF DAMNATION. **KJV**

Jn 3:18

¹⁸ HE THAT BELIEVETH ON HIM IS NOT CONDEMNED: BUT HE THAT BELIEVETH NOT IS CONDEMNED ALREADY, BECAUSE HE HATH NOT BELIEVED IN THE NAME OF THE ONLY BEGOTTEN SON OF GOD. **KJV**

Today I understand what it means. We are all condemned. This world is hell. We are all condemned to die. Death is not a part of life, that is a lie that is perpetrated from other religions. Death is not a part of life, but we are down here in the realm of death, so death is a part of this world, which is hell. The Scripture says, ***He who does not believe that Jesus is the Son of God is condemned***, and what it means is that there is no change in your life. We are all condemned. We are born into hell, condemned to die from our first breath. We remain condemned, but those who can believe that Jesus Christ is the Son of God have the opportunity to depart from hell and enter into eternal life.

In the King James translation, it sounds like you are not condemned ***now***, that you are all neutral out there. Maybe you never heard that Jesus is the Son of God, and everybody is neutral, and somebody comes in and evangelizes you and says, ***Did you know Jesus is the Son of God?*** If you say, ***No, I do not want to believe that***, you are condemned to hell. No, you are already here. What it means is that you have just cut off the only means of escape from yourself.

I thank God for that understanding, and I thank God that He would lower Himself to speak to mere human beings. That is just amazing. He speaks to us for the purpose of saving us, because salvation is not a simple laying on of the hands; ***salvation is the exchange of a life for a life***. The laying on of hands in the initial salvation experience is just the beginning. We are saved when He gives us His life in the form of His Son, Christ Jesus in the midst of us. Christ, the hope of your glorification; that is the salvation. That is why He died.

Col 1:27

²⁷ TO WHOM GOD WOULD MAKE KNOWN WHAT IS THE RICHES OF THE GLORY OF THIS MYSTERY AMONG THE GENTILES; WHICH IS CHRIST IN YOU, THE HOPE OF GLORY:
KJV

Jesus is not the replacement for animal sacrifices. He died to this world so that He could ascend into a higher life form which is able to reproduce spiritually. Unless we are impregnated with His Son, and unless that Son comes to term, there is no deliverance from this realm of hell for the whole person, including our physical bodies. Because of the grace and mercy of God, He takes us in pieces. If He cannot get all of us, He will take our human spirit, and then if He can, He will take our soul also, which is our personality. But it is the full intention of the Lord Jesus Christ to save all of us: of the individual, and all the people to the fullest degree that He can. That is the reason He speaks to us.

We are down here in hell. We have a confused mind. Our thoughts are the exact opposite of God. We can never, ever understand His message to us. He wrote us a long letter, called the ***Bible***, and He said, ***I want to talk to you, because the only way of escape is through a relationship with Me***. The only way an invisible, disembodied spirit can have a relationship with a human is by sharing ideas. You cannot go out and play golf or do any activity together; it is an agreement of mind.

Jehovah sent Jesus to speak to us, because no one listens to Jehovah. Even Israel did not listen to Jehovah; those souls that experienced Jehovah at Mount Sinai did not listen to Jehovah. That is how reprobate we are, so He sent Jesus to talk to us. He sent a man.

Jesus said to Father Abraham in the parable of Lazarus and the rich man, *Even if one rose from the dead, they will not believe.* Believe what? That they are not God themselves. That they are not in control. That they cannot keep themselves alive, that they just live by the mercy of God.

Lk 16:30-31

³⁰ AND HE SAID, NAY, FATHER ABRAHAM: BUT IF ONE WENT UNTO THEM FROM THE DEAD, THEY WILL REPENT.

³¹ AND HE SAID UNTO HIM, IF THEY HEAR NOT MOSES AND THE PROPHETS, NEITHER WILL THEY BE PERSUADED, THOUGH ONE ROSE FROM THE DEAD. **KJV**

Seventh Day Message

This is a mature ministry, and we have the seventh day message. We have the message from the seventh day; the seventh 1,000 year of creation in which God intends to restore humanity to the immortality of innocence. He intends to restore our innocence. He intends to restore our spiritual virginity; He intends to restore our righteous mind, and that means we will still be able to die if we sin (fall down) from that exalted place.

There is an eighth day, and the eighth day is the day of circumcision. That is the day when we have a full Jesus experience. Jesus was a fully formed spiritual man that departed from a physical body, and the physical body died. That is the experience we have in the eighth day. We can be in the seventh day of creation and still have a physical body, but our soul will be alive, and our soul will be restored to a place where it cannot die unless we sin. That exalted condition of our soul will keep our physical body alive until the eighth day, the day of circumcision; the day that the body is circumcised off us and the spiritual body that already exists underneath is liberated.

Paul clearly said that we are waiting for a body to clothe us, and the body that is clothing us is not clothing us from the outside, but from the inside.

2 Cor 5:2

² FOR IN THIS WE GROAN, EARNESTLY DESIRING TO BE CLOTHED UPON WITH OUR HOUSE WHICH IS FROM HEAVEN: **KJV**

We will be fully-fitted with our spiritual body before our physical body comes off. We do not lose the physical body and then say, *Where is my spiritual body?* Our spiritual body will be fully established within us before the physical body is circumcised off of us. That is what happened to Jesus. The soul of Jesus of Nazareth did not die from the crucifixion. He left His physical body, and it died not from the crucifixion, but because the Spirit of Life departed from Him. That is the eighth day experience.

We are having the seventh day experience, which is perfect doctrine, meaning *the message as God intends it to be understood* perfect doctrine delivered by the Spirit of Christ. That is the seventh day doctrine. We are from the future; we are the beginning.

You Need A Teacher

The reason Paul spoke in parables is because you cannot explain spiritual truths to people who are in their carnal mind. They will not even sit to listen to you; they cannot understand it. For years I have been preaching what Paul is really saying in 1 Corinthians, Chapter 11, but I never knew that what I was preaching was in the Scripture.

This is what I think is going on: As some of you may know, if you listen to the New York meetings, there was a woman who studied with me for more than 20 years, who I had to put out of the ministry a couple of months ago. It did not make me happy, but the Lord clearly told me either it was her, or Him and me, and that if I did not put her out He would leave me, so I really had no choice.

What was this woman's problem? I do not mean to insult her by calling her *this woman*, I just do not want to put her name in this message. Her problem was that she had an intense experience with God, which she vows was so important to her, although it had happened years and years ago, and that she absolutely refused to believe that the Lord put her under a teacher. She refused to understand the foundational message of my ministry.

What I preach you do not see a ministry like this in the Church today. You see teachers with disciples. You see it in Judaism, you see it in Hinduism, you see it in Buddhism. But every time it has ever happened in Christianity, it has turned out to be a cult, at least the ones that I know about. They make headlines in the newspaper. The teacher has you committing suicide and drinking Kool-Aid, or is sexually abusing all the children in the group. That seems to be the way it has gone in the past, because either God has not raised the leader up, or the leader was corrupted.

But, to go on to experience the fullness of the spirituality that Jesus is inviting us to, He said, ***You need a teacher to get you there.*** The people outside of this room probably would not believe it; it is the truth anyway. That is how He has decided to do it because the carnal mind cannot receive the truth of God.

The woman that was put out of the ministry, because she did not hear it directly from God, has resisted me for more than 20 years in pretty much everything that I have taught, other than what her carnal mind agrees with. I do not think that she birthed Christ. I do not think this situation could exist if Christ had been born in her. She actually made this demand of God: ***I want to hear it directly from You and not from a teacher, and I will not accept it any other way.***

For more than 20 years (I think since 1992 or '93) she has been making this demand. She has come to me and demanded that I explain to her things that she could not understand. I remember one day distinctly, saying to her, ***If I could help you to understand it, and if I could make you understand it, I would do it. I am not holding anything back from you. Your problem is that you want to hear it directly from God, and He is not speaking to you directly. He is speaking to you through me. And because of your rebellion, you cannot understand what I am saying.***

This is what you need to do if there is something that you cannot understand that I am teaching. You go before the Lord and you say, ***Lord, I cannot understand it. Help me to***

understand what Pastor Sheila is saying, honestly expecting that I am telling you the true word of God. If it turns out that I am mistaken, when you humble yourself and admit that you cannot understand me, the Lord will come to me and correct me. But if you go before the Lord and say, ***Lord, that does not sound right to me. If Pastor is right, show it to me. If she is not right, correct her***, there is no way He is talking to you. I have been preaching this for more than 20 years: there is no way that a disciple will correct the teacher that He raised up, because those are the rules.

It got to the point that she challenged me on an issue regarding something that the Lord specifically told me to do, so she had to leave. I believe this message is for her. I do not know whether she is listening to my messages on YouTube or not, but this is going out in the spirit. The Lord told me that she has been pounding on heaven's door wanting an explanation as to what has happened to her.

Dream & Interpretation - No Place To Go

One of the brethren had a dream a few weeks ago. ***In the dream, Pastor Sheila was getting ready to preach. There was a theatre, and there were chairs. There was a woman sitting in the first or second row. Her face was red with a rash, and she was all upset over what had happened to her. In the next clip she was up on the stage preaching, getting bigger and bigger and bigger until she became a giant, and then she collapsed, and they called for a doctor to help her.***

My interpretation of the dream is that this woman (who this message is for) is very, very upset because there is no other ministry; there are no other places to go. It is obvious that the anointing has not diminished here in the ministry. The messages are through the sky, and she is sitting at home or going to some carnal church. In the dream she was all puffed up in her own image, seeing herself as a preacher, and when she actually got up on the stage, she collapsed. Meaning, whatever she was thinking of herself is being proven that it is not true. A doctor was called for her because she spiritually collapsed. I do not know whether she physically collapsed (in real life) or not, but spiritually, her whole world has collapsed.

The Lord told me this morning that she has been banging on heaven's door demanding to know what happened to her; asking Him, ***How this could happen?*** The message that I have been preaching for all of these years that I just explained to you, is actually explained in the Scripture, in 1 Corinthians, Chapter 11. I am so excited to find out what Paul really was talking about. It is written in heavily veiled terms. Nobody could understand what Paul was saying without the Spirit of God, and it is the message that I have been given; it is the Lord's answer to her. The Lord apparently has not left her (and I believe we will find out as I preach it), but it seems to me that she is going to go one of two ways as a result of this message: either she is going to repent, or the way it looks to me now, she is about to lose the Holy Spirit. I have been preaching that for a long time.

Emotionalism Of The Holy Spirit

The Holy Spirit carries the female seed. Once the seed grafts to you, the emotionalism of the Holy Spirit departs, because now you are a married woman, and you are pregnant. If you want,

you can liken it to human life to understand it: When you are dating, you are going out with your boyfriend, or your husband (if you are newly married), and you are dancing and having a ball and lots of fun. Then you get pregnant, and you cannot do those things anymore. You cannot physically do those things anymore. Sometimes you are not feeling well, and sometimes you just mature and start saving money because you have a baby coming. Your whole life changes when you get married.

The Holy Spirit is the courtship it is all the emotionalism and fun of the courtship. I had a lot of fun when I was in *Gospel Revivals*. I would bang my tambourine, and I danced and we had lots of fun. Today I am happy, but it is hard work. It is a completely different lifestyle; it is very hard work.

After the courtship, you marry. I am instead, or in the place of Christ. He is invisible; He is inside of me. He is speaking to you through me. It is no longer the Holy Spirit that you have your own personal relationship with you still have that in there, but with regard to your instruction and everything you have to learn to enter into spiritual manhood and to ascend spiritually, He is speaking through an image, and I am the image. I am not the image of the beast, but I am the image of the Christ to you while I am preaching. And she could not accept that. So now she is out in the cold banging on heaven's door, and here is the Lord telling her one more time through a teacher, but through the Scripture. If she cannot get this message; and I am not doing anything to her, I am just telling you that I believe she is going to lose the Holy Spirit, because she would never give it up voluntarily.

You lose the emotionalism of the Holy Spirit when the seed grafts to you. You could be a liberated woman women are very liberated in this country today but when you get married, God says, *The man is the head of the household*.

1 Cor 11:3

³ BUT I WOULD HAVE YOU KNOW, THAT THE HEAD OF EVERY MAN IS CHRIST; AND THE HEAD OF THE WOMAN IS THE MAN; AND THE HEAD OF CHRIST IS GOD. **KJV**

Hopefully in today's world, especially if both people know the Lord Jesus Christ, they should be able to come to an agreement on everything. If you both hear from the Lord, there should not be any struggles between the two of you. But if you both do not hear from the Lord and there is struggling, the man makes the final decision. If it turns out that the man is making the wrong decision, you need to do with your husband exactly what I just told you that you do with me.

First of all, you have to submit to his decision. Then you have submit yourself to the Lord, and say, *Lord, help me to understand what he is doing that I do not understand*. If your heart is right before the Lord, if you want peace with your husband, and it turns out that he is wrong, the Lord will speak to him. That is the way it works. There is no excuse for fighting: there is no excuse for fighting in the Church, and there is no excuse for fighting in the home. It is such a simple formula if you can just get a hold of your emotions and your pride. It is the formula for peace in your life, peace in your home, a healthy environment for your children, and everything that you put your hand to. That is the formula. That is how you do it. Of course, the exception is if the man is beating you to a pulp, God forbid, or incesting your children. That is a whole different story.

This is the position she is in. This is the Lord's answer to her through me, the teacher that she has rejected all of these years. Years ago I started telling her, ***You have got to give up Pentecost and move into the Christ-driven ministry***, and she has refused to let go of her authority in Pentecost. It is like a woman getting married and saying to her husband, ***I am equal to you. I have a career, you have a career; we both work. I bring money into the house, and I am going to do whatever I want***. That is what she has been doing for more than 20 years, and the Lord is saying to her, ***This is your last chance. I am showing it to you in the Scripture***. He is saying, ***If you will not give up Pentecost, if you will not give up the authority that you have in the Holy Spirit, you will lose it***. She is powerful in the Holy Spirit. I have seen her. She has prayed for me, and I have been delivered, but she is going to lose it, and then she will have nothing. She will not have the Holy Spirit, which is a spiritual cover, and she will not have the cover of the spiritual male. That is not a good place to be, especially at this time.

That is what this is all about, and I am hoping that she is going to take the victory. The question is, ***Why was I so excited?*** Now I have settled down and I have my man hat on; I am not emotional anymore. But I walked in here all excited about this message, and I hope that it sets her free.

DREAM & INTERPRETATION

Disembodied Souls

Margaret had a series of dreams, for which I received the interpretation of last night. She actually had this dream a couple of weeks ago, the Lord just renewed it to me, and all three dreams are connected. It really excited me.

In the first dream there were several people, and it was nighttime, which means it is not in the light of the Word of God; it means that it is in this world. They were traveling on a plane, or she thought it was a hot air balloon, and they were over water. She was hoping that they did not land in water, but they did come down and landed in the water, a whole group of people, but they were not far from land, and one of them was pregnant.

What I think that means is that there are many disembodied souls that are a part of the body of Adam who fell. Adam was not a single entity. I am convinced that at the time of creation and on the other side of the Flood, the one that the Scripture calls mankind was a many-membered company, but they were all one soul.

We are a many-membered company, but we are all one soul in Christ Jesus in this ministry. When Adam died, he died in all of those beings, whatever they looked like at that time. There are many, many disembodied souls that are parts of Adam who died, that are waiting to be incarnated in the Church, but the Church is in such sin. And the Jews have rejected Jesus, so there are no people for them to be incarnated in. The Scripture says that Jesus is coming back with His tens of thousands of saints.

Jude 14

AND ENOCH ALSO, THE SEVENTH FROM ADAM, PROPHESED OF THESE, SAYING, BEHOLD, THE LORD COMETH WITH TEN THOUSANDS OF HIS SAINTS, **KJV**

1 Thes 4:16-17

¹⁶ FOR THE LORD HIMSELF SHALL DESCEND FROM HEAVEN WITH A SHOUT, WITH THE VOICE OF THE ARCHANGEL, AND WITH THE TRUMP OF GOD: AND THE DEAD IN CHRIST SHALL RISE FIRST:

¹⁷ THEN WE WHICH ARE ALIVE AND REMAIN SHALL BE CAUGHT UP TOGETHER WITH THEM IN THE CLOUDS, TO MEET THE LORD IN THE AIR: AND SO SHALL WE EVER BE WITH THE LORD. **KJV**

The doctrine in the Church puts the Scripture in Jude 14 together with the 1 Thessalonians 4:16-17, and they say, *We are going to be caught up, and forever we will be with the Lord, and then we are going to come back with Him*, but that is not what the Bible says. They are two completely different Scriptures. One Scripture is talking about the catching up, and the other one is talking about Jesus coming in clouds with all of His saints.

Jesus is coming in the clouds with all of His saints; *saints* meaning *holy ones*. He is coming with all of the soul parts from the original, righteous Adam who died, that can only incarnate in righteous souls. They are looking to incarnate in righteous people. What makes us righteous? That we are under the cover of, which means we are in submission to the Lord Jesus Christ. They are coming to incarnate by *ibur*, in the Church and in the Jews.

There are two kinds of reincarnation: 1) either the soul is born with the infant when the infant is born, which is the Hebrew word *gilgul*, or 2) the soul incarnates after birth, which is the Hebrew word *ibur*. Jesus is said to be incarnating by *ibur*. When someone receives the Holy Spirit and that seed grafts to them, that is Jesus incarnating by *ibur*; it happens after you already exist as a human.

Jesus is coming with ten thousands of His saints. I do not think that is a literal number, although it might be. The number 10,000 signifies wisdom. All of these soul parts of Jesus are coming to people who have acquired the wisdom that they can join themselves to. He is coming through wisdom, He is coming in His message. He is coming to the people that understand, or that are meeting Him through the commonality that they have, which is this message. He is not coming to the people who are waiting for the rapture. He is not coming to the people who are error in their mind.

Jesus is coming by *ibur*. He is incarnating by *ibur*, all of His many parts, because Jesus is the first and the last Adam. He is Adam, and He is coming again. Adam fully incarnated in the man Jesus of Nazareth, and Jesus of Nazareth became the first man to be delivered fully from hell, which is this world. Now He is coming back again with all of the other parts of His soul to incarnate in the Church, and the foundation for that incarnation is an agreement of mind through wisdom, which is doctrine.

Different Types of Soul Parts

In Luke 18:8, Jesus says, *When I come to earth again, will I find faith?*

Lk 18:8

⁸ I TELL YOU THAT HE WILL AVENGE THEM SPEEDILY. NEVERTHELESS WHEN THE SON OF MAN COMETH, SHALL HE FIND FAITH ON THE EARTH? **KJV**

What is faith? Faith is Christ in you. We do not have any faith. The natural man is not capable of faith, we only have hope, because faith is creative. Faith creates the world that you desire. Faith is Christ in you. The fallen man just has *hope* that faith will come to dwell in him, if we (the carnal man) do not kill faith when He comes to dwell in us.

The glorified Jesus Christ is coming again with all of His saints to the people who are prepared to receive Him, through wisdom. That means the Doctrine of Christ. How many people do you know (aside from us) that are prepared to receive Him? Maybe there are people I do not know about, but if that is the case, not many.

These are the people (the soul parts) in Margaret's dream. One of them was pregnant, which says to me that out of all of those soul parts that are coming to incarnate, one of the categories of that soul is already pregnant, or fertilized. The Scripture says that there are many types of soul.

1 Cor 12:14-20

¹⁴ FOR THE BODY IS NOT ONE MEMBER, BUT MANY.

¹⁵ IF THE FOOT SHALL SAY, BECAUSE I AM NOT THE HAND, I AM NOT OF THE BODY; IS IT THEREFORE NOT OF THE BODY?

¹⁶ AND IF THE EAR SHALL SAY, BECAUSE I AM NOT THE EYE, I AM NOT OF THE BODY; IS IT THEREFORE NOT OF THE BODY?

¹⁷ IF THE WHOLE BODY WERE AN EYE, WHERE WERE THE HEARING? IF THE WHOLE WERE HEARING, WHERE WERE THE SMELLING?

¹⁸ BUT NOW HATH GOD SET THE MEMBERS EVERY ONE OF THEM IN THE BODY, AS IT HATH PLEASSED HIM.

¹⁹ AND IF THEY WERE ALL ONE MEMBER, WHERE WERE THE BODY?

²⁰ BUT NOW ARE THEY MANY MEMBERS, YET BUT ONE BODY. **KJV**

Paul is saying, *Some are the foot, some are the hand, some are the ear*. Every soul that is incarnating will not do the same thing for the deliverance of mankind from death. We have different kinds of jobs. In the dream, one of them was pregnant, which means one the categories of the soul parts that are coming are fertilized; they are already pregnant. For everybody else, you will just get the female seed, and then you study the Doctrine of Christ and hopefully the seed grafts. But there is a group of people, that when *ibur* takes place in them, when they get touched by God, they are immediately going to be both male and female, which means they are going to grasp this doctrine, and they will be teachers. Maybe those are the Jews who are Kabbalists. They

understand spiritual principles. They understand a lot of what I am talking about, and because their mind is prepared for it, they will be able to grasp the message right away, as soon as the Lord can convince them to put down their pride and receive the truth.

A Single Seed

The second clip of the dream was really bizarre. There was a woman who climbed up the ladder to a high-rise diving board, and dove off. The only problem was there was no water in the pool, but there was ground. It was not cement, it was ground. The woman dove off and hit the earth; she hit the ground, but it was bizarre because she came up with her head above ground, and she was buried in the earth up to her neck.

When I read that, my first thought was that it was some type of punishment for death. I know that in medieval times that was one of the ways the authorities would kill a murderer; they would bury them in the ground up to their neck, and either they would throw stones at their head, or they would just leave them there and they would die slowly. I do not remember the exact details, but before they would die from starvation, the fact of the body being buried under the earth somehow would deteriorate or collapse the organs, and they would die.

Then the dream says, ***But there were people coming to save her, and she had her arms extended out.*** The thought that came to me was the Scripture about the everlasting arms.

Deut 33:27

²⁷ THE ETERNAL GOD IS THY REFUGE, AND UNDERNEATH ARE THE EVERLASTING ARMS: AND HE SHALL THRUST OUT THE ENEMY FROM BEFORE THEE; AND SHALL SAY, DESTROY THEM. **KJV**

Her head was above the ground, and her arms were above the ground, but what was bizarre was that her head was flat. You would think, ***Well, she hit the earth and it flattened out her head.*** The whole thing did not make any sense, until the Lord told me that this is the Malchus, the female seed that Jesus sent down to incarnate inside of earthen humanity. That is how difficult it is for the seed of the Lord Jesus Christ to actually take root and begin to do what it was supposed to do.

In the first clip, those were all the seeds of the Lord Jesus Christ that were about to incarnate; that was a group picture. Now we see the picture of a ***single seed*** of what actually happened before she got on the plane. She had to ascend very high she came from a very high spiritual place and then she took a dive. In other words, she was sent into the earth forcibly, and that is what the Scripture says. The Hebrew words indicate that the seed was forcibly driven into the earth. (See Message Series #18, ***A Place Teeming With Life***)

The description of her experience is similar to a dream that I had years ago; a recurring dream. In the dream, there were beings; they were sort of human. It reminded me of when I was in Puerto Rico, which was years and years ago. I was on the beach of the hotel where I was staying, and there was the ocean, and there was a cyclone fence in the ocean. A cyclone fence is a fence that is made of wires woven together with holes in it. These strangers were out in the ocean, and

they came up to the cyclone fence, and they had their eyes on the people, which was the Church, just playing games and having fun by the resort hotel. And they dove all the way down to the lowest level so that they could get under the cyclone fence, and they came up on the other side and swam to shore. It was that kind of an experience that this woman had through the earth, which is impossible for a human being, that she dove into the earth even though it was solid, swam through it all the way to the bottom, and came up on the other side with her head first. You would think that her head was flat because she hit the earth, but her head was flat, symbolically, because it became the receiving airport.

I used to preach about the airport, that the Lord Jesus Christ is descending, and we had to ascend to the sixth energy center in order to make contact with the Lord Jesus Christ. If we did not get up that high when He came (maybe it was to the fourth energy center in the heart), we would not receive reunion with Him, because we had to be high enough. He is not coming all the way down; He is only coming down so far, and we had to get up to this height to reach Him.

The woman's head was flat, meaning that she had the ability to be the receiving airport for the Lord Jesus Christ when He descended. Here she was in the earth of a human (this is a parable), and her arms were stretched out. Also, she was trembling, Margaret said, as if there was something wrong with her, that you would think she was brain damaged. She was behaving almost like she was insane.

Malchus, The Female Seed

I believe the Lord has told me over the years that the *Malchus*, the female seed that is propelled into the earth, has made a terrible sacrifice for us. We can get a taste of that in one of the first messages I preached, which is Message #18, *A Place Teeming with Life*. Even several years ago when we redid the alternate translations in the Book of Genesis, I did not understand the pain when I read about the seed of God that was under the earth. It is a horrifying experience for a spiritual being to be trapped inside of a physical body. She was almost insane from the experience, and crying out to God to save her. Only God can save her by coming to the person that she is trapped in and convincing them (hopefully) by pleading with them.

God pleads with us so that He does not have to punish us. He pleads with us that we should obey Him, that He does not have to hurt us, but if we do not obey Him, He will hurt us. Why? Because His female seed is inside of us, and she is crying out to Him for help, and He will not turn deaf ears to her. The female seeds were the Hebrew children that cried out to Jehovah from Egypt. The Scripture really does not say children it was the spiritual seeds inside the Hebrew children that cried out, because the Israelites that they were inside of, or that they were buried in, were worshipping and becoming pregnant by the gods of Egypt.

It is the Malchus that gets pregnant; either she is joined to the Lord Jesus Christ or she is joined to Egyptian gods. She was being married to Egyptian gods by the people that she was buried in, and she was almost insane from the experience of actually living inside of a fallen person with a carnal mind. I experience that sometimes. When I have to deal with someone's carnal mind, I feel like saying, *Get me out of here, Lord!* When you are up against a mind that is so unreasonable and irrational that you cannot deal with it, you have to leave. I have had people in the ministry

with a mind like that. Actually, the woman that I had to put out of the ministry has a mind like that. I do not mean to insult her. I am just telling you the truth. I told her to her face, *There is something wrong with your mind.*

When a person has a mind that is so irrational that you cannot reason with them, the only hope of peace is for that person to submit to the person that has the mind of God, and if they completely refuse to submit to the person that is in authority, the person in authority has no choice but to put them down.

Romans, Chapter 13 tells us, *No matter what or who you are, if you are in a position of authority, God has put you there.*

Rom 13:1

¹ LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS. FOR THERE IS NO POWER BUT OF GOD: THE POWERS THAT BE ARE ORDAINED OF GOD. **KJV**

This is true for anyone in a legitimate authority; you do not have to know God. Wherever righteous authority is manifesting, God is with that person. You can only rebel to a certain point, and when the stability of the home, of the ministry, or of the country is at risk, anyone thinking straight thoughts (maybe not the righteousness of God, but anyone thinking rationally) will have to put you down to save the whole: your family, your marriage, the ministry or the nation. You have to do it, otherwise no one will survive.

When it comes to that point in a ministry like this, and the person refuses to submit, they have to leave. I do not have any authority (not even that I want it) to put people in jail or to discipline them in any way that would hurt them, because punishment hurts you in the hope that you will not do that anymore. Since I do not have the authority to do that, she had to leave. And now she is crying out to God, saying, *Here I am. I have nothing. It is the end times. Everything is coming down to hour zero and the anti-Christ is going to appear, Jesus is going to appear, and I am here. I am not even part of a body, I have no one to talk to.* She is banging on heaven's door asking, *How could this happen to me?* Today, this message is the Lord's answer to her.

I will just tell you that if Christ Jesus speaks out of me today, and it is determined that she is to lose the Holy Spirit, you do not have to agree with me. But if you have heard the messages, if you know what is going on and righteousness rises in your heart, you can be a part of the judgment that is coming down today. Maybe the judgment will be positive, I do not know, but a judgment is an acknowledgement, that, at the very least, this is your choice. If it will be more than that, I do not know, we will have to see when it comes out.

COMMENT: If the Holy Spirit leaves her, will there be something that will replace that Holy Spirit?

PASTOR VITALE: No. Then you are just without. But I think what you are getting at...

COMMENT: Can a negative Holy Spirit take that place?

PASTOR VITALE: Yes. If that happens, she will be left without anything, and she will be open to being forcibly married by one of those sons of God that we read about in Genesis 6, *And the sons of God looked upon the daughters of men and took as many as they wanted for wives.*

Gen 6:1-2

¹ AND IT CAME TO PASS, WHEN MEN BEGAN TO MULTIPLY ON THE FACE OF THE EARTH, AND DAUGHTERS WERE BORN UNTO THEM,

² THAT THE SONS OF GOD SAW THE DAUGHTERS OF MEN THAT THEY WERE FAIR; AND THEY TOOK THEM WIVES OF ALL WHICH THEY CHOSE. **KJV**

That is going on today, so she will be open to being forcibly married, or married by kidnap, to an evil angel. This is very serious. I am sort of glad you brought that up, because it emphasizes how very serious her condition is. It is amazing that the Lord loves her enough to go to this degree, that He has not cut her off yet.

Also, I am excited to understand 1 Corinthians, Chapter 11, because Paul talks in parables. The Lord does not try to explain spiritual things to carnal people. Not only is it a waste of time, but they will lay hold of it and corrupt it. They will turn it into something that it is not, and they will use it to bring people into bondage. The Lord does not want His Word used so that someone can go forth and say, *I am the representative of God, and now you are all going to serve me, and I am going to sleep with all the virgins, and sleep with all of the men*, whatever they do in these cults. He does not want His Word used like that. But this is the meaning that the Lord gave me. I never could have made this up.

Souls Being Sent To Those Who Are Called

This is the third clip of Margaret's dream:

There are two people that have recently called me in Minnesota, and they said they are in the ministry. I have not had any contact with them since our first conversation, but the words that I said to them when they called me were, *You were called here years ago. Where have you been? What happened to you?* I actually said those words to them, which were in Margaret's dream.

I think that these two people are types. The Lord has brought them in, and I hope that they stay, because they are very lovely people, and I know they are called to the ministry. For whatever their own personal reasons, they have been out there floating around all these years. And one of them has been severely physically afflicted, I am sorry to say, so I hope that they are back. I think they were just archetypes in Margaret's dream of the people that have been called to this message, that did not come.

After I got this interpretation of her dream, I started thinking, *There are more people coming in now. Is it people who were here and left, or is it people that the Lord spoke to but never got here?* I am wondering who is going to be coming in now, because the hour is very late. But I guess there are people, there are those souls in the first clip of the dream that landed in the

water; they landed in the astral plane, but not far from land. That means they were swimming around in the astral plane before they were able to contact the person that they were supposed to incarnate in and attach to them. That is what is going on now, and I guess the people who were called who could not make it in, who were overcome by their own carnal mind, or who were influenced by other people to not come in, the Lord is giving them that seed.

That was the whole dream. Those were the souls entering into this realm, and they were diving into them at great cost; almost brain damaged to their own sanity. They were actually diving into someone who was being ruled by their carnal mind. And there are others out there, that because they could not make it, the Lord is now giving them this additional soul.

You all may remember my testimony, that when the Lord commissioned me to study Kabbalah, I could not understand it, but when I understood that the Lord wanted me to read the book, that I could not understand a word of it. When I obeyed, another soul entered into me, and I still had to study, but at least when I studied, I could understand it. Before I was reading it and I just did not know what it was talking about.

All of the souls that we see in Margaret's dream are being sent to the people who are called, but could not come. They are getting an additional soul at great risk to their own lives and sanity, and all of these seeds are Jesus Christ. These seeds, that are almost insane from the experience of being propelled into a vessel that is being ruled by their carnal mind, it is really Jesus dying for us over and over again. We will see who the Lord brings in. It was a very interesting dream. The hour is very late.

1 CORINTHIANS, CHAPTER 11, KING JAMES

¹ BE YE FOLLOWERS OF ME, EVEN AS I ALSO AM OF CHRIST.

² NOW I PRAISE YOU, BRETHREN, THAT YE REMEMBER ME IN ALL THINGS, AND KEEP THE ORDINANCES, AS I DELIVERED THEM TO YOU.

³ BUT I WOULD HAVE YOU KNOW, THAT THE HEAD OF EVERY MAN IS CHRIST; AND THE HEAD OF THE WOMAN IS THE MAN; AND THE HEAD OF CHRIST IS GOD.

⁴ EVERY MAN PRAYING OR PROPHECYING, HAVING HIS HEAD COVERED, DISHONOURETH HIS HEAD.

⁵ BUT EVERY WOMAN THAT PRAYETH OR PROPHECYETH WITH HER HEAD UNCOVERED DISHONOURETH HER HEAD: FOR THAT IS EVEN ALL ONE AS IF SHE WERE SHAVEN.

⁶ FOR IF THE WOMAN BE NOT COVERED, LET HER ALSO BE SHORN: BUT IF IT BE A SHAME FOR A WOMAN TO BE SHORN OR SHAVEN, LET HER BE COVERED.

In its worst scenario, we have people putting physical, kerchief-type head coverings on women.

⁷ FOR A MAN INDEED OUGHT NOT TO COVER HIS HEAD, FORASMUCH AS HE IS THE IMAGE AND GLORY OF GOD: BUT THE WOMAN IS THE GLORY OF THE MAN.

⁸ FOR THE MAN IS NOT OF THE WOMAN: BUT THE WOMAN OF THE MAN.

That does not mean she is supposed to wash his clothes and have sex with him. Not that that is bad, but that is not what Paul is talking about here.

⁹ NEITHER WAS THE MAN CREATED FOR THE WOMAN; BUT THE WOMAN FOR THE MAN.

¹⁰ FOR THIS CAUSE OUGHT THE WOMAN TO HAVE POWER ON HER HEAD BECAUSE OF THE ANGELS.

¹¹ NEVERTHELESS NEITHER IS THE MAN WITHOUT THE WOMAN, NEITHER THE WOMAN WITHOUT THE MAN, IN THE LORD.

¹² FOR AS THE WOMAN IS OF THE MAN, EVEN SO IS THE MAN ALSO BY THE WOMAN; BUT ALL THINGS OF GOD.

¹³ JUDGE IN YOURSELVES: IS IT COMELY THAT A WOMAN PRAY UNTO GOD UNCOVERED?

¹⁴ DOTHS NOT EVEN NATURE ITSELF TEACH YOU, THAT, IF A MAN HAVE LONG HAIR, IT IS A SHAME UNTO HIM?

We see men being thrown out of the Church because they have long hair.

¹⁵ BUT IF A WOMAN HAVE LONG HAIR, IT IS A GLORY TO HER: FOR HER HAIR IS GIVEN HER FOR A COVERING.

¹⁶ BUT IF ANY MAN SEEM TO BE CONTENTIOUS, WE HAVE NO SUCH CUSTOM, NEITHER THE CHURCHES OF GOD.

¹⁷ NOW IN THIS THAT I DECLARE UNTO YOU I PRAISE YOU NOT, THAT YE COME TOGETHER NOT FOR THE BETTER, BUT FOR THE WORSE.

¹⁸ FOR FIRST OF ALL, WHEN YE COME TOGETHER IN THE CHURCH, I HEAR THAT THERE BE DIVISIONS AMONG YOU; AND I PARTLY BELIEVE IT.

¹⁹ FOR THERE MUST BE ALSO HERESIES AMONG YOU, THAT THEY WHICH ARE APPROVED MAY BE MADE MANIFEST AMONG YOU.

²⁰ WHEN YE COME TOGETHER THEREFORE INTO ONE PLACE, THIS IS NOT TO EAT THE LORD'S SUPPER.

²¹ FOR IN EATING EVERY ONE TAKETH BEFORE OTHER HIS OWN SUPPER: AND ONE IS HUNGRY, AND ANOTHER IS DRUNKEN.

²² WHAT? HAVE YE NOT HOUSES TO EAT AND TO DRINK IN? OR DESPISE YE THE CHURCH OF GOD, AND SHAME THEM THAT HAVE NOT? WHAT SHALL I SAY TO YOU? SHALL I PRAISE YOU IN THIS? I PRAISE YOU NOT.

²³ FOR I HAVE RECEIVED OF THE LORD THAT WHICH ALSO I DELIVERED UNTO YOU, THAT THE LORD JESUS THE SAME NIGHT IN WHICH HE WAS BETRAYED TOOK BREAD:

²⁴ AND WHEN HE HAD GIVEN THANKS, HE BROKE IT, AND SAID, TAKE, EAT: THIS IS MY BODY, WHICH IS BROKEN FOR YOU: THIS DO IN REMEMBRANCE OF ME.

²⁵ AFTER THE SAME MANNER ALSO HE TOOK THE CUP, WHEN HE HAD SUPPED, SAYING, THIS CUP IS THE NEW TESTAMENT IN MY BLOOD: THIS DO YE, AS OFT AS YE DRINK IT, IN REMEMBRANCE OF ME.

²⁶ FOR AS OFTEN AS YE EAT THIS BREAD, AND DRINK THIS CUP, YE DO SHEW THE LORD'S DEATH TILL HE COME.

²⁷ WHEREFORE WHOSOEVER SHALL EAT THIS BREAD, AND DRINK THIS CUP OF THE LORD, UNWORTHILY, SHALL BE GUILTY OF THE BODY AND BLOOD OF THE LORD.

²⁸ BUT LET A MAN EXAMINE HIMSELF, AND SO LET HIM EAT OF THAT BREAD, AND DRINK OF THAT CUP.

²⁹ FOR HE THAT EATETH AND DRINKETH UNWORTHILY, EATETH AND DRINKETH DAMNATION TO HIMSELF, NOT DISCERNING THE LORD'S BODY.

Meaning that they are still condemned; they are going to remain condemned. It is not that they are going to be condemned; they are condemned now, and they will continue to be condemned because they cannot recognize Christ in another man.

³⁰ FOR THIS CAUSE MANY ARE WEAK AND SICKLY AMONG YOU, AND MANY SLEEP.

³¹ FOR IF WE WOULD JUDGE OURSELVES, WE SHOULD NOT BE JUDGED.

³² BUT WHEN WE ARE JUDGED, WE ARE CHASTENED OF THE LORD, THAT WE SHOULD NOT BE CONDEMNED WITH THE WORLD.

³³ WHEREFORE, MY BRETHREN, WHEN YE COME TOGETHER TO EAT, TARRY ONE FOR ANOTHER.

³⁴ AND IF ANY MAN HUNGER, LET HIM EAT AT HOME; THAT YE COME NOT TOGETHER UNTO CONDEMNATION. AND THE REST WILL I SET IN ORDER WHEN I COME. **KJV**

I have heard of people taking this chapter literally, saying that the people in Corinth were coming together for communion, and that some had food to eat and others did not. That is not true at all.

This whole chapter is upside down. Verse 17 should be Verse 1. The translators just did not have a clue as to what Paul was talking about, and this is how they translated it, but Verse 17 should actually be the beginning of the chapter.

MALE & FEMALE ROLES

The Male Instructs The Female

1 Cor 11:1

¹ BE YE FOLLOWERS OF ME, EVEN AS I ALSO AM OF CHRIST. **KJV**

Paul is saying, *Everything I tell you, everything I do in this life, I am not doing it with my own mind. It comes out of Christ who dwells in me.*

Verse 1, Alternate Translation:

1 Follow me as I follow Christ.

1 Cor 11:2

² NOW I PRAISE YOU, BRETHREN, THAT YE REMEMBER ME IN ALL THINGS, AND KEEP THE ORDINANCES, AS I DELIVERED THEM TO YOU. **KJV**

Verse 2, Alternate Translation:

2 I praise you for reminding me of all the traditional ordinances that you were given to keep.

Now I praise you, brethren, that you remember me in all things, and keep the ordinances, as I delivered them to you. I praise you for reminding me of all the traditional ordinances that I

gave you to keep; all of the traditions of the Church. What is Paul talking about? Paul was a Pharisee of Pharisees. Before he became a follower of Christ, he was all into the traditions; the Greek word translated *ordinances* means the *law of ordinances*, which was removed from the Jews in Christ.

I praise you for reminding me... Why are the Corinthians reminding Paul of all the traditional ordinances that were given to them to keep? Because they did not like what he was saying, because he was speaking to them spiritually and telling them that they have to go beyond the letter of the law. He says to them, *Thank you for reminding me of the traditional ordinances; thank you for reminding me of what the law says. I understand what the law says.*

What does the Hebrew law say? It says that the man is preeminent, and there is no way that a woman could rise into any kind of authority or power. I will tell you again, when the Lord raises up a physical woman in authority or power, that is between Him and the physical woman. It does not change her relationship with her husband, or the physical male who is still the head of the household. That is a spiritual office. It is not conditional; even if you think he is doing something wrong, and you do not like him it is not conditional. We do not like Obama; He is still president for another two months (hopefully). That is an office, and you cannot take that away from him. However, if he is mistreating his wife or his children, the Lord will deal with him.

So ladies, you are not powerless if you are a person of God. You are not powerless in the hands of an ungodly man. You do have recourse through the Lord, so you have absolutely no excuse to rebel. Rebellion is the sin of witchcraft and there is no justification for it at all.

Male & Female Souls

1 Cor 1:3

³ BUT I WOULD HAVE YOU KNOW, THAT THE HEAD OF EVERY MAN IS CHRIST; AND THE HEAD OF THE WOMAN IS THE MAN; AND THE HEAD OF CHRIST IS GOD. **KJV**

Verse 3, Alternate Translation:

3 *However, I prefer that you should know that Christ is the head of every male (435), and the male is the head of the woman, and God is the head of Christ,*

Paul is saying, *Thank you for reminding me about the law. However, I prefer that you should know that Christ is the head of every male.* Now I am going to teach you a new way, a spiritual way.

However, I prefer that you should know that Christ is the head of every male. I say Strong's #435, because the King James says *man*, and it is Strong's #435, but further down, it is a different word that means *man* (Strong's #444), and it is also translated *man*. You cannot tell the difference in English, and Strong's #444 is talking about *Christ in full stature in a person.*

However, I would prefer that you should know that Christ is the head of every spiritual male (435), and the spiritual male is the head of the woman, and God is the head of Christ. Forget about the law, which makes it very easy: if someone has a physical male body, he is in charge; if someone has a physical female body, she cannot do anything. She cannot go up into the pulpit. Amongst the Orthodox Jews, they separate; the women sit on one side, the men sit on the other side. Women cannot get up, cannot preach from the beamer, and they cannot touch the *Torah* (the scroll); they cannot do anything.

Paul is saying, ***But I would prefer that you would know the spiritual way. That is not that I am a physical male that you listen to me, or that I speak to you with authority, but that Christ is the head of every male.*** I am a male to you because Christ is in me and because I am in submission to Him.

However, I prefer that you should know that Christ is the head of every male, and the spiritual male is the head of the spiritual woman, and God is the head of Christ. What the Lord is saying, is that, for spiritual purposes, we are not looking at bodies anymore. We are looking for the person that is inhabited by Christ. The sign that a person is inhabited by Christ is that they are in submission to God, and the one who is the spiritual female really does not have the ability to be in submission to God, because you can only be in submission to God when you have Christ.

The way the spiritual woman submits to God is by submitting to the human that is in submission (the human that has Christ), and through that Christ, is in submission to God. The Lord is saying, ***Now that we are becoming spiritual, the only way we can submit to God, and get all of the blessings of submitting to God, is by discerning the body of Christ recognizing Christ; not the physical body of Christ, but by discerning the spiritual body of Christ inside of a human, whether male or female.*** If that person truly has Christ, and is in submission to Christ within them, they are then in submission to God, and when you submit to them, you are in submission to God, and receive all of the blessings and protection that comes from submission to God.

Male & Female Head Coverings

1 Cor 11:4

⁴ EVERY MAN PRAYING OR PROPHESYING, HAVING HIS HEAD COVERED, DISHONOURETH HIS HEAD. **KJV**

This became a big issue in the Church, because Jewish men wear yarmulkes, they wear head coverings. But that is not what Paul is talking about.

Verse 4, Alternate Translation:

4 Every male who prays [to another God], or prophesies [by the spirit of another God] covers [Christ, his] head and dishonors him,

If you have Christ inside of you and you are praying to another god, that means you are a spiritual male that is disgracing the Christ in you. What is not said here is that He will bring you

under judgment, or you will kill him, one or the other. That is what the Lord said to me, because I had been under the impression that I could not put anyone out of the ministry, and I had preached that many times, which actually emboldened this woman. I really believed it, that I could not put anyone out of the ministry, that it was up to the Lord, but apparently I had the authority to put her out of the ministry. It got to the point that the Lord said to me, ***If you do not put her out of the ministry, I am going to leave you. It is either her or me.*** He said that in front of witnesses.

Every male... that would have been me, ***...who prays...*** not that I was praying, although I was praying to another god in that I was in submission to this lie in my mind that I did not have the authority to put her out of the ministry when who knows what she was praying, or who knows the degree to which she was hurting the anointing. Who knows the degree to which she was responsible for all of my torment, when I would find myself struggling to hear from God because there was some interference.

Actually, I did not see this when I was bringing it forth, but I will repent to the Lord right now for submitting (prayer is submission). I was submitting to another god that was telling me I did not have the authority to put her out of the ministry and bring peace to the ministry. I repent to that, and I know this message means that I am forgiven, so I thank you, Lord.

1 Cor 11:5

⁵ BUT EVERY WOMAN THAT PRAYETH OR PROPHESETH WITH HER HEAD UNCOVERED DISHONURETH HER HEAD: FOR THAT IS EVEN ALL ONE AS IF SHE WERE SHAVEN. **KJV**

The term ***shaven*** is referring to ***slavery***. In the Old Testament, nobody took prisoners of war. When you went to war, you went to war in the towns. In this country, we have not had war in a couple of hundred years. But war has raged in the cities of Iraq, and the cities of Afghanistan, et cetera. In the Old Testament, when you went to war, you killed all of the men and all of the male children (even if they were just babies), and you took the women and children as slaves, or you took the young boys, castrated them and made eunuchs out of them. That is what you did, there were no prisoners of war.

Jehovah gave an instruction to the Israelite soldiers: ***When you are at war with another country, whether you start it or they start it, and you see a woman that you fancy, you can take her and bring her into your home as a concubine.*** This is the rule that you are going to follow: She is going to shave her head as a sign that she has given up her other life and has left it behind her, and is now in submission to you. And you can have sex with her, but you have to take care of her. There is no provision in the Old Testament for abusing women, for sleeping with women, or raping women and leaving them. You had to take them and you are responsible for them. This is what shaven means, it is a sign of slavery.

Verses 4, 5, Alternate Translation:

4 Every male who prays [to another God], or prophesies [by the spirit of another God] covers [Christ, his] head and dishonors him,

5 And every [spiritual] female who prays [to another God], or prophesies [by the spirit of another God], dishonors [Christ], the head of the spiritual male that God gave to be an authority over her], which puts her in the same spiritual condition as someone who is still enslaved by the powers of this world,

Alternate Translation, Verse 4, *Every spiritual male who submits to another God dishonors Christ inside of him. And every spiritual female who prays to another God, because she is not submitting to the spiritual male, dishonors Christ, the head of the spiritual male that God gave to be an authority over her...* If God has put you under a teacher, and you do not submit to the teacher, you are not only dishonoring the teacher, you are dishonoring Christ in the teacher, *...which puts that spiritual woman in the same spiritual condition as someone who is still enslaved by the powers of this world.* The whole suggestion there is that we are all enslaved; we are all condemned, and when Christ comes, He is our way out. He is our way of escape. The Holy Spirit is just the beginning; it is the seed. There is no escape by the seed. We have to get that seed grafted, and Christ has to be formed in us.

He is saying, *You are saved, but until Christ is formed in you, He is putting you under a spiritual teacher who has Christ formed in them, and when that spiritual teacher is in submission to Christ, who is in submission to God, if you are a spiritual female, you are under protection until you have the same experience.* But if you do not submit to the spiritual male that the Lord put you under, you might just as well have not even received the Holy Spirit, because if you do not submit to the spiritual man, it is just a matter of time until an evil angel of this world marries you, and then you will be forced into the submission of a pagan god.

If you are not in submission to the spiritual male, you might just as well not even have the Holy Spirit, because the Holy Spirit cannot cover you. Of course, as soon as you start studying the spiritual doctrine, you go up into another spiritual plane. Why are the evil angels not taking all of the people in the Church that do not have a spiritual teacher? They have started to take them, but let us go back 50 years: why are the people with the Holy Spirit, or the Baptists, or the Lutherans not taken by pagan gods? Because they are not spiritually ascended.

Spiritual, or deep doctrine raises you up into the astral plane where these other gods live and dwell, and then they just pick you off like fruit on a vine. There is a protection from God that says they cannot come down here, unless you are sowing something that is evil. If you are living simply, going to church every Sunday living for God to that degree there is a heaven there that these entities cannot come down through, because the Lord is honoring your degree of faith. Once you start learning spiritual doctrine, you start growing up, and you pierce through that heaven. You have to pierce through the astral plane to get to the Kingdom of God, which is on the other side, and when you pierce through, there you are in the astral plane, in the spiritual realm with no cover. It is just a matter of time until another god will take you. The only reason you can be captured by another god is because the Lord Jesus Christ gave you a cover and you rejected it from him or her.

Alternate Translation, Verse 5, *And every spiritual female who prays to another God, or prophesies by the spirit of another God, you do not have to know that you are doing it ...dishonors Christ, the head of the spiritual male that God gave to be an authority over her, which puts her in the same spiritual condition as someone who is still enslaved by the powers of this world.* In other words, your Holy Spirit is not even doing you any good, because the Holy Spirit cannot

protect you against other gods, and if there is a spiritual male over you, that means you are learning ascended doctrine, so that means you are spiritually ascended, but you are rejecting the cover that God gave you, and you are open to be one of those women that are married by the sons of God in Genesis 6.

Basket Of Deplorables

COMMENT: It is very interesting what you were sharing yesterday about what was happening in Israel, and just to see that this message is coming forth. The text that you sent about what was happening in Israel and the bringing together of the Muslims, and the Jews, and the Christians.

PASTOR VITALE: The ecumenical council, yes.

COMMENT: Yes. And it is interesting to see how the Doctrine of Christ is being preached the way it is; that we have that covering that is coming forth, and they are rejecting that.

PASTOR VITALE: Yes. I was listening to a Baptist preacher last night, I do not even know how I wound up listening to him, but he is very educated for a Baptist preacher. He was really, really right on, and he had some interesting information. I will share two of those things with you. First of all, he shared that it is an ancient Celtic rite to take prisoners and criminals once a year, put them in a basket, and burn them alive with that basket. So I now realize, and I do not think he realized it when he was saying it, that that is what Hillary was talking about when she said that the people that follow Donald Trump are a ***basket of deplorables***. She was cursing us all, saying that we were the criminals and the ne'er-do-wells of this world that deserved only to be burnt as a sacrifice to a pagan god. We continue to break all those curses in Jesus' Name.

Hillary had to have a knowledge of that pagan rite, and I believe that she is not a Christian, at the very least. The second thing, which is what Jesse is referring to, is that the pastor seemed to have some information that the press had, that did not get out I did not even hear it on Michael Savage's show that it came out of the wind that there was an ecumenical meeting of Christians, Jews, Buddhists and Hindus, and I think Pope Francis was heading it up. It started in August, I think August 25th, and it ended yesterday. They all got together to find out what they had in common so that they could decide who would be the god of the new world religion. The one world religion is about to be born, and I am waiting for a press release to see who they are going to declare this God to be so that there should be no more fighting over religion. Of course, we know their god is Lucifer. We do not know what they will call him. But yes, that was going on and it ended yesterday. That is what Jesse was talking about.

It Is Better To Submit

1 Cor 11:6

⁶ FOR IF THE WOMAN BE NOT COVERED, LET HER ALSO BE SHORN: BUT IF IT BE A SHAME FOR A WOMAN TO BE SHORN OR SHAVEN, LET HER BE COVERED. **KJV**

Verse 6, Alternate Translation:

6 *Because [the judgment upon] a spiritual female who is not in submission to the spiritual male, who is in submission to Christ, his head, is to lose the gift of the Holy Spirit: wherefore, it is better for the spiritual woman to be in submission to a spiritual male, who was in submission to Christ, his head, then to be without the Holy Spirit,*

Because if you do not come into submission, you are going to lose the Holy Spirit, so you are much better off coming into submission.

1 Cor 11:7

⁷ FOR A MAN INDEED OUGHT NOT TO COVER HIS HEAD, FORASMUCH AS HE IS THE IMAGE AND GLORY OF GOD: BUT THE WOMAN IS THE GLORY OF THE MAN. **KJV**

The Lord taught me a long time ago that the word *glory* means *opinion*, and that is how we will use it here.

Verse 7, Alternate Translation:

7 *Indeed, the spiritual male, who is in submission to Christ, his head, should indeed, not be in submission to the spiritual female, because Christ, who is the image of God, has the opinion of God, but the spiritual woman can only reflect the opinion of God by learning it from the spiritual male that she submits to, because you cannot learn it if you are not in submission.*

When I first started preaching, the woman (that I had to put out of the ministry) would come to me terribly frustrated that she could not understand certain principles, and I was telling her, *Those are the cherubim in the garden*. This is the fruit of the Garden of Eden that I preach. You cannot get past the cherubim, which are in your own mind, if you are not in submission to me. You cannot understand it. For several years, I did not want to give this message out to anybody. I did not want to be responsible for non-believers laying hold of the power of this message.

We went onto YouTube (we have been on YouTube for almost two years now), and I realized how silly that was of me. The Lord just tolerated it until we were ready to go public. But it was not necessary at all, because we are all over YouTube, and no one can even recognize us because the warrior cherubims in their own mind are stopping them from entering into the garden. Even though we are on YouTube, and it is as public as can be, only the people who can discern the body of Christ are going to come to this message, and all the others are either going to pass it by or condemn it. We have had a couple of comments, maybe three, and they are all negative. One woman said, *Convolutd*. They all think it is crazy. I just realized, it is the same reaction that people have to tongues: it is just gibberish, it makes no sense to them at all. So there is no danger of this word being laid hold of by the wrong person. They cannot get into the garden.

Indeed, the spiritual male, who is in submission to Christ, his head, should indeed, not be in submission to the spiritual female, because Christ, who is the image of God, has the opinion of God. But the spiritual woman can only reflect the opinion of God by learning it from the spiritual male that she submits to... which means, if you are not in agreement with the person

that is in submission to Christ, you are the one that has the opinion of another god that is in your carnal mind.

Woman Out Of Man

1 Cor 11:8

⁸ FOR THE MAN IS NOT OF THE WOMAN; BUT THE WOMAN OF THE MAN. **KJV**

Verse 8, Alternate Translation:

8 Because the spiritual male does not come into existence from the spiritual woman, but the spiritual woman comes into existence from the spiritual male,

Because the spiritual male... the spiritual male is Christ ...does not come into existence from the spiritual woman... or, because of the spiritual woman. ...but the spiritual woman comes into existence from the spiritual male. The person that has Christ did not get it from someone who has the Holy Spirit ...but the spiritual woman who has the Holy Spirit, comes into existence from the spiritual male, which is the Lord Jesus Christ.

Woman Is The Companion

1 Cor 11:9

⁹ NEITHER WAS THE MAN CREATED FOR THE WOMAN; BUT THE WOMAN FOR THE MAN. **KJV**

Verse 9, Alternate Translation:

9 Neither is the spiritual male created by the spiritual woman, but the spiritual woman exists because of the spiritual male,

Neither is the spiritual male created by the spiritual woman... Paul is talking about Sophia ...but the spiritual woman exists because Adam Kadmon, the spiritual male, brought her into existence.

Because the spiritual male does not come into existence from the spiritual woman who has the Holy Spirit, but the spiritual woman who has the Holy Spirit comes into existence from the spiritual man, the Lord Jesus Christ... because you are a spiritual woman, because you have the seed of the Lord Jesus Christ ...who is a higher spiritual male.

Neither is the spiritual male... the one who has Christ, created by the spiritual woman. You, who have the Holy Spirit in you, you have the seed of Christ, you did not give Christ to another person ...but the spiritual woman exists... you are a spiritual woman because the Lord Jesus Christ sent you His seed. Because the human spiritual male does not come into existence

from someone who has the Holy Spirit. There is no person with the Holy Spirit that can give you Christ.

There was a minister who died a while ago who believed you can get into the most holy place by the laying on of hands. He thought he was in the most holy place, and he was going around laying hands on everybody. He died, and I think his son left the ministry, and the church is defunct now, because you cannot get Christ by the laying on of hands.

Because this human spiritual male does not come into existence from someone who has the Holy Spirit. You cannot have the Holy Spirit and lay hands on someone and make them spiritually male.

...but the spiritual woman who has the Holy Spirit, she comes into existence, not from the Lord Jesus Christ, but from the human spiritual male who has Christ. If I have Christ and you do not have anything, I can pray for you, and you will get the Holy Spirit. The same anointing that comes from me and falls on people that have Christ, becomes food for Christ, and it matures Christ in you. If this very same word falls on someone that does not have Christ, and does not have the Holy Spirit, what they will get is the Holy Spirit. The same seed will become the female seed to you if you have nothing, and you will become a spiritual woman that has the Holy Spirit. If you already have Christ, it will increase Christ in you.

Alternate Translation, Verse 9, ***Neither is the spiritual male created by the spiritual woman...*** Here we have the word ***created***, which was not in the first verse. Verse 8 was talking about human spiritual males and human spiritual females. Now we are talking about creation. ***Neither is...*** Jesus Christ, who is our Father, ***...the spiritual male created by Sophia...*** He is not created by Sophia, the spiritual woman, ***...but Sophia, the spiritual woman, came into existence because of Adam Kadmon, the spiritual male.***

Spiritual Marriage

1 Cor 11:10

¹⁰ FOR THIS CAUSE OUGHT THE WOMAN TO HAVE POWER ON HER HEAD BECAUSE OF THE ANGELS. **KJV**

Verse 10, Alternate Translation:

10 Because, if a spiritual woman is not under the authority of a spiritual male whose head is Christ, one of the evil angels will marry her and she will be neither a spiritual male nor a spiritual woman in Christ, but the concubine of an evil God.

1 Cor 11:11

¹¹ NEVERTHELESS NEITHER IS THE MAN WITHOUT THE WOMAN, NEITHER THE WOMAN WITHOUT THE MAN, IN THE LORD. **KJV**

Verse 11, Alternate Translation:

11 Wherefore, because of the difference between a spiritual male and a spiritual woman that I have just explained to you in the previous verses, the Lord Jesus does not desire that the spiritual woman should separate from the spiritual male.

It was not the will of God that the woman who was put out of the ministry should be separated from me, or from this ministry. It was not His will. He did it because He could not tolerate her rebellion; her rebellion was bringing chaos to the ministry. But it is not the will of God.

Wherefore, because of the difference between the spiritual male and the spiritual woman... which means you are vulnerable. A spiritual woman not under the cover of a spiritual male makes you vulnerable to being captured by another god.

Regarding the woman that was put out of the ministry, I actually put her out once before, and I was told that she spent a long time alone with the Lord reading the Bible, waiting to get the same revelation that I have with the Lord, but the Lord never gave it to her. To her I say, ***It is not the will of God that you should be separated. I am not going to give you direction to another church, I am not going to give you ministry, I am not going to give you revelation.*** The first time I put her out, she wound up in another church. She never repented, because she was completely convinced that God had a job for her. She went to this other church where she was trying to teach the pastor that this world is hell, and some of the basic principles that she does know. But I think that He has not directed her to another church, because if He lets her get away with that lie now, she will be destroyed in these last days. He must really love her, because she will be destroyed. When I say destroyed, it means she will be captured by another god.

The Whole Adam

1 Cor 11:12

¹² THE WOMAN IS OF THE MAN, EVEN SO IS THE MAN ALSO BY THE WOMAN; BUT ALL THINGS OF GOD. **KJV**

Verse 12, Alternate Translation:

12 Because even though the opinion of God is given to the spiritual women by the spiritual male, the spiritual woman is also a part of the whole (all) Adam, who is the son of God,

Because even though the opinion of God is given to the spiritual woman by the spiritual male, the spiritual woman is also a part of the whole (all)... the word ***all***, I have been translating ***whole***, for many years. The word ***things*** is not in the Greek. The word is ***all***, ***all*** or ***whole***. The King James translators almost always translate it ***all*** and they add the word ***things*** in to make it make sense.

...the spiritual woman is still a part of the whole Adam... because she has the seed of God through the Holy Spirit. She is still a part of the whole Adam, because that seed that she has is one of the parts that Adam broke into when He fell off the wall.

...the whole Adam, who is the Son of God. Adam is the Son of God.

Speaking to the woman that was put out of the ministry: You are still important. You are important if you have the Holy Spirit, but you are not yet developed to the point that you can cover yourself if you are engaging in spiritually ascending doctrine. The Holy Spirit will cover you if you are just dancing and singing and learning the incomplete doctrine of the Church, but you do not want that. You want ascended doctrine. You want to remain in that state of being in charge of yourself with ascended doctrine, and you cannot have both.

AUTHORITY IN THE CHURCH

The Carnal Mind vs The Christ Mind

1 Cor 11:13

¹³ JUDGE IN YOURSELVES: IS IT COMELY THAT A WOMAN PRAY UNTO GOD UNCOVERED? **KJV**

When I translated this verse, I said, *What is wrong with a spiritual woman praying?* We all have a right to pray. And the Lord said, *Paul is talking about praying publicly.* He is talking about officiating in the Church. He is talking about praying for the spiritual males and praying for the congregation, but from a position of authority.

Verse 13, Alternate Translation:

13 Judge for yourselves, is it proper that a spiritual woman should pray as an authority in the church when she is not in submission to a spiritual male?

1 Cor 11:14

¹⁴ DOTH NOT EVEN NATURE ITSELF TEACH YOU, THAT, IF A MAN HAVE LONG HAIR, IT IS A SHAME UNTO HIM? **KJV**

I gave you a definition of the Greek word *nature*, because you really have to see it to understand what Paul is saying here. The Greek word translated *nature* in Strong's #5449, and it means *growth by germination or expansion*, and that is Christ. The Holy Spirit does not grow; the Holy Spirit does not expand. The Holy Spirit is the Holy Spirit until it grafts to you. Once it grafts you, then it becomes Christ. Christ expands into six Sephirot.

NT:5449 - nature

[NT:5449](#) φύσις **phusis** (foo'-sis); from [NT:5453](#); growth (by germination or expansion), i.e. (by implication) natural production (lineal descent); by extension, a genus or sort; figuratively, native disposition, constitution or usage:

KJV - ([man-]) kind, nature ([-al]).

(Biblesoft's New Exhaustive Strong's Numbers and Concordance with Expanded Greek-Hebrew Dictionary. Copyright © 1994, 2003, 2006 Biblesoft, Inc. and International Bible Translators, Inc.)

Verse 14, Alternate Translation:

14 Has not the grafted Christ taught you that it is a disgrace for a spiritual male to have the opinion of the Holy Spirit, which is the long hair of the spiritual female,

Has not the grafted Christ... we are translating the word *nature, the grafted Christ*.

Has not the grafted Christ taught you... in the spiritual male that you are in submission to ***...that it is a disgrace for a spiritual male to have the opinion of the Holy Spirit?*** The *Holy Spirit* is a translation of *long hair*.

You will never believe how I got to this message. I started out by looking at the second translation of *Gilgamesh*, and I got to the phrase in *Gilgamesh* where he is incarnated with long, wavy hair, like the god of corn. I was praying about that, and it reminded me of the Book of Revelation, where there are locusts that have hair like women.

Rev 9:7-8

⁷ AND THE SHAPES OF THE LOCUSTS WERE LIKE UNTO HORSES PREPARED UNTO BATTLE; AND ON THEIR HEADS WERE AS IT WERE CROWNS LIKE GOLD, AND THEIR FACES WERE AS THE FACES OF MEN.

⁸ AND THEY HAD HAIR AS THE HAIR OF WOMEN, AND THEIR TEETH WERE AS THE TEETH OF LIONS. **KJV**

The suggestion of long hair is talking about an extensive spirit. The people that have the Holy Spirit do not understand. I do not have the Holy Spirit anointing anymore. You here in Minnesota do not have it anymore, either, that anointing that just flows out and touches people. The anointing that is here is a different anointing. The Holy Spirit people do not understand. There is one woman that I have in mind she thought that my doctrine was wrong, and she told me what I needed was to get the Holy Spirit.

That is what long hair is; it is the anointing. In *Gilgamesh* it said he had long, wavy hair. As soon as I hear the words *wave*, I was thinking, ***wave, not a particle***. It is a spirit that goes out and touches everybody. Strangers that would walk into this room, I do not think that they would perceive this anointing; they would just see us sitting around, with me teaching you. But when you

walk into a Holy Ghost-filled room, wow, it really touches you. It feels wonderful. I remember the first time I walked into a Holy Ghost-filled room. The people with the Holy Spirit do not understand us.

There was a preacher who died quite a while ago, his name was Ray Prinzing. I personally do not agree with his overall premise, which is ultimate reconciliation; that all human beings that ever lived will be saved. I believe that was his premise, and I really did not study enough with him to know if there was anything else that was of value. He must have had something, because he wrote a lot of books and he preached for a long time. He must have had something, that God raised him up, but that error covered everything else.

His testimony was that he was so persecuted by the Holy Ghost people, other preachers who had been his friends. He would go into their church and they would harass him to stand up and dance and jump and sing. Brethren, I jumped! I do not know how long I was there, somewhere between five and seven years I was in that church, and I jumped and I got slain in the spirit. I was very active, and I do not do that anymore. When we go to Connecticut in May, it is really hard for me to get up out of my seat and praise the Lord in that way. I just do not do it anymore.

You are not supposed to receive a commandment from someone on the stage saying, ***Stand up, raise your hands***, I hate that, because it is not real anyway. Maybe that is what you have to do with babies. I never had a church like that, so I do not know. But I know that I hate it, but I will try to obey so because I want to submit to the authority.

The Holy Ghost people think that people like us are backslidden. The people who run the church in Connecticut think there is something wrong with us; that we do not want to get up and jump and praise God. They think they are higher than we are, and actually, last year in May, they rebuked me. I sent them a DVD, and they rebuked me from the pulpit because they do not like that line-by-line instruction that I do. And the Lord shut down one of their services.

They only have six services; they lost a whole service. But to the pastor credit, she went before the Lord in front of everybody, asking Him what was wrong, and the next thing we know, she is coming over to our table where we were eating after the service ended. She stood on the other side of the table. She did not come near me, and she would not look at me, and her eyes were darting very strangely. She was saying, ***Yes, Pastor Sheila, she is a woman of God***; she was saying everything nice about me that she could. I do not know whether she understood fully.

Maybe she thought she insulted me. She did not insult me, she just is denying herself of what God wants to give her through me. It never occurred to me until now that maybe she thought she insulted me. I was not insulted that she rebuked me from the pulpit. I did not care. But, in any event, the Lord shut down a whole service, and if she did not hear what God was telling her, He would have shut down the whole conference. Because she did not insult me; she did not disgrace me we just read about that a few verses back. She did not disgrace me, she disgraced Christ in me, because that is His activity, that is what He does. The spiritual woman took authority over Him and tried to correct Him, and He did not correct her on my behalf, it was on His own behalf.

Has not the grafted Christ taught you that it is a disgrace for a spiritual male to have the opinion of the Holy Spirit? I do not think it means that. I think it means to be taught by, let us put

it that way. If she wanted to give me her opinion that we do not need this teaching she actually said from the pulpit, *All we need is the power.*

Has not the grafted Christ taught you that it is a disgrace for a spiritual male to be taught of the Holy Spirit, which is the long hair of the spiritual female? It is that long hair, that spirit that vibrates out from her, by which the spirit of an evil angel will braid itself together with. There is another Scripture in which Paul is talking about women; that they should not be braiding their hair.

1 Tim 2:9

⁹ IN LIKE MANNER ALSO, THAT WOMEN ADORN THEMSELVES IN MODEST APPAREL, WITH SHAMEFACEDNESS AND SOBRIETY; NOT WITH BROIDED HAIR, OR GOLD, OR PEARLS, OR COSTLY ARRAY; **KJV**

What he is really saying is that that Holy Spirit is very attractive to evil angels and it makes it easy for them to entangle their spirit with your spirit, because you have a spirit that is vibrating out from you at this time. You are very vulnerable to these evil angels that would braid themselves together with you and marry you.

1 Cor 11:15

¹⁵ BUT IF A WOMAN HAVE LONG HAIR, IT IS A GLORY TO HER: FOR HER HAIR IS GIVEN HER FOR A COVERING. **KJV**

In the English, this is very confusing. He is saying she should submit, or she is shaven, and now he is saying that her hair is a covering to her. The answer is in the spiritual understanding.

Verse 15, Alternate Translation:

15 But the spiritual female has the opinion of the long hair of the Holy Spirit as a covering, until she is assigned to a spiritual male for instruction,

But the spiritual female has the opinion of the long hair of the Holy Spirit as a covering... It is better to have the opinion of the Holy Spirit (at least you are reading the Bible), than to have nothing.

...until she is assigned to a spiritual male for instruction. It is possible for your carnal mind to have a right opinion. The problem is that when another male spirit comes, the understanding of your carnal mind will not stand. But if you are not yet assigned to a spiritual male, you are much better off reading the Bible. You know that abortion is wrong, homosexuality is wrong, transgenderism is wrong; that is the opinion of the carnal mind. The Bible says you should not do that. That is the opinion of the Holy Spirit.

The opinion of Christ is not different, but it is on a higher level. Homosexuality is wrong, not just because it says it in the Bible, but because the Lord Jesus Christ will not give His seed to a man that is engaging in that activity. It is wrong because you will remain condemned. You will abide in death and die here, and not only that, but the chances are, although it is not always true, that you will not have any children in this world, and there is no way you can go on.

The only purpose that we are here is to be married to the Lord Jesus Christ. There is no other eternal reason for our existence. Of course, there is a reason for us to be here, and we are here to help whoever God wants us to help, and do the good things that God wants us to do in this world. But there are a lot of other people that could do that. From a spiritual point of view, the only reason we are here is to be married to the Lord Jesus Christ, and you are denying yourself because He will not join with you engaging in that immoral behavior. He will not join with a woman engaging in that behavior either, but there is something special about males.

God wants the men. If you are a physical woman and He chooses you to become a spiritual male, praise the Lord, but ***it is totally unacceptable for a physical male to become a woman***. If you are a woman and you want to remain a woman, both in your natural life and in your spiritual life, that is OK. Just be honorable. That is what the Lord says. Just be a good woman, be honorable. If you are a physical male, however, there is no possible explanation for you to be either a physical or a spiritual woman. It is unacceptable to God. Why? Because He only connects Himself to the male. And you are the cover, the manhood of the country, of the world, of the Church. You are the cover of all the people that cannot connect to God. He is looking to the physical males first. You do not have any choice.

But the spiritual female has the opinion of the long hair of the Holy Spirit as a covering, until she is assigned to a spiritual male for instruction, which is her opportunity to become a spiritual male. Of course, the problem for physical women that have to become the spiritual male is that you really cannot have sex anymore. Paul says, ***If you are married, you should stay married***, but the chances of God killing your sex life are very great, in direct proportion to a spiritual growth. You reach a certain point, and it is just a total contradiction to be a spiritual male and be a physical female in the sex act. They contradict each other, and it is totally unacceptable to God for you to make your husband into a woman. It is just confusion. It is harder to be a spiritual male when you are a physical woman.

If you are not married when God calls a physical woman to be a spiritual male, the chances are that you are going to have to give up sex; I mean, I cannot prophesy with you, I am just telling you the odds. For example, when you go to a doctor and you have a disease, they give you the percentages, right? I am telling you, it is highly unlikely that you will get married, with God's permission, anyway. If you are a physical male, if you are not married, He may or may not let you get married, depending on the call on your life. But everybody, once you are married, you are supposed to stay married, and raise your family, and be faithful to your mate, but watch out for your sex life; as you get more and more spiritual, it is just not tenable. It is just not tenable to fly in these high realms of the spirit and engage in the act.

I do not want you to misunderstand me. I am always concerned people are going to misunderstand me. I am not against having sex, but the bottom line is that it is an act of the body, and it is an animal act, and God does not do that. God does not engage in that kind of activity, and

angels do not engage in that kind of activity. The closer you come to becoming an angel, the more you have to give it up. It is just common sense, unless your mind is blocking me out.

Doctrinal Disputes

1 Cor 11:16

¹⁶ BUT IF ANY MAN SEEM TO BE CONTENTIOUS, WE HAVE NO SUCH CUSTOM, NEITHER THE CHURCHES OF GOD. **KJV**

I am so excited in finding out what Paul is talking about here. I have another definition for you, of the Greek word translated *custom*.

[NT:4914*](#) συνήθεια, ας, ἡ (ἦθος)

1. a relationship in which the participants are compatible because of shared interests, **friendship, fellowship, intimacy** (Isocr., Aeschin. et al.; **ins, pap**) πρὸς τινα *with someone* (Polyb. 1, 43, 4; 31, 14, 3; Plut., Crass. 544 [3, 6]; PAmh 145, 10; Jos., Ant. 15, 97) [IEph 5:1](#) (συνήθειαν ἔχ. πρὸς τινα also Vett. Val. 228, 23). There is a close semantic relationship between 'being accustomed to one another' in the sharing of values in a personal relationship and

(from A Greek-English Lexicon of the New Testament and other Early Christian Literature, Third Edition. Copyright © 2000 by The University of Chicago. All rights reserved.)

The King James says, *But if any man seem to be contentious*, there is no Greek word that is translated *man*. The word means *anyone, if anyone*.

Verse 16, Alternate Translation:

16 But the people who quarrel over this issue, cannot share the friendship and positive relationships based upon shared interests, that the Lord intends for the churches of God to have,

But the people... if anyone ***...who quarrel over this issue...*** Saying, Is there such a thing as a spiritual woman? Do the people of the Holy Spirit have to submit to the those who have Christ? How do you know you have Christ, and who do you think you are, blah, blah, blah?

But the people who quarrel over this issue, cannot share the friendship and positive relationships based upon shared interests, that the Lord intends for the churches of God to have. The Lord does not intend for the Holy Ghost people to be judging the Christ people, or for the Christ people to be looking down on the Holy Ghost people. He does not want you fighting, saying, ***I have authority over you,*** or ***I do not have to listen to you,*** or ***I do not have to do what you tell me to do,*** or ***I do not have to believe what you tell me.*** We can agree to disagree; it is not the Lord's intention.

God's message is peace, and we have peace through submission to godly authority. If the authority is ungodly, you have to find out from God what He wants you to do. The whole Church world condemns Jacob for what he did to Esau, and what he did to Isaac, but they do not understand that it was not his physical mother telling him to do what he did, it was his spiritual mother, Binah, the Mother of Creation, telling him to deceive Isaac. Why? Because Isaac was not obeying God, and he was going to give the birthright and the blessing to a spiritual criminal, his son Esau.

This is a perfect example of what I have been telling you. When you are in the female position, in submission to the person that God has placed over you in Christ Jesus (physical bodies do not even matter); and if you have a problem with the authority: if it is your boss, if it is your government, whoever it is, your solution is to humble yourself before God. Ask Him to help you to understand why you are in contention with this authority, and if it turns out that the authority is wrong, the Lord will deal with that person.

He may not deal with that person right away, so you have to find out from God what He wants you to do. In the case of Jacob and Esau, Jacob did not want any part of deceiving his father. He was terrified that Esau, who was a soldier (Jacob was the scholar) would kill him. He did not want to disrespect his father, but Binah, the Mother of Creation (she is doing all the work of creation) came down and spoke to the scholar, who was seeking God through wisdom. Jacob was a plain man, the Scripture says.

Gen 25:27

²⁷ AND THE BOYS GREW: AND ESAU WAS A CUNNING HUNTER, A MAN OF THE FIELD; AND JACOB WAS A PLAIN MAN, DWELLING IN TENTS. **KJV**

Binah says, *I am speaking to your father. I am speaking to the authority over you, and he is not listening. He is going to give all the power and authority of his inheritance to Esau, a spiritual criminal, which is a disaster, and it will completely destroy Jehovah's plan to raise up the Church that is going to be the vehicle of salvation for all of humanity. If he gives that inheritance to Esau, that is the end of Abrahamic Israel, which is my second try* (at least as far as we know). There was Black Israel, now there is Abrahamic Israel. That is the end of Abrahamic Israel. It will be another couple of thousand years before He tries again. *So, go ahead and deceive your father.*

What is difficult for me, as a person, is to realize that even though Jacob did it (I believe) at the complete instruction of Binah, the Mother of Creation, he still reaped what he sowed. His brother still hated him, but when Esau came after him, the angel, Christ Jesus in the midst of him, protected him, and Esau did not kill him. At the River Jabbok, when Jacob was returning after 21 years with Laban, the angel in the midst of him that he was fighting with, saved him from Esau. But Jacob had that fear; he had that concern, and bad things happened to him. His daughter Dinah was raped. Bad things happened to him because he was still subject to the Sowing and Reaping Judgment of this world, because Jacob was still a fallen man and a sinner. The Mother of Creation could only protect him to the degree that she did not let him be killed.

That is the position that I am in for a lot of the things that I go through. The Lord has not permitted Satan to kill me, because I have work to do. But a lot of the painful things I go through,

it is because I have, and we all have curses on our lives. We are still reaping what we sow. The Lord is teaching me and I am learning how to accomplish what He wants me to accomplish without sinning against anybody. In the early years of my ministry, I was a very hard person, and I was not kind about revealing sin in people. I would condemn you while I revealed sin in you and it was true, I was unkind in the way that I did it. So I reaped what I sowed. My life is getting better and better as I understand what the Lord is telling me, and as He gives me the power to be a kinder person. So I just drop the ax with a kind word now. I am glad some of you laughed.

But the people who quarrel over this issue... The whole issue of the spiritual male and the spiritual female. You cannot possibly share friendship and positive relationships based upon shared interests. What are your shared interests? The Holy Ghost people and the Christ people do have a shared interest, the Lord Jesus Christ, our spiritual Father, and our commitment to the body of Christ, and to do whatever work God has raised us up to do for humanity.

But Paul says we cannot have a positive relationship with them, even though we have a shared interest, even though this is what the Lord intends for the churches of God to have. We have to stop attacking each other, and I have said this several times, that the Pentecostal Church seems to be the target for attacking the Christians. For some reason, many of the members of the Pentecostal Church, because they have this long hair, this outflowing of the Holy Spirit, and tongues, and the things that go with it, they have taken that way beyond what it is meant to be, and they have exalted themselves because of this outward show that they have. They attack everybody whose doctrine is different than theirs, because they have this outward show, this long hair that everybody can see (that is the whole concept of long hair; everybody can see your hair).

Everybody cannot see Christ in me. Christ is in the eyes, and you need to have discernment to see what is in somebody's eyes. But the Holy Spirit, it sets your feet a dancing, and everybody can discern that. The anointing that they have is frequently visible to unbelievers. When you walk into a true Holy Ghost meeting in a church (let us say you know nothing) and you hear that music playing, and people singing, full of glory, and banging their tambourines, some of them dancing in the Spirit, you would say, ***What is going on here? This cannot be bad; everybody is having a good time.*** You see people hugging each other. In a Christ-driven ministry, I have to stand between all the people killing each other. People fight in a Christ-driven ministry, and they are jealous, and all of their sins are exposed. But in a Holy Ghost ministry, they are all out there hugging each other and loving each other, having a wonderful time. Strangers walk in off the street, and they say, ***Hey, hey what is going on here? This is nice.***

People walked into our church when we used to do deliverance. There was this little house next door to the church with a retired couple, and they decided to come in to visit us one night. They walked in after the pastor had finished preaching, and we were in the midst of deliverance. There were people lying on the floor, people holding other people down, and this senior citizen couple walked in and they looked around at everybody lying on the floor, and people screaming, and they just left. That was no longer a Holy Ghost anointing; it is a part of the Holy Ghost, but it was a deliverance anointing. People do not want any part of that, and a lot of people do not want to sit for three hours and listen to a teacher teach. And most people certainly do not want their sins exposed until they are enlightened and understand that it is really for their benefit to receive it.

The Holy Ghost people, because they have this long hair, this positive expression of the Spirit of God, they think they have authority in doctrine, and most of their doctrine is wrong. Another group of people that started out as Holy Ghost people, the Jehovah's Witnesses (not the Mormons), Armstrong Church of God, a lot of those churches, they started out Holy Ghost and someone got a revelation, like I do. God gave them a revelation and a group of people followed them, and as soon as you get this Word of God, the Holy Spirit leaves you. So they are no longer dancing and jumping and speaking in tongues, and people who were still singing and dancing and jumping and speaking in tongues say, ***You are a cult.*** All you have to do is go on the internet and you see all of these denominations, and you would ask, ***Why are they a cult? I believe that.*** And, ***Why is this one a cult? I believe that too.***

They are not really wrong; they may have some wrong doctrine, but the basis upon which they left Pentecost, they are not wrong. Pentecost has more error than they have. But these Pentecostals have raised themselves up as the heroes, or the kings of God's Church, and they have made a lot of enemies, and they have hurt a lot of people. They have hurt themselves, because they have given glory to themselves. Now they are going to pay the big price, because for those that are still in that state, the true Holy Spirit is withdrawing, and they do not understand why the true Holy Spirit is withdrawing, and many of them will receive the false Holy Spirit and be captured, and become concubines. They are going to have their hair shaved; that long Holy Spirit that they were so proud of, that hair is going to be shaved, and they are going to become the concubine of the spirit that captures them.

1 Cor 11:17

¹⁷ NOW IN THIS THAT I DECLARE UNTO YOU I PRAISE YOU NOT, THAT YE COME TOGETHER NOT FOR THE BETTER, BUT FOR THE WORSE. **KJV**

Verse 17, Alternate Translation:

17 Now, it is my understanding that you are better off not gathering together because of this issue that I have just explained to you, and for this I do not applaud you,

In other words, it is better that you do not get together, than you are going to get together and fight with each other.

Now, it is my understanding that you are better off not gathering together, the Word people and the Holy Ghost people, because the Word people no longer have it in them to jump and dance, and those that are jumping and dancing do not want to sit for the teaching. So you are better off staying separate ***...and for this I do not applaud you.***

1 Cor 11:18

¹⁸ FOR FIRST OF ALL, I HEAR THAT WHEN YE COME TOGETHER IN THE CHURCH, THERE BE DIVISIONS AMONG YOU; AND I PARTLY BELIEVE IT. **KJV**

That is a very poor translation in the King James. I did not want to take the time to write all this up for you, but that word *partly*; it does not mean Paul does not *partly* believe it. He is saying, *You are all parts of the body. You are all parts of Adam that broke into many pieces, and every part does not have the same function. Every person does not have the same belief.* In other words, here in this ministry we believe things that are taught here are true, but a Pentecostal person could not receive it today. That does not make us wrong, and that does not make them wrong. Because the place where that part is, it is right. The place where these parts are, it is right. Paul is saying, *So why do not you just leave everybody alone, and rejoice in the Lord Jesus Christ?*

If you stop to think about it, it is sort of ecumenical, except that he is not saying that we need to get along with Christians, and Jews, and Buddhists and Hindus. You have to have something in common. That is what the Pope and other religious leaders were doing in August in the Old City of Jerusalem. They were looking for a commonality, and they were trying to decide which is the one true god. That is the commonality. And of course, they are coming up with the answer, Lucifer.

Those who truly worship the Lord Jesus Christ and understand that He is our Savior, that is our commonality. I have seen a lot of churches, though, that gather on that basis, and what is sacrificed? The person who is more advanced has to be sacrificed, because the person that is less advanced cannot come up where the more advanced people are. To join in commonality with other members of the Church, those who have the Word have to sacrifice the Word. We have to come together on the basis of the Holy Ghost, because the Holy Ghost people cannot understand us. When I go to the synagogue, I do not say one word about what I believe unless the Lord brings it out of my mouth, to His own glory. But I join them in their worship through the Holy Ghost. That is what we do when we go to Connecticut.

The Lord is saying to everyone here, and to anyone who is listening in, *Examine yourselves.* If there are some of you that are really not interested in going to Connecticut because you say, *What am I going to this Holy Ghost church for? They used to have good preachers but they do not even have good preachers anymore because they ran out of money.* (They do not really have their preachers anymore.) Why are you going there? Because I lead you there. No one is commanded to come, but I lead you there, for those who are willing to go, because God wants us in their midst, in the hope they will get something that will raise them up. We go undercover. I was undercover in the synagogue for years, and even after the Lord exposed me to the rabbi, he still could not believe who I was. I think this last book did it. He is getting a clue. I still go to the synagogue from time to time, and I have dinner at the rabbi's house, but I do not say anything unless he opens up the topic. We, who are the elders, have to sacrifice. We will get to that in the future verses. Paul said, *If any man hunger...* some are hungry. They are hungry for the Word.

1 Cor 11:34

³⁴ AND IF ANY MAN HUNGER, LET HIM EAT AT HOME; THAT YE COME NOT TOGETHER UNTO CONDEMNATION. AND THE REST WILL I SET IN ORDER WHEN I COME.
KJV

When we go to Connecticut, we enjoy being together, but we would much rather be listening to the Word. The preaching has not been very edifying for the last few years. We have to

sacrifice hearing this glorious Word while we sit in their service because we cannot be there in the midst of them, in the hope of God doing something for them, if we are so selfish that all that we want is the Word. That is a spiritual homosexual spirit; men who prefer the company of men.

I am talking about the traditional male/female relationship. Husbands sometimes have a problem, wives have a problem. Husbands sometimes prefer the company of men, and they think, *I am working hard and I am supporting you, what are you complaining about?* The wife wants the husband's company, but the husband does not want their wife's company. We used to see it on TV all the time. In the morning having breakfast, a man is reading the newspaper, and his wife is trying to talk to him I saw Lucille Ball in *I Love Lucy* when she grabbed the newspaper and she ripped it up into little pieces. Lots of times men cannot tolerate the conversation of their wives, and that is just the truth.

Somehow, gentlemen, you have to pray and find a way to communicate with your wife because she needs you. You have to put down your newspaper. If you have that problem, you have to set a time to pay some attention to her, even though she is talking about things that you could not care less about. You need to listen because she needs you, and because you married her, and she is the mother of your children. That is part of what it means to be a man.

Men that prefer the company of other men to the exclusion of their wives, and frequently their children, are spiritual homosexuals. It does not glorify God. That is part of being a man. When we go to Connecticut, we have the Word afterwards, because I, the spiritual male, pay the price of having a second meeting, and you pay the price of putting in the time. We are all exhausted at the end of that second meeting. That is the price that we pay to fulfill our commitment to the spiritual females in Connecticut, and still have something for ourselves. Being a male, physical or spiritual, is a tremendous responsibility. The Scripture says, *You are bought with a price*. You cannot live just for yourself anymore.

1 Cor 6:20

²⁰FOR YE ARE BOUGHT WITH A PRICE: THEREFORE GLORIFY GOD IN YOUR BODY,
AND IN YOUR SPIRIT, WHICH ARE GOD'S. **KJV**

You have to minister to the people that God sent you to. It is true in the natural, and this can go back and forth. In a marriage, there could be an area in which the woman is more accomplished than the man, or vice versa. Whoever is more accomplished in any area has to come down to where the other person is. If it turns out that the woman is more accomplished than the man in a particular area, in that area she is the spiritual male and he is the spiritual female. The man comes home from his job, and he wants to talk to you about his troubles at work, and you just want to talk about the baby and how many diapers you had to change today. Ladies, you have to give up all of your exciting talk about babies and diapers that he really is not interested in, and you have to listen to him talk about work. It is called *dying to self*.

Do you want a good marriage? Do you want a good relationship with your mother, your father, your uncle, your sister, your brother, whoever? Do you want good relationships with people? You have to find out what your commonality is, and determine whether or not you are male or female in that relationship, and submit yourself. Come down and talk to them on the level

they are at. If the other person in that relationship knows more than you do on any subject in the world, you need to shut your mouth and listen to the person who has authority in that conversation. The Lord is teaching us to be godly people, it is very important. You have to look around the room and find out what kind of a group you are a part of, and who is who, and not compete with the person that has the authority to speak.

This was another big problem that this woman had, the one who this whole message is for. We would go out in a group, and we would meet another pastor, or somebody where there was a ministry to that pastor, and she would speak up and try to overshadow me in the conversation. That is just one example, but it happens on every level of life.

I went with Sandra recently to a meeting of networking for businesswomen, and one of the women seemed to be very taken with me. We all exchanged phone numbers, you never know why someone is attracted to you. I got a message from her saying that if I was ever going to be in Grand Rapids, she wanted to meet with me. I was going to get my nails done, so I accepted her invitation, because I did not know what the Lord wanted to do or who she was. My position is, if a door opens, I walk through.

I made the appointment with her, and when I met with her, I found out that the only thing she wanted was to sell me her product. She said, ***Here is my product, I want you to take this for three days*** (they were some kind of vitamins), and she gave me full instructions. I did not fight with her. I went home. She texted me the other day, ***Did you take the vitamins?*** I said, ***No, I did not.*** She did all the talking she told me all about her product, and I just said, ***Uh-huh, uh-huh, uh-huh.*** I was hoping there would have been spiritual ministry for her, but there was not. Her whole purpose in inviting me was to sell something to me, so I said, ***Uh-huh.*** You have to be able to shut your mouth, and only open it when the Lord opens it for you, and then you will have peace in your life. Do you want peace in your life? Stop fighting for the preeminence. Make yourself very small.

Verse 18, Alternate Translation:

18 First of all, I hear that when you gather together in church, there are divisions among those of you who have different beliefs because of the different roles you are assigned in the body of Christ,

Everybody is not the same in the body of Christ, so you are all going to have different opinions based upon where you are on your spiritual growth.

When I was going to ***Gospel Revivals***, my prophecy was different than the other prophecy in the Church, because I think I had Christ from the beginning. There was a group of people that prophesied by the Holy Spirit that got a hold of the pastor, and they wanted him to rebuke me and stop me from prophesying because they said my prophecy was not of God. But the truth is, my prophecy was of Christ, and their prophecy was of their long hair. They thought I was not of God, but the pastor did not listen. He committed spiritual suicide anyway, from that very same woman. He fell prey to her.

Wisdom, The Male Anointing

1 Cor 11:19

¹⁹ FOR THERE MUST BE ALSO HERESIES AMONG YOU, THAT THEY WHICH ARE APPROVED MAY BE MADE MANIFEST AMONG YOU. **KJV**

The English translation is, *There do not have to be heresies amongst you,*

Verse 19, Alternate Translation:

19 Indeed, the anointing identifies the spiritual males among you who are approved to make you strong by speaking the truth, which destroys heretical doctrines.

Even if you know that you are the spiritual male, you should not fight over doctrine. If you are the spiritual female, you certainly should not fight over spiritual doctrine. You are supposed to be asking the Lord to help you to understand.

Indeed, the anointing identifies the spiritual males... Not long hair. They do not have long hair. They do not walk into the room and everybody starts dancing and singing; they do not have that. They have the anointing that is on the Word.

Indeed, the anointing identifies the spiritual males among you who are approved to make you strong by speaking the truth, which destroys heretical doctrines. Do you want to be delivered from heresy? Find out who is the spiritual male, and submit to him.

The Baptist preacher that I told you about earlier that I supernaturally was directed to last night, was really right on. One of the things that he said was, ***Do you think you can go to any church you want to?*** He says you cannot go to any church you want to. You need to get on your knees and find out which church God wants you in. The whole Church is filled with spiritual women who think they are in control. They think they can pick their own church, and whether or not they tithe; they think they can do anything they want. Even missing a meeting you really need to check with the Lord that you are missing a meeting. We do not have the problem here, but wherever you go, you cannot miss a meeting because you feel like playing golf that day. You have to answer to God.

The Church is not a playground; it is a very serious business. The Church has a responsibility towards the body of Christ, towards the nation that they live in and towards the world. This country and this world would never be in this condition if the Church was doing its job. The condition of this country (which I believe is the focal point, the foundation where Christ Jesus is rising from today) and the whole world is the direct responsibility of the Church. You hear a lot of Christians saying, ***I am going to repent on behalf of the other people out there;*** not the Church. ***I am going to repent for the people because of abortion and homosexuality, and the Lord said He is going to heal my land.*** No, you have to repent that you are remiss in your responsibility, and the responsibility of the Church to preach the truth to the powers and principalities that are in the people in this world. ***Oh, but I will lose all my people if I am no longer a tax exempt corporation.*** Either God holds you up, or you should not be preaching anyway.

1 Cor 11:20

²⁰ WHEN YOU COME TOGETHER THEREFORE IN ONE PLACE, THIS IS NOT TO EAT THE LORD'S SUPPER. **KJV**

The Lord's supper is communion.

Verse 20, Alternate Translation:

20 When you gather together, it is not to share the Word of God.

When you gather together... you are to gather together in the commonality of the Lord Jesus Christ. When different denominations come together, those with the Word have to come down to the highest level that the others can rise to. You have to come down to the Holy Spirit and to the carnal doctrine.

1 Cor 11:21

²¹ FOR IN EATING EVERY ONE TAKETH BEFORE OTHER HIS OWN SUPPER: AND ONE IS HUNGRY, AND THE OTHER IS DRUNKEN. **KJV**

Drunk in the Spirit. ***Drunken*** means ***spirit***; the spiritual activity of the Holy Spirit. ***Eating*** is referring to ***eating the Word of God***. When we come to church, we eat. We are all eating this food. When you go to a Pentecostal church, they are not eating food most of the time. Their main function is to experience the Spirit of God, which is supposed to be grafting the seed of God to you. It is not just fun, that is the purpose of it.

Verse 21, Alternate Translation:

21 But everyone believes his own doctrine before you come together: some are starving for the Word of God, and others lust with the emotionalism of the Holy Spirit.

There are too many different opinions.

1 Cor 11:22

²² WHAT? HAVE YE NOT HOUSES TO EAT AND TO DRINK IN? OR DESPISE YOU THE CHURCH OF GOD, AND SHAME THEM THAT HAVE NOT? WHAT SHALL I SAY TO YOU? SHALL I PRAISE YOU IN THIS? I PRAISE YOU NOT. **KJV**

Verse 22, Alternate Translation:

22 Is this not true? Do you not have your own local churches to share doctrine and experience the Holy Spirit in? Why must you disrespect other members of the Church of God who do not believe as you do, and shame those who do not have what you have?

Shame those that do not have the Holy Spirit.

Immortality & The Carnal Mind

1 Cor 11:23

²³ FOR I HAVE RECEIVED OF THE LORD THAT WHICH ALSO I DELIVERED UNTO YOU: THAT THE LORD JESUS THAT SAME NIGHT IN WHICH HE WAS BETRAYED, TOOK BREAD: **KJV**

I did not translate these few verses. That is the main thrust of it. What Paul is saying is that Christ Jesus is everything. He said when Christ Jesus comes to all, you will all agree on everything. When Christ Jesus grows up within everybody, then you will agree. This is not the time to agree. You should not be attacking each other. Just come together in the love of the Lord Jesus. The elders have to come down in the celebration to where the youngest are, or you will not have anything in common at all. And those of you who are elders, that are making this sacrifice, you need to know that in the future, everyone will have Christ Jesus, and then you will all be the same. Or at least you will be able to respect each other.

There is no point in fighting, because when everybody has Christ Jesus, we will all be in agreement with everything. You cannot force people to understand what they are not capable of understanding. Every time you humble yourself and refuse to fight or have a disagreement, you are experiencing the death of the Lord Jesus, and you are placing yourself in a position for ascension. Whereas, those who do not respect other people, no matter what you know, how smart you are, or how anointed you are, if you disrespect other people and the role God gives them to offer to the body of Christ, you are, in that instance, a spiritual female because you have subjected Christ to your carnal mind, which is a disgrace.

Christ, A Higher Soul

1 Cor 11:24

²⁴ AND WHEN HE HAD GIVEN THANKS, HE BREAK IT, AND SAID, TAKE, EAT: THIS IS MY BODY, WHICH IS BROKEN FOR YOU: THIS DO IN REMEMBRANCE OF ME. **KJV**

I think that is very interesting because we know that Jesus is the second Adam, and that the first Adam broke into many pieces. Inside of us all, Christ is a piece, or a part of the Adam who was broken. Jesus is giving them a very profound message here. He is saying, *My body is going to break for you. I am going to ascend into a spiritual place, and My body is going to break up just like the first Adam's body broke up. You have started out with a part of fallen Adam, and*

you are also going to get a part of the glorified Adam; so you, too, should be both the first and the last Adam.

He said, Take, eat: this is my body which is broken for you: this do in remembrance of me. Until the reality comes to you.

An Immortal Body

1 Cor 11:25

²⁵ AFTER THE SAME MANNER ALSO HE TOOK THE CUP, WHEN HE HAD SUPPED, SAYING, THIS CUP IS THE NEW TESTAMENT IN MY BLOOD: THIS DO YE, AS OFT AS YOU DRINK IT, IN REMEMBRANCE OF ME. **KJV**

After the same manner also he took the cup... Jesus is saying, Do not try to teach the others who do not have what you have. Hold the truth in your heart, and every time you are frustrated with someone, just remember this promise: that a part of My broken body is in you, or coming to you, or coming to them, also.

He is talking about the Spirit. He is saying, *Take of the Word, and take of the Spirit. Go and enjoy yourself with the Holy Spirit.*

The Appearance Of Christ

1 Cor 11:26

²⁶ FOR AS OFTEN AS YE EAT THIS BREAD, AND DRINK THIS CUP, YE DO SHOW THE LORD'S DEATH UNTIL HE COMES. **KJV**

For as often as you eat this bread... as often as you study doctrine,

...and drink this cup... and drink of the Holy Spirit, which we do not really have that long hair here anymore, so let us try and enjoy it.

...ye do show the Lord's death until he comes. That means that you are dying to everything in you that says, *What do I want to go to Connecticut for?* That is just an example. You have to die to that, and remember that we have a piece of the second Adam in us, and we understand what they do not understand. We have to experience and show out the Lord's death by humbling ourselves; dying to this glorious Word and submitting to their service. Why? Because we have something in common with them, and that is our submission to the Lord Jesus Christ, and our very existence in God to the Lord Jesus Christ. We must die to our desire for the Word that we are starving for, to be there with them. And every time you do that, you are experiencing the death of the Lord Jesus Christ, because when He comes to live inside of us, He dies a little bit, and that was Margaret's dream. He not only dies, He gets brain damaged from us.

Spiritual Death

1 Cor 11:27

²⁷ WHEREFORE WHOSOEVER SHALL EAT THIS BREAD, AND DRINK THIS CUP OF THE LORD, UNWORTHILY, SHALL BE GUILTY OF THE BODY AND BLOOD OF THE LORD. **KJV**

Wherefore whosoever shall eat this bread, and drink this cup of the Lord... Paul is talking about doctrine and experiencing the Holy Spirit. Whosoever experiences ascended doctrine, and whosoever experiences the Holy Spirit ...*unworthily, shall be guilty of the body and blood of the Lord.*

What does that mean? *You are guilty of the body and blood of the Lord* if you are experiencing the Holy Spirit in a place like Connecticut, and you are despising them, or, if they are tolerating us. Now they know who I am, and I have sent them DVDs, and they think it is really wrong to teach line-by-line like I do. They are guilty because when they despised me, they were despising Him. And that is a curse, that if I was not strong enough, could kill Him in me. I was guilty if I would go there and not try to pitch in and enjoy myself. Try to enjoy yourself, but by despising them, we are destroying, or hating the seed that is in them.

We need to come together, and it can only happen when the elders humble themselves, and that is us. We are elders to them; they think they are elders to us, but it is a lie. But they do not know any better. We know better. That means we let them think they have authority over us, and we do not start a fight with them. Especially in Connecticut. This was the second time that that pastor was rebuked in front of the whole congregation because of me, and someone else who involved with her. She was openly rebuked in front of the whole church. I do not know what it is going to take for her to get it; the pride is so high.

They have this big church, around 1,000 people, and they meet in a movie theatre and they have missions. I could not do what she does right now. When you have missions to that degree, it is like running a business. I would not know what to do. They send whole containers of goods overseas. Her father taught her how to do all that, and God taught her father, so they really think they have the preeminence over someone that does not have as big a ministry as they have, or does not have things of this world to show them.

The pastor has had no respect for me at all for years. I used to go with Ceiley, June and Mary. She had no respect for me at all. When some of you started going with me recently, she got a little respectful. I have not sent her any books yet, but I sent her a couple of DVDs. The first DVD that I sent to her she liked, but the last one she did not. She has no respect. She despises that we are small; she despises the humble seed that is here. The Scripture is saying that if she is despising us, she is guilty of crucifying in her own mind and heart the body and the blood of Jesus the Word that is here, and the Spirit that is here. It is a spirit of murder.

Test Yourself

1 Cor 11:28

²⁸ BUT LET A MAN EXAMINE HIMSELF, AND SO LET HIM EAT OF THAT BREAD, AND DRINK OF THAT CUP. **KJV**

But let a man examine himself, and so let him eat of that bread... the doctrine ...and drink of that cup... the Spirit.

Separate From Adam

1 Cor 11:29

²⁹ FOR HE THAT EATETH AND DRINKETH UNWORTHILY, EATETH AND DRINKETH DAMNATION TO HIMSELF, NOT DISCERNING THE LORD'S BODY. **KJV**

I talked about this verse earlier. Those of us that are despising other elements of the Church rather than humbling ourselves and ministering to them, even in our own heart, we are eating and drinking damnation unto ourselves. That means that the doctrine that you are learning will not do you any good. The Lord is saying, *You can understand this whole message from A to Z, but when you are despising your fellow man, none of it counts, because Christ will never despise His fellow man.*

If you are despising your fellow man even though you are listening to this doctrine, your carnal mind is above Christ in you, and that means that all of the earlier verses, that says, *If you pray, or prophesy with your head covered, and you are a spiritual male, you are a disgrace.* So if you are the one that is into doctrine, you are a spiritual male surely to these people in the Holy Ghost.

There is this man who found me, or the Lord brought us this man to us. He is not in submission to anyone, and he has some deep doctrine compared to the rest of the Church, but he is very carnal. He found me, he found us; someone that he could talk to deep doctrine about. We made a message out of the conversation; we could have laughed at him if we wanted to, that he was trying to teach Christ. He was trying to teach us. He did not discern the Lord's body. He did not discern Christ in me, because he does not even know about Christ. He did not discern that he should have said, *Teach me*, and then shut his mouth. He wanted someone to understand his doctrine. He wanted to be the teacher.

So what did I do? I sat down, I humbled myself, and I let him talk. I did have an opportunity to say one or two things that hopefully helped him a little. He was disgracing Christ in me, because he could not discern the Lord's body. He does not even know that the Lord's body exists, so I humbled myself, and all of you were perfect that were there. Not one person said a word. You were all excellent. It was an excellent group ministry, because you were all praying. We helped him, and you all submitted to him (not just me), because you could have jumped up and started a fight with him. In other circumstances, that is what other Christians would have done. Because we

were all in submission to Christ, I believe his sins were forgiven. Simply by not condemning him, we forgave him.

Either you forgive them or you condemn them. If you do not condemn them, they are automatically forgiven (if you can hear that). It would have been a shame to have condemned that man, he is just ignorant. He is a man that loves the Word of God, but he is ignorant and filled up with pride to the top of his head. Who knows what is going to happen over this year (between last May and this May, because he said, ***I will see you next May***) that might humble him a little more, and that and he might learn something else. I did say a few things to him, who knows what God did with it.

All of us in that room that day experienced the death of the Lord Jesus Christ. He died because we are all so ignorant and spiritually weak, that we could not have accomplished what He accomplished. He died to the carnality of this life to give us His victory in the form of a seed. And those were all of those people in the plane coming in from Margaret's dream. To help all of the people now that this message is here in the Earth, this is how many of us can receive it. All of those parts of Adam are coming in by air balloon; I do not know what the significance of the air balloon was. Maybe not an invention of modern man, but an air balloon coming in to help all of the people that are called to this end-time message, that they wanted to come and they could not tolerate it, or they just could not come, or they just rejected it.

Rejecting The Message

What comes to mind right now is this couple in Florida. The husband called me up a couple of years ago. He was so excited to find a ministry called ***Christ-Centered Kabbalah*** on the internet. He said he and his wife had been studying with a rabbi but something was just really missing; Jesus Christ was missing from it. They went from Christ to Judaism and he was missing Jesus. So I said, ***This is it, Christ-Centered Kabbalah***. He was so excited. I led him to my website over the phone and he was all excited with the names of the messages. Then he read something that turned him off he never even gave me the opportunity to respond to what turned him off. It turned out that June's relatives live right near him, and when she went to visit her relatives, I gave her his phone number and some gifts for them: a DVD, a couple of books. June called the man; it was the man who had made the contact, and he was very nice. He invited her to their meeting, and he and his wife said to her, ***Sheila is wrong. What she said on her website is wrong***. I asked June what it was, and she could not get it out of them. She does not know. He never contacted me, and they were called of God. There was a flaming sword on my website, maybe it was the judgment, I do not know, that they could not tolerate it.

All of these parts of Adam are coming to be an additional soul to the elect, because God has elected them, to give them the ability to come to this message and to tolerate the exposure of their sins. The message is not enough if you cannot tolerate the exposure of your sins, because your sins are your carnal mind, so if you cannot tolerate and react appropriately to the exposure of your sins, your sin nature will kill Christ.

Regarding the woman that was put out of the ministry, to whatever degree she has Christ, and she must have something to have been listening to this doctrine all this time He is about to die.

If she does not take this victory, and the Lord takes the Holy Spirit from her and she still does not repent, Christ in her will die.

Verse 29, Alternate Translation:

29 Because whoever consumes my doctrine and drinks in my spirit and disrespects those who have a different walk than they do, condemns himself, because only those who have Christ can discern Christ, the body of the Lord, in another man.

Again, the condemning of yourself, I did not really write it properly here. It is not that you were not condemned, and now you are condemned. It means that *you will remain condemned*. It means that the doctrine will not raise you up; the Holy Spirit will not help you, and the doctrine will not help you if you do not treat other people as Christ would treat other people. If you are not living out of what you are learning here, it means your carnal mind is on top, and you are disgracing Christ in you, and you will not attain to the promises. Sometimes, it is really hard to treat other people with respect. Sometimes people are really obnoxious. Sometimes they are cruel, sometimes they are cutting, and they really hurt you. It is not possible to not sin against other people in your thoughts, unless you are living out of Christ. It is not possible. I do not always take the victory.

I told you in Connecticut last year, when they preached against me from the pulpit, I did not care. I did not care that they preached against this kind of teaching. But sometimes I get hurt, and I have to repent because I know that Christ in me is saying the right thing, but it is my fallen nature; if I am wounded, that means at the very least, pride is up. It is not easy to love the unlovable. Especially if God is calling them, frequently they will attack you. It will come from the depth of their carnal mind to attack you.

Because whoever consumes my doctrine and drinks in my spirit, and disrespects those who have a different walk than they do, continues to remain under the condemnation of this world... which is hell ...because only those who have Christ can discern Christ, the body of the Lord, in another man. If you are disrespecting others, I do not care how well you know this doctrine, at least at that moment, you are not living out of Christ.

Recognizing Christ

1 Cor 11:30

³⁰ FOR THIS CAUSE, MANY ARE WEAK AND SICKLY AMONG YOU AND MANY SLEEP.

KJV

Many die, because they had an opportunity to go on to longevity and immortality, but they could not discern Christ in another person. They condemned Christ in the other person and they reaped what they sowed; they died.

Sickness & Death

1 Cor 11:31

³¹ FOR IF WE WOULD JUDGE OURSELVES, WE WOULD NOT BE JUDGED. **KJV**

We see here that if you are weak or sick or you sleep, it is a judgment. Do not go getting condemned on me. We all do it. We are not capable of being perfect, the issue is we need to confess it: confess that we sin against others, and ask Lord to remove the infirmity from us. If He does not remove it, you cannot go into condemnation. It is just not as simple as that, but we should at least try it. If we are sick, we need to ask the Lord, *Is there anything I need to repent of that I have not repented of?* At least try it. If He still does not heal you and leaves you to the doctors, do not stop praying, *Lord, what must I do to get healed? Is there anything I must do to get healed?*

Discipline & Recognition

1 Cor 11:32

³² BUT WHEN WE ARE JUDGED, WE ARE CHASTENED OF THE LORD, THAT WE SHOULD NOT BE CONDEMNED WITH THE WORLD. **KJV**

When we are judged, the judgment comes from the Lord. He chastens us, that we should not be judged under the judgment of the world, which is the Sowing and Reaping Judgment; so that Satan loses her right to kill us. This woman that was put out of the ministry, for the disrespect that she has shown Christ in me over all of these years, should be dead. It is a miracle that she is alive. It is a miracle that we are all alive.

Stay In Your Own Spiritual Place

1 Cor 11:33

³³ WHEREFORE, MY BRETHREN, WHEN YOU COME TOGETHER TO EAT, TARRY ONE FOR ANOTHER. **KJV**

This means, when you come together to study doctrine like we are doing here today, wait for one another to catch up to where you are. I have to wait for you, which means what I used to do is no longer tolerable. I had no idea what I was called to. The Lord grabbed me by the hair, and He just dragged me. I do not even know how I wound up here. I would study for hours, and stand up and teach, and the next meeting I would expect everyone to know what I knew. I would get mad at the brethren that they did not know what I knew, because I did not realize that I was different than the congregation when it comes to the Word of God.

Before God I am the same as you are, and I have my own weaknesses, God only knows. But when it comes to this Word, we are not in the same place, so I have to wait for you. When we

come together to share the Word of God, if you ask me a question ten times, I have to explain it to you. Or sometimes what happens (with one person anyway), it can be an issue that I have explained in minute detail, and at the end of a meeting they will ask me a question like they had never heard it before. For whatever reason, that gets me sometimes, and I just have to bite my lip and explain it to them again.

If you do not understand something, I have to explain it to you again and again; as many times as you ask me, I have to explain it to you. You have to have patience with each other, in the same way. That word *tarry* means *wait*. ***When you come together to share doctrine, wait for one another.***

Lust To Minister

1 Cor 11:34

³⁴ AND IF ANY MAN HUNGER, LET HIM EAT AT HOME; THAT YE COME NOT TOGETHER UNTO CONDEMNATION. AND THE REST WILL I SET IN ORDER WHEN I COME.
KJV

And if any man hunger, let him eat at home... If you are starving for this doctrine, you should eat in your local church, or at home with God ***...that ye come not together unto condemnation.*** Do not go looking for deep doctrine in a church that does not have deep doctrine. Do not rebuke the pastor for not giving you what you are starving for. Go home and ask the Lord to either give it to you directly, or to direct you to the teacher that will satisfy you.

That is how I came into this job. I was very frustrated that I could not find a church that would teach me spiritual things. And I did not even know from doctrine, just spirituality. I just was not satisfied with the teaching in the Church. I was coming home, it was after the Lord had pulled me out of ***Gospel Revivals***, and I was going to a church in Riverhead, which is at least a half an hour away from me, and I can remember being disappointed. There was a nice outpouring, nice Holy Spirit, nice music, but the Word did not satisfy me.

I distinctly remember all this; it happened 30 years ago, and I remember it as clear as a bell. I said, ***Lord, is there no church for me to go to? I am not satisfied.*** And He said, ***Will you do it?*** And I said, ***Not me.*** I said, ***How can I do it?*** I was very sick in those days. And I think it must have been the next Sunday, it was the same question, ***Lord, I am not satisfied.*** And He said, ***Will you do it?*** I figured I better not push my luck and say ***no*** twice. So I said, ***Lord, I do not see how I am going to be able to teach. I really do not see how I could possibly do it, but You are asking me, so I will try.*** And here I am today, and that is my story.

If you are not satisfied, whoever is hearing this message, go home and ask the Lord. He will never deny you bread. If you are really praying for doctrine, who knows what He will do to bring you in contact with the ministry He wants you in. Maybe you will have to move. Maybe you have to submit. Who knows what He will do for you, but whatever you need, you have to ask Him. You cannot force it out of other people, and you cannot change the Church to make it what you

want it to be. You need to come, and you need to humble yourselves. We all need to just humble ourselves and learn where God has put us, and not be a rock star.

If you need more than you are getting in the Church, eat at home. Tell the Lord of your need, that you can come not together unto condemnation. Everything that you know will be of no avail. You will still be under the condemnation of this world system. When we are criticizing others or looking down on others, we are under the condemnation of this world system, and Christ will not be able to raise us up out of it.

And the rest, I will set in order when I come... Everybody that cannot hear this commandment, and is still fighting, Paul said, *I will take care of it when I come*. Paul had the authority to punish for sin. He put some guy under the authority of Satan.

1 Cor 5:5

⁵ TO DELIVER SUCH AN ONE UNTO SATAN FOR THE DESTRUCTION OF THE FLESH, THAT THE SPIRIT MAY BE SAVED IN THE DAY OF THE LORD JESUS. **KJV**

Maybe he did not mean he would punish them, but to explain it to them. These two factions who are fighting: *Those of you that are elders, I want you to humble yourselves, and the others, I will explain it to them when I come*. But the end of the whole thing is that Christ Jesus will rise up in all of us and there will not be any more divisions.

CORINTHIANS 11

ALTERNATE, AMPLIFIED TRANSLATION

1. *Follow me as I follow Christ.*
2. *I praise you for reminding me of all the traditional ordinances that you were given to keep.*
3. *However, I prefer that you should know that Christ is the head of every male (435) and the male is the head of the woman, and God is the head of Christ,*
4. *Every male who prays [to another God], or prophesies [by the spirit of another God] covers [Christ, his] head and dishonors him,*
5. *And every [spiritual] female who prays [to another God], or prophesies [by the spirit of another God], dishonors [Christ], the head of the spiritual male that God gave to be an*

authority over her], which puts her in the same spiritual condition as someone who is still enslaved by the powers of this world,

6. Because [the judgment upon] a spiritual female who is not in submission to the spiritual male, who is in submission to Christ, his head, is to lose the gift of the Holy Spirit: wherefore, it is better for the spiritual woman to be in submission to a spiritual male, who was in submission to Christ, his head, than to be without the Holy Spirit,

7. Indeed, the spiritual male, who is in submission to Christ, his head, should indeed, not be in submission to the spiritual female, because Christ, who is the image of God, has the opinion of God, but the spiritual woman can only reflect the opinion of God by learning it from the spiritual male that she submits to,

8. Because the human spiritual male does not come into existence from the human spiritual woman, but the human spiritual woman comes into existence from [the seed of the Lord Jesus Christ, the glorified] spiritual male,

9. Neither is the [human] spiritual male created by [Sophia], the spiritual woman [from the world above, but Sophia], the spiritual woman [from the world above], exists because of [the Lord Jesus Christ], the spiritual male [from the world above],

10. Because, if a spiritual woman is not under the authority of a spiritual male whose head is Christ, one of the evil angels will marry her, and she will be [neither a spiritual male nor a spiritual woman in Christ, but the concubine of an evil God],

11. Wherefore, because of the difference between a spiritual male and a spiritual women that I have explained in the previous verses, the Lord does not desire that the spiritual woman should separate from the spiritual male,

12. Because even though the opinion of God is given to the spiritual women by the spiritual male, the spiritual woman is also a part of the whole Adam, [who is the son of God],

13. Judge for yourselves, is it proper that a spiritual woman should pray [as an authority in the church] when she is not in submission to the spiritual male?

14. Has not the grafted Christ taught you that it is a disgrace for a spiritual male to have the opinion of [the Holy Spirit, which is] the long hair of the spiritual female,

15. But the spiritual female has the opinion of the long hair [of the Holy Spirit] as a covering, until she is assigned to a spiritual male for instruction,

16. But the people who quarrel over this issue, cannot share the friendship and positive relationships based upon shared interests that the Lord intends for the churches of God to have,

17. Now, it is my understanding that you are better off not gathering together because of this issue that I have just explained to you, and for this I do not applaud you,

18. First of all, I hear that when you gather together, there are divisions among those of you who have different beliefs because of your different roles in the Church,

19. Indeed, the anointing identifies the spiritual males among you who are approved to make you strong by speaking the truth which destroys heretical doctrines,

20. So, when you gather together it is not to share the word of God,

21. Because everyone believes his own doctrine before you come together: some are starving for the word of God, and others lust for the emotionalism of the Holy Spirit,

22. Is this not true? Do you not have your own local churches where you can share doctrine and experience the Holy Spirit? Why must you disrespect other members of the Church of God who do not believe as you do and shame those who do not have what you have?

QUESTIONS & COMMENTS

PASTOR VITALE: Are there any questions or comments?

COMMENT: This meeting today really, really did a lot. It started when I was singing. And I was singing, and I have been having a problem, I am still dealing with it. You know, I still am. And I really start going to a dark place with it lately. And that might be some of my problems that I have got going on, I am not sure. I know that it is something I have to really repent of, but I started singing, and I was singing some of the old songs, when I was singing I had that feeling of getting into that deeper place, and I could feel that when I was singing that that is what that whole thing was all about, getting into a deeper place. We had to go through some pretty rough places to get there, but this worked. This is what is going to bring us into that place.

PASTOR VITALE: Yes.

COMMENT: And then, remember a couple of weeks ago I mentioned to you that I did not want to go back to Connecticut and I did not want to go back to...

PASTOR VITALE: Oh, I forgot.

COMMENT: Yeah, I thought of it when you mentioned it.

PASTOR VITALE: I knew it was somebody here, but I did not remember who it was.

COMMENT: Well anyway, I remember saying that to you.

PASTOR VITALE: Yes, I remember now.

COMMENT: And you gave me enough to get me through that. I mean, I thought OK, I get it, you know. But more obedience than knowledge, just because. But this, you really explained it to me and I appreciate that. It really came out, and I really understand it now.

PASTOR VITALE: I am very glad. I am happy to hear that, thank you.

COMMENT: So I mean, this has been the best couple of weeks that I have had in the spirit for a long time.

PASTOR VITALE: Your face is all shining; I see your face shining.

COMMENT: Yeah. Well I feel pretty good about that. I mean, about everything. I got a lot today. I remember when someone else was singing, it was the words. That is how I used to feel when we were all trying to get into a deeper place with the Lord, and that you really explained it a lot today. I mean, a lot of different things today about the Holy Ghost and Christ, and different things that that we kind of know about, but you really made it so that went a little deeper in.

PASTOR VITALE: I am glad to hear that. Jesse had a comment?

COMMENT: Just when you were talking about the wave and someone coming in and sitting down and not being able to understand it. I just happened to remember a lot of the messages I preached about, and we talked about getting to that next level, that next world. That is what I saw, that we are of two different worlds. They do not understand that wave. That they come in, and they are down in this world, and this world communicates at a different wavelength; a different sound. But the next world up, it is a different wavelength, it is a different sound, and so they cannot hear it.

PASTOR VITALE: They cannot get through the ceiling.

COMMENT: So that is really wonderful.

Two Females

PASTOR VITALE: The Baptist preacher that I was listening to last night had a lot of very interesting things to say along the lines of these last comments. He gave an explanation as to why so many are pursuing the female spirit. If you look around, you see all the homosexuality (and there is lesbianism also, but the focus is really on the male homosexual and all of the transgenderism), and he said the root of it is that the goddess is rising in the country, and in the world. He said the reason why people are running after the goddess, is because if you go to the mystery religions, what they teach is that you have rise spiritually into your third eye, which, if you are into Hinduism, is the sixth chakra. They believe that the only way that they could rise into their third eye, which gives you the understanding that leads to immortality, is through the female spirit. I did not know that, but that is what he is saying.

They believe that the goddess is the only way you can spiritually ascend, and they have the revelation that spiritual ascension and immortality (he mentioned that they want immortality) only comes through the female spirit.

The Lord Jesus Christ is female. He is male to us, but he is female to the whole world of Atzilut (which is the God world), and He carries the spirit of the Mother of Creation, which is Binah. So there is a truth to that, that it is the female spirit that will lead you to immortality. I actually heard the rabbi say once, when I was still taking his classes, that they know that the age to come will be dominated by the female spirit, but they did not know how it would play out in the natural; in other words, with the physical male/female thing. They do not have the revelation that there is no male or female in Christ Jesus. So even the Jews know in the age to come, when they have to spiritually ascend (the return to immortality), it is the female spirit that is going to raise them up.

The information that seems to be lacking in their understanding is that ***there are two females***. The Scripture is very clear that there are two females: Sophia and Binah. Sophia is the pagan spirit of wisdom and she was addressed by Paul in 1 Corinthians 11, Verse 9, when the Lord said, ***Yes, Sophia, you are very spiritually ascended, but you came out of the spiritual male, Adam Kadmon***. The other female is the Mother of Creation, Binah, who is raising up the Church through the Lord Jesus Christ, who is her offspring (He is actually her Son). The Lord Jesus Christ is the Son of God. He is the offspring of Binah in the World of Creation, and He now covers her.

It does take a female spirit, for some reason. I do not know why, but that is how the creation was made. The female spirit will carry us, because, the Lord just said to me, ***It is the spirit of creation***. We are being created. The female is the one that, traditionally, produces the child, so it is the female spirit that will carry us up into our third eye, which to us is Christ.

All of these energy centers are real. Christ is grafted to our heart. He is not in our belly. The feel good Holy Spirit is in our belly. Christ is in our heart, and then He has to start to speak. A lot of you cannot give this message back, which means Christ in you has not started to speak yet, but He is speaking through me. When you have Christ speaking through you, that means He has ascended into your throat center. I think He has ascended into my third eye to some degree because I do see in the spirit, but I have nothing to measure it by. Ultimately, He will ascend into the seventh center, which is on top of your head, and that center has to open so that the Lord Jesus can come in.

There really is a basis of comparison for pagan doctrine and the Doctrine of Christ, but the primary information that we all need to have is that ***there are two women***. You never know when the Lord is going to bring you to someone, and usually it is just to give them one sentence or one idea. People are not ready to have a conversation about this doctrine at this time, not anyone that I know.

The key is that there are two women. There are two female spirits by which we ascend, and each spirit ascends in a different channel. Because we ascend in a different channel, we ascend into a different dimension, or a different world, and there is only one world that is attached to the immortal God, Jehovah, and Jehovah is attached to the Creator, which is Adam Kadmon.

There are two channels, two paths, and two spirits, and it is very hard to tell them apart, so you have to be in prayer constantly. Make sure that you are in the right place where God wants you to be; that you are with the right teacher, and that you are in submission. Do the best you can, and He is going to drag you the rest of the way.

We are living in a very exciting time. I think He is going to appear very shortly, I hope. I am not prophesying, but I do believe it is a real possibility that He will appear at the time of a Jewish holiday. I cannot see how it is going to go much beyond this year, although He may not appear until Trump actually has the reins of power. It will all work together, first in the natural and then in the spiritual. It is very possible that He will not move spiritually until Trump is ensconced in the White House. Trump said that on his first day he is going to nullify every executive order that Obama made that is damaging to the American people.

COMMENT: There is one more comment from Rose. She said, Thank you for the blessing of the explanation of these very controversial Scriptures. I know I have pored over them many times, especially as a member of the UPC, and was always condemned because I did not understand why they taught it the way they did. I love and crave a spiritual understanding of these verses. Submission and being humble is so hard, but it is so important to understand in all these areas of life as we learn who we are in Christ.

PASTOR VITALE: Rose who are the UPC? The United Protestant Church?

COMMENT: United Pentecostal Church.

PASTOR VITALE: Oh, United Pentecostal Church. I have never heard of them. Thank you, Rose. You are a blessing to me. You always say such nice things.

Brethren, it was a blessing preaching this today. God bless you.
